PRINCIPAL'S MESSAGE

When I watch Mr. Gault's slide show depicting life at Massey it causes me to fill with positive feelings — enthusiasm, happiness, excitement, pride and joy.

It is a very good slide show because it touches on many of the good things that happen here at Massey, and this is such a good school. From the football field to Band rehearsals, from the art room to the science lab, to the auto shop, so many good things are happening. Our students win math contests, literary contests, typing contests, not to mention game after game, and even scholarship upon scholarship. Our students excel, our teachers excel, our custodial and support staffs excel.

We have learned many lessons well, and I am proud to be the principal at this great school. I am however uncertain about how well we have learned to be responsible for one another. How much do we care for the other person? Martin Luther King Jr., the great American Civil Rights leader, and winner of many awards, asked others to remember him as a man who tried to help somebody.

Our Children's Christmas Party is an example of that kind of achievement. We help others when our peer helpers go into elementary schools to offer counsel on drug and alcohol abuse; we help others when our OAC students welcome the grade nines or simply go out of their way to make someone feel welcome in the school. These are our greatest achievements, and so often they are so easy to achieve. As we look back on 89/90 let's be proud of what we have done, and vow to do more for others — especially those less fortunate than we are.

Let me close by thanking the entire Massey family for your support during this school year, and most of all let me thank Mr. Gary Douglas. Gary, you are the greatest!

G. Dimmick
Principal

V-P MESSAGE

This year was my first year at Massey . . . and my last year. I came to our school at the invitation of Mr. Dimmick and I am so thankful that he did so!
MY LAST YEAR HAS BEEN MY BEST YEAR!

This happened because of the great support our administrative team has received from our students, our staff, our secretaries and all other service personnel.

I have found Massey a wonderful place to be because of the enthusiasm, caring and pride that exists in the Massey family. Don't ever lose these Mustang qualities.

As my wife Elaine (my greatest supporter) and I look back from retirement at my career, Massey will hold a special place in our memories.

I trust that Massey students and staff will support my successor as well as they did me.

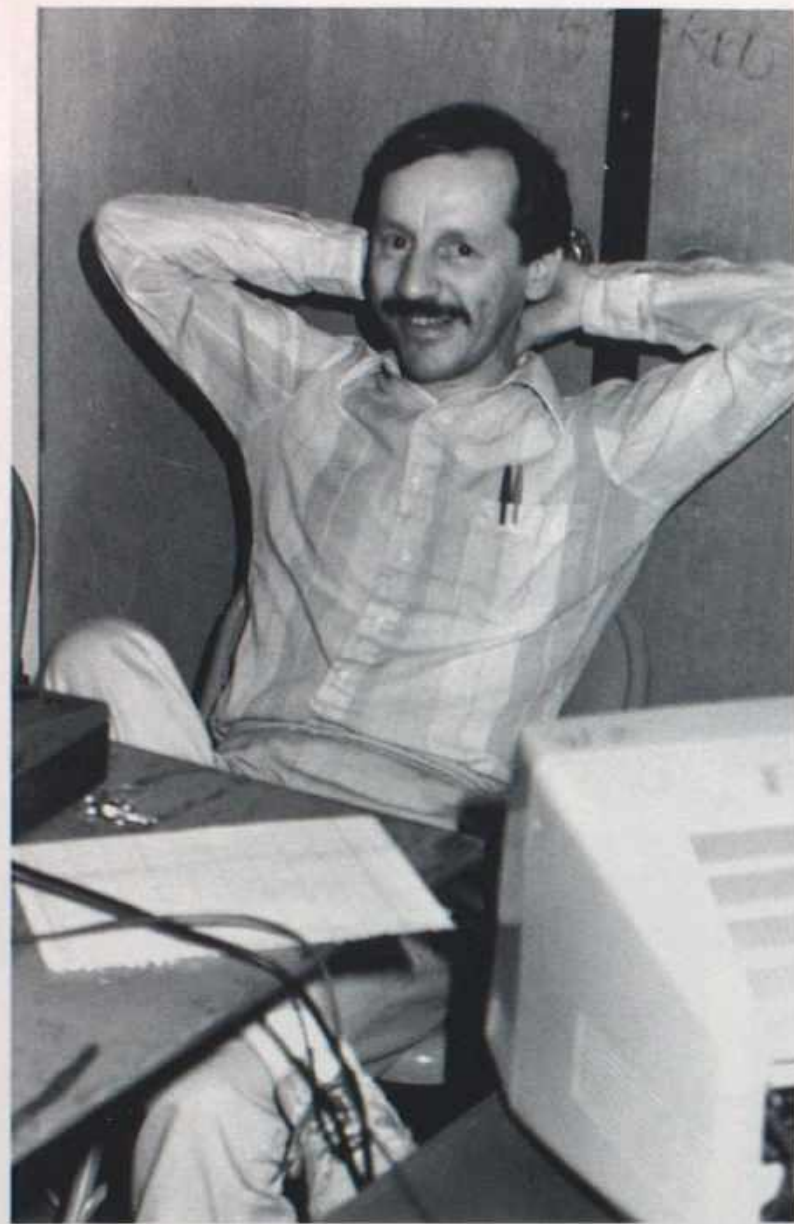

Farewell,
Gary Douglas

MUSTANG EARTH DAY

Rocktoberfest

Massey's Annual Rocktoberfest was a great success again this year. The German students served the ever popular Oktoberfest sausages, salted pretzels and pretzel donuts to the staff and students. Entertainment during lunch was provided by Chuck, Phil and Mark.

Ontario German Contest

After placing first at the Ontario German Contest for Windsor and Essex County, Kathleen Datillo went on to compete at the provincial contest in Peterborough. Here she won an all expense paid educational-travel trip to Germany.
Herzlichen Glückwunsch, Kathleen!

Fort Malden '89

Jeudi, le 28 septembre, la classe FSG OA1 a visité Fort Malden où on a étudié l'histoire de la région en français avec nos guides Yvette Lepage et Shelagh Price. Après le tour du fort, on a préparé un "lunch" — du ragout, du jus de pommes chaud et des biscuits aux raisins de Corinthe, le tout préparé à la manière de 1812. Puis, on a fait des boutons et des brevets et enfin, habillé en uniforme, on a marché sous la direction du "sergent" Shelagh. On a eu beaucoup de "fonne"!

Outers Club

The outers club was established to give students an opportunity to participate in activities that would foster a greater appreciation for the environment. The club also teaches its members certain skills so that outdoor activities can be enjoyed: How to camp, canoe, cook, conserve, etc.

The activities for 1989-90 included:
 1 — a swimathon to raise funds for equipment
 2 — a four day camp
 3 — a winter outing to Algonquin Park with Shawnee S.S.
 4 — food concessions at SWOSSA cross country meet to raise funds
 5 — preparation for a canoe trip next September

Cave Crawlers

Eight students from the Cave Crawlers were selected to join with a similar group from Shawnee to go on a cave exploring expedition for one week in West Virginia during the last week of June. They raised money all year for this trip.

Left to right: Jody Muma, Mike Basden, Mr. Bechard, Deanna Fason, Steve Krsul.

St. Donat: Skimmersion 1990

Massey's grade 11 and 12 students enjoyed another "magnifique" excursion to St. Donat, Quebec in January. The workshops were "super", the "moniteurs/monitrices" "formidables" and the snow "incroyable". As usual, Massey students participated in all activities including the "balloon-balai" tournament, the great slide, the workshops, and the dances. In addition, the ski team made up of Ann Yu, Kristina Vaccaris, Chrissy Laing, Lori Stammier, Ailsa Henderson, Tanya Juzkiw and 2 Havergal students won the synchronized ski competition in their category. We look forward to another successful trip to St. Donat in February 1991.

Trip to Frankenmuth

In December, the German students had an opportunity to visit Frankenmuth, Michigan's "Little Bavaria".

Standing: Alice Chan, Tanya Taub, Shiela Thoms, Ina Lee, Elisa Thoms, Lore Ann Tomac, Sela Lee. Sitting: Danielle Cope, Maysa Balbaki.

Germany 1989

From July 4th to 17th a group of Massey's German students had an opportunity to put their German to practice as they visited the beautiful and picturesque Rhine and Mosel valleys. Cities visited included Koblenz, Mainz, Cochem, Trier and Heidelberg. Stops were made at the Marburg, Stolzenfels and Eltz castles. A special stay in Mannheim (Windsor's twin city) and a tour of the BASF company in Ludwigshafen concluded a trip which will long be remembered.

Row 1: Anna Lou Yang, Ina Lee, Lindsey Bradshaw, Sela Lee, Peter Tenzer, Rebecca Randot, Michael Tenzer. Row 2: Miriam Mathew, Elisa Thoms, Erich Tenzer, Stefane Tellier, Alice Chan, Dave Trepanier, Debra Tennant, Mr. Tenzer, Mrs. Tenzer, Angela Merton.

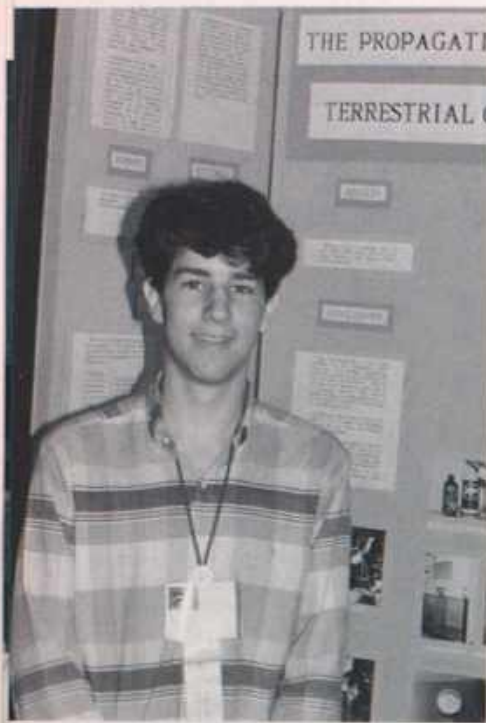

Exchange Program with France

During August, September and October of 1989, Sophie Ansel was in Windsor attending school at Massey with Jennifer Lewis. On March 6, Jennifer completed the exchange when she went to France to stay with Sophie for three months.

Deutsches Talking T-shirt Contest

German OAC students taught some grade 9 enriched French students practical German phrases by using a specially designed T-shirt. Front row: Laura Lieberman, Ina Lee, Tammy Bombardier, Paula Hurst, Rana Batal, Lore Ann Tomac, Debra Tennant, Rebecca Randot. Back row: Mrs. Tenzer, Jonathan Bunde, Sandra Stack, Susan Stack, Alice Chan, Sela Lee.

Science Fair

John Doherty won a gold medal in life sciences at the Greater Windsor Science Fair. His project was chosen as only one of four from our region to go to Canada Wide Competition. John's project dealt with the propagation of native orchids.

Dario Sfalcin and Darren Bagley also won a gold medal for their project on "Acid Rain Affects on Agriculture". They won several awards from conservation and agricultural groups.

COMPUTER COMPETITION

Vincent Massey Third

Vincent Massey was the top Canadian School and third overall in the 1990 International Comcon computer competition held in Pontiac, Michigan on May 30. The invitational competition included twelve of the top teams from their districts in Michigan and Ontario.

Cranbrook and Detroit Country Day edged out the Massey team of Steve Cave, Paul Chalmers, Amit Mathur and Anu Tull as all three top teams managed to solve two of the four difficult problems in the allotted three hours. This year marked the third year of the last four in which Massey was the top Canadian school, previously finishing fourth and third. Other Canadian schools included Harrow, St. Anne's and Brennan who finished fifth, seventh and eighth respectively.

(L to R) Row 1: Paul Chambers, Marta Chelstowski, Amit Mathur. Row 2: John Sallach, Stephen Cave, Anu Tull, Erik Pohjola, Mr. Smyt.

Massey's computer team was composed of members, of which four competed at any one contest. There were five contests during the year. The team practiced and met about once a week during lunch to discuss assigned problems from previous contests. We are hoping to represent Massey and Essex County at the international competition for the fourth year in a row.

Inter-school Christian Fellowship is an inter-denominational Christian group here at Vincent Massey, that meets every Wednesday during lunch period. Every week the group has an exciting activity planned. It may be a video, a guest speaker, an activity led by one of the members including games and other fun activities. There are other ISCF groups in the other high schools, and we get together with them once or twice a year for a fun time.

Our goals as a group are to: encourage them to consider Jesus as a friend who wants to help them with the things that cause the pain, to spend time with others with common beliefs, and to strengthen and nurture God's presence in our own lives and in the life of the school.

ISCF: Brandon Taylor, Justin Taylor, Mr. N. MacEwan, Sue Sallach, Jaby Jacob. Absent: Julie Chipp-Smith, John Sallach, Dara Lyn Steer.
