*To their First Principal, Mr. R. Bass*

MR. R. BASS

I wish to congratulate the editor, her assistants, the teacher advisers and all those who have contributed to the production of this second edition of Pegasus. As you glance through its pages you will realize that this year has been both interesting and successful. You will note that many students have contributed a great deal of their time and talent to the various extra-curricular activities—activities which enrich the lives of those taking part by affording valuable training in co-operation, sportsmanship and leadership. My sincere thanks are extended to the coaches and teacher sponsors.

I hope that all students who are writing examinations in the near future will do well. Examinations are a good preparation for life; they prove that interest and systematic practice lead to success.

To those who are graduating, I wish you well in your future endeavours. Along with your teachers, I shall follow your progress with interest and with pride. Wherever you go and whatever you do, be sure that your sincerity and your integrity are immediately recognizable. These two qualities should be established as the keystone of your character.

## FAREWELL MESSAGE

Too often we do not appreciate what we have until it is gone. This year Vincent Massey is losing two men to whom it owes a great deal. Our first principal, Mr. Bass, and our first vice-principal, Mr. Pentland, have each contributed greatly to establishing traditions and bringing innovations to our new school. The school sincerely thanks both of them and wishes them further success in their new positions.

We would also like to extend the same hope for success to Miss Umbach and Miss Webb who will be leaving the teaching staff this year.

## PRESIDENT'S MESSAGE

The faith of the world lies in our realization that anything within the range of human dreams is also within the range of human accomplishment. Be willing to make the smaller, materialistic sacrifices now in order to garner the rich harvest of happiness and satisfaction which comes from a well-stored, well-disciplined mind and body.

The first grade 13 graduating class of Vincent Massey Collegiate Institute is proud to have shared in establishing school spirit, enthusiasm, and a willingness to work (at least part of the time).

What we shall have to declare in the way of lasting accomplishment in a few years will reflect the confidence and co-operation of our parents, the encouragement and guidance of our teachers and our own willingness to "get up and go."

# Investment and Opportunity

Canada needs young men and women of ambition and ability who want to build successful, worth-while careers. Money invested in education, particularly at the university level, offers this opportunity and gives Canada a high return.

Since it began six years ago, the General Motors Canadian Scholarship Programme has created opportunities for students who found lack of sufficient funds all that kept them from a university education. Twenty-five scholarships are awarded each year and, to the present, more than 200 students have received awards ranging in value to \$2,000 a year.

The choice of one of 14 universities and of faculty rests entirely with the students and their advisors. The GM Scholarship Programme also provides grants to the universities themselves to help maintain and improve the quality of education.

The seven General Motors companies operating in Canada want to help deserving students develop their capabilities so that they can prepare for an important part in Canada's future.

It is an investment we like.

Applications for General Motors Scholarships should be directed to the Registrars of the following participating universities: *The University of Toronto; the University of Western Ontario, London; Queen's University, Kingston; the University of Montreal; the University of Manitoba, Winnipeg; the University of British Columbia, Vancouver; the University of Saskatchewan, Saskatoon; the University of Alberta, Edmonton; Dalhousie University, Halifax; the University of New Brunswick, Fredericton; Laval University, Quebec City; McGill University, Montreal; Memorial University, St. John's, Newfoundland; and McMaster University, Hamilton.*

### SOCIAL

This year's Social Committee, under the sponsorship of Miss Murphy, was headed by Barb Breen and Terry Taylor, and composed of approximately 38 members, who worked diligently at decorating the gymnasium for the two semi-formals.

The Silver Swirl, held on December 8th, was on the theme of "Come December". The illusion of rolling snow-covered hills was created by evergreens placed on the white bleachers. Skis and ski-poles at the entrance added to the wintry atmosphere. The music for dancing was provided by Walley Townsend and his orchestra.

A precedent was established at the Hi-Time, the Spring Prom, when a school queen was chosen. Five girls from grade 12 and 13 were chosen by their classes and the whole school body voted on their choice. Elaine Bowen of 12A was chosen this year, as the first Queen. The Japanese theme of the dance was carried out in the decorations by a waterfall and garden scene. Again, Walley Townsend provided the music.

The Friday night sock-hops were well attended. Marty Adler very capably acted as disc jockey.

### GENERAL ACTIVITIES

Massey's first graduation exercises were held on December 9, 1961. Although no students graduated from grade 13, several received awards for grade 12 accomplishments. All honour students and those standing highest in each grade were presented with school pins.

The first Drama and Music Night was held on March 6, 1962. Entertainment was provided by the Girls' Chorus, under the direction of Mrs. Rowe, and the school Band, led by Mr. Edwards. The 12A winning assembly was a feature of the programme. The Drama Club, under the direction of Mr. N. Graham, presented a one-act play, "The Ugly Duckling". The large audience was not disappointed in the efforts of the students; congratulations are extended to all those concerned in the production of this evening, a fine beginning for a fine tradition.

An extremely successful Activity Night was organized by the Athletic Association. Both active and quiet games were provided. Movies, a basketball game between the Senior Boys' Team and the men teachers (boys being victors), trampolines, and a dance were the highlights of the evening.

Massey again held public speaking contests, and again this year there was an excellent field of contestants to choose from. The Senior Girls' winner was Pat Bowsher; the Junior Girls' winner, Connie Ballantyne, also captured the city title; Senior, Bob Gibb, and Junior, Ricky McGrath, both placed second in their respective classes in the city contest.

### ASSEMBLIES

This year's interesting assemblies were on various topics, to suit all students. We had as guests a retired racing driver, who spoke on safety, a representative from the Red Cross, and a speaker from Junior Achievement.

Perhaps the most interesting assembly was that one provided by two representatives of the scientific research department of General Motors of Canada. They performed several amazing experiments, one with audience participation, and thoroughly startled the students with a jet engine model.

Verna Becker, who had been chosen to represent the school on a visit to New York City and the United Nations, gave a fine report of her trip.

The Air Force Transport Command Band from Trenton and the Assumption High School Band provided us with excellent music, combining both serious and novelty music in a very delightful programme.

Several classes this year entered an assemblies contest. Competition was very keen, and 12A was declared the winner; their programme consisted of a satire on Shakespeare's "Romeo and Juliet".

### SPORTS

Although Massey showed great effort this year, they remained close to the bottom of the sports list.

To start the year our golf team recaptured the Augustine Golf Trophy. Members of the team were Bob Brown, Bill Welsh, Pete Guthrie, and Ron Sandor.

Even though our senior boys did not win the volleyball championship, they did make it to the semi-finals where they were defeated.

Several of our boys obtained positions on the All-City Football Teams. Congratulations to Don McPhail, Bill Welsh, and Larry Tesarski.

All basketball teams made a good effort, but it did not result in any rewards.

Kathy Skeggs, Dave Powell, and Eric Pertsch brought back the W.O.S.S.A. badminton championships and deserve congratulations from the school.

To end the sports year the intermediate boys placed second in the W.S.S.A. track meet. The outstanding member of this year's track team was Nate Laurie who was co-winner of the intermediate individual championship.

## MISS MITCHELL'S RULES for PROPER ENGLISH

- 3) Verbs has to agree with their subjects.
- 4) Watch out for irregular verbs which has crope into our language.
- 5) Don't use no double negatives.
- 6) A writer mustn't shift your point of view.
- 7) Korrekt speling iz nesecary.
- 8) When dangling, don't use participles.
- 9) Join clauses good, like a conjunction should.
- 10) Don't write a run-on sentence you got to punctuate.
- 11) About sentence fragments.
- 12) In letters themes reports articles and stuff like that we use commas to keep a string of items apart.

- 14) Its important to use apostrophe's right.
- 15) Don't ABBREV.
- 16) Check to see if you any words out.

### MISS MITCHELL'S example of a perfect sentence:

"Ending a sentence in a preposition is the type of thing up with which we will not put."

11A is a real cool class,  
A joy to our teachers—  
They tell Mr. Bass.

Mr. Law is a peach,  
We never see wrath,  
He really tries hard  
To teach us some Math.

Mr. Davies for French  
We try to absorb;  
But with Wayne Wright's antics,  
We find it a chore.

Our Latin is smashing,  
We never come late.  
Mrs. B. would be furious  
Except with our Nate.

Our history discussions are heard 'round the school,  
Mr. Lanspeary for sure, is nobody's fool.

Mr. Soteris for Physics,  
Has lots of commotions,  
His stale jokes and experiments  
Keep high our emotions.

Mr. Roberts for English is something to fear,  
We're sure he studied with Willie Shakespeare.

This amateur poem is only in jest,  
We think our teachers are really the best.  
Their job is no picnic, I'm sure you'll agree;  
But June will come soon, and then they'll be free.

A strong sense of duty, readiness to accept responsibility and the ability to lead . . . are some of the qualities required of an officer in Canada's Armed Forces. The development of these leadership qualities in this modern age demands the best in education and training.

The Department of National Defence will sponsor, through the Regular Officer Training Plan (ROTP), a selected number of qualified high school graduates to obtain an education through the Canadian Services

Colleges or through most Canadian universities, leading to a university degree and the Queen's Commission. This training prepares cadets for a career as officers in their chosen service, the Royal Canadian Navy, the Canadian Army or the Royal Canadian Air Force.

There is also a limited entry for those who would choose to obtain higher education at the Canadian Services Colleges at their own expense, and serve after graduation as officers in active components of the Reserve forces.

## ROTP

Full details concerning the Regular Officer Training Plan, or entry into the Canadian Services Colleges, as a Reserve cadet, can be obtained without obligation from your nearest Canadian Armed Forces Recruiting Centre or by writing to the Director ROTP, Department of National Defence, Ottawa, Ontario. Closing date for candidates applying for 1962 FALL CLASSES is 1 July, 1962.

### MASSEY SCHOOL SONG

Sing the acclaim  
 Of a school whose fair name  
 We will ever revere and adore.  
 Mid all the rest  
 Massey always is best  
 And we'll see that she leads ever  
 more.  
 Oh! Hail to the white  
 And the dark blue and light;  
 May our cheers through the years  
 never fail  
 For there's nothing in this world  
 No matter how you try,  
 Can be better than  
 The days we spent at M.C.I.

(6) **SPIRIT**  
 C.L.—Have we got a lot of spirit?  
 Crowd—You said it!  
 C.L.—Have we got a lot of pep?

 Everyone—Well if we've got a lot  
 of spirit and we've got a lot  
 of pep,  
 We're going to beat that team  
 And you can bet.  
 We're going to F-I-G-H-T
