What is the Agora '69-70? It is alive — Spirit, Enthusiasm, Rebirth.

The Agora wasted no time. We have had a refreshing school life with many interesting assemblies, dances, dress-down days and projects. Talent assemblies, sponsored by the Agora, allow students to be involved. The rebirth of spirit was felt at the many dances and the gala formal. There were school projects raising money for U.N.I.C.E.F., for needy families at Christmas, for school clubs. Success at selling Christmas trees gave responsibility to those who were concerned.

By the end of the year we felt the impact of the posters around the school. The Agora lives!

Dress down days have been instituted for worthwhile fund raising campaigns which involve students and teachers.

Sell those tickets!

This year enthusiasm was present in the setting of prices and the selling of football tickets. With deep zeal, ticket sellers supervised by the B.A.A. helped assemble most of the student body at the games. With the assistance of the G.A.A. the uniforms and awards were paid for. Most active in the award assembly, these workers behind the scene helped also in the organization and supervision of the inter-mural sports.

Principal, Vice-Principal Inspire Success

The unbeatable team of determination and enthusiasm were key factors in the success of W.C.I. '69-70.

Determination, alias our principal Mr. Mallender, was essential to keep the school running smoothly this year. Although the noise of construction often disturbed classes and jangled nerves, although the maintenance crew went on strike for several days, and although there were at least 1200 individual time-tables to keep straight on the new ungraded system, Mr. Mallender provided that persistence to keep W.C.I. going.

Was there enthusiasm? Talk to Mr. Enthusiasm, our vice-principal Mr. Aitken. We've all been spurred on to success by those famous words "How sweet it is!" In the early morning announcements, his rousing cheers set us off in happy moods to tackle the problems of the school day. Also, he handled those daily problems (where were you last period yesterday, Rick?) and helped keep W.C.I. going.

Determination plus Enthusiasm added to the great re-birth of W.C.I. '69-70!

History: An inquiry into the past

Is there something more to History than dates and essays? Miss Falls, the head of our Department has this to say on the subject:

"Since history is often an inquiry into the experiences of our predecessors to acquire an understanding of our contemporary problems and their implications, a criterion of judgment and a reasoned argument based on an analysis of this material should result, to permit the inquirer to cope more adequately with his contemporary world."

In previous years, our history courses have been more or less "survey" type, but with the initiation of the ungraded system at Walkerville, the seniors now have a choice of taking military strategy, Russian History, and what is referred to as "isms". These courses have been designed to permit a more concentrated study of the subject.

Whether it be "Parlez-vous français?", "¿Habla usted Español?", or "Sprechen Sie Deutsch?", they all mean welcome to the wonderful world of languages. Students not only learn from their instructors, but also from tape recordings and records. In class, there is a great deal of oral work. Poetry, short stories, and even novels are read through the course of the year. These varied techniques and media help to give the students more than just a grammar knowledge of their language.

Who says Latin is a dead language? With Mr. Sillick at the head of our department, Latin students are not only concerned with the study of grammar, but take a candid look into the ancient Roman world through the eyes of such great authors as Caesar, Vergil, and Horace.

Special credit and thanks should go to our Guidance staff this year for all the extra work they had to take on as a result of the ungraded system and all the different timetables which had to be changed in September.

It would have been difficult to get along without this group of advisors to help us with our daily problems. Our thanks also goes to Mrs. Greenwood, without whose assistance the files and appointments would be less organized.

success story

U.N. Yvonne Johnson rules on

action.

Last October, Walkerville's gymnasium echoed with shouts of, "Point of Information", "Point of Order", and "I abstain", as members of the second Model U.N. battled to pass their bills through the General Assembly. Delegates "representing" various countries attended from schools all over Windsor and a few were from Detroit. Perhaps the real highlight of the day was not the excitement of debating, but the bevy of good looking girls ready and willing to carry messages from one delegation to another.

History classes attended the assembly in order to "soak in" the atmosphere, see their fellow students in action. Trophies were awarded to best delegation and best delegate.

It is hoped that Walkerville will present another Model United Nations next year, since this year's was a success well worth repeating.

Many People

Vickie Jackson and friend admire the enlarger in the darkroom.

Do words like "Stop bath", "Hypo neutralizer", and "Fixer", sound strange to your ears? Well cheer up, you're not as dumb as you think. If you were a member of the Photography club they would be part of your everyday vocabulary. Members of this club spend long hours labouring in the dark room to produce a finished photograph and then still have to figure out why their light exposure was wrong or their F Stop inaccurate. Its just part of the trade however, as members learn what it takes to make a good picture.

Special thanks must be extended to Mr. Mattais and his club for the many photographs contributed to the yearbook.

Orchestra tunes up

If you were ever at school around 7:30 A.M., on a Tuesday or Wednesday morning, you may have been greeted by the sound of drums or trumpets. Each week the orchestra and concert band met for early morning practices. The results were very good, as they entertained us at assemblies.

"Oliver"

"I'm Re-viewing... the situation."

The Musical Production of *Oliver* by the Walkerville Light Opera was termed a great success. The musical played for five night performances and an afternoon matinee for public schools. Much hard work went into the rehearsal in October. Satisfaction comes in the knowledge that a good job was done and the audience gave their views by enormous applause and standing ovations.

Thanks go to Mr. Curry and Mrs. Thurgood for such fine directing.

The costume department was responsible for finding the proper costume for each cast member. Any repairs needed were also taken care of by this group.

"Food, glorious food!"

The make-up crew was at school at least two hours before open curtain as they created new faces and colouring for the cast's seventy members. Among the best jobs were those done on Fagan and Mr. Sourberry. Special thanks go to Greg Palmer.

The backstage crew, under the direction of Laurel Turner, was responsible for construction and painting of sets as well as making scenery and prop changes between scenes in the play. Many hours of hard work went into the planning and construction of scenes and the crew was often seen eating supper at school and not leaving until nine. However opening night they were ready and behind the scenes the crew members worked quietly, quickly and efficiently to back up the acting talent.

SENIOR BOYS' FOOTBALL

A terrific comeback by the Walkerville Tartans was one of the highlights of the fall term. After last year's poor showing, the team bounced back to win four and tie one, for a substantial play-off berth.

Walkerville helped place Morris Cousineau and Nick Drakich on the all-city team for their excellent play, both on offense and defense. Other outstanding players in the line-up were quarterback Doug Sprague, linemen Pete Kalman, Pete Machina, and Charlie Wright, backfielders Marcel Marchand, and Bill Curry, and kicker Dennis Hannon. Big men on defense were Rick Dixon, Bob Saunders, Al Lossing, Rick Renaud, and Danny Wilson. A fine bench consisting of Brian Hannon, John Clark, Peter Gatfield, Bill Beaton, John Lazor and Bill Taylor backed up the team effort. Other players were Tim McKinnly, Richard Nageilsen, Frank Hadju, Cam Spooner, Ian Boyd, Wayne Hamara, John Britton, Bill Lewenza, Reinout Reiling and Brian Plenderleith.

Special Thanks and appreciation go to Mr. Miller and Mr. Wortley for an excellent job of coaching and a bright future. Thanks also go to the team managers, Peter Weber, Brian Alliston, and Fred Tibbard.

The junior Tartans, despite a relatively poor 1-3 season, kept their heads high and their spirit up through the fall campaign. A huge September turn out displayed the enthusiasm with which the team operated.

The quarterbacking duties were shared by Bruce Coulthard and Charlie Semple. Excellent rushers on the junior squad were Andy Bryans and Brad Walls along with Ian Steele and John Clark. Commendable linemen were Bob Howison, Steve Saunders, Chris Bryans, and Jim Melito.

Many thanks go to the coaches, Mr. Halliday and Mr. Britton for their fine effort in coaching these boys.

GYMNASTICS CLUB

Every Monday and Wednesday, the Gymnastics club can be seen practising routines on the beam, the horse, and the uneven parallel bars. Under the guidance of Mrs. Mollicone and Mr. MacDonald they swing through such movements as knee-circles, front and knee scales, extensions, walk overs and head springs. This year, for the first time, we have a boys' team as well. They work mainly on the box horse, the trampoline and shoulder stands on the uneven parallels. Although the group is small, it makes up for its size in unbelievable ability.

Second Consecutive Victory For W. C. I.

SOCCER TEAM

Once again the Tartan Soccer Team was the best in the city. They brought back the W.S.S.A. trophy with a 10-1 record, but lost the S.W.O.S.S.A. trophy by one goal in the finals.

The team displayed great spirit and good sportsmanship throughout the campaigns. Stars on the team were goalies Andy Root and Alfred Lebherz. Other note-worthy stars of this year's team were Nick Munkasci, Ken Sterling, Jerry Van Nie, Gord Chan, Mike Roberts, Richard Pernal, Danny Johnson, and Bob Grey.

Mr. Lawson's efforts in coaching the team were rewarded by their fine performance, but the team still expresses thanks to a fine coach.

Big Blue Very Big in Wins

Team play and a balanced line-up carried the Senior "AA" Basketball team into the semi-finals where the team, coached by Mr. Halliday, put up a strong fight before bowing out to Tech. Despite their loss, team spirit was high and the team has higher hopes for next year.

A Senior "A" team was born at Walkerville this year. The team, coached by Mr. Allison and Pete Weber fought to a 4 and 6 record; a good season for a first year team.

Little Guys Follow Example of Big Blue

JUNIOR BASKETBALL AND FRESHMEN

The junior B-ballers had a fine season. Supported well by the student body the juniors responded excellently by winning five games and losing three by less than six points. Jay Glendon paced the juniors with the support of Bob Bell, Bob Howison, Greg Stewart, John Clark, Brian Grieves, and Chris Bryans. Mr. Millar did an excellent job shaping up this fine team and should be commended.

The Freshmen boys experienced a rewarding season by ending up in second place in their league. The big five on the team were Brad Walls, Ian Steele, Rich Hajdu, Vic Vachon, and Frank Mezera. A fine bench supported this excellent entry and Mr. Stomp deserves a lot of credit for moulding Walkerville's future team.

Girls Trounce On Opposition

GIRLS' BASKETBALL

Long hours of hard work got these girls off to a tremendous start. Anne Young (Cap), Linda Mlacak, Barb Benson, Joanne Machina, Holly Krol and Pat Hind, as regulars for first string along with the rest of the team, well deserved the congratulations of the school. Thanks to Miss Parkinson, the coach.

Team members are as follows: Barb Benson, Donna Campbell, Kim Driessen, Bojana Drobac, Julia Haines, Pat Hind, Holly Krol, Joan LaPointe, Joanne Machina, Helen Malec, Jane Mencil, Rosemarie Menyes, Linda Mlacak, Jan Riddick, Billejoy Skjerven, Toni Valente, Anne Young. Flipper for Nothing

GIRLS & BOYS

Mrs. Perfect, a newcomer to W.C.I., took up the task of coaching girls style swimming. The girls are putting in a lot of hard work for the upcoming meet. Good Luck, girls!!

Mrs. Cruickshanks undertook girls speed swimming. A few girls reached the finals in W.S.S.A. and in S.W.O.S.S.A. They are as follows: Heather Boyd, Peggy Graham, Joan Gatfield, and Holly McWilliams. A junior relay team also made the finals. Congratulations swimmers and coach!

The boys' swimming team had quite an unusual turnout this year. With the few boys they had, they did exceptionally well. With the fine coaching of Mr. Brumpton, these boys deserve recognition for the job they did. There were six team members in all. Nick Drakich did quite well, finishing third in the finals. Frits Jannsen, Mark Caba, Mike Levinsky and Tom Sitar should be congratulated for their effort. Simeon Drakich, a junior, finished fourth in the finals. Congratulations to swimmers and coach.

W. C. I. Welcomes Wrestling Team

WRESTLING

The wrestling team, under the guidance of Mr. Henderson, had a fairly good season as a first year team, with a record of four wins, seven losses, and one tie. Three of the outstanding wrestlers were: Michel Dubois, who won 13 matches and lost one in W.S.S.A. and S.W.O.S.S.A. competition; Marty Fitzsimmons, who wrestled in all Ontario competition; and Marcel Marchand, who had 8 wins and one loss. Other team members are Derek Sarliers, Bob Chartrand, Darrel Sheppy, Mark From, Dan Johnson, Nick Drakich, and Mike Roberts.

More members are required if this team is to survive and succeed.

Volleyball! A Girls' Sport?

VOLLEYBALL

The Junior girls' volleyball team, coached by Mrs. Perfect and Miss Lowden, had a successful season. They made it to the semi-finals where Commerce stopped their bid for victory.

The senior girls' team, coached by Miss Parkinson, also turned in a good performance but were defeated in the W.S.S.A. semi-finals.

The boys' team, coached by Mr. Dunn, showed great skill and turned in several outstanding performances throughout the season.

Although none of the teams became champions, they came out on top in sportsmanship and school spirit.

Tennis and Badminton

Player toes service line.

Now, if it clears the net.

Here comes another point.

TENNIS & BADMINTON TEAMS

Mrs. Mollicone and Mr. Mandel put their great knowledge of tennis skills together in hopes of producing a very good tennis team. The result of this was beneficial.

Leslie Grant and Anne Young won the W.S.S.A. girls doubles title. The second team of Adele Newman and Rose Marie Menyes were defeated in the semi-finals. Linda Mlacak was the W.S.S.A. and S.W.O.S.S.A. girls singles champ. Special congratulations to Linda for capturing ninth place in the provincial rankings in the Junior Ladies (under 18) Class.

The boys doubles teams of Gary Elligson and Barry Johnson; Andy Root and Alfred Lebherz also played well. Paul Britton and Pete Weber were in the singles competition and Pete made it to the semis. The mixed doubles teams of Linda Ashwell and Bruck Easton; Marie Novak and Bill Sellars also put up a good fight.

Congratulations tennis team and coaches.

At the crack of dawn, birdies are flying about the Walkerville gym. What could this mean? BADMINTON!!

Mr. Lawson, Miss Lowden and Mr. Gieswein have been putting long early hours in with the team, in hopes of producing a top notch Badminton team. A good turn out this year adds up to a lot of hope in the upcoming meet. Good Luck, Badminton team!!

Missed again.

THE HONOUR SOCIETY

... OUTSTANDING STUDENTS OF 1970

The Honour Society is an organization in Walkerville which recognizes those students who are active in school affairs. Points are given for all school activities, such as clubs, sports, the Agora, academic achievement, Blue and White, etc. A record of a student's points is kept.

When a student acquires 100 points, he becomes a member of the Honour Society, for which he receives a crest. At 175 points, he receives further honour and a ring. At 250 points, the student is presented an individual trophy at graduation, and his picture is mounted on the wall.

Honour Society members must have points from at least three out of the four following categories: Academic Achievement, Athletics, Student Council and Clubs, and Service and Talent. The number of points from each category is limited. Because of these stipulations, Honour Society members are outstanding in several fields.

Mrs. Monger must be congratulated for the time and effort she spends working for the Society.

OUR SPORTS PROGRAM FOR THIS SEASON

Chrysler has a great sports lineup for 1970:

For starters, Plymouth 1970 makes it with the fabulous Barracuda Series. Valiant Duster 340. And the imperturbable Plymouth GTX.

Or, you and your folks could be Dodge Material. Find out with a run in the cars with the

bumblebee stripe: The Challenger. Charger 500. Dart Swinger 340. Coronet Super Bee.

The loaded lineup. Performance on wheels, waiting for the call of the road.

Think about it. You'll feel like a million in one of these proud new beauties.

EDITOR'S COMMENT

"There's a new world coming,
This one's coming to an end.
A new voice calling,
You can hear it if you try,
And it's growing stronger
With each day that passes by . . ."

The new Walkerville has arrived! The purpose of a good yearbook is to capture the events, faces, and feelings of a school year. It must preserve these for the generation which has the memories and to explain effectively the year to others so they, too, can share it. 1969-70 marks the end of an old and the beginning of a new era for Walkerville. One word sums up the feeling of this "happening". It is "re-birth".

Walkerville has certainly been re-born. Not only has it been transformed by construction to a more modernized structure, but the feelings of the school are also re-invigorated. "Re-invigorated" because these feelings have been here before but have not been evident for the past five years. 1969-70 marks the rebirth of school spirit as the soccer team gains the W.S.S.A. title, the basketball, football, wrestling, and other teams place high standings and, above all, are supported by the student body. Once the newspaper said Walkerville lacked school spirit and support for her teams, but that year was NOT 1969-70. This year is one of a rebirth of enthusiasm and participation as new clubs such as the Science club were formed and others were expanded. There is a rebirth of creativity as shown by the outstanding performance of many talented students in the music and dramatic societies' "Oliver!" There is a rebirth of understanding and co-operation between students and teachers in special conferences held to discuss problems and improvements in classes and courses. Stemming from all of this, there is a rebirth of pride in the past, present, and future of Walkerville.

The Blue & White staff recognized these reborn feelings in Walkerville. Realizing that it must preserve 1969-70, the staff set out to capture the pictures of rebirth. Therefore, the theme of the yearbook is "re-birth" and is represented by a symbol that resembles an asterisk. Each arm of the symbol represents a facet of life at Walkerville such as sports, activities, or classes. Each arm is equal in length and width symbolizing that all areas are equally important and active. All the arms are joined to a centre meaning they are all connected and contributing to the whole Walkerville.

But the process of growing is not ended. This period is only one of "re-birth". The school can be greatly improved as the enthusiasm, determination, co-operation, and loyalty grow for a better Walkerville in which to work, create, and play. As the lines of the song state, "and it's growing stronger with each day that passes by . . ."

ACKNOWLEDGEMENTS

The yearbook, too, has been reborn. As you probably noticed, the format of the book is completely changed with new features, such as "theme" pages, and standardized features, such as "grads", revised and in different areas. Most of the pictures are informal or candid in order to show the students realistically. These changes could only be carried out with the enthusiasm, hard work, and co-operation shown by all the staff. I thank you all for your efforts and support.

The following people deserve special recognition. Pictures tell the story in our annual and I would like to thank Dan Newman and Gord Kitchen who spent long hours taking pictures and preparing them for the book. They did an outstanding job.

This is the longest Blue & White we have ever produced and, therefore, we needed more money. Thanks go to Jan Lawson, an advertising manager, and her co-managers, Adele Newman and Mira Lorkovich who did a wonderful job of raising this money.

A great deal of imagination and hard work went into designing the layout of the pages of this year's book. I would like to thank John and Peter McCallum who did an excellent job.

We all want to thank our advisor, Mr. Matteis, who gave us inspiration and encouragement.

Finally, we thank Mr. Mallender and Mr. Aitken who gave us every consideration.
