PRINCIPAL'S MESSAGE

The Yearbook is a record of memories - of great and small achievement, of friends and team-mates, of fun and laughter, and teachers and classrooms, of leaders and workers - all coming together to reflect another successful year at Massey.

We especially dedicate this book to our graduating students and wish them well as they leave Massey - knowing the contribution you have made to the building of the Massey tradition.

Your participation in the spirit and life of this school will not be forgotten. May success and happiness pave your road ahead.

D.A. Mallender
Principal

VICE-PRINCIPAL'S MESSAGE

To create a pleasant educational atmosphere requires the efforts of the students and teachers working together both in and out of the classroom. This was certainly in evidence this year through the efforts of the many student leaders and teachers who worked diligently toward this end.

To the graduating Mustangs, I extend sincere congratulations for a job well done, and wish you continual success in future years.

Although another year has passed, this fine edition of Pegasus will allow us to recall the objectives reached, associations made, and challenges accepted as a part of 1980-81 at Massey.

OUR SCHOOL'S NAMESAKE

Vincent Massey S.S. was named after the first Canadian-born governor-general, Vincent Massey.

Vincent Massey was born in the year 1887, in Toronto. He was educated at St. Andrews College, Toronto, the University of Toronto, Balliol College, and Oxford University. After holding several minor posts, he was appointed minister without portfolio in the Dominion cabinet in 1925 and was Canadian minister to the U.S. from 1926-1930. He was governor-general of Canada from 1952-1959. Just prior to his appointment, Massey wrote the "Massey Report" which contained his evaluation of the status of Canadian arts and culture and his recommendations for government subsidies to the arts. This report has since become an integral part of national policy. Massey has also written numerous books, such as *ON BEING A CANADIAN* (1948).

PEGASUS

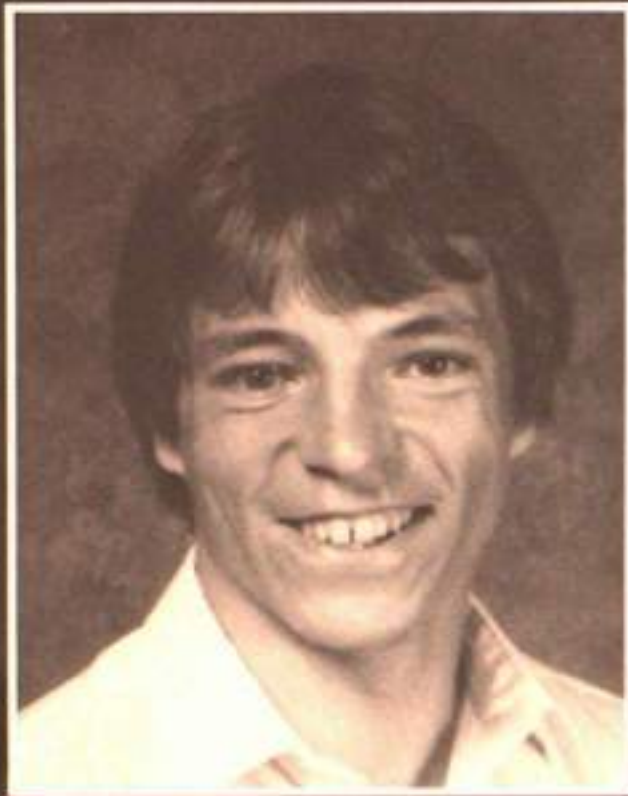

Our yearbook's protector, Pegasus, can find his origins in Greek mythology: a magnificent winged horse, son of Poseidon, god of the sea and the gorgon Medusa. Pegasus was born by springing from the gorgon's neck when she was killed by Perseus. Many longed to tame this creature, whose hoof had caused a sacred spring to form on Mt. Helicon, but only one, Bellerophon, Prince of Corinth, was given this privilege. On the advice of a seer, Bellerophon spent the night in the temple of the goddess Athena. When

he woke he found a golden bridle left for him by Athena. With it he easily captured and tamed Pegasus. The winged horse and Bellerophon had many great adventures together. However, Bellerophon was overcome by his own pride and attempted to ride Pegasus to Mt. Olympus. The wise horse threw him and travelled to the home of the gods to be given shelter in the Olympian stalls. Bellerophon was left to wander the earth, hated by the gods. Pegasus, however, was given the duty of bringing Zeus' lightning and thunderbolts to him whenever the god required them.

OUR SCHOOL CREST

Our school crest was designed in 1960 by the first principal, Robert Bass, and his wife. The crest is blue on a white background. The "M" in the middle represents Massey. The Latin words, "Dum Laboramus Prosumus", means "As long as we are working, we are progressing."

SUCCESS WAS THE KEY WORD OF NEW CHANGES

Student Council has changed a great deal since the onset of the school year, whether it be through the new members of the executive or the revising of the constitution. A first for Massey was our budget, helping to ensure funds for next year's council.

I would like to thank the Massey student body for reaching the \$8000 plateau in Lotto Massey, showing we can be united for a worthy cause. With these funds our Student Council was able to offer more to clubs and teams, per student, than any other school in the city.

The discovery of the successful dance along with the film night and the world premier of "Mr. Bill Comes to Massey" provided much needed entertainment. Activities included the second car rally, the Hallowe'en dress-up and the performance of Mike Mandell. On Valentine's Day roses were received from sweethearts and secret admirers, and a special edition of the Dating Game was seen during the lunch periods. Life at Massey took a turn for the unusual when we hit the beach five months early on our own Sunny South Day.

Success was the key word used in Council. It was there in our financing, in our blood drive, and in the Fashion Show. The credit for these successes must go to Ed McLauchlin, John Fooks, Barb Batstone, Tom Mallot, Beth Wood, Earl Schulthies, Dan Blenkinsop, Barb Liles, Laura Foster, Ravi Naderajah, Diane Sorrell, Sharon Lester, Marc Fedak, and the many others for their support and special efforts.

For this school to succeed in meeting the social, athletic, and academic needs of the students there must be greater involvement. With the declining student enrolment, this will best be accomplished through a united and co-operative student body and government. 100% participation and enjoyment is the goal; shoot for it.

Dear Debbie,
 Well, it was great knowing you last year, and it seems now you are in some of my classes for a change. I just hope you won't get sick of me! I'm a pain. Hope to see you at skating. Have a great year. KEEP THOSE SOCKS UP!!
 P.S. I won't be picking up any guys outside the changeroom any more!
 Love Catherine
 (brink) forever
 & ever
 here....

Many hours of work have gone into this year's edition of Pegasus by a few dedicated students. But where quantity was lacking, we used quality. In the previous and following pages we have attempted to maximize the 144 pages allotted to us by showing an overall review of the past school year. We are all proud of this year's edition which employs techniques never used before by a Massey yearbook staff. We especially hope that it will remind you of a variety of occurrences in a year you can never re-live.

Each word and picture you find in this book can easily represent hours of work by Pegasus' staff. I am sure you will appreciate the fine photos supplied by the Camera Club as much as I. Mr. Gault, Mr. Szycha and Roy Schimmel have worked many hours during and after school taking hundreds of pictures.

I would also like to thank Ms. Nazarewich, our teacher advisor, for all of her assistance and guidance.

Among the staff members shown on the adjacent page is my assistant editor, Laurie Brownlie. Together we have produced most of this yearbook. This has been no easy task and it is hard to conceal my disappointment toward the students at this school who have made no attempt to contribute time, not only to the yearbook, but also to any other school event. I hardly hope you grow into more responsive citizens.

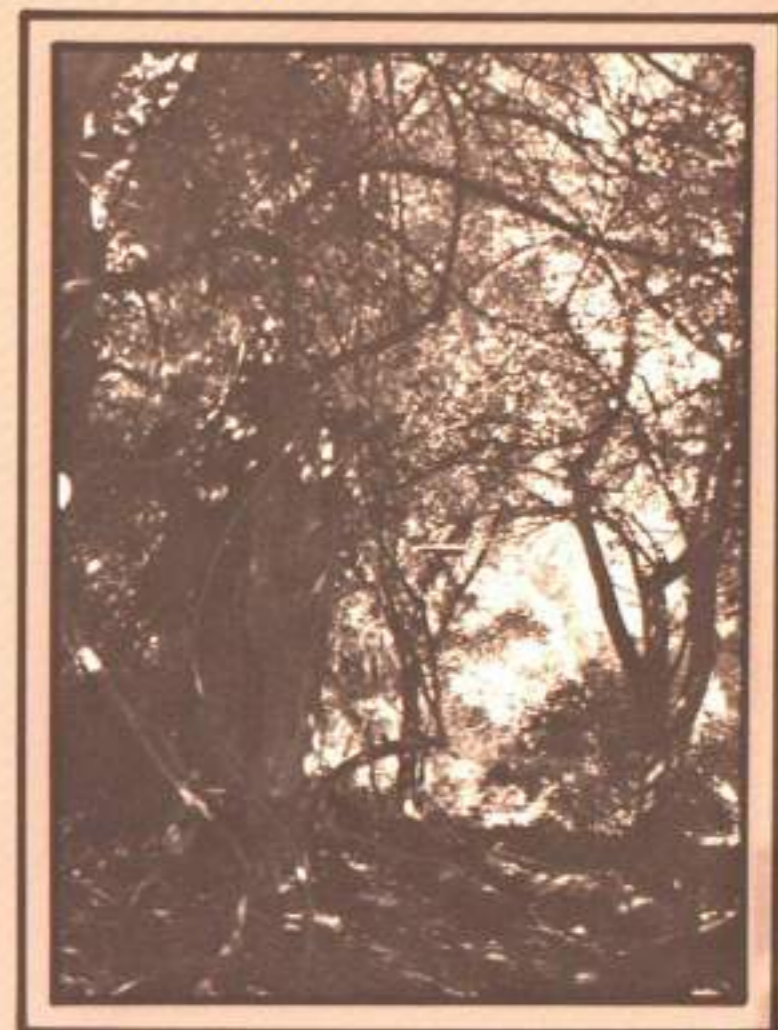

May this book bring to you in your future years recognitions of the past you had thought you had lost forever. If we have accomplished this, all of our work will have been well spent. To my friends and fellow classmates, I extend my warmest wishes for a brighter future.

Yours Sincerely,
Elizabeth Barth

write that poem "Love" but
since you want to I will write a
poem for you to me once I...
friendship
is like
a delicate crystal glass
to hold so much
yet is so easily broken
shattered

"WRITING ON THE WALLS"

Prophets' writing on the walls
I pass
to work each day
"the world will end"
I read
on the dirty brownstone.
Doom will come
In a doorway
On a stair
By a broken window
"Damn the Jews"
In black paint
By the maple
on the synagogue wall.
"Kill the Foreigners"
Scrawled in white
on the tiles
Chipped and worn
I laugh, I say,
"kids
just kids"
Prophetic scrawls
Amongst the derelict buildings
of a former Age
Will Remain
To Remind
"Kids," I say
I thought
ah, well ...
Prophets' writings on the wall
Will Endure.
Will Pass.
Apocalypse.

this is unusual, eh? I think it's nice

I wrote you when you were
in Santa Domingo! Well!
Well here goes. Just a sec, I
hope to go down a row ↓

Tomorrow is the most important thing in life. Comes in to us at
midnight very clean. It's perfect when it arrives and it puts itself in
our hands. It hopes we've learned something from yesterday.

trust you with any of my secrets!
And that's what friendship is all about!
But I'm so glad we have become
BEST FRIENDS! Because you are the

THE STANG

Cindy Hutnik, Editor

This past year 1980-'81, I have truly been proud of the fine group of people that devoted so much of their time to put together a newspaper for our school. Unlike other schools that operate out of a Mass Media class, all of our work was done extracurricularly - all of the people you see in that 'Stang photo willingly stayed after school and worked diligently until their job was done.

Personally I can admire each of these people who gave the school a piece of themselves and, because of their exceptional efforts, produced a newspaper that I will love and admire everytime I look at it. (I have about ten issues hung all over my house.)

The year is over and I must leave my position as Editor of the 'Stang and, believe me, I leave behind an experienced and great group of people that I will never forget, no matter where life leads me in the future.

Thanks especially to you, Mr. Marchand - working with you has shown me that life can be fun despite any amount of work that has to be done. You're one of a kind!

Thank you, super staff
Cindy Hutnik
Editor 1980-'81

NEWSPAPER

This was the fourth year of publication for the 'Stang under the guidance of sponsor teacher Mr. Marchand. Joining him in the guidance of its formation was grade thirteen student Cindy Hutnik. From their leadership came some of the best 'Stang issues ever produced. Working under them was a dedicated staff of students who gave much of their afterschool time to provide the Massey staff and student body with interesting reading material. For those of you who think newspapers involve only articles, you are very wrong, for there are many other types of work involved besides the written reports. The 'Stang incorporates photographers, artists, typists, and advertising agents to produce such pages as Entertainment, Unclassified, Odds 'n Ends and Sports page. We should all be proud of the diligence shown by the 1980-81 'Stang members and their help in the continuance of Massey's school spirit.

LIBRARY ASSISTANTS USE BOOK FINES TO FINANCE THEIR PIZZA PARTIES

Some of the most dedicated students in any club are those who work at our library. Each student is required to come and work at least three times a week for roughly half an hour doing a variety of tasks. (Many work much longer than this!) Under the directorship of Mrs. Manojlovich, these students keep the library running smoothly. Thousands of books are loaned throughout the school year and these assistants make sure they have been stamped, pocketed, signed out, put away, etc., properly. Working before school, during lunch and after school they also straighten shelves; file cards and newspaper articles; stamp new books; put away records, magazines, audio visual equipment, etc., all so that you can enjoy the vast storages of knowledge our library contains. Since they do work so hard, occasionally pizza parties are held to relieve the stress of these little Massey "book-worms" time-consuming jobs. Money is obtained from all those overdue book fines that accumulate over the months.

RAIDERS END REACH FOR THE TOP TEAMS CONQUEST

Under the guidance of sponsor teacher, Mr. Crawford, the rookie Reach for the Top Team provided their audience and television viewers with some very exciting and close games, e.g. over General Amherst by 50 points (350-300) and Tilbury by 30 pts (260-230).

Yet reaching for the top can be a treacherous business and Massey finally lost the flight championship to Assumption by a mere 30 pts. The team, Dennis Brown, Beth Wood, Dave Lovegrove, and Earl Schulties, entered each match well-prepared and quick to push the buzzer. Who could forget that it was Dave who informed us that the famous neurosurgeon who developed a system for mapping the various parts of the brain was "Prime Minister Trudeau" or that according to Dennis the Iowa, Oneida Indian tribes, were "types of squash".

GERMAN CLUB'S OKTOBERFEST

WUNDERBAR!

Occurring simultaneously in most students' minds here at Massey are the German Club and Oktoberfest. Each October for the past 5 years these dedicated students under the leadership of Mrs. Tenzer hold a small Oktoberfest of their own. This year 640 freshly baked pretzel donuts along with hot salt pretzels and juicy sausages on buns were all quickly sold out. Along with the lunch sales, raffle tickets were sold to raise money for the club. Winners of the German delights were: 1) Lori Palnau who won the beer stein, 2) Mr. Bering - Black Forest cake, 3) Erin Purdy - German chocolate cake.

MATH CLUBS TEST STUDENTS' KNOWLEDGE

Massey Math Clubs prepare students to write provincial and international mathematics contests. Students in grades 9 through 11 are given the opportunity to write the University of Waterloo sponsored Junior math contest. Students in the senior grades are eligible to write the senior math contest, also sponsored by the U. of Waterloo. Grade 12 mathematicians are also able to write the Euclid math contest while grade 13 students prepare to write the Descartes contest.

HALLOWE'EN

THEATRE PEGASUS LIVES!

"To be or not to be" - that is the question posed to Dramatic Art at Vincent Massey. By 1978 it was not to be but last year, thanks to these dedicated students, Theatre Pegasus was born. This year, during March, "Pulling the Curtain", a three-act comedy about the production of a play, was scheduled to be presented.

From now on Theatre Pegasus at Massey will be here for all to enjoy.

MUSTANGS MAKE MASTERPIECES

The Art Club is a non-profit organization designed to provide the future great artists of Vincent Massey an opportunity to work in a variety of media. Such artistic melange as sculpture, oil painting, pottery and lithography are created during the meetings. Many of this year's masterpieces are sure to become permanent fixtures in the school, joining the collection of other great works by Massey artists of years past.

MASSEY SPELUNKERS HIT THE ROAD

Spelunking is one of the lesser known clubs at Massey. The trips are headed by Mr. J. Schlichtherle, who is assisted by two former Massey students, John Pyke and Rob Gardiner. This year the adventurers were led to the small town of Franklin, West Virginia. There the interested students explored caverns in the nearby mountain ranges. The trip included a long jaunt up the steep incline called Seneca Rocks. The view from the top of the mountain revealed the beautiful and magnificently colourful countryside. The caverns ranged from a dry dusty tunnel that opened up to be three times the size of Windsor Arena to a wet, damp cave where you could see a famous waterfall.

Our hardy adventurers are warned that they are only guests in the caves, and should be careful not to disturb their hosts, the hibernating bats!

FRONT ROW: Mike Horrobin, Shirley Gillespie, Dawn Sussens, Mary Ellen Kelm.
BACK ROW: Pete Hencher, Sue Raspberry, Mr. Schlichtherle, Dan Blenkinsop, Dave Hinch.

BOWLING LEAGUE KNOCKS 'EM DEAD

Participation in the league this year was much lower than anticipated because of the rising costs of bowling. However, those who did show up at Bowlero every Tuesday after school expressed a good determination to succeed. Early in the season Brian Bailey bowled a 211 and Todd Turner hit a 171. Later on, James Jessop rolled a 179, Carl Barth bowled a 171 and Elizabeth Barth hit a 169. There were many newcomers to this sport as well as some junior veterans, such as Jeff Tazzman who had been bowling for six years.

Special thanks should be given to Glenn Deen for starting the league and to the Barths for its management.

CHRISTMAS ASSEMBLY

The behind-the-scenes work of this year's Christmas assembly and hair-tearing organization belonged to Beth Wood, who did a superb job. The assembly was a big hit, with many grade 13's staging "Charlie Brown's Christmas", "How the Grinch Stole Christmas" and the teachers' staging of "T'was the Night Before Christmas". Who could ever forget Mr. Gambriel's representation of "William of Massey", the "knight" before Christmas?

The assembly closed with Santa giving a few privileged teachers a present each. For example, Miss Dennis got a clock for timing her tests; Mr. Crawford got a PARTY PLAYBOY BOOK, so that he can tell some GOOD jokes in class; Mr. Marchand received a bottle of his favourite drink - coke.

Friendship is a precious thing.
 And requires much love and care
 To make it through those little problems
 Each one of us must share.
 Those little things like jealousy and misunderstanding
 too,
 Must be replaced by forgiveness, loyalty and
 thoughtful deeds one can do.
 To keep a friendship lasting long and happy till
 the end,
 Take the time to understand the value of a
 friend
 The one who listens to all your triumphs, your
 joys, and your sorrows - and helps you
 through today and then through your
 tomorrows.

MATURITY

The constant decisions,
 The clocks that chime,
 The business lunches,
 The need for time.
 An illusion of excellence, of being the best,
 Our friends, family and ideals are put to the test.
 Yet the brave have survived this malady here
 For maturity is tough and we have all shed a tear.

The responsibility of the sound crew is to provide and operate sound equipment and lights for various school functions. These students repair the equipment and keep it in operating condition. This requires time to be spent after school. On many occasions groups require special items that have to be adapted to our equipment and then patched into our system. Over the past eight years, Massey P.A. equipment has never had to be sent outside the school for repairs and this is a credit to Mr. Clark and his people.

MR. BILL COMES TO MASSEY

Welcome to Massey, Mr. Bill!

Careful, Mr. Bill, these halls are crowded.

No, No, Mr. Bill, don't play around that paper cutter!

Ohh Noooo!

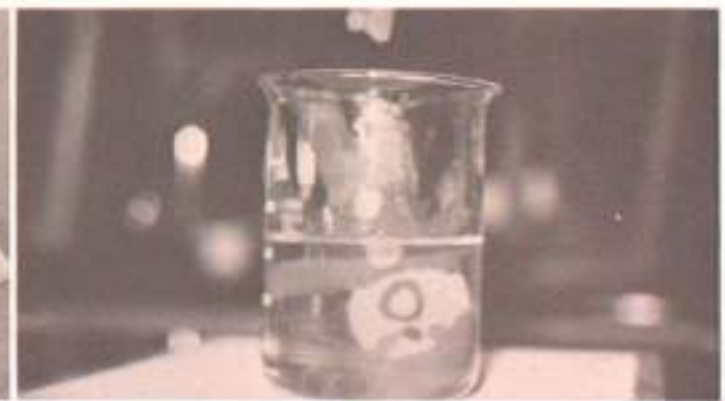

Mr. Bill, you should have ducked during that food fight.

Let's go to the library, Mr. Bill.

Ohh Nooo! Bad Spot.

Watch out, Mr. Bill; that's acid. Ohh Nooo! Good-bye Mr. Bill.

OUR PROM

The Prom of 1980-81 had a special sentimental meaning for over one hundred Massey graduates this year. A touch of the classical Eastern culture pervaded the evening in an Oriental atmosphere and helped to camouflage the common conspicuous wilted corsages, razor blade chin cuts and sweaty palms that often accompany such an event. The 1981 Prom Queen and her court couldn't have been prouder to represent that May 8th evening of fine food, music, "bear hugging" and "lipstick smearing". However, despite all of the laughter, merriment and celebrating, the prom also sparked a serious warmth in all of the graduating young adults that soon would be going their own way.

A very special thanks should be in store for all of the co-operative, hard-working Prom Committee members who gave of themselves from September of 1980 on to make the Prom a success. Also, Mr. Breaton and Mr. Price should be thanked for their tolerance of a committee of "crazy" students who were at one time contemplating a \$50.00 a plate dinner, an exclusive Country Club and a seven piece band all for only a \$30.00 ticket!

TENNIS TEAM BRINGS HOME 1ST CHAMP OF THE SEASON

Nancy Loeffler on her way to SWOSSA crown.

This year's tennis team, under the direction of Mr. D'Amico, should be congratulated for a fine showing in Windsor Secondary School Association (WSSA) play.

Karen Ferencik (women's singles) hung on until the semi-finals while Misty Thomas and Sue Chudyk (women's doubles) lasted until the quarter-finals.

Meanwhile the champ, Nancy Loeffler, captured the WSSA crown for women's singles and continued her winning ways by walking away with the South Western Ontario Secondary Schools Association (SWOSSA) championship. Nancy travelled to Brantford for the Ontario Federation of School Athletic Associations (OFSAA) tournament where she came up short during the second round.

Congratulations to Massey's 1st WSSA, SWOSSA champ of the 1980-81 season!

CHAMPIONS

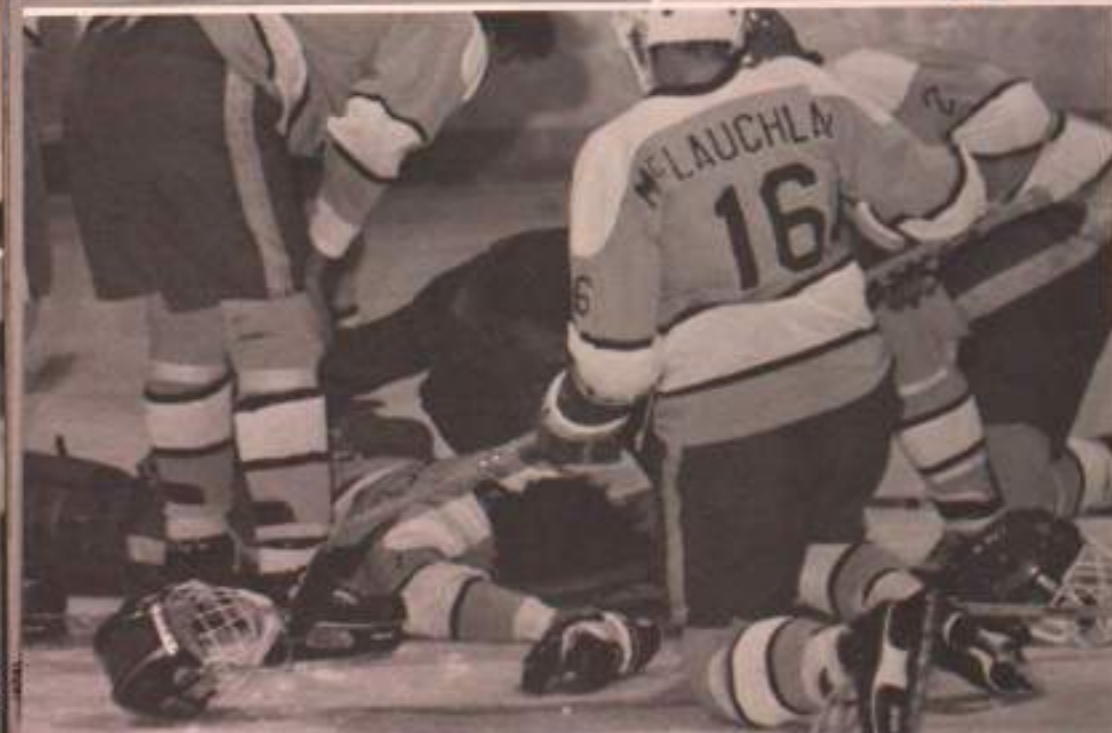

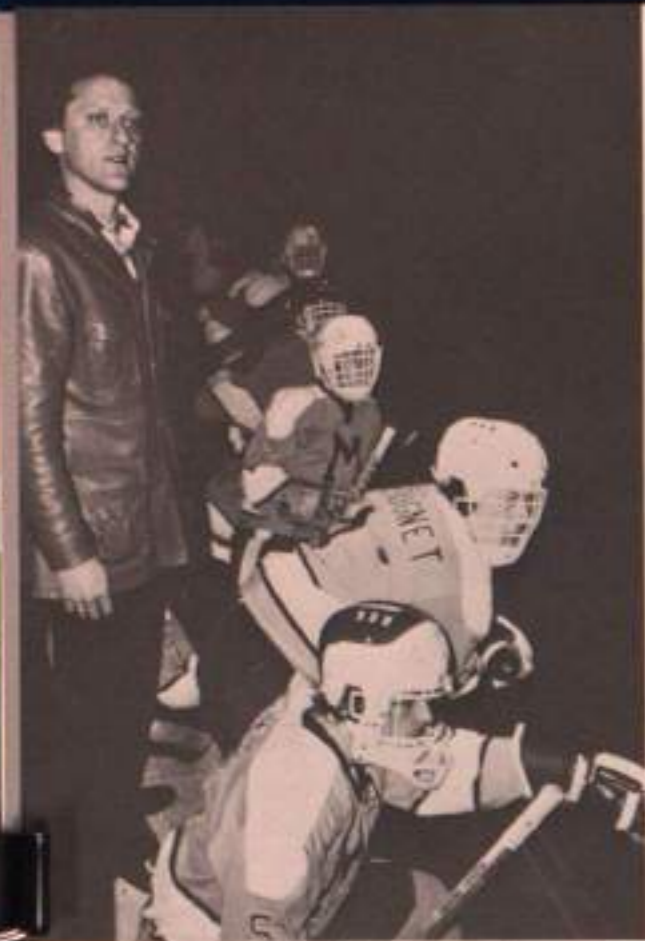

Three cheers for the W.S.S.A. champs. The Massey hockey team, after finishing second in the regular season standings, won the W.S.S.A. crown by outskating the Brennan Cardinals in an exciting series.

Led by team captain Jeff Parent who won the scoring title for the second straight year, the Mustangs went on to the regionals in Hamilton. Earlier in the season, our team competed in and won the University of Liggett School tournament in Gross Point, Michigan. The team also travelled to Toronto to compete in the Father Bauer Hockey Classic where they finished 3rd in their division.

Three Mustang players gained berths on the all-city teams: Jeff Parent and assistant captain Ray Pekar, whose jaw was broken in a pre-season match and had to sit out the 1st half of the season, made 1st team, while Andy Smallhorn was placed on the 2nd team.

Some credit for the success of the team must go to the outstanding performances of goalie Greg Pougnet as well as the excellent coaching of Mr. Konrad.

The 1980 Mustang football team will be remembered for its courage and consistent dedication. Led by twin all-city backs Dave Lovegrove and Scott McLaughlin, the Massey boys fought their way to the semi-finals before bowing to the champion Centennial side. All games were close and many contests were decided in the final minutes. Despite having few experienced players, the Stangs "gave it all they had". Mr. Janisse and Mr. Leach were very pleased and impressed with this team. If Morris is not proud of these guys, he's only half the horse we think he is.

These girls placed 1st in W.S.S.A. and 2nd in S.W.O.S.S.A.

Although our cross-country teams do not receive the same coverage as our football or hockey teams, they certainly proved themselves deserving of it this year. Coached by Mr. McCullough and Mr. Baldwin, they became the overall W.S.S.A. champions. Besides team effort, there were some outstanding individual contributions which led to the final victory.

Fine performances from Karen Ferencik, who finished 1st; Sue Brownlie, who came in 2nd; and Sue Reade, 4th in the junior girl division put the girls in 1st place. The Midget girls took 2nd and 3rd places with the help of Nancy Hyland who took a 5th place finish. The Senior girls took the W.S.S.A.'s 4th place finish for their division.

In the boys' divisions there were also many well-performed finishes. The Bantam boys had Dave Faccinato, who finished 2nd to help them capture 2nd place. The Midget boys also took 2nd place having Steve Hurst finishing 6th. The Junior boys contributed to the overall results by capturing 3rd place with Brian Horrobin taking a 5th finish. Congratulations.

MAC'S MESSAGE

The Junior Girls' Volleyball team had a very successful and enjoyable season.

In regular season games we had 23 wins and 8 losses.

For the fourth time in 6 years, Massey captured the WSSA trophy with victories over Brennan 15-3, 12-15, 17-15 and 15-0. Janelle Cruickshank, Captain; Cathy Moore, Alternate Captain; Karen Ferencik, Karen Bartnik and Cindy Eansor gave outstanding performances this season. They will move up to the Senior Mustangs next year.

Returning to the Junior squad will be Tracy Auttersen and Nancy Hyland, also star performers from the first string this year. The remainder of the team contributed a great deal of enthusiasm and skill. Thanks also to Verna Whelan, our linesman, and to the scorekeepers Anne Wilson and Linda Dienesch.

Mac's party was a winner, as usual.

BOURDEAU'S BOOK

With a season record of 45 wins and 7 losses, the Senior Girls' Volleyball team once again dominated the senior high school volleyball scene in this area.

In January, they defeated Assumption in the finals of the University of Windsor Tournament. They finished their WSSA league play with an 8-1 record, losing only to Riverside in the first match of the season.

After defeating Riverside in the semi-finals, they met Kennedy in the final series and emerged as WSSA champions for the second consecutive year.

Belle River was the competition at SWOSSA, and our team defeated them in 3 straight games to qualify for the OFSAA championship tournament in Ottawa, March 13 and 14. In Ottawa they won their pool by defeating five other area champions and without losing a single game. The girls went on to the playoffs where they met defeat in the quarter-finals.

Co-captains, Sharon Lester and Linda Micelli, Leslie Hapak and Pat Murenbeeld will be leaving the team after playing on four WSSA championship volleyball teams in their five years at Massey. Their talent and enthusiasm has been outstanding and they will be missed.

Next season promises to be a good one with the return of all-city first team members Misty Thomas, Tricia Hyland and Tricia Blue as well as the remainder of the team. Many thanks to the managers, Lori Nicholas and Pam Krause.

Dear Debbie,

I would love to write this whole page but I just don't have time. So I'll make it brief and say it's been great knowing you for a year and a half although it seems longer than that. I hope we can stay friends for a long time and I really mean that. You're a good person. To know, don't ever change and I really mean that. Said I wasn't going to fight much but it turned out to be quite a bit.

Love always
Your Friend
Lenna
