## Principal's Message

One of the greatest things that any person can say is that I did my best. It feels good to do your best. Several people associated with this yearbook know the feeling. Congratulations! This has been a great year with scholarships, championships, contest winners and even everyday classes that show what a great student body and staff we have. I'm proud to be associated with you. Congratulations to all graduates. I wish you good luck. Put your education to work for the good of society.

## Vice Principal's Message

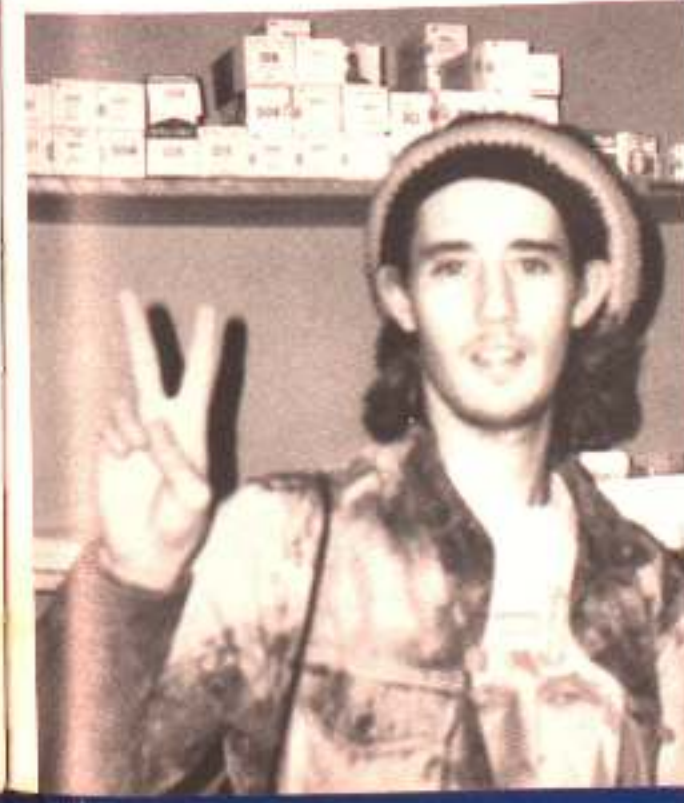

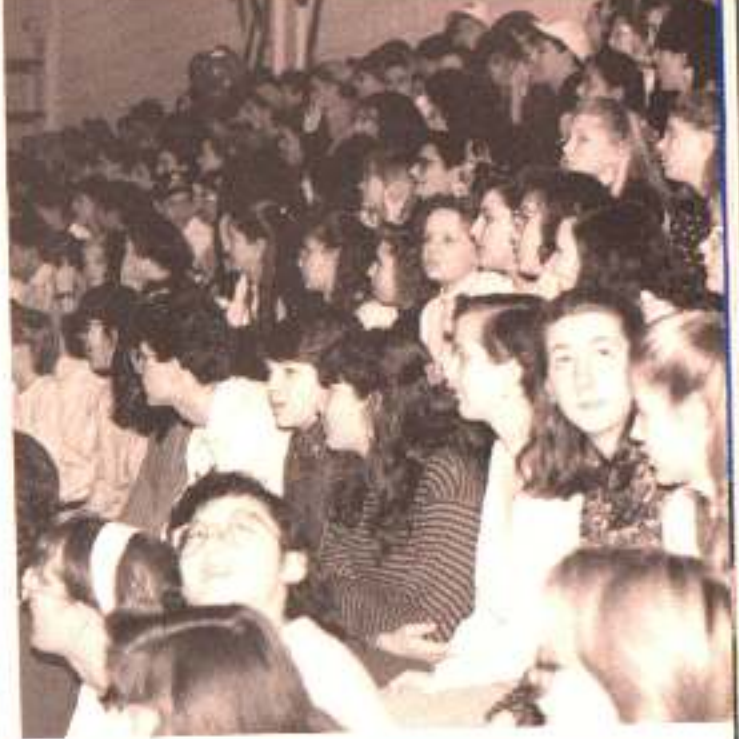

It's great to be part of the Mustang spirit this year! It is reflected in our academic excellence, outstanding teams and our fine programs.

I hope each student has found a way to develop his/her special talents and learn successfully. May this yearbook represent the good times and good friends of 1990-91 and remind you in the future to have a special place in your heart for Massey! I know I've enjoyed every minute of this year with you.

This year's yearbook staff may have been unfamiliar with putting together a yearbook, but considering our inexperience, having to change locations every month, and constantly rushing to meet deadlines, we've managed to create a yearbook which we feel successfully reflects the spirit of Vincent Massey.

Special thanks to Mr. James for putting up with our endless demands and Mr. Backham for providing us with his photographic skills, Mr. M. Crawford for helping foot the bill, assistant editor Liz Hamey, and all of the various section editors and staff members for their hard work, dedication and long hours of overtime.

Thanks also to Mr. Dimmick and Mrs. Zanin for giving us their full support and cooperation throughout. It was greatly appreciated by all of us.

This yearbook is just one example of Massey teamwork. Pegasus '91 proves that students working together for a common goal can achieve great success.

May next year's yearbook be just as successful with as many talented and creative members working on it.

The "Stang", Voice of the Massey Mustangs, was an assembly of talented and enthusiastic writers this school year. Editor Laura Lieberman was supported by a creative, original staff. Contraversial issues were confronted and opinions were expressed in a newspaper that reflected the changes that occurred at Massey. The entire staff hopes that the paper was enjoyed by all. A bright future for the "Stang" is eagerly anticipated.

The 1990 senior football team at Massey had a very successful season. Their season record was a respectable 5-4. This combined double victories over Assumption, an impressive 38-10 win over Brennan and two hard fought games with Kennedy, the last in the semi-final.

Offensively the team was lead by Ken Kamrad, and Derek Nietzel, who provided the bulk of the scoring. Paul Dragicevic played well at quarterback and the offensive line of Paulo Favaro, John Spirou, Jon Bunde, Kay Kalayjian and Sean Rhodes let a running attack second to none in the city. Mark Dragich and Jim Koumoutsidis shared the pass catching roles. Chris Dowhaniuk was a strong two way player this year.

Defensively the team was led by nose guard Don Hogan and on-field coach Rich (the Biscuit) Sieberer. Linebacker, defensive end Samer Abiad had a strong year as well as safety Mark Robertson and linebacker Brad Mihalik. Promising newcomers are Greg Peltier, and Matt Wilson on defense, Shawn Boxe on offense and punter Trevor Charles. Special mention should be made of both Mark Ruiz and Jeff St. Louis who had serious injuries during the season but are on the road to full recovery. Thanks also to managers Doug Hogan, Ryan Brothers, and Andrew McKillop, and to Rob Jasey for filming.

Special mention to coaches Janisse, Rick Pearce, and Eugene Jacques for their hard work and countless hours of preparation.

## Watch The Birdie!!

Our Senior Girls' Basketball team were the city champions for 1990. Their dedication, patience and effort paid off as they defeated Assumption 30-28 in an exciting final game. The team was considered as one of the strongest in the province. Marion Diakowsky and Dana McCullough distinguished themselves as outstanding players as they were named to the 1st All City Team. Team members must be congratulated for their remarkable accomplishments.

The Jr. Girls' Basketball Team was unstoppable throughout their season with an undefeated record of 11-0. Every victory came from our tenacious defence and rather poised offence. As we entered the playoffs our level of play seemed to be above any of our opponents we faced. In the quarter-finals we defeated the Kennedy Clippers. In an aggressive semi-final we came out on top with a victory St. Joseph's. In the city final we squashed those grapes beating the Assumption Purple Raiders 41-24 to win the W.S.S.A. Championship. In SWOSSA semi-final action we downed the Amherstburg Generals 36-25 to move on to the SWOSSA final. Our season came to a screeching halt when we travelled to Chatham to play the Ursuline Lancers, we lost 30-28 in a very well played game.

Congratulations to all girls on a tremendous season. Thanks to all the parents, fans and especially Miss Wright for their support throughout the season. It was greatly appreciated.

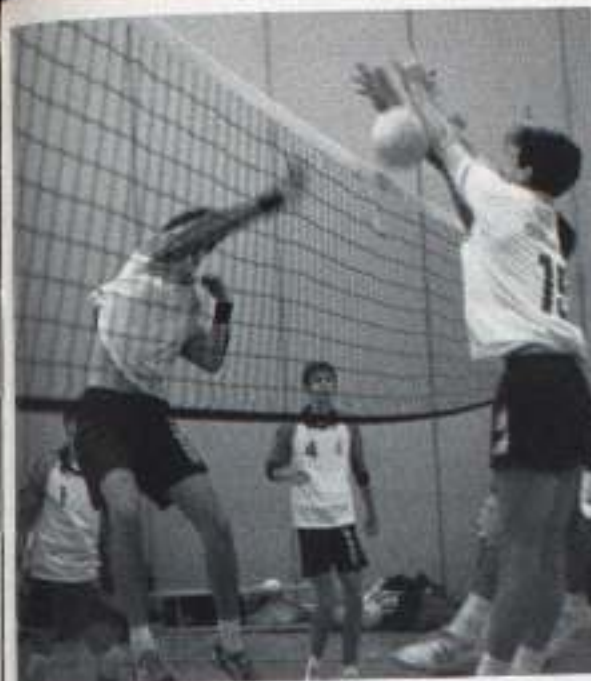

Suzanne Adams and Susan Turner.

## City Champs '91!

The Massey hockey team of 1990-91 carved a niche into the rich athletic history of Vincent Massey secondary school when it won the city championship by beating the Riverside Rebels in two straight games.

This team featured strong goalkeeping in Dennis Bacon, supported ably by four stalwart defencemen — John Zytinski, Derek Stonehouse, Chris Klimkowski and Mike O'Neill.

Up front, the attack was led by the creative dashes of Dan Ceman and Chris Pickersgill who dished off neatly to goal scorers, Chris Dowhaniuk, Jason Sutherland, Trevor Charles and Darcy Meyers.

The checking was led by centers Jamie Taylor, Rob Fry, Matt Wilson and wingers Chris Low, Sean Gibson, Jerry Steinberg, Matt Wilson and Jeff Collins. All the pieces of this puzzle were neatly put into place by coaches Bob Marchand and Neil Anderson.

Past season accolades included First Team All-City to Dan Ceman, Dennis Bacon and Chris Dowhaniuk; Second Team to John Zytinski and third team to Chris Pickersgill! Dan Ceman was chosen the outstanding player of W.S.A.

## City Champs '91

Our Freshman Boys, after an opening season loss to Assumption, preceeded to win the remaining games of the season (11 — wins, 1 — loss). They continued their winning ways to the championship and averaged their opening day loss by defeating the previously unbeaten Assumption team 49-45 to win the city championship. Offensively, the team was led all season long by David Pallero, Greg Bond and Dante Sfalco. Solid defensive performances were turned in by Ryan Wakeman and Ben Carswell. Superb subs, Justin James and Josh Baily, provided the bench strength required to give the starters a well deserved rest. The growth of the remaining team members and their dedication to hard work and regular attendance contributed to the development of a cohesive machine. It must be noted that this victory has special significance as it represents Massey's first ever Freshman Boys' Championship . . . fantastic accomplishment boys!

Coaches Raymond and Basinski, want to thank the players for their commitment and co-operation. Victory comes from hard work. Remember the sweet taste of victory; the reward for your effort!
