

PEGASUS

Vincent Massey
Secondary School

Windsor, Ontario

PEGASUS

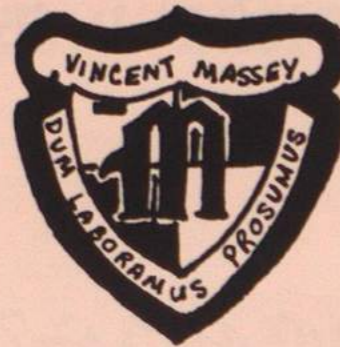

SILVER

Administration Note

Mr. Motruk
Principal

Mr. Price
Vice-Principal

As the first 25 years of Vincent Massey Secondary School near completion, all of us -- students, teachers and parents - can proudly recount many fine accomplishments, fond memories and established traditions associated with this school. It has been only through the dedicated efforts of so many in this community that Massey has become a focal point in South Windsor, not only educationally, with its broad programmes, including the enriched, but also recreationally with the wide variety of activities offered for our students.

This year has been highlighted by the Student Government as the Silver Jubilee Year, and all activities, clubs, and committees, including this edition of Pegasus, have carried this theme. That initial Mustang spirit started in 1960 is still very much alive and continues to move forward in 1985.

In this special year, the leadership of the seniors, the guidance of the staff, and the support of the parents have been foremost in creating a positive educational setting for our students.

While we are to look back, we may, at the same time, look forward with great anticipation to the next 25 years for Vincent Massey Secondary School.

V. Motruk
Principal

L.M. Price
Vice-Principal

David Hackam

PRIME MINISTER'S NOTE

This year marks Massey's twenty-fifth birthday. I believe that this school has achieved great things in this past decade and a half - everything from the morale and spirit to the quality of activities has skyrocketed. Now, more than ever, Massey students are proud to be called Mustangs - and so they should be. We have the best school in the city, and the best students to match it. It's no wonder that the others call us "number one."

The past year was a year of growth, achievement and pride. Never before has a student body of such limited size achieved in such an unlimited way. Not only have we worked together, but we have prospered. This year we had our first talent show, quality "air jam" contests, an ever popular candy-cane day, and a junior semi-formal prom. We've had hilarious dress-up days, a terrific jubilee celebration, and free movie nights. We were also visited by Canada's first woman astronaut, and even she was astounded by the power of the Mighty Mustangs. She told me, "I'll never forget the strength and spirit of these students."

To the 1985 graduates, you are all leaving Massey's blue gates as you journey into your future. May you reach your goals and profit from them. Remember the Mighty Mustangs are free to capture the world.

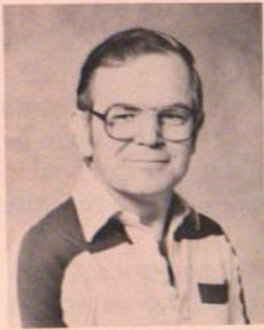

A special thanks is in order to this year's executive. We all worked diligently and immeasurably - it paid off. Needless to say, it takes more than a prime minister to make a school year successful - what is most needed is a quality student body. Massey has the most powerful and dynamic students in the city, and that's the kind of spirit that brought us to where we are right now.

As has often been said, a key ingredient to Massey's success was to "never, never, never give up." We didn't, and we won't. Our school is right at the top now, and that's exactly where it's going to stay. The spirit of the Mighty Mustangs is eternal; let's keep it strong.

D. Hackam
Prime Minister
1984-1985

Administrator of Continuing Education	V.B. Pilotis
Employee Relations Administrator	

This year's Pegasus was plagued by editorial problems and lack of consistent and steady help. Without student help, a yearbook cannot be put together. This year you'll find no picture of the yearbook staff has been placed.

After the exams, Cynthia Facchinato and Jodie Hynds, two students new to the routine, gave up some free time to see that the yearbook layouts were completed. But TOO much work fell on the advisor. I would also like to thank those who helped sporadically in the fall to complete this effort.

For those who contributed in the beginning (you know who you are), thanks for those pages. Perhaps the new school year will see a strong and dedicated yearbook staff.

The Yearbook staff would like to thank the following for their help:

Mr. Allsop
Mrs. Bourdeau (for the gym)
Mr. Gault
Ms. Nazarewich
Mr. Price
the teachers (for their patience)
the support staff (for their patience and understanding
and last, but not least, all the caretaking staff, whose picture we failed to get, but who kept our school in tip-top shape and tolerated the Yearbook room with its mess and problems:
Robert Baird
Laurie Barkhouse
Elmer Bennett
Tom Hynds
Tony King
Sheila Lint
Nick Lukos
Henry Pereira
Rose Sabelli
Vince Troiani

Sincerely,

L. Nazarewich

Deaton
