## Administration

Mrs. M. Nantais Principal

### From the Principal's Desk.

Congratulations to our students and staff for an amazing school year! Our accomplishments in academics and athletics, as well as numerous contributions to our community, will long be remembered. Our strength lies in our diversity, strong work ethics, commitment to continuous learning, and achievement.

I am very proud of our graduating Class of 2012. You are the leaders of tomorrow, and I believe, based on my last four years with you, that you will change the world. Remember, as eloquently stated by Henry David Thoreau: "Go confidently in the directions of your dreams. Live the life you've imagined."

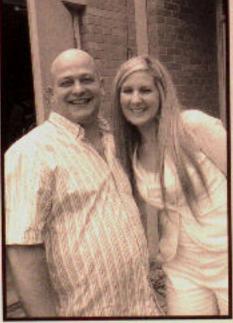

The Yearbook Committee has spent many hours chronicling our journey this past year. We appreciate the hard work of the students, Mr. Trudell, Ms. Suchiu and Ms. Fillion in creating this lasting legacy. Well done!

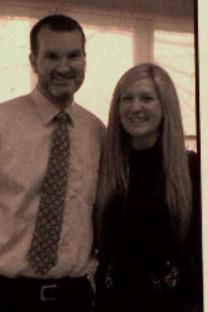

Thank you to the staff, School Council, parents, coaches and volunteers who have greatly contributed to our students' success.

Life is an adventure in learning discover it. live it. savour it, love it!

~ Anonymous

Mr. R. Reid Mrs. D. Salinitri Vice-Principals

The 2011-2012 school year brought many successes to Massey Mustangs. Massey excelled in athletics, academics and school

Many new staff were welcomed at Massey, and others moved on to different pathways. Those that joined us were greeted with great Mustang pride, and those who left Massey will be remembered fondly for their contributions to making Massey a better place to learn.

We would like to wish all of our graduates success in their future plans. You have been well prepared by your experiences at Massey for whatever path you choose to follow.

We wish you well and anticipate yet another great year with all of our returning students. It is sure to be filled with excitement, laughter, learning and memories.

### Saying Goodbye: Mrs. Salinitri

Commitment leads to action.

Action brings your dreams

~ Marcia Wieder

As I walk through the halls of Massey Secondary School, I look back at the amazing milestones that have been reached by so many of our talented, compassionate, and dedicated students, teachers and staff.

Successes, to name a few, include the Massey Green Gold Certification, the many fundraisers for significant causes, and the repeat winning of the Massey Science Olympiad and nationally recognized math competition teams.

I am proud to say that Massey students are exceptional in every way. I am so honoured and humbled to have been a member of the great Massey community for the past four years. The ties I have created with students, teachers, staff and parents are long lasting. I wish you all the best as you venture on to your chosen paths.

ADAYNTHELFEOFA

## MASSEY MUSTANG

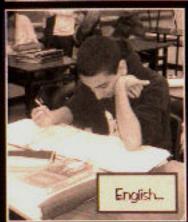

ISSUE # 2 - 2012 - 20¢

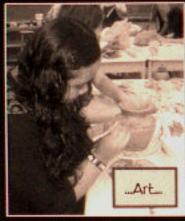

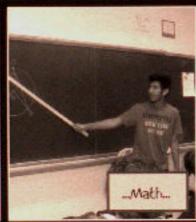

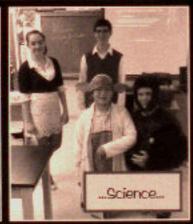

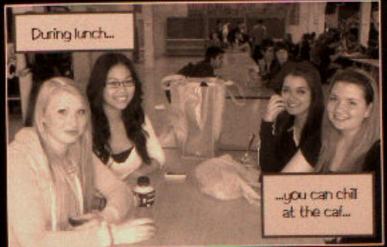

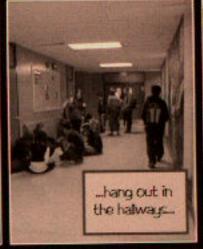

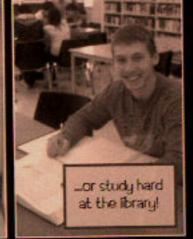

to finish...

# AutumnCandids "Autumn is a second spring where every leaf is a flower." ~Albert Camus

## Winter Candids

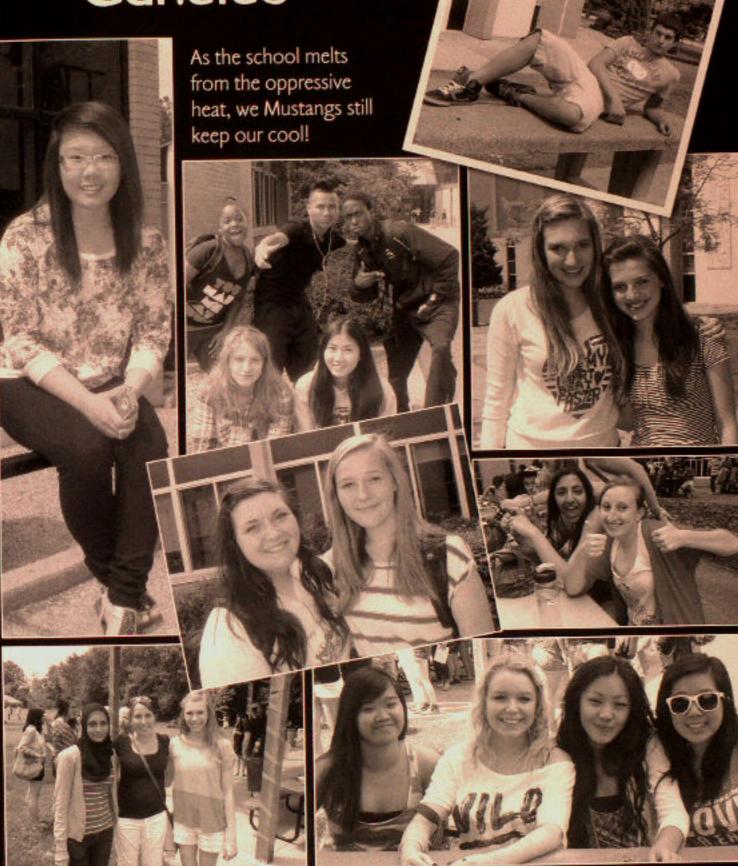

Bundled up for school? Cold winds are blowing, but Mustangs are always ready for anything!

# Spring Candids "The sun was warm but the wind was chill. You know how it is with an April day." ~ Robert Frost

### Summer Candids

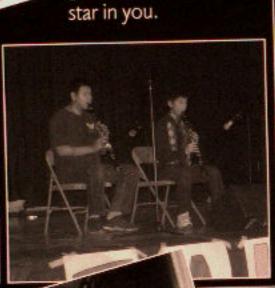

### Massey's Got Talent!

This night is the night to show Massey what you are made of; let yourself go and release the star in you.

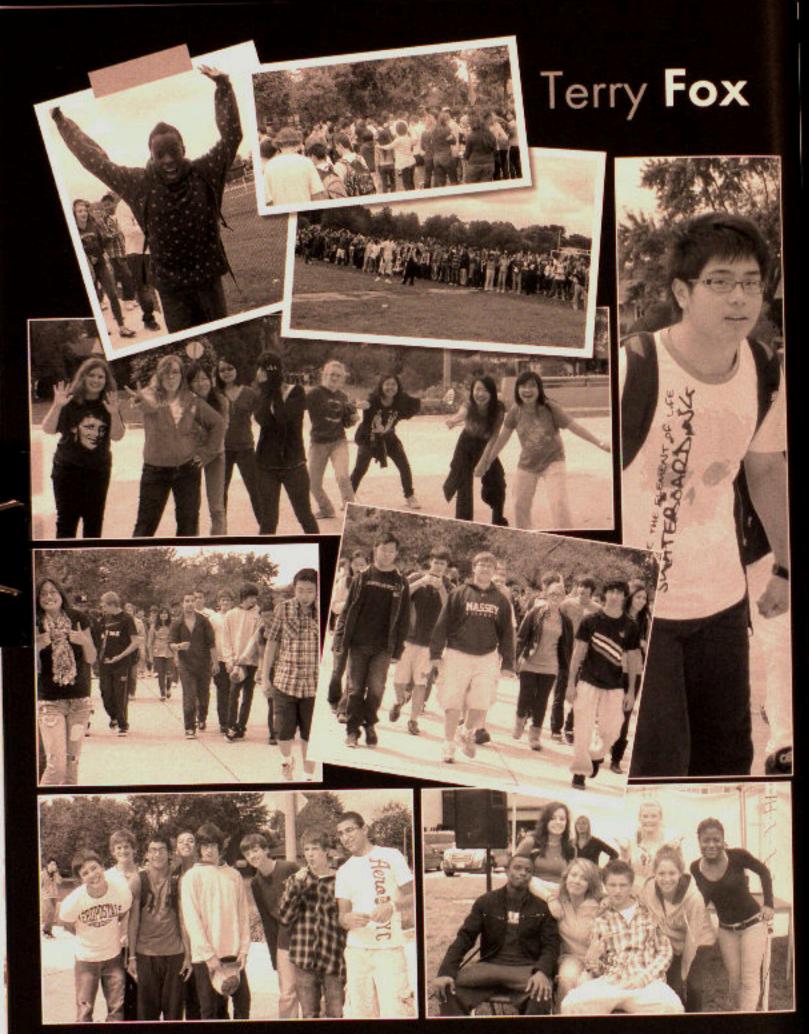

Pep Rally • 15

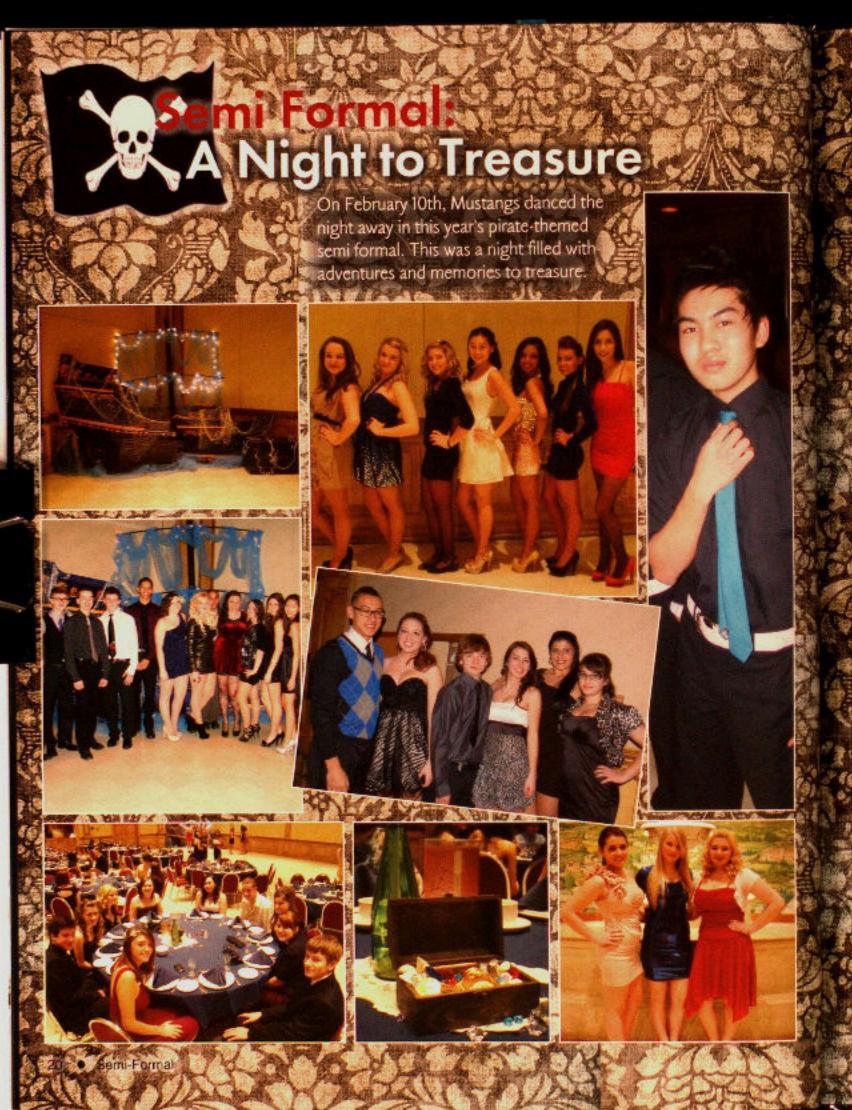

## Fashion Show

Our Mustang models proudly showed their sense of style and demonstrated the confidence and passion for fashion needed to walk down the catwalk!

## Multicultural Dinner

On October 24th, Mustangs celebrated the diversity of our school -through food! It was a successful event filled with delicacies and vibrant colours from all over the world.

Top: Celeria Kouzoukas (9), Lynn Liu (9), Galen Suh (10), Nada Francis (11) Middle: Dohna Liu (9), Arma Liang (9), Jagroop Doad (9) Bottom: Sebastian Bachmeier (10), Amanda Robinson (10), Melissa Coulbeck (10), Reena Francis (9)

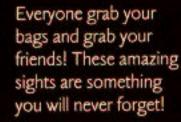

Featuring Massey's talented and creative artists.

## Beize Everyone grab your bags and grab your friends! These amazing sights are something you will never forget!

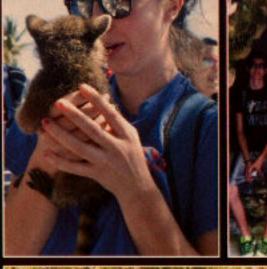

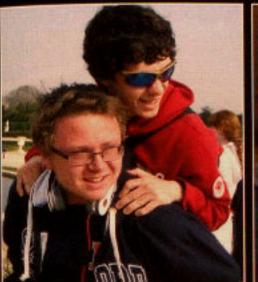

Return to Vimy Ridge

& Europe

### Music at NYC

"If I can make it there, I'll make it anywhere."

~ Frank Sinatra New York, New York

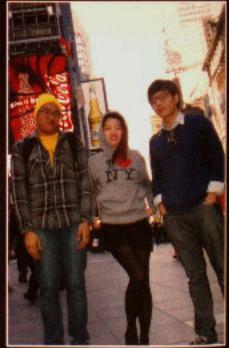

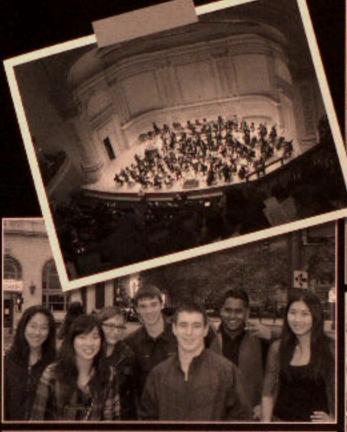

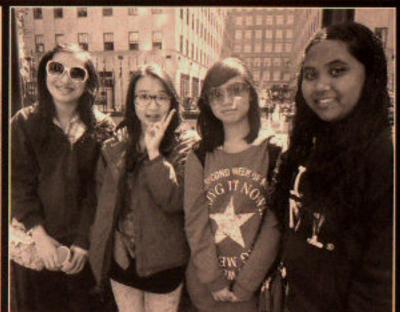

## Coffee House Coffee House is the place to be if you love showcasing your artistic talent, or crave some coffee while watching your friends perform! Future stars, this is your place to shine!

## in the **spotlight**:

outstanding clubs at massey

#### Massey Symphonic Band

The band travelled to New York this year, where they visited the Rockefeller Centre, strolled through Central Park, attended a concert by a world-class orchestra at Carnegie Hall, watched a "Wicked" Broadway musical and floated by the Statue of Liberty.

The band performed in a Music Festival and achieved on evaluation of "Excellent" by a panel of adjudicators from the New York City area.

#### WindENG

Massey sent two teams to compete in the WindENG competition at the University of Guelph: PotatoMagnet (Grade 11) and Epic Mill Time: Windception (Grade 12). Both teams, consisting of Massey's best and brightest physicists, spent countless hours, burning the midnight oil in order to create the perfect, most efficient design for a wind turbine. They learned some important rules of life: eyeballing is the way to go, and you can fix anything with epoxy. In the end, PotatoMagnet finished at 9th place.

These pages honour students who have dedicated countless hours in the pursuit of victory and excellence. Their stories are told here for the benefit of future generations of Mustangs.

#### Reach for the Top

The team, led by captain Xana Ouellette, finished first in the regular season this year. A close loss in the city finals ended their Windsor season. Massey then sent a team to the annual UTS tournament for the first time. Against some of the strongest teams in the province, Massey finished with three wins and three losses.

#### Debate Team

Debate combines critical thinking with public speaking in a fun and interesting environment. Living in a time of rapidly changing political policy and uncertainty, debating is a critical skill required in our society to ensure that these changes are the best for everyone. Members of the Debate Club train themselves to become leaders of tomorrow.

Debate at Massey is different than it is at others schools. Here, students see debate as something that completes their skill set. Many members are very skilled in a variety of other disciplines. Our debate teams train year-long to compete in competitions from Windsor to Toronto. The group has grown over the past four years from a loyal band of about a dozen members to a group of about forty members.

#### Science Olympics

Massey's senior Science Olympics team competed at McMaster University and the University of Windsor. At McMaster, Massey brought home 1st in the Canada Arm event, 1st and 2nd in Photonic Puzzles and 2nd in Egg Jump. At Windsor, the team overall won the entire competition, scoring a total of 784 out of 800 points.

#### DECA

DECA is an organization that enhances business education and develops emerging leaders in high school. DECA goes beyond textbooks through role plays, community projects, leadership programs, and international networking across Canada and the US.

At the regional competition in Waterloo, all members of the team qualified for the three-day provincial competition at the Sheraton Hotel in Toronto. In Toronto, 47 students spent three days competing through testing and role-plays.

The international competition was held in Salt Lake
City, Utah for eight days. Jenny Zhang and Andi Wang
competed with students from all over the world during
a week of intense competition. The students received
specialized training in their specific event from other
teachers in Ontario. Melanie Grondin and David
Venuto were selected for professional leadership
training.

All participated in networking opportunities such as DECA Olympics.

#### Computer Club

The Computer Club is a lot of different things to a lot of different people, but above all else it is a club interested in the pursuit of excellence. Many club members participate in extracurricular math where they learn how to think in a way that is uncommon in our society. The Computer Club takes these abstract thinking skills and makes them concrete, rooting them in algorithmic problem solving.

Although there have been many successes in a number of contests this year, everything pales in comparison to Angus Kong placing first in the country on the Canadian Computing Competition (CCC). Angus had a perfect score on stage one of the CCC, qualifying him for a week-long workshop and competition in Waterloo, where he once again had a perfect score. Angus will be representing Canada at the International Olympiad in Informatics in Italy.

#### Mind Force

On April 28th, Massey's Mind Force team was faced with a problem: saving the world from mutant birds. Through a skit involving time travellers and coconuts, the team successfully tackled the problem and won first place in "The Road Less Travelled".

## MASSEY MATHEMATICS

Mathematics at Massey has a longstanding tradition of excellence and has once again captured the Zone 80 championship in each of the Pascal (9), Cayley (10), Fermat (11) and Euclid (12) contests. In Canadian standings, our Grade 9 team finished 14th, our Grade 10 team finished 6th, our Grade 11 team finished 3rd and our Grade 12 team finished 10th.

#### STUDENT ACCOLADES

- Hunter Qin, Sean Lu, David Yu and Letian Chen were all invited to write the Canadian Math Olympiad.
- Letian Chen and Xinrui Jia were invited to the Lloyd Auckland Invitational Mathematics Seminar at the University of Waterloo for their outstanding performances on the Fermat and Cayley, respectively.
- Chen Chang, based on her results in the Tournament of Towns, has been invited to Moscow, Russia for the Russian High School Mathematics Seminar.
- Yuwei Xu, Letian Chen and Xinrui Jia have been invited to the Canadian Mathematics Society's National Math Camp for 20 of the top junior students in Canada.
- Without a doubt though, the highlight of the year was Xinrui Jia finishing 1st in Canada on the Cayley contest with a perfect score.

# StudentCouncil

Although each event had their highs and lows, I can positively say that we gave it our full effort and reaped the rewards from that. I want to thank everyone that came out to support all of the events and made planning these events worthwhile. Without participation, we wouldn't be able to organize such events.

I also want to thank the two people who were the backbone of the Student Council and truly supported me throughout this whole year: Ms. Leonardi and Mr. Gatt. There was never a moment when they hesitated to come to my aid, and they were always there to guide and support me. I cannot explain how much they helped me in the midst of all the chaos. So thank you, Mr. Gatt and Ms. Leonardi, for teaching me so many invaluable lessons and keeping my hopes and spirits high when they needed some boosting.

Lastly, I'd like to thank Mrs. Nantais for putting up with our madness and never saying no to what we wanted to organize. I know it's been a long year, but thank you for your support!

I'd have to say that my favourite part about council was becoming a family with all of the representatives and ministers, and my least favourite part will be leaving it. Thank you, Mustangs, for making my term as Prime Minister one I'll never forget

Sincerely, Nadine Habib Prime Minister

This school year meant a lot of different things to different people. For some, it was a new beginning in a new school with new friends. For others, it was a stepping stone to a bright future outside these walls. It was a year abundant with triumphs and excellence, seen not only in our classrooms and labs, but also on the ice and on the field. In this year, we accomplished many great feats – accomplishments that not only brought recognition to our beloved Massey, but also improved our own individual selves.

As we ran around the track, wrote math contests in the cafeteria, and laughed as we went through our daily lives, we as Mustangs created new memories this year - memories that will last through our lifetime. The Yearbook Staff aimed to capture these memories, and freeze them in time by preserving them in the book you're currently holding. It is our hope that, in the near and distant future, you will go through this yearbook once more and remember its contents with the same intensity as you would today.

The Yearbook Staff wishes to thank you, the student body and staff for making this year a memorable one. We thank those who worked tirelessly from behind the scenes in order to make our many school events an outstanding success. We salute those who trained and practiced in pursuit of achieving victory in competitions, both academic and athletic. We would like to thank our numerous photo contributors who helped us bring the various sights of this year together into one book.

As this school year sets and a new one rises, we hope that you have finished this year as a better, stronger individual. We wish you the best of luck in whatever goal you pursue in life.
