GROUP SPIRIT

SHOCKTOBER

Principal's Message

I think the day the yearbook is given out is always one of my favourite days of the year. It is always special. We all run around getting friends to sign. We look for our pictures and those of our friends. Few however, realize the tremendous amount of work that goes into putting it together.

Long before I see the yearbook I become aware of the work going into it by both staff and students. Mr. James, Mr. Backham, Sophie Panou — YOU ALL HAVE DONE A FANTASTIC JOB!!

GRADS — Congratulations!! You are a great group of people, and you have played a huge role in making Massey a great school.

We have had a great year — Thank you all. Have a great summer!!

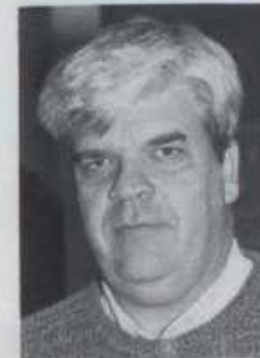

Vice-Principal's Message

What a great yearbook! It captures our energy and spirit. These pictures show our proud graduates, hard-working athletes, dedicated club and committee members and all of the smiling, zany students and staff that make Massey the superb school that it is. Compiling this yearbook is a major task — congratulations to the Pegasus staff! I'm continually impressed with Massey's commitment to excellence. Together you provide more than a thousand reasons why I enjoy being vice-principal here.

The Mustangs have galloped through another successful year. I hope each of you found the ride to be challenging and rewarding.

ST. DONAT

The senior French classes (grade 11 and 12) made their annual trip to St. Donat February 12 to 16 this year. As usual, the immersion experience was at first a shock to some students but a lot of fun for everybody. Ski lessons in French, ordering meals in French, workshops, visits to the village boutiques, indoor and outdoor group activities, socializing with the "moniteurs/monitrices" etc.

All provided opportunities to put into practice what has been learned in the French classroom.

Where can you go to learn about events from man's beginning to times not seen, that covers the biology of DNA to the astronomy of pulsars and quasars, going from the depths of man's spirit to the heart of God? Such thought-provoking material is covered in Massey's I.S.C.F. (Interschool Christian Fellowship) each week. This year, the group has taken a look at the prophecies regarding the first coming of Jesus Christ and examined what the Bible says about the endtimes, compared different philosophies and beliefs with the Bible, and held a seminar about evolution from a truly scientific viewpoint.

That this broad range of topics has great appeal is evident in the turnout experienced this year. Opinions and questions are openly discussed with many ideas sprouting from the group, which has grown incredibly since last year.

Mr. MacEwan and Mr. Fedchun, the sponsor teachers, and the I.S.C.F. Steering Committee are pleased with the growth and knowledge attained by the members. The activities have been exciting and successful, including a city-wide get-together, involving all the I.S.C.F. groups around Windsor, a field trip to see the Detroit Lions' presentation at Riverside, and other events. It has truly been an exciting year for all of us.

YEARBOOK STAFF

Left to right: Sophie Panou, Angela Brown, Valerie Panou, Alison Malone, Jason Ouellette.

We have accommodated a lot of newcomers in the production of this year's yearbook and it has been a great success. We have had the privilege of having two part-time editors that have worked in sync the whole way through. Sophie Panou and Jason Ouellette have done a great job helping out the newcomers and have successfully struggled to gather Massey teamwork.

Special thanks to Mr. James and Mr. Backham for handling our endless demands and giving us whatever was needed, along with all the members of the staff for all their efforts and long hours of overtime.

Thanks also to Mr. Dimmick and Mrs. Zanin for giving us their full support through some of those hectic moments.

Pegasus '92' has proved that Massey students can achieve anything that they set their minds to. May next year's yearbook be as successful with an outstanding turnout of creative and dedicated workers.

FORT MALDEN TRIP

Where in Essex County does one go to relive the past? Where else, but Fort Malden. This year, Mr. Gagnon's OAC French class had a chance to experience it during their trip to the historical site on October 15th, 1991 (in French, of course). They toured the four-and-a-half acre site, saw a slide show and examined the exhibits on the two floors of the Interpretation Center (originally built for the Malden Lunatic Asylum). Every student had the opportunity to use the printing press, make a zinc button, and eat the soldiers' bread. It was agreed that the delicacy was delicious (especially by those who had more than one helping). Despite the fact that all the students were sophisticated OAC students, the most enjoyable part of the day had to have been dressing up in the soldiers' uniforms, consisting of a red coat, and a navy blue hat and sitting on an old cannon in front of the barracks to get their pictures taken. Overall, the French History trip was, as one student put it, "an extremely enlightening trip."

Vandalism is common but 'this is the worst'

By Brian Cross/Star Staff Reporter

Never in recent history has there been an act of school vandalism so complete as Wednesday's fire at Mason Secondary School, officials from the four-area school boards say.

Shock was Windsor Board of Education director Stephen Payne's first reaction early in the morning, when he walked into the wreckage shortly after firefighters had quelled the two blazes, which police now confirm were deliberately set.

"AT THE TIME THE SMELL was so intense, and the water (from burst pipes and fire hoses) was six inches deep in the hall," Payne said. "It really looked bad."

And it really is bad. Estimates now set damage at \$250,000, and while the board is officially saying school will be out until Friday, maintenance workers mopping up the mess figured classes won't likely resume before Monday.

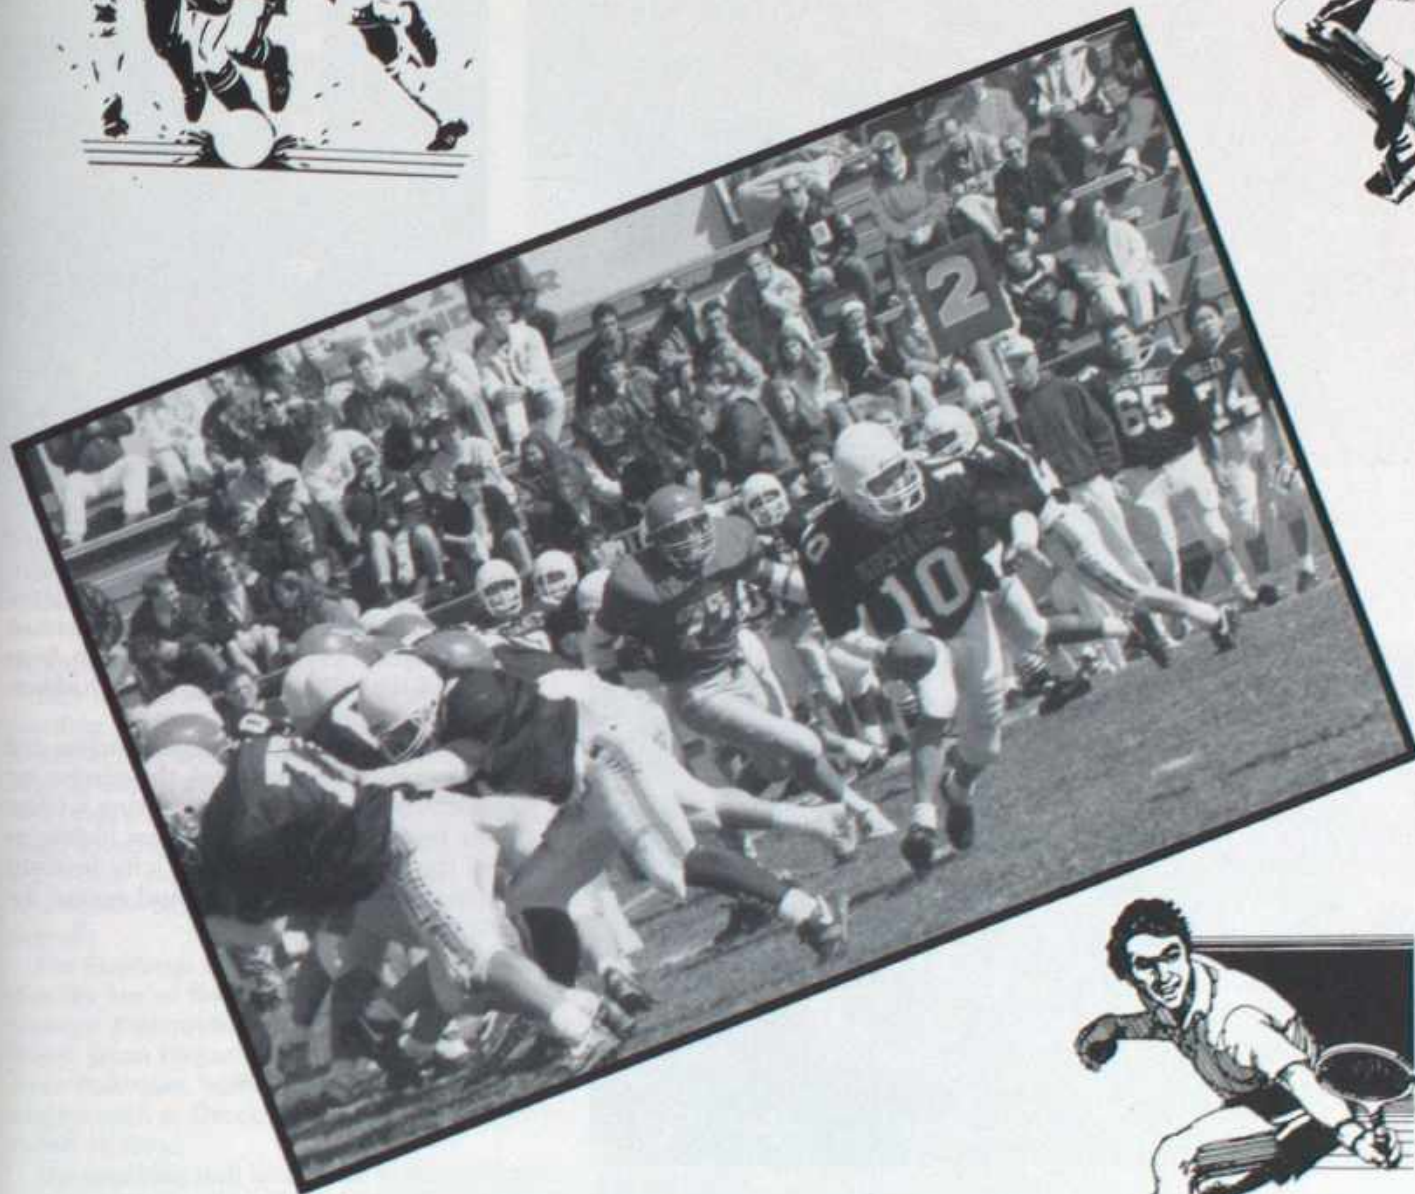

"I've been with the board 22 years, and this is the worst I've ever seen," said Payne.

Vandalism is usually equated with broken windows and graffiti. And in Windsor and Essex County, these types of relatively minor acts are what eat up most of Payne's \$80,000 vandalism budget.

A FULL \$24,000 of the Windsor separate board's \$55,000 vandalism budget goes to replace broken windows.

Two school portables were set on fire at schools in Belle River and Leamington a couple of years ago, said Essex County public board director Ron Pronger. But such major acts of vandalism are rare, and board officials don't expect them.

"We really don't think of it happening, to be very honest with you," said Pronger. "Although I suppose we should in this day and age."

The senior Mustangs had a disappointing season, but tried valiantly and were rewarded with a berth in the semi-finals; they were defeated by the four-time champion Herman Griffins. Trevor Charles, Nes Abu-Zarah, Sean Rhodes, Greg Peltier and Brad Peever had outstanding campaigns for Massey.

Coaches Tayles, Colak, Jacques, Janisse and Hillman would like to thank the players for their effort — especially after being winless in the first five games. The season highlights were the tie against Kennedy (city finalists) and the victories at Brennan and against Assumption.

W.S.S.A.A. CHAMPIONS

This year proved to be very exciting and rewarding for the Massey Mustang Jr. Football Team, as they won the WSSAA title for the first time in 18 years. In the Championship Game the Mustangs defeated a very good Catholic Central team convincingly, 23-0. The win capped a very successful season for the Mustangs, as they finished the season with a 5-1 record, first place overall.

The Mustangs had a powerful defence which was the key of this banner season anchored by George Koumoutsidis, Ryan Wakeman, Greg Bond, Jason Hegan and Rob Rea. Quarterback Ryan Wakeman, halfback Shane Stamp and solid players such as Derek May and Ramsey Lutfi secured victory.

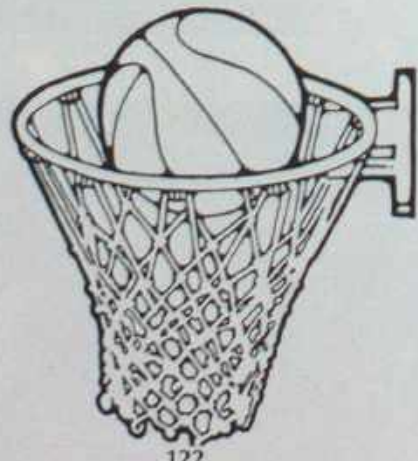

The coaching staff would like to thank all players, managers and teachers for all their dedication, hard work and support, and **JOB WELL DONE.**

FRESHMAN BASKETBALL

Expectations were high for the 1991-92 Freshman Boys' Basketball Team. Coaches Renaud and Raymond felt there was sufficient talent to challenge for the championship, but the year turned into a long search for the consistency and proper attitude necessary to be successful. The team was eliminated from the championship hunt in the quarter-finals but hopefully the players will respond to the challenge and become better players as juniors and seniors.

JR. BOYS' BASKETBALL

Bottom: Gee Cheung, Greg Bond, Ben Carswell, Stephen Hedley, Dante Sfalcin, Ryan Wakeman, Dave Pallero.

CITY CHAMPS — This year's junior Mustangs displayed the effort and talent which were vital in bringing the city championship to Massey. Outstanding rebounding by Dante Sfalcin, Beu Carswell and Greg Bond; the reliable shooting of Jeff Dinham, Aaron Wright and Ryan Wakeman; along with the floor leadership of Dave Pallero and Josh Bailey, helped the team to a perfect 15 win-0 loss season. The performance of all team members promises a successful basketball future for Massey. The volunteer coaches this year were Joe Crep and John McQuire, and from the results, Massey can only be thankful that we were lucky enough to secure their leadership and dedication. The coaches are proud of the players and wish to extend their gratitude for their cooperation and hard work. As most of these players will advance to the senior team next season, we look forward to continued success and anticipate a winning tradition at Massey.

SENIOR GIRLS' BASKETBALL

Bottom: Jennifer Zlotnik, Cami Duarte, Janine Ah-pin, Amber Staudt, Laura Baker, Krista Leach, Erin Fields.

The Senior Girls' Basketball team completed yet another great season with a 12 win, 2 loss regular season record, losing only to Forster. Perhaps the highlight of the playoffs was a thrilling come-from-behind win over Herman in the semi-finals, keyed by Lindy Basinski's two triples in the last minute.

As Windsor's "AAA" representative, we played our best basketball at the All-Ontario championships. In our first two games, we played two "top eight" teams even for three quarters before succumbing in the fourth. This relegated us to the consolation round where we proceeded to win three tension-filled games in the last minute due to the outstanding play of Lindy Basinski and Dana McCullough. Knocking off North York, Ottawa and Hamilton earned us our second consolation championship in two years.

Thanks go to all the players for a fine season and a special thanks to Dana McCullough (first team all-star), Lindy Basinski (second team all-star) and Shelly Holden, who all graduate this year. COACHES, Dave Smyth, Bill Lane, and Richard Basinski.

W.S.S.A.A. SILVER MEDALISTS

The Massey team finished the regular season with the best record in the city (11-1). In the final playoff game at the St. Dennis Centre, the team played well but lost to Riverside by 6 points. The team members worked hard and overcame some injuries. Almost all of the games were exciting until the final buzzer.

The team really came together fast in the first couple of games. We started out as a group of girls with good talent, and by the end of the season we were a real team. We feel that we owe a lot to our coaches — SUE TURNER and SUZANNE ADAMS.

Thanks for the great season! It was truly exciting and fun. See you next year!

FUTURE SUPERSTARS

The 1990-1991 Mustangs finally climbed above mediocrity (6-6-3) but lost to the Riverside Rebels in the semi finals. This team was lead by the brilliant skating of Brad Perry, Jason Sutherland and the guard corner work of Jamie Bertrand and Chris Lown. The defence featured the polished play of Derek Stonehouse and Shea Dunn and Chris Klimkawski. Dennis Bacon again proved to be a great clutch goalkeeper in the playoffs. The coaching staff of Bob Marchand, Neil Anderson and Jeff Hillman were pleased with these Mustangs.
