# MINOR NINNERS

Entering the Massey doors usually brings a sense of familiarity and welcome. When you are in grade nine and it is your first time walking through them, it may bring a sense of nervousness and discomfort. Therefore, it became the goal of Massey student council to dispel those "jitters" and make our new students an integrated part of Massey society. It all started in August with the first Gr. 9 overnight conference ever, which was a huge success enjoyed by both the grade nine's and the organizing senior students. This was followed up by an exciting week devoted to our new Mustangs; including such memorable activities as messy cat games (hot dogs, anyone?) crazy olympics (mud pit!) and initiation (Macarena...). Hopefully, these icebreaker activities allowed the grade nines to walk through our doors with a solid sense of Mustang Pride!

AIDS Awareness Week  
Organizers

Aaron Lazarus

Shabana Ali

Massey held it's annual AIDS Awareness Week this September, and for the third year in a row Massey was the only school in the city to commemorate the week.

On September 25, Massey students gathered in the North gym to hear from Amanda Gellman, the Executive Director of the AIDS committee of Windsor. She told us how to protect ourselves from contracting the HIV/AIDS virus.

We also saw the premiere performance of interpretive dance on AIDS by several talented Massey Dancers!

We held a mini-vigil and honoured those citizens of Windsor who have lost their lives to HIV/AIDS.

Then the entire Massey student body formed a giant human red ribbon. This was a ribbon of hope, the hope that someday soon we will find a cure for HIV/AIDS. Massey's AIDS Awareness Week once again received local and regional media attention and showed that Massey is a true community leader!

### Victoria Blass

"Some people are like ships that pass in the nights, quickly go by, then sail out of sight. With never a backwards glance of regret, faces we see briefly then quickly forget. Then there are those that stop for a while, make a difference and offer a smile, help us through rough water and strife. They are the ones who give meaning to life."

- anonymous

To all my friends, good luck with everything and anything you do. I'll miss you all.

### Darryl Bondy

Boy, it's too bad you missed Cedar Point, we had a heck of a time. That's OK, we had lots of memories. Remember Barb's cottage? So do I. When I think of Darryl, I think of honesty, someone who never talks behind his friends' backs, someone who would never deceive a vulnerable girl about his age. Not only was Darryl athletic (he dominated the volleyball court) but he was smart too. NN: The Peruvian Stickboy. Sorry, I forgot you were tough. - S.C.

### Ambika Aneja

I can drive well! Ah-yeah! (wink wink) fluorescent orange, a locker and backpack all-in-one. I don't get it! a nice, S car! you're cool!

### Matthew Baglole

What I learned in the past 5 years at Massey: To be smart, you must be educated in morals as well as mind. To be rich, just count all the things you have that money can't buy. Maturing is the time of your life when, if you had time, you would have the time of your life. Finally - to love, you must be loved. Thanks to all who helped make my years at Massey some of the most memorable of my life. You've gotten rid of me, but now you've got my sister!!! God Bless!

### Billy Bowden

Even though Bill has enjoyed his four years at Massey, it is now time to move on to bigger and better things. He was proud to be a member of the hockey team but his biggest thrill came as a starter of the city champion baseball team. He will miss all the friends he has made but thanks them for their support and for helping pay his salary by drinking at the Windsor Icepark. Hopefully he wasn't overshadowed by his goaltending sister. Love you! Stacey

### Jennifer Braidford

Hey look out! Lady with a cane coming through! Jenn's had a great 5 years at Massey. She's made lifelong friends and had a blast, whether she's playing softball, taking off for Quebec or limping around on her bum knee; she's always smiling. Thanks to her friends and teachers for making her time here so memorable. Special messages: Gumby - Baseball is better than soccer! Joney - Don't worry about it! E.D. : Doctor or Applause Video movie expert.

### Basem Balbaki

Basem the Beast Balbaki  
First Basem would like to thank some of his favorite teachers. Mr. Colak, for teaching him to play rough football. Mr. Dimick, for bailing him out of trouble, and Miss Wilson for advice about speeding tickets.  
PP: People who just don't understand. Basem will always be remembered for being stocked, locked, and ready to rock and have a wonderful way of wheeling the women.

### Kenneth Bannon

It's taken Ken 5 years to get Mr. White to stop hassling him to join his math teams, but knows that Bruce still loves him. No rings to show for his effort but Ken has loved his time on the team or those late nights on the pro courts. With Montreal, the world's best Mike Whitmarsh impression, and his signature transition move, Ken looks forward to his feature article in Ebony magazine. With a couple of the best teammates, and some friends a girl could ever have, Ken has lived a full high school life. Let's get <censored>!

### Jason Burke

It is very hard to sum up five years of great memories and experiences into one small paragraph so here goes. It was the best of times, it was the worst of times... Anyways, if it was not for all of the people that I considered friends, Massey would have been a bore. I will never forget all the time that I spent in the classrooms, in detention, just roaming the baby blue halls or even just out on the corner having a smoke. Good Bye Massey.

Jay Burke AKA: Egg - Head

### Debbie Campbell

Camping at Wheatly, bandathon, Pat's cottage, Tahajhamakoxy, St. Donat, Burlington soccer trips, Oakwood sessions, Vicux, Mr. White math classes, cross-country, hanging with the J.C., dancing with M.H., cheating at euchre, mind reading, inside jokes, skiing, dangerous camp fires, soap opera, double entendre, days at the vet, belly buttons, creeking houses, souptree, lots of movies... All significant memories of the great friends I have made, and the five years I have spent at Massey.

### John Beaten

Boundaries are set by dictators with no regard for mankind's undeniable rights; among those, to treat the world as it was intended. As a place of curiosity and chance. To be walked, scaled, rafted, and by all means, trodden. Not that limits have no place here. They do. But they were never meant to be barriers that keep us in. Only starting points that suggest how much farther we can go out.

### Michael Beri

I think back on all the things I've learned and experienced and realize that there's still so much more to know. I think about how life grabs hold of you, controlling and twisting your existence to its will, and then I think: Am I ready? Have I had enough experience to survive? Who knows? The only thing I do know for sure, is that I'm outta here now: it's been surreal.

### Ty Campbell

The last five years at Massey have been fun. Filled with a lot of memorable moments, and people. Some of which were good, and others that weren't as good. But over all, it's been interesting.

Looking towards the future, a quote from Pete Rose puts life in perspective. He said, "When you play the game of baseball 20 years, go to bat 10 000 times, and get 3 000 hits, you know what that means? You've gone 0 for 7 000."

### Scott Chapman

Scott was always a caring soul, <censored joke> Often Scott was stuck in a puddle 9.1 inches deep, but it wasn't anything that his bargain of an 84' Dodge Ram couldn't handle. When Caleb realized he wasn't much of an athlete, he stopped playing sports and took up curling. He memorized every boxing statistic there is, although he didn't learn to box, he learned how to make some quality buddies and enjoy high school. K.B. & D.B.

Carlos Choi

My last 5 years here at Massey have been unforgettable. I have changed a lot since my entrance into high school and I credit that to all my teachers and friends here at Massey. Some of my friends though still don't know my name. But whether I am Chris, Car, Gordon, Ken, Al, Mike, Los, Chuck, or even Mexican Boy, I will never forget all the friends I have made. Thanks again for a terrific 5 years Massey. Long live Metallica and Korn.

Trevor Conely

Trevor. So much comes to mind with the uttering of this name. From weird "Time Tricks", and accidental hackey-sack catches, to wondering "What's with Viscount?" Trev's made large impacts upon all his friends' lives. Long days of biking, playing cards of one form or another, thinking of twisted plots, or just doing nothing will always be remembered. His friends will never forget him, no matter how hard they try! Best of luck in everything, Viscount. Your Friends, Coren & Lankquwalin

Coralie Dossenbach

My five years at Massey have been great. Imatwin. Though sometimes Nancy, once Rolanda ("no don't kill me"), I wish I could stay, unfortunately I'm getting old and won't be able to dodge pepsi trucks much longer. K-Mart. In good times (ich bin unterwasser) and bad (spoon) my friends were always there for me. (That's my child's name!) Here I come Thadius Beechumaheimer, I'm off to co-rule the world!!!!

Zeinab Elsmaili

In the three years that I spent in Massey, I learned and experienced many new things that I will never forget. As I go on in my life I will always look back at this period of time as a good start for the years to come, and as a very beautiful memory I will always cherish.

It's difficult to think of something to write that would express how much I enjoyed my 5 years at Massey. I'll never forget the amazing people I've gotten to know over the years and of course the mystery girl K-Mart, and Al. I'll miss my carrot lunches and cubes. Most of all I'll miss my friends, who have made each day interesting and fun. Ich Bin Unterwasser!  
Good-Bye Everyone, It's been Great!

Michael Evans

Thanks to Mr. Evans we ate free. Tim H's almost got arrested twice, got some good photos, got abandoned in GB, got blamed for stealing lawn-ducks. Mike will be remembered for his ugly shirts & his romantic way with women. Of all the things he's done, the only thing he regrets is getting caught.

Jamila Faraj

I've been at Massey for less than 2 years, but it feels like 5. Before I met anyone, I was known as the girl who plays soccer. I'm quitting that sport in August to pursue a career in MacDonald's crew-training, because J.T. and E.R. think that I won't amount to anything unless I take an OAC math. Cheers to my closest buds: Kara, the Amanda's, Banana, Jenny, Erin, and Mirjana (Thanks for cutting your hair). Remember girls, I love the beautiful lips. Post . . . Jenny, soon I'll have 24 things to do before I die, instead of 25.

Jason Cornwall

It's good to see Massey with spirit. I've been here for 5 years and have never seen a turnout like the one at the senior boys' volleyball semis. It felt good to be part of that noise and I hope that future classes keep the spirit alive. As we leave Massey for the outside world, it's up to the rest of you to carry on and keep Massey's spirit rising to new heights.

Long live the dog pound!

Susan Danby

PT. People who walk slow in the halls  
NN. Susanna lizard-breath Darbea/Sue is a great person. She's the only person I would trust with Pugs (My dog)! Sue has made many friends at Massey and will take with her many amazing memories. Thanks to Rachelle, Sarah, and Kylie many of her nights were spent partying it up and just having a good time. Well Sue, good luck, O.T!  
Friends always Dana.

Mark Fleming

Mark had a successful career academically but unfortunately never got past a sixer because of memory flashbacks from Krsul's in Gr. 10. Mark had a wonderful girlfriend but everyone knew that. Highlighting Mark's high school years were his OFSAA swimming gold medals and numerous records. Mark was no stranger to rockin' out! He and Noah - Wank kicked it plenty of times in Massey's sweet gyms. Now Mark beats the skins for the merves. And so the clan's five year Reign of Terror ends. (Maybe not: CP BW JJ) Oh Yeah!

Brian Fry

My five years here at Massey have been somewhat successful academically, and totally successful spiritually. Socially, I plan to be a part of the Canadian music scene for many years to come and I hope those years will be as prosperous as my years here at Massey.

Merrick David

Merrick is a very special kind of person. One of her greatest gifts is the ability to not be touched by her warm personality. Loyalty, kindness, compassion, and understanding are just a few of the many wonderful qualities that come to mind when I think of her. This year ends with memories of all the times you were there for me. You really do know the true meaning of friendship.  
M & M Forever.

My life has been a tapestry of rich and royal hue

An everlasting vision of the everchanging view

A wondrous woven magic in bits of blue and gold

A tapestry to feel and see, impossible to hold.

Nicholas Glasmann

Who would have thought five years ago when I came to this blue and gold school, I'd been on the news, getting in trouble with my new found friends on the infamous street corner, and hey, even learn something along the way. There are great memories, a few fights, a few teachers and the Big Bomb party that remain in my memory. It was a blast, see ya all in college.

**Paul Goldberg**

It is hard to believe that I have been at Massey for five years. It seems like grade nine was just yesterday. As I prepare for university, I know that I will always think of my Massey years fondly. I send out thanks to all those teachers and friends who helped make my Massey years so memorable, you know who you are. "Don't mess with the best 'cause the best don't mess. Don't fool with the cool 'cause the cool don't fool." -- excerpt from Massey's swim team cheer.

**Jennifer Gombar**

My 5 years at Massey wouldn't be as memorable as they are if I hadn't met the people I met and had the teachers I had. The time spent here has flown by really quickly. Thanks to my closest friends: Amy, Jenn and Nicole, for always being there for me and sharing some great times. I will always remember you. Even though I had many great years at Massey, I'm glad to finally graduate so I can move on to bigger and better things.

**Mary Hartt**

Mary Hartt truly knows all the secrets of friendship. She gives you strength and understanding in your sadness. She accepts you for who you are and never tries to change you. She shares her happiness with you with her smile. She is true to her words, promises and commitments. With memories of laughter and tears, thanks for realizing the biggest secret: to have a friend you must first be a friend.

M & M Forever

**Noah Hawkeswood**

Although the best guitar player in the clan can't find a worthy band, Noah's soloing techniques will surely lead him to a promising career in late night pay TV theme songs. His other interests include body building, drinking pops, and pediphilia. Some of Noah's favourite things are, the corner of Walkerville auditorium, hanging out with chicks, and Vic handling his various waste products. FS: "No, Angela is mine". "Hung like a bear". NN: "Peeping Tom". PP: "Victor, pi: Hairy shoulders; sausage fests". FD: "touring with Ozzy".

**Jason Green**

In grade nine I came to Massey and I knew no one and I did nothing. As the years went on I found friends in more and more people as well as getting involved in sports and activities. I'd have to say that OAC's been my favorite year because of great friends, great fans, and great fun. Thanks to everyone, my teachers, coaches, teammates, and friends who have made my high school career unforgettable. FD.: The AVP Tour

**Nadia Habib**

There once was a girl named Nadia that would love the heck out of ya. She's so honest, trusting and sweet, Love Alia. She had the best years at Massey. Thanx to her best friends her best goes out to Susan, Rima, and Hanna. They'll miss her a lot. They were nicknamed the N.C. thanks to Fuss.

**Tiffany Hecnar**

As the doors of post-secondary education quickly approach, it is time to savour the twilight at Massey. The last five years at Massey have been an experience and one that I would not trade for the world. I have learned a lot about life and other people. Thanks to all my friends who have helped me get through things. Good luck to everyone! C ya in ten years.

R.M- A favourite of the Queen Mum?

**Christopher Heise**

My 5 years at Massey have been great ones. I have especially appreciated all the great friends I've made and I sincerely hope we won't lose touch. As well, I'm thankful for a handful of great teachers I've had. Each of them has left a lasting impression on me, I'm proud that I got to partake in the huge increase of school spirit this year and I hope that it will continue to grow. I wish the best to everyone leaving this year in whatever God holds for them. Thanks for a great time! J.S. Jump back get to Kevin from who?

**Mike Hafez**

If I could just look beyond having to wake up at seven o'clock in the morning for five years I would pretty much consider these five years to be the best years of my life. Seriously though, I have only been at Massey for one year, but all my new friends made me feel like I am at home. Thanx Guys and thanx Massey for a great final year.

**Barbara Hamil**

Barb (A.K.A. Barney, Vader, or Magnip) has had her share of memorable moments at Massey, many of which were reminiscent of the famed Campbell legacy. Of all the things Barb has done in the past five years she'll look back most fondly on: New Year's Roof Burglars at K.H.'s, cottage parties, Tatonka, Aie!, the purple suit, Drive thru scans ("the works"), the bathroom at HJ, Vortex, cookies, and ahll right! In the future you'll see Barb with friends saying: "Let's do something funny." Maybe this time she'll go first!

**Patrick Hillman**

Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbour. Catch the trade winds in your sails. Explore. Dream. Discover.

-Mark Twain

**Christopher Ing**

I've learned many valuable things at Massey: classes can be missed without missing much, ISUs can be done in one night, anything can be fixed with "duck" tape, every thing can be made more fun with a wager, never gamble with someone who cheats more than me, never lend anything to Fahad, all Orientals look alike, anyone can be elected to council, some people are reluctant to shave their moustaches for \$100, soap operas do occur in real life, it's not incest if you're not related ... and most importantly "DON'T CARE!"

**Naela Hammoud**

Naela enjoyed the years she's spent at Massey considering she's been here longer than she expected. The one thing she'll miss the most is driving past those jealous teachers in her Jaguar. Naela's hoping to pursue her career as a law enforcement officer and opening her own beauty salon, so for all you s\*\*\* disturbers out there watch out for the brunette in uniform carrying a hair-dryer. Naela would like to congratulate all the graduates and wish them the best of luck in the future.

**Kristen Harper**

Life builds individuals able to think, love, capable of self-sacrifice and idealism for striving to be man, the worm mounts through all the spires of form.

C. Jinar

**Jennifer Inkster**

After 5 years of high school she's finally done! Jen would like to wish everyone the best of luck in the coming years. Her hopes and dreams for the future are to attend St.Clair college and take the Vet. Tech program. To marry her high school sweetheart, Trent, and to buy a cow and name her Betsey. PP: Being known as "Trent's girlfriend". FS: "Yuh think". -A.K.A. The apple smuggler and "Trent's girlfriend".

**Sairah Jacob**

"All the way my Savior leads me; What have I to ask beside?  
Can I doubt his tender mercys; Who through life has been my guide?  
Heavenly peace, divinest comfort; Here by faith in Him to well  
For know what'er befall me; Jesus doeth All things well." -Fanny J.Crosby  
I thank you Lord for being with me, taking care of me, and blessing me, these past five years for know I it is only by your grace that I made it through.

Sumar Jasey

Why we are writing our paragraphs at the beginning of the year instead of the end is beyond me. I have had fun here over the past 5 years, but the fun stops here. I've made many memorable moments here at Massey. Class with Miss Hannigan, hair in pencil-cases and back-packs, Mustangs-Football and toilet paper?? I'm not too fond to think I am. To my fellow stalker, keep it up. I leave Massey with one final thought: from here to there, from there to here, funny things are everywhere. Dr.Seuss. (BURP!)

Amy Jones

Amy has had a personally challenging year, but she has been strong and endured all of her hard moments. Amy is artistic in expression, athletic ability, and alluring in personality. She always finds a way to get your hopes up, even during the most discouraging times. Amy is a friend who will be there to the end. The future holds great prosperity for Triple A Jones. Thanks-Gumby, Cripple, Peter, NN: Jonesy, PP:Quebec, football games, canes. FD:Lingerie, dept. at the Bay.

Anna Lam

She's runnin', jumpin', and bouncin' off the walls. Banana can do it without a fall. The sweetest girl you'll ever meet, full of spirit you can't beat. With curly hair and a kinky neck, this girl totes more candy than she can hold in her van. Best wishes for your future dream and always remember to keep your belly button clean. Love Forever

-Your best friends

Janet Landstrom

Don't know where we come from; Don't know where we're going to. If all this should have a reason we would be the last to know. So let's just hope there is a promised land. Hold on 'till then, as best as you can.

-Stephen Wolf

Angie Kadri

The past four years of high school have been filled with extremely enjoyable experiences. My time at Massey has left me with many fond memories, and as my high school days blend into the sublime ocean of time; I'm grateful for every unforgettable moment. In moving forward to travel a new path in life, facing bigger and better challenges, I'm confident that my experiences at Massey have set a strong foundation for the future.

There's only us, there's only this, forget regret, or life is yours to miss. No other road, no other way, no day but today!

Michael Lee

When I close my eyes I'll think back to the fond moments of high school. I will especially remember the people and atmosphere of Massey. I have learned that life has many shades of grey and somewhere in between the blending of black and white is where the greatest happiness exists. Swimming has been a fun sport, it will always leave me with memories of strange hair cuts and tasty fruit loops. PS: "Flight. It's the only way!"

Trisha Knebl

In the four years Trish has been at Massey, she has had friends come and go, just like her men! But who's complaining? She's had many memories of shakin' what her momma gave her! There will always be a special place in her heart, for her homey's Julie, Kristi, and Kathy! Trish would like to thank everyone for making her years at Massey memorable ones- in closing Trish would like to say, "You better bow down when I come to your town!"

Jason Kovack

When Kovack came here 5 years ago he was a good boy. He had never bonged at the Bend, never taken to dumping at GM & was never almost arrested twice. In 5 years Kovack has not only learned to road & write but also how to break the law and blame M.E. Who knows where Kovack will go after highschool but he definitely won't be driving there in the K-Car.

-Palenkis or Bust

Jennifer Louie

I think Jenn has made the best of her 5 years at Massey. Little Miss Social Butterfly can always be found off gallivanting, telling you about her cravings or her crazy shopping sprees at CM (spoiled). Ask about her future car and she'll say "A red BMW conv BABY!". Among her mems here, BOS 95 & Que 95 were her fav. FShow 96 was cute and no one will forget about her 0.5 hour blood donating exp. Not only is Jenn the centre of ATT but she is a fun loving caring friend that can always put a smile on anyone's face!

Sarah Lucier

Mel, quit looking in the mirror! In my highschool career I had a lot of fun! The best times I spent at Massey were spent with Sue, Rachelle, Diane, Kylie and some of the hottest guys in Windsor! (Jeff and his roastbeef!). Parties with Bob Marley will never be forgotten! Words to live by: keep your eyes wide open to the world and never look behind. Thanks Sonia.

Bassam Ma-na-ma-na has had his share of  
memorable moments in his years at  
Massey. From his philosophising at Cedar  
Point to his pipe dreams of being a fighter  
pilot, Bassam has become a great friend  
to one and all. Fumbling will always be  
remembered for his many touchdowns  
and numerous fumbles that earned him a  
couple of All-city spots, and not to men-  
tion that he was a star on the Massey world  
cup soccer team. Bassam plans to avoid a  
career at Arby's and instead wishes to be-  
come an engineer who designs fighter jets.

**Snezana Ninkovich**

I am thankful for the many good friends I  
have made at Massey as well as countless  
memories. I would like to especially thank  
the people who have taught me and who  
have worked with me throughout the  
years. Your guidance has made me a  
stronger person who is now ready to move  
on to a new place in life. Thank you also  
for opening my eyes to things not only  
within the classroom, but also beyond it I  
would like to say good luck to the Class of

near future.

**Kimberly Mackenzie**

Kimberly wishes she came here earlier but  
enjoyed her last (and only) year here at  
Massey. She has one thing to say to all  
those teachers who called her a flake, "I  
graduated!" She made the most of her  
extra curricular activities.  
Have fun coz!  
Keep in mind I am always right!  
Up for euchre?  
Time to straighten the pictures.

**Robyn MacKenzie**

Tiff - Really? Are you suggestin' that coco-  
nuts migrate?

Robyn will always remember the strange  
and interesting classes: History (Slugs.  
Who caused WWI?) Biology (Who's Roz?  
Or is it Ros?) English 101 and all the rest.  
Thank you to my friends, Sairah, Tiffany,  
Snezana and the others who helped me  
survive this crazy place. Goodbye!

**Shilpa Patil**

My years at Massey have been the most  
important of my life. I have overcome my  
naivete and pronunciation problem  
(medicore . . . melancholy), but some-  
where along the line, I developed a gam-  
bling problem (nothing rhymes with or-  
ange!). It is here I met teachers and life-  
long friends who shared in my good times  
(VIVE Quebec, it's too yellow!), and the  
not-so-good times (a near fatality with the  
Pepsi truck). They have taught me to be  
myself, have fun and be calm . . . like a  
swiftly moving current. Thank you.

**Stan Mathew**

After five years at Massey, I leave with  
both enlivened school spirit and fiery  
competitiveness that will stay with me  
throughout my university endeavors. I  
am forever indebted to all of my peers and  
teachers for making me a part of their  
lives. Remember:

**Dawne Petrasovic**

As Dawne says good-bye to Massey she  
will remember her great memories and ac-  
complishments she has made in the last  
five years. A 3 month exchange to Swit-  
zerland, Accapulco, and all our week-end  
little adventures! Dawne can be found  
making her rounds in Sally, with Thelma  
& Louise singing & dancing. A trip to the  
World Series will always be a treasured  
experience for Bulldoggie. She is a great  
friend & whenever we are together we are  
sure to have fun & lots of laughs. Things  
are looking bright!!! Party it up!!!

**Allison Platt**

Allison has enjoyed an "eventful" 5 years  
at Massey. She met many intriguing peo-  
ple, and learned so much . . . about sci-  
ences, math, languages, and life itself.  
Thanks to those who touched my life: my  
friends, teachers, and family. Thank-you  
for the music!

**Nicole McGhee**

When Nicole returned from Australia she  
& I became best friends. In these past 2  
years we have: had tons of coffee, won 0  
at bingo, saw B&Z in Florida, went for  
gas&the mac. Thanks for the fun times &  
think of me when you're back partying  
downunder, I'll miss you tons!

I'd like to be the sort of friend that you have  
been to me. I'd like to be the help that

**Anita Rajan**

The years I've spent at High school have  
been interesting. All the sweet people I've  
met here have made each day at Massey  
worthwhile. I will never forget all the  
laughs I've shared with Eva or how she  
has helped me keep my life SMOOTH! I  
hope that my friends will pursue the  
dreams they have in their hearts and al-  
ways remember to smile . . . Just because  
the sun shines.

**Jaime Reid**

"Live your life to the fullest" is Jaime's  
theory on life, and she definitely abides  
by it! Her eyes give it all away, as she  
drinks her "pops" at every function.  
Whether Reider is on the court, the base-  
ball diamond, or the dancefloor, she is al-  
ways laughing and having a blast. Jaime  
has had hard times breaking the seal, cuz  
sometimes she doesn't make it. This crazy  
gal comes out best when she is with her  
friends, and she can't wait to discover the  
rest of the world. Party it UP!

Carolynn Rivait

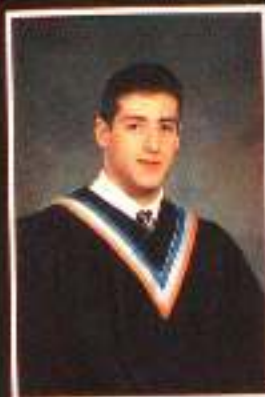

Rivits, with her "gugunk" laugh and her wet willy comments has definitely made her mark at Massey. She will always carry with her the many fond memories that were made over the past five years. Some of which may include fun in the sun. "Party fest '97" in Acapulco, Club X, her exciting trip to Calgary, and playing in the L.L. World Series. Carolynn can always be found singing, dancing and laughing with her friends! Party it up!

She has the NAC to make anyone laugh and radiates a CLASSIC smile. Lesley is a wonderful (Happy) person who will be greatly missed by me and all who have known her at Massey, as she ventures out to make all her dreams come true.

Meredith Slopen

Meredith, a woman of dedication, honesty and determination. Her laughter is a comfort in times of craziness and her support is unending in times of need. She's a friend of indescribable value, Meredith is one who will succeed in whatever she sets her mind to. Well, heck they should make an action figure of you Meredith. Dave is one of the newer additions to the clan, but he came through with flying colours. Dave can be noted for his kindness to the opposite sex and the visually less fortunate. Dave can also be noted for his excellence in track and field, posing in the mirror, and polishing off twenty-sixers like they are going out of style. Being one of the hopefuls to be a successful clan member. Dave would like to leave Massey saying "Don't run from cabs, Angela is mine, and to 90% of you reading this, you probably aren't a loser".

Massey was very good to me and I'll be leaving with many fond memories. High school was a real growing experience. I enjoyed watching my heart beat through my chest during swimming and practicing my swimming on the spot. Deep thoughts are awesome. Naveen Sharma

Once in the halls, there walked Naveen who was a swell guy, and was pretty keen. This busy fellow did a whole lot of stuff, whatever it may be, it never was enough. He played many sports, X-country, B-ball, and track; He finally got to OFSAA; got the monkey off his back. This guy named Naveen, boy what a geek, activities and marks, hands like a freak! During his stay, he made many new pals, all special to him, both guys and gals. 5 incredible years, every moment was nice, he'll miss it all, Bye- It's been a slice!

Meifan Shi

Meifan's 3 years at Massey, have been "interesting". She is a generous and loving person who has made many good friends along the way, and has earned her place as one of the TOP INTELLECTUALS at the school. Her participation in the fashion show for the past few years has made her an old pro on the scene. She especially loved modeling the outfit from BOCA! However, it is time for Meifan to move to bigger and better things, namely the University of Waterloo. We all wish her the best of luck in the years to come.

Wesley Sydor

"Hi, I'm intense!". Wes Sydor would never introduce himself like this to anyone, but for all those who know Wes, intense would be the ideal word to describe him. Whether it be in the classroom or in the gym, his ability to focus and achieve has lead to a most successful 5 years at Massey. If you saw Wes in the halls you might think to yourself, "Boy, what an angry 6'4 young man!". It wasn't that he was an unhappy fellow, it was just that intensity shining through.

"Anger is a gift". - Zack de la Rocha

Venu Tadiboyina

Massey was exciting. I never let the pressure overcome me when partying or hitting the books. This is why my years here proved successful. I would like to leave Massey with a quote that best describes me: "Learn everything that is good from others, and in your own way absorb it; do not become others"

Aaron Taub

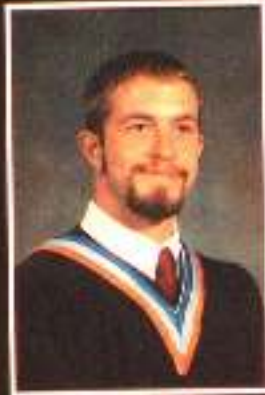

I am truly grateful for my 5 years at Massey. Life at Massey was never boring. Getting involved in many different activities allowed me to discover my interests and talents. The hardest part about leaving Massey is that I will miss the great times with my friends. Although I will not be at school next year, I hope some of my friends will hear the echoes of my boisterous laugh as they walk down Massey's halls. "Happiness comes more easily to those who know how to smile".

David Turton

It's been five years since I first set foot in Massey. In that time I've made many great friends who've made me laugh when I've needed it. Thank you. Hopefully you'll know who you are, never forget the memories of Florida, Sauble Beach, Grand Bend, or all the sports teams. To all the grads, good luck in the future. Massey has been quite fun. Obviously it's been a large part of my life for these past 5 years. I've gained many friends and much experiences. The teachers, and staff have all been more than helpful and I thank them for their time and effort. I can't say for sure what the future holds for me, but I can say that whatever it is, my time at Massey will be a valuable asset to me.

In the end, we all end up how we began. What really counts is what we did in the mean time. One thing I've learned is you will never truly be happy unless you're doing what you want. Thanks mom #2 for being there and for the use of your fridge. I'll never forget my Massey friends. Soccer Rocks!

Wesley Vickers

I take pride in being a Massey graduate. I am thankful for the friends and acquaintances I have made. The experiences that I take with me are a reflection of my past and will be the beginning of my future. I wish all of my classmates good luck in life and I hope all of them accomplish their goals.

Scott Walker

The time has inevitably arrived. The time to leave many of my friends and experiences I've had and move along the path of life into the uncertain future. It seems like it was only a few days ago that I was in grade nine. The people here and the good times I've had made the five years fly by, but now it is time for us to go our separate ways. I wish the best to everyone and I hope they have promising futures. Good Bye.

Back in the day when I first arrived at this hormonally deranged teenage palace of self righteous teenage rebellion, I thought I was cool at the time. Well now that I've finished the fun experience of highschool, I can move on with the rest of my life. Highschool was good but like always all good things must come to an end. I've met some people whom I will be friends with for the rest of my life. My most memorable moments were spent outside the classrooms- Now my time is done Massey's changed too much for me.

Julie Witt

Where do we begin with Julie. She will always be remembered by her long blonde barbie doll hair and big baby blue's and happy go lucky personality. Our summers were awesome especially the one in Elora Gorge. But we won't bring that up. You could always count on her to be there for you and put a smile on your face when you were down. Julie has had a blast the past few years, but she is ready to move on. She will always be in our hearts and never forgotten.

Jennifer Wrye

Though I know I'll never lose affection. For people and things that went before. I know I'll often stop and think about them. In my life I've loved you all.

Geraldine or better known as Gigi will always be remembered by her long black curly hair swaying behind her. How can we forget it, it was everywhere!! Gigi will also be distinguished as one of the "black demons" who sat in the back of the room and caused most of her teachers nervous breakdowns. In spite of what her teachers would say Gigi was a fun and crazy person to have in any class, but was even funner to go out and get loaded with on the weekends. Take care of class of 97 and Good Luck.

Amelia Dagostino

Amy's past four and a half years at Massey have been fun, but now it's time to move on. There are a lot of memories she will never forget. Amy can be remembered by driving around in her oversized rollerskates and always being in the mood to party.

Pegasus year after year is a superb reflection of Massey. The picture and text capture the essence of our school. I am extremely proud to have been Massey's principal for the past eight years.

I know that in future years I will pull out my copies of Pegasus to remiss. Congratulations to Mr. Quaggiotto, Ambika Aneja, Kim Cote, Justin Hoag, Jenny Thorne, Eva Wong, Carrie Smith, Melody Reely, Kristi Stocks, Augustine Rhee, Erin Rizok, Natalie Slopen, Reesa Del Duca and the entire Pegasus class.

YOU HAVE DONE A TERRIFIC JOB

- G. Dimmick

Best Wishes to our Graduates. You are to commended for your diligence, fervor, enthusiasm, zeal, passion, perseverance, resolution, and patience. Please continue to take pride in your accomplishments and yet remember the values of respect, tolerance and peacemaking. I would also like to take this opportunity to congratulate the entire Massey Community for completing another successful year in the face of the difficult work-to-rule sanctions. By pulling together and communicating in a spirit of cooperation we came through the adversities and learned that teamwork and mutual respect are platforms to build a solid foundation to life. Good Luck and Good Health.

On Saturday December 7, 185 children from 7 local elementary schools gathered at Vincent Massey for our annual Underprivileged Children's Christmas Party. Over 150 volunteers helped to give these children a happier holiday.

Each child was paired up with a Massey Mustang a few days prior to the event and the two spent the party together. They participated in a variety of activities and games, ate a traditional turkey lunch, and received a gift from Santa himself. A picture was taken with Santa to capture the memory.

Money was raised for the party at the All Night Dance held on November 1. Approximately \$5000 was raised by Massey students and friends gathering pledges.

Many people, especially Karla Houser, Wendy Jovanov, and Mr. White, devoted a great deal of time and lent their helping hands to make this event a success.

# SENIOR BOYS

The 1996 edition of the Massey Senior Boys Football team completed a very successful season. Having been dropped into the Wilson Conference after last year's difficulties, Massey proved to everyone that we are strong enough to compete with the Top Guns of the Newman Conference. The Mustangs went on improving steadily throughout the season even with a few injuries. Key linebacker Bob Wilson, star running back Chris Strain and All-Star defensive end Basem Balbaki all were injured.

Massey finished the regular season with a record of 3 wins and 4 losses before entering a tough play-off schedule. In the quarter final play, Massey defeated Sandwich in a game where the offense was superb and key running back Bassam Mnaymneh scored an impressive 3 touchdowns. That team moved on to play General Amherst in Semi-final action. Having already been defeated by General Amherst, the Mustangs were dubbed the underdogs. But with outstanding defense led by All-Stars Fouad Abiad, Rick Pallero, and Bassem Balbaki, along with excellent play by quarterback Keith Kirby, Massey defeated General Amherst in overtime to advance to the Wilson Conference Finals.

After a long and intense season, Massey ended their season with a disappointing loss to the Riverside Rebels. Special thanks goes out to all the coaches for their great work and dedication. Congratulations to all of the All-Star Players who led Massey to a great season. Good luck to all of the graduating players.

# JUNIOR BOYS

This year was a building year for the junior Stangs. Although they only had a 2 win, 3 loss, 1 tie season, all the players learned to play as a team and greatly improved their skills.

At the beginning of the year, the team looked very promising, with a come-from-behind victory against Catholic Central. The team's first touchdown was once again scored by the super, amazing Joel Zieba - a precedence set for the entire season, as the team was led by its backfield consisting of Joel, Francis and Tom.

Unfortunately, the next four games played were rather disappointing. They lost all except one, but this game was a fumble-filled tie against the Holy Names Knights. This game was a rather critical point in the season for the stangs as they lost their quarterback, Derek Lauzon. Derek was quickly replaced by Paul Whited who was forced to quickly learn the team plays. Paul finished the season as quarterback.

The biggest game of the season for the Mustangs was the Riverside Rebels' game. The Rebels entered the game boasting a 5-1 record having man-handled all their opponents, except for the Stangs. Led by team leaders including Jason Allen, Jeff Pocock, Joel Zieba, Francis Sullivan and Thomas Whitfield, the rookie, the team went to Riverside pumped and ready to show the hard-hitting determination of the team. The game was very close when the Rebels got back in the game by scoring a touchdown in the final seconds of the game. The score was now 14-12 for the Mustangs, who had to stop the 2 point conversion. With success, the Mustangs left the game with another victory with a career first touchdown by Nathaniel Beattie.

Coaches Wakeham, Swann and Carter are to be congratulated for leading the team to the playoffs, where they lost a close game in the semi-finals to the Assumption Purple Raiders.

Although the outcome of the season was disappointing, it was fun throughout, and the team looks forward to a winning season next year when the young and talented players improve on all the skills learned this past year.

Bottom-left to right-Micheal Khan, Andy Galamb, Louie Koffas, Sami Chehade, Mike Masse, Jonathan Bussey, Matt Clinansmith, Adam Vickery, Keith Turton, Joel Zieba.

# JUNIOR BOYS

This year's junior boys volleyball team, coached by Cathy Romiens and Barb Hamil, struggled with consistency throughout the season. The boys finished the season with a final record of 7 wins and 26 losses. The record, however did not show the team's skill and their tremendous improvement over the course of the season. The team managed to salvage what was left of the season to make the playoffs. However, the team was eliminated from the first round of the playoffs by the Forester Spartans in three very close games in which Forester came from behind to win.

This year's team was led by co-captains Ankur Aneja and Jeff Lenhart and returning veterans Brendan Hartt, Chris Auffret, Matt Beneteau, Steve Miles and Mark "Kamikaze" Kuprowski. The experience of second year players brought skill and experience to the team, while individually Jeff provided stability, Ankur encouragement, and Chris a positive outlook.

This year's team had many promising rookie prospects on it, including David "Silverchair" Paterson, Brad Stocks, Rob Hussein, Bill Berchali, and Trevor Dinham. Congratulations to Brad Stocks who was voted to represent the junior Stangs in the All-Star game.

Next year's chances looks promising for the Mustangs, with stability in Ankur and Steve and tremendous potential in the rookies. Along with finding it within themselves to win and improve self-discipline, the junior Mustangs will be a force to reckon with. Good luck to Chris Auffret, Matt Beneteau, Jeff Lenhart, Brendan Hartt, Mark Kuprowski who will all advance to the senior team next year.

# SENIOR BOYS

This year has been one of the best at Massey for the last 15 years. In league play Massey went 11-5 defeating every team in the league 3 games to 0 except Brennan and St. Joseph. In tournaments, league and playoffs Massey won 75 games while losing only 21. The team as a group was one of the most easily coached in recent years. The young players improved as the year went on stimulating the practice environment to improve the players who would start so they were ready to compete with skilled teams.

The team won the consolation final in the Holy Names/Villanova Tournament although Darryl Dinham broke his foot during the tournament and was lost until the playoffs. In the Samia Tournament Massey went 11-2 losing in the semi-finals to the 6th ranked Chatham McGeoghegan two games to one. In London the team lost to the #1 ranked Oakridge and the #4 ranked Essex Red Raiders but were able to defeat the other teams in the tournament. In Dresden tournament the team went 10-0 by winning its first tournament in twelve years.

The team finished second in WSSAA regular play one point behind St. Joseph and played Assumption in the Quarter finals winning 3 games to 1 before losing in a tough semi-final to Brennan. Massey won the first game 15-12 losing the second and then led 7-3 and 12-10 before losing 15-12 then we won 15-12 before running out of gas in the last game ending a great and fun filled year.

The most fascinating aspect of this season was a loyal and very vocal group of fans that built until by the playoffs there were approximately 350 fans at each match. They were great and encouraged the Stangs to play with constant intensity. Jason Kerr became a reliable setter who kept improving throughout the season and had his career game in the semi final.

The team would like to wish the best to the following graduates: Seniors, Steve Cameron who played some excellent matches much improved over 1996. Darryl Bondy returned to Massey and worked hard to become the complete player and played his best match against Brennan. Darryl Dinham was playing his best ball when he broke his foot and although he missed most of the season he came back to help us in the play offs even though he played in pain and was not back to best playing shape. Wes Sydor had a great season he concentrated on becoming a defensive force and work hard at all his assigned jobs in all matches a great job. Ken Bannan ended a career which showed improvement each year until this year he was nominated for the all city team. This year Ken had more plays more than any setter in Massey's history, congratulations.

The co-captains and the heart and soul of the team were the All City Players Jason Green who played phenomenal defense and creative offense exploiting all the weaknesses of the other teams and Drew Spooner whose vertical and powerful spikes motivated the team to great heights. Congratulations for their contributions and their future schooling.

# SENIOR BOYS

The senior boys basketball team started their season on a strong note. After a preseason "Save our Season" tournament at Foster, in which the team showed they could play with any team by staying close in games against Herran and Riverside, the team got off to a 2 and 3 start with convincing victories against St. Joe's and Holy Names. The seniors also enjoyed a tournament in Amherstburg in which they dominated Edenheim and the 1996 BCSSA champs and 1997 finalists. The team, however, ran out of gas crushing their county opponents and lost to Kennedy in the final with Darryl Dinham (OAC) earning team MVP honours.

Unfortunately, the work-to-rule halted the season when the team was beginning to adapt to Coach Johnson's program he had been developing with the starters for four years. When the work-to-rule ceased, the team struggled at first, but in their second game back they erased an eighteen point quarter deficit at Kennedy to stage a convincing comeback win. The seniors qualified for the quarterfinals with a win against Holy Names in the qualifying round in which Darryl Dinham hit three 3-pointers in the first quarter, and Wes Sydor (OAC) and Naveen Sharma (OAC) sealed the win. The clutch shooting in the fourth quarter. In their quarterfinal rematch against St. Joe's, the seniors fell short by one point after a questionable no-call at the buzzer.

Two words have been used to describe this group of players by coaches and fans across the city and province: HEART and HUSTLE. A team that was short on talent made up for it with hard work, sound fundamentals, and strong defensive play, while enduring various injuries to key players. The team was led effectively by the starters: Wes (co-captain), Darryl, Dennis (OAC), Jay (OAC), Joe G. (11), and Joe B. (12). Strong seasons and tournament play were named in by Josh (11), and Mike V. (12) and Aaron (OAC), and Nick (OAC). The team would like to wish its seven graduating OAC's good luck in university, and thank their fans for their support.

## SENIOR GIRLS

Massey's Senior Girls basketball, with the help of coach Mr. Basinski and assistants Dale Prislely and Bill Lane, had a tremendous year with an amazing 23 wins and only 3 losses. Their hard work and effort payed off when they grasped 1st place in the regular season. The team fell short of their goal of winning the city finals when they were upset by Brennan in the semi-finals, but they still managed to leave with a 10-1 regular season playoff record. Besides the playoffs, the team had many other achievements; they won the Herman Invitational Tournament and the Almonte Challenge in Ottawa, and survived the team's White water rafting experience.

The team would like to wish the best of luck to their graduating players: Jaime Reid, Kristen Harper and Carrie Jessop. This year Massey had a great contribution to the All-city team with Kristen Harper, and Wendy Jovanov making 1st team all-city, Sheri Switzer, Carrie Jessop and Jaime Reid making 3rd team all-city.

Next year the coaches predict that the team will be just as competitive with the returning talent of Wendy Jovanov and Sheri Switzer along with the excellent supporting cast of Laura Caldwell, Sue Hamil, Sasha Fedchun and Alicia Vossen.

Mr. Basinski would like to thank the players for the effort and commitment. "You were all a pleasure to coach."

# JUNIOR GIRLS

Back row left-right-Michelle Catton, Katie Kennedy, Kendal Malewicz, Morgan Malewicz, Sam Hope, Kelly French, Jenny Fields.  
Middle left-right-Mouna Abdulhamid, Erin Wright, Sana Kazoun, Malak Kazoun, Allison Droulliard, Talya Natyshak.  
Front left-right-Julie Cornwall, Sam Sanders.

This year's Vincent Massey Junior Girls basketball team, under the guidance of Coach Smyth, had a respectable season. They finished with a record of 3 wins and 9 losses in the regular season, where they outworked almost every team they played. The junior Mustangs made the playoffs, but lost a hard fought match to the Brennan Cardinals in the first round. Although they didn't win as many games as they had hoped, the girls showed great improvement over the course of the season as they learned to work harder in practice.

The team also had the privilege of attending the annual tournament in Chatam where they had an enjoyable time and gained a lot of experience. At the tournament the team played their best game of the year against Kennedy, where the entire team played extremely well, but lost a close match in overtime.

Talya Natashak and Kendal Malewicz showed great promise among this year's rookies. Other promising rookies include: Morgan Malewicz, Samantha Hope, Mouna Hamid, Sana Kazoun, Malak Kazoun and Erin Wright. Kelly French and Talya Natashak, were voted to represent the Massey Mustangs in the Junior Girls All-Star Game.

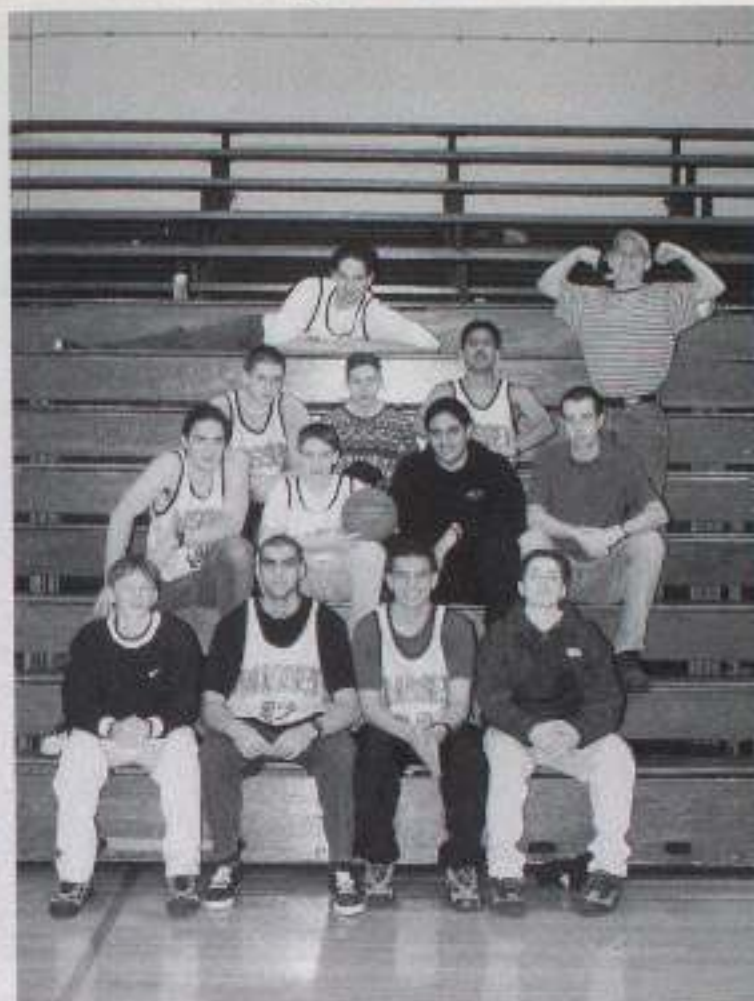

Best wishes to Michelle Catton, Jenny Fields, Allison Droulliard, Kelly French, Mirna Hamade, Katie Kennedy, Julie Cornwall and Samantha Sanders who will all be advancing to the senior team next year. The Mustangs chances look strong for next year, with 8 returning veterans.

The successful Mustangs are together one last time this season at their pizza party. Shown here is smiling Coach Smyth and his spirited Mustang girls.

# JUNIOR BOYS

Top row-Glenn Palanaki, Shawn Mohan  
Third row-Kyle Kotevich, Derek Hennin, Steve Ouellette  
Second row-Joel Zieba, Rob Tonita, Samir Farhat, Chris Duhamel  
Front row-Sean Hajdu, Julien Obeid, Haleem Elsaadi, Brendan Hartt

The 1996-97 Junior boys basketball team, with coaches Mike and Mike at the helm, did not have a successful season, but it was a learning experience, as the team is building up to be a strong senior team in the next few years. The team had competitive games, but unfortunately could never finish them off.

High point scorers include Julien Obeid, newcomer Chris Duhamel, Sean Hadju, Samir Farhat, Kyle Kotevich and big Rob Tonita. The Mustang's assists leaders were Brendan Hartt, Shawn Mohan, and Dereck Hennin. The 'stangs rebounding machines were Matt Machina, Haleem El Saadi, Joel Zieba and Glenn Palanacki.

Unfortunately work-to-rule shortened our season and we could never seem to get it together. Good luck to all players moving up to the senior team next year. Look for the Mustangs to return next year as a powerhouse team.

"Listen boys, we have to make up a good play to annihilate the enemy team."

It's the sky, it's gone...swoosh!!

# FRESHMEN

The freshman boys basketball team had an excellent season with a 4 and 2 record in the regular season, finishing 5th overall in the regular season. This year's team was led by captains Trevor Dinham, Gordian Gavric, and Teefo El-Kadri. A scoring average of 54 points per game showed what an outstanding group of players has arrived at Massey to anchor Mustang Basketball for the next four years. The team was made-up of twelve hard-working, coachable, pleasant, young men that made the coaches' job an extremely pleasant one. The rest of the team consisted of Jason Drouillard, Dan Lilac, Adam Green, Jason Culas, Jim Vacarios, Mark Walton, Ryan Claxton, and John Luna.

He shoots! He.....

The freshmen boys receive words of wisdom from Coaches Thompson and Thompson.

# JUNIOR GIRLS

Hey, wait a minute, you say this isn't the pole vault?!

The junior girls volleyball team, coached by Mrs. Bordeau, had a disappointing season, partly due to work-to-rule and a lack of experience. Their schedule resulted in the girls playing four of their five matches with Catholic schools who were not on work-to-rule.

This year's team brought an excellent crop of new players, including Kendal Malewicz, Karen Kuprowski, Talya Natyshak, Samantha Hope, Jess Saso, Gordano Ninkovich, and Kathy Baranowski. The 1997 edition of the junior 'stangs were represented in the All-Star game by co-captains Kelly French and Tanya MacPhee.

Next year looks great for the Mustangs. The team will have a number of experienced veterans, who will return to lead the next year. This year's team, unfortunately, had no returning starters.

# SENIOR GIRLS

This year senior girls Volleyball team had to overcome a few obstacles, but managed to have a fairly successful season. Due to the strike our play was cut down to 5 matches in the regular season. We went on to wipe out the obnoxious players of Lajeunesse in first round playoffs and met a very experienced St. Joe's team in the quarter finals to finish off our season.

A special congratulations to Kristen Harper for a second team all city honour and a caring good-bye to our graduates Jaime Reid, Kristen Harper, Carrie Jessop and Jamila Faraj, we all hope for the best.

With such talent leaving us you would think to be worried. Well don't, with young talent remaining, Wendy Jovanov, Laura Caldwell, Sherri Switzer, Shu Jean Chen and Michelle Bates, we are excited to welcome the juniors to a new level.

A thank-you goes out to our coach Mr. White and our die hard fans, our assistant coaches Jay and Ogi!

# CROSS COUNTRY

This year was a great one for the 1996 Massey Cross-Country team. This year's team practised hard and never gave up. The team always ran hard, and set their mind to the finish line, especially when up against such schools as Holy Names and St. Josephs, the teams biggest rivals.

Pounding into the season with spirit and hopefulness, the Massey Cross Country came out victorious. The team captured two WSSAA CHAMPIONSHIPS! The senior boys won the Senior Boys Championships. And Karla Houser won the WSSAA Senior Girls Individual Championships. At the race at Chickopee, the team had two outstanding individual finishes, Karla Houser placed seventh and Pat Hillman placed tenth.

The team also consisted of many other excellent runners. Everyone did their very best and contributed to this year's team wonderfully. Among the runners were the outstanding rookies Sarah Hedley and Shawn Taggart. Also, dependable runners Pat Hillman, Navoen Sharma, Jesse Dupuis, Craig McEachran, Jon Schwartz and Chynell Booth. But the team couldn't do it by themselves, the coaches Mr. Pocock, Mrs. Patterson, Mr. Ocalasin, and Mrs. Leonard brought the team through the season with expertise.

Next year looks bright, and the team will be putting together a summer run program to keep fit for the 1997 season to get an edge on the competition. Next year will surely be for the Massey Cross-Country, for as Mrs. Patterson says, "when you have a goal in sight, you must always work hard and take the necessary steps to achieve it."

The girls kick it up after a meet.

And the course is set.

# TENNIS

# TENNIS

Despite a late start to the season and few practices, the 1996 Massey Tennis team had a performance in W.S.S.A.A equalled by few previous 'Stang teams. Combining both youth and experience, the Mustangs were able to accumulate twenty-six points in the tournament, placing third in the city, falling only a few points short from first and second.

The team was led by co-coach Ogi Senic, who played in a tough men's singles draw. In one of the team's better performances, the Sensational Serbian was able to advance to the semi-finals where he lost to the number one seed in two close sets.

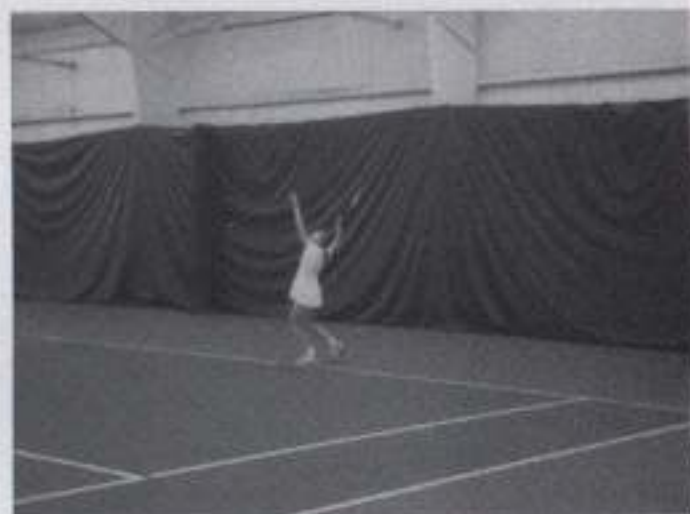

The other coach, Yun Cheung and her partner Nadia Ramsewak, had an exceptional performance and reached the W.S.S.A.A finals for ladies doubles. Unfortunately the pair lost in straight sets to a talented Brennan team, the achievement did give the pair a berth in the S.W.O.S.S.A tournament.

Talya Natyshak, although a freshman, turned in the best performance of the season. She had to face the number one seed in the first round due to ridiculous seeding, but defeated the number one seed in straight sets. Talya cruised on to win the W.S.S.A.A championship, the S.W.O.S.S.A championship and will compete as Massey's sole representative in the O.F.S.S.A tournament this spring.

The team would like to thank Mr. Guthrie for sponsoring and helping the team. It was an excellent year for Massey Tennis, with many other great performances. Although some of the team is graduating, returning veterans Yun Cheung, Nadia Ramsewak and Talya Natyshak should lead Massey to another outstanding season next year.

# HOCKEY

The Mustang hockey team took one step closer to a city championship this year. Under the direction of Mr. D'Amico as Head Coach, former Spitfire player Derek Dubs, and Tim Zander, a Kingston high school coach who moved to Windsor.

Even with the work-to-rule during the middle of the season, the Mustangs were able to secure a playoff spot and defeat Riverside in the quarter finals for the first time in six years. In the exciting semi-final against Brennan, the Mustangs lost the best of 3 series 2-1. The Mustangs played well enough to win both games but their inability to capitalize on their scoring opportunities was their downfall.

Clint Maynard (goal), Dan Lewczuk (defense), Jeff MacNeil, Matt Lewczuk and Rob Ford (Forwards) played excellent in the playoffs. Clint even stopped a penalty shot in the second Brennan game.

With only 5 players leaving this year's team of 28 players, the solid foundation of younger players which now have one or two years experience will secure a successful season in 97/98 and hopefully will bring Massey another city championship. We will miss Dan Lewczuk next year. Dan was selected 1st team all-city defence. Congratulations Dan!

The coaching staff would like to thank the sponsors that supported the team this year. Their support helped the Mustangs to complete their uniforms and make the year a profitable one. Their support next year will also be appreciated.

The coaches would also like to thank the staff of Vincent Massey for their co-operation. The disruption of school in the afternoon for hockey games did cause some problems but with few complaints. Also, a big thanks to Mr. Dimmick and Mrs. Kersey for their support.

Kevin congratulates Dan for a well-earned play.

The 96-97 Swim Team pulled off another amazing season inspite of our drought due to the work to rule. The Massey Swim Team consisted of a group of hard working, dedicated and committed athletes. The spirit of the team was obvious. Our annual pasta party, the senior girls on deck banging pots and pans, the countless signs hung from the St. Dennis Centres' walls and numerous workouts with 200's and 1000's, the Mustangs proudly brought home a fourth place WSSAA finish to the stable.

Congratulations go out to all the swimmers who qualified for OFSAA including Vicky Blass, Jesse Dupuis, Paul Goldberg, Mary Hartt, Rachel Kitson, Janet Landstrom, Mike Lee, Jade McGraw, Greg Meisner, Alexis Mueller, Sarah Plantus, Simon Shanfield, Meredith Slopen, and Dave Sparrow.

While visiting at Etobicoke's pool, the Mustang's won an OFSAA gold and bronze in the senior boys free and medley relays. The team consisted of Jesse Dupuis, Mike Lee, Greg Meisner, and Dave Sparrow. Greg Meisner won a silver medal in the 100m backstroke, Jesse Dupuis placed 4th in the 100m freestyle, and Janet Landstrom placed 7th in the 100m individual medley. Overall Massey's Senior Boys team placed 5th and Senior Girls placed 44th. As a combined team the stangs placed 12th out of 90 competing Ontario teams. Great finishes were turned in by all swimmers.

A tremendous thank you goes out to coaches Jason Pannunzio, John Miller, as well as Mr. Pucok and everyone who contributed to this years season. Good Luck to all of those swimmers who are graduating and always remember "Life in the fast lane" and "SINK THAT SHIP!"

# CURLING

The 1996-1997 edition of the Vincent Massey Curling team, coached by Mr. Caldwell, had an excellent season. The Mustangs welcomed many new, talented rookies to the team this year who will return next year as experienced veterans.

The Massey 1 men's team consisting of Matt BonetEAU, Drew Spooner, Jason Kerr, Pat Hillman and Scott Chapman had an excellent season, making it to W.S.S.A.A finals only to lose to Walkerville. Massey 2, consisting of Aaron Forsythe, Craig McEachran, Dave Turton and Jon Schwartz and Massey 3 consisting of Brad Binder, Matt Baglale, Brendan Hawkeswood and Keith Turton also had fine seasons.

The Massey 1 women's team consisting of Samantha Sanders, Samar Jasey, Maryanne Kuzic and Brooke Boggs, also had an outstanding season in which they won the W.S.S.A.A final and made it all the way to S.W.O.S.S.A. Massey 2 girls, consisting of Ambika Aneja, Allison Thoms, Karen Mackenzie and Corrie Dossenbach and Massey 3 girls, consisting of Jen Parker, Diana Mak, Shu Jean Chen and Katherine Yip also had respectable seasons.

Next year looks promising for Massey Curling, as the team will have many veterans who will return to lead the team to victory. Good luck to all graduating players!!

This year's badminton schedule did not allow us to take part in very many tournaments prior to W.S.S.A. event. In the one tournament we did participate in, the senior team performed quite well, sending four teams into the eight, with two of them, the men's doubles team of Jason Green and Ogi Senic capturing the gold, and Khang Luong capturing gold in the men's singles event. Other members, Kristen Harper and Ken Bannon played well, with Carlos Choi also reaching a personal best.

Given the nature of the W.S.S.A. event being spread over five days, the results are incomplete. We do have both gold medal teams continuing on with excellent hopes of capturing gold again and moving to the S.W.O.S.S.A. event. With a final four finish by the mixed team of Bannon and Harper, Massey is sure to take the team title for the city. With luck and good draw at the S.W.O.S.S.A. event being held at hand. Good luck to all at W.S.S.A. and S.W.O.S.S.A.

In the Junior division, Massey did not fare as well, with disappointing losses coming to Ankyr Aneja as he drew a very difficult draw and did not place in the elite in men's singles. The mixed team of Grenier and Leung should do well in the finals, possibly taking bronze. Finally, ladies singles player Diana Mak may surprise herself and also take bronze at W.S.S.A.

Thanks to all for a great year and hopefully next year with the full season available to us, we will do even better. To all graduating students, don't give up the sport, it's a great way to exercise. To those returning, keep fit over the summer.

This year's baseball team was led by coaches Mr. Marchand, and Mr. Venerus. With power hitting from players like Kris Koutoula and amazing pitching from Chris Duhamel, Ian Broadbent, Mark Chimienti, Pat Hillman, and Matt Brown, this year's team looks, and hopes, to be a contender for the city championship. This year's rookies include Rob Ouellette, and Mark Chimienti. The infield featured the Koutoula brothers, Chris and Nick, Mark Baher and Bill Bowden. Patrolling the outfield were Mike Krsul, Chris Rupert and Rob Ouellette.

The first game for the 'stangs will be against Belle River, which hopefully will be a winning start to the season. Following games include Pickering, and Leamington.

# JUNIOR GIRLS

The Junior Girls Soccer team had a short, but fun sea son, playing an exciting exhibition game schedule against next year's competition, from the Essex County League.

The team played an exciting opening match against Villanova. The team battled high winds throught the whole game. Their spirits were high and the game was close. But the team lost a close and well played game by one point.

Kristy Blain (goal and defense) and forwards Janette Rhee, Megha Sehdev, Laura Wilson, and Charlene Wong returned to anchor the team. New players from Grade 10 were, defenders Nida Baloch, Ruth Krey, and Diana Mee and midfielders Jen Parker, Jen Templer, and Desiree Gravel. First year players from grade 9 were Tina Carlini (goal and defence), Sana Kazoun (defence), and Ann Leung (midfield).

The team played well together and always had a great time. Although they had a short season, they enjoyed being on the team and look forward to next year.

Mrs. S. Wilson and Mrs. R. Caldwell enjoyed coaching and working with this great group of soccer players.

This year MAC has continued to build Massey spirit through events such as pep rallies and intramural competitions. Although this is only the second year of MAC's existence, the Executive worked diligently to provide the groundwork for a successful Athletic Council for years to come.

Although many Executive members will be graduating, they hope that successful events such as: The 3-Point Shootout and Slam Dunk Contest, the Sr. Boys' Volleyball Pep Rally, and the Athletic Banquet have inspired junior students to get involved and carry on with the objectives of MAC.

MAC was formed with the understanding that an unsatisfactory situation can be improved if someone has a vision. We would like to encourage Massey's future Seniors to get that vision and work to achieve things that you will be proud of once you are gone. We also owe a special thanks to Mrs. Bourdeau for allowing our vision to become a reality and also for her commitment to a successful Athletic Council now, and in the future.

on the agenda and voice their requests and concerns so that they may be addressed. As a result of this, new clubs were able to be formed and many disputes concerning "who's in charge of this?" were answered with minimal violence.

We on student council tried our best to make council one of our top priorities of student life, and tried to do the most we could for the student body. However, due to politics we found that it wasn't possible for everything we wanted to take place, but like they say you have to deal with the hand that you're dealt. We made the best with what we had, in order to shine some light during the darkest of times throughout the little ordeal we had. (see next page)

## Prime Minister's Message

In most schools the student council plays an integral role in enhancing school life for most, and making it a pleasant experience for those who rather be somewhere else. This year at Massey, student council attempted to achieve beyond these basic goals and endeavored itself to promote the concept of the "Massey Family". This concept revolved around the notion that many students spend as much, if not more, day hours at school than at home. Therefore by creating a family atmosphere, where we are all able to respect all those who we've been accustomed to seeing at a daily level, Massey could become your home away from home. Don't get me wrong though, naturally I still looked forward to weekends.

In the past, student council might have been looked on as a power-hungry clique of friends, who's only goal was to abuse their roles and skip classes with reckless abandon. This year a conscious effort was made to rid student council of these stereotypes by not allowing ourselves to get responsibility confused with tyranny. One of student council's purposes is to represent the student body's general views and to remedy various requests. Due to the wide conglomeration of personalities on this year's council, we thought we did a rather admirable job in this aspect. Though many of us weren't all best friends outside of the council room, there was enough team chemistry that permitted the nineteen of us to have numerous three hour marathon sessions without wanting to rip each other's heads off, even though at times.....hey didn't we originally have twenty on council?

As each council moves on, they attempt to leave somewhat of a legacy behind that will hopefully have an impact on future councils and their decision making. This year, council had a number of revolutionary ideas for Massey, not just in the activity aspect, but also in the way they conducted their business. Before school even began, we had our first ever Grade 8 Conference during the last week of August. This overnight icebreaker was a way for future grade 9's to meet some of their future classmates, and to get rid of some of those feelings of nervousness that entering high school might have presented for some. Throughout the year council also had extensive theme weeks such as Hallowe'en and Christmas which put some added emphasis on the role of the homeroom, which was another way to bring students closer together in a team philosophy, as well as to add to the rivalry in the math wing.

Student council attempted to establish a more open line of communication with the staff and office personnel. When planning activities for a large group of individuals it really helps to have everyone on the same page, so that more can be enjoyed through the activity and less lost to answering to the hierarchy. By establishing this very accommodating relationship we were able to proceed with more plans with less confusion and frustration. Not only were the lines of communication open with the staff, this year it was more open to the general student body, a point we wanted to make known from day one. Our open meetings allowed anyone to get

This year's student council devised a plan to get all students aware of activities and events in and around the school, and get them involved at the same time. This plan went along with one of their many goals - an increase in communication between council and the student body. The plan was simple. Each homeroom class would elect a representative who would attend frequent meetings, led by Karla Houser, and report back to their class educated and eager. Homeroom reps were responsible for a variety of things such as Bagel Day and theme competitions.

On a personal note, I was very content with our results on student council this year. There were many times that I'd receive compliments commending the job council had done on a particular event. Well it's easy to do well when the team you are working with is so enthusiastic and easy to get along with. I can easily say that this year was the most enjoyable of my years at Massey, and I'm not just saying that because I was on student council. As a result of everyone's effort school spirit reached some all-time highs. As a Massey Mustang, you're never too cool for school, and you only get as much out of it as you're willing to put in.

A Mustang's day wouldn't be complete without the daily reading of the morning announcements. Each and every morning the announcement crew, with the guidance of Mr. Fedchun, informs the Massey population of the day's meetings and practices, sports scores, upcoming events and the cafeteria specials. This year an uncharacteristically large crew took over the airwaves and were consistent in bringing the student body the news. Unfortunately, they took a little sabbatical over the work-to-rule, but were back in full force after it was over.

# ASSEMBLY CREW

An important part of Massey's student life are the fun and exciting assemblies. This year's Assembly Crew put on some great assemblies like on Halloween, with the wicked-awesome Homeroom Pumpkins and a great display of costumes, Christmas, with a Student Council skit complete with the usual brawl, and Beach Day, where the brave exposed their pastey legs before being sun-kissed on March Break. They also set up the many Pep Rallies, etc.

The crew would like to thank their sponsor teacher, Mr. Powers for all his patience and help throughout the year. We hope you had a rockin' time at all of our gatherings, and that anyone who ever helped us will remember the valuable and few simple steps of stacking and storing fold-up chairs. Thanks, guys!

We'll see you next year!!

# YEARBOOK STAFF

1996-97 saw far reaching changes for the Yearbook. Some say good, others bad. But the stone was thrown and the ripples were many. Out of this chaos a man came forth...Mr. Quaggiotto. From him came the Yearbook class; a new means of creating a Yearbook. In time he selected the Chosen ones and they acted as shepherds to the rest of the class. Change did not stop there. The man named Quaggiotto supervised a change of publisher to Jostens. This was good.

Out of the heavens came a voice: it was at this juncture that the theme "Life Between Summers" was begotten. Work commenced, and the Genesis of the Yearbook began. Many fell under the strict work quotas set. Those who survived were only strengthened.

The result is what you see. Whether it be for good or evil we know not. Yet the task is done. As the forefathers of this creation, we can only stand by and watch as the book...our Yearbook is unleashed upon the world. May God have mercy on our souls.

The Vincent Massey world Affairs Club has had an incredible year full of activity aimed towards the betterment of our world and ourselves. Through volunteer work, speakers on local, national, and international events and issues, discussions, and philanthropic efforts, the club has been a presence at the school this year.

World Affairs Club members volunteered their time on several occasions this year. No participant will forget the importance of folding table cloths the "right way" at the United Way's Senior Swing Dance, or the enjoyment of helping at the Easter Seals' Telethon (we are women, and we are strong!!). Many non-club members also donated their time to these worthy causes, spreading the joy of helping others throughout the school.

Throughout the work to rule efforts, the club struggled without our incredible sponsor, Mr. Koppessor. However despite these problems, the club continued to have weekly meetings, created a quilt which was donated to the Quilts for Kids programme sponsored by Hiatus House, and volunteered at the Third World Resource Centre's Self Help Sale. Also, the club participated in the annual Thirty Hour Famine, which was a great success.

The club would like to thank Mr. Koppessor for his guidance and help, and I would personally like to thank all of the members for their dedication and work. I love you guys!!

It was a transition year for us recyclers in the back rotunda. We had a lot of people join us, a few graduated, and some that forgot to show up on their scheduled Fridays.

Despite some of the difficulties with the metamorphosis of our recycling system, we had a great year, and got the job done. Fortunately, we aren't the only people at Massey who do work for the environment, and we hope that our part has helped. Thanks to Mr. Nanson for his support, and we wish the recyclers of the future luck.

We are People of the World Eliminating Racism. Our club deals with multicultural and human issues. This year, the P.O.W.E.R. club has raised \$200.00 for Hiatus House, prepared a special memorial for those victims of violence during Violence Against Women's Week, organized an assembly for our first annual Black Achievement Week, and we have even succeeded in having various multicultural novels in Massey's English curriculum, thanks to Mrs. Kominar.

The P.O.W.E.R. club is looking forward to many exciting new assemblies, presentations, and learning experiences. Here's to a great 1996-1997 and an even better '97-'98! Keep striving for a better tomorrow!

The Massey 1997 Fashion Show, Through The Looking Glass, was a huge success. All of the models and dancers who were involved put in countless hours of work practicing their routines, and this year's show reflected that.

The proceeds from this year's show were being split between the Dream Weaver Cancer Centre and the AIDS Committee of Windsor. We felt that these donations reaffirmed Massey's commitment to our community and our position of leadership within the community.

Special thanks goes out to all of the models and dancers for their effort and all of the backstage and technical crew for helping the show to run smoothly.

The Executive would also like to thank all teachers who helped with the show, especially our sponsor teacher, Miss Siddle, for all of her hard work.

And a final thank-you to all of the students and parents who came to watch the show. Your continued support inspires those involved to put on the best show possible, year after year.

Not a lot of people in our school know what the ISCF is about. Well, unlike other clubs that are event-oriented, ISCF is more members-oriented. Each week we meet together to simply enjoy having fellowship with one another and study God's word. We also look at issues in the world from a different viewpoint as young Christians. It has been a great year, we have grown stronger by learning from one another and sharing our faith. We'd like to thank Mr. Fedchun and Mr. Bohonko for their continuous support that is greatly appreciated.

The 1996/97 Stang staff has worked exceedingly hard to produce four of the best issues in Mustang history. Our team of editors were complimentary to each other and proved to the skeptical Massey population that dedication and commitment can accomplish anything. This year's team has created a legacy with hopes that our few returning members can continue in the footsteps left behind.

This year's Concert Band experienced a year unlike last, what with Mr. Powers' guitar and keyboard classes in such popular demand. What this meant to those of us returning was a new conductor. As we slid behind our stands for the first time in September, Mr. D'Amico, with his differing teaching styles, quickly had us playing new pieces suitable for performing.

This is an amazing feat, considering the fresh crop of grade nine students who, when adjusted to high school chaos, turned out to have incredible talent.

In May, we had our long awaited excursion to Toronto where we participated in a festival, had a Medieval Times dinner, and spent one fun and exciting day in Canada's Wonderland.

By June, we were preparing for our final concert, which promised to be interesting and entertaining, with our new material.

Special thanks to the South Windsor Youth Band, and it's conductors, Mr. Johnston from Southwood, and Mr. Tynstra from Glenwood who keep sending us talented and prepared music students each September.

One last thank you to our conductor, Mr. D'Amico, who never gave up hope, even when we seemed impossible.

The Symphony Orchestra consists of approximately 45, mainly senior students. The performers are split evenly with 20 string players and 25 wind, brass and percussion players. Massey can boast of the only high school symphony in Essex and Kent counties.

Under the direction of Mr. D'Amico, the orchestra performs various styles of music from classical to pop/rock and from competition selections to film scores.

Over the past several years, the orchestra has successfully competed in Heritage Music Festivals in Nashville, Washington, Boston and Quebec City with the Massey performance groups winning the festival 3 of the past 4 times. This year, the Orchestra, along with the Concert Band will be competing in Toronto in early May.

The orchestra is a very unique performance group within this school and everyone involved, especially Mr. D'Amico, (as he's a violinist), hopes that the orchestra will continue to prosper in the years to come.

"The Power of Convincing Speech". This year's senior debate team has managed to accomplish a feat that no other team in the history of the Ontario Student Debating Union has. They ran the table and won first place at all three meets. Massey would like to congratulate all of the senior debaters, especially Paul Goldberg, who finished first overall in individual scoring for the entire season.

For the junior team, it was a year of learning, excellent performances by Steve Ball, Miranda Tao, and Nadia Rusan point to a bright future for the team.

Both teams would like to thank Mrs. Kominar, Mr. Klein, Mr. Deneau, senior captain Crystal Wong, and junior assistant coach Sarah Watts for their efforts. On our behalf, next year we will continue our tradition of victory.

The 1996-1997 Vincent Massey Chess Team performed exceptionally well by all standards: except their own. After finishing first in the city in regular season play, the team lost a close match against W.D. Lowe in the playoffs, ending their hopes for the first chess championship in Massey history. Instead, the team settled for a second place finish for a second year in a row and can only hope to improve for next year. It was especially disappointing for the three members of the team who are

graduating: Chris Ing, captain Stan Matthew. Although it a broken team will set the league the majority returning, sensational

the standard in next season, as of the team is including the players: Dario Stancic, Hui Zhong, and Peter Ly. The heart of the team, including players: Melanie Blass, Jasmin Mulaosmanovic and Khang Luong are also returning next year to form the most dominating school team in recent Massey history. The team is grateful to Mr. Klein, whose skilled coaching at lunch hour practices lead us to a nearly perfect season and will continue to lead the team next year as well.

## PASCAL

Pascal Mathematics Competition

The Grade 9 team placed 23 students among the top 25% in Canada on their way to winning both the WSSA out of 11 teams of SWOSSA championships for 1997. Dario Staric came 2nd in SWOSSA and 1st in WSSA being a medalist at Massey. The winning team comprised of Dario, Darryl Ramseswak and Jim Hong. The Faught team also included Karen Lee, Stephanie Smith, Teri Yamana, Nadia MacLama, Alan Karloff, Fatima Husain, Franklin Lyons, Kelly Smith and Mons Elmadi. The team has the fourth highest Faught total in history.

## CAYLEY

Cayley Mathematics Competition

The grade 10 team placed 206/1907 in Canada, 10th/740 in Ontario and 1st/137 in Ontario West, and for the seventh year in a row, 1st in SWOSSA and 1st in WSSA, an outstanding achievement. 20 Massey students made the top 25% in Canada led by Zhu Zhong 25th/3668 in Canada, 9th/1300 in Ontario, 1st/239 in Ontario West, and 1st in SWOSSA and WSSA. The rest of the team consisted of Aaron Bruen, 1st/438 in SWOSSA and Megha Sebala 6th in SWOSSA. Making up the rest of the Faught team were Dany Malik, Michael Wheeler, Jennifer Tompler, Frances Sullivan, Michelle Cullen, Ryan Walker, Dwight Tomalty, Sadia Hildebrand and Seth Hussein.

## FERMAT

Fermat Mathematics Competition

The Grade 11 team established itself as the best in Windsor's history coming 8th/1468 schools in Canada, 5th/720 in Ontario, 1st in Ontario West, SWOSSA, and WSSA. 21 Massey students made the top 25% of all students in Canada. Yin Lei was 3rd/2,606 in Canada, 3rd/962 in Ontario and 2nd/1833 in Ontario West and 1st/389 in SWOSSA and WSSA, absolutely outstanding. The rest of the Faught team was Ted Liao 3th in SWOSSA, Norman Li 9th in SWOSSA, Tim Adams 10th in SWOSSA, Shelley Marwood 14th in SWOSSA, Rashid Farhat 16th in SWOSSA, and Amir Butze 1 and Colin Leung 10th in SWOSSA. Melanie Blasz, Jennifer Cohen complete the team.

Euclid Mathematics Competition

This year Massey's Euclid team was in the top fifteen teams in Canada. They came in the top ten for Ontario, winning SWOSSA for the 9th year in a row with the second best total ever for Windsor. Individually, Jessie Yin Lei came in the top 20 in Canada. The rest of the team included Neil Wadehra and Jazz Mulaosmanovic leading a record twelve students over 65 on the contest.

Descartes Mathematics Competition

This year, Massey's team came 6th in Canada and 6th in Ontario. Led by Jessie about 10th in Canada, the team won SWOSSA for the 7th year in a row with Jessie, Debbie Campbell, Fahad Razak, Chris Ing and Stan Mathew came in the top six in SWOSSA. Shauvan MacDonald, Lisa Corlett and Ogi Senic in the second group. 25 Massey students made it into the top 25% in Canada. Congrats.

American High School Math Exam and AIME

Massey's team was like totally awesome this year, finishing 11th in Ontario, and 2nd in Ontario West. Yin Lei finished 18th in Ontario, Chris Ing 61st, and Stan "The Man" Mathew finished 69th. As well as the team, the following students scored more than 100 on the contest: Jazz Mulaosmanovic, Neil Wadehra, Zhehui "The Mathematician" Zhong, Fahad Razak, Bahij Katrib and Jason Green. Hui Zhong with 6 and Jesse Lei with 4 were our best on the AIME. Go team!

The 1997 Reach For The Top team has reached higher than ever this year, and we have prevailed over our competition. With an unbeaten season, and a trip for the second year in a row to the provincial championship in Toronto, we have had an exciting year with our three new team mates, Aida Shahbazi, Shawn Malhotra, and Jeremy Low.

The team would like to express its sincere gratitude to Mr. Cassivi and Mr. Backham for their coaching expertise. We are looking forward to another year of stimulating intellectual competition and to welcoming all new members.

1998...Massey's unbeaten team will keep reaching for the top, and beyond!

The Friends of Oakwood Bush is a non-profit organization formed to protect one of the last Carolinian forests in Ontario, and is right under Massey's doorstep, Oakwood Woodlot. This group was formed by the influence of Mr. Nanson, one of our very own science teachers. Many students of Massey and neighbouring neighbours helped in our petition last September and participated in our fundraisers.

This year, our organization was run by President Mr. Nanson, Vice President Victoria Davidson, and a number of community volunteers.

The past year we have accomplished many tasks. We organized a Bowl-a-thon, a 50/50 draw, and we have helped the city to purchase two woodlots, and are now working on our third.

Our group has come a long way and still there is a very long way to go.

It all began many months ago, on a balmy fall day. I saw Aaron Gertz and Augustine Rhee sitting in the library, from a distance, appearing bored. They discussed many things that day, but none so important as the topic of Ping Pong. One said to the other, "If only we had ping pong tables at school, we would never be this bored. The other said, "We could do it! Let's start a ping pong club!" Many weeks and arduous tasks later, the first tables arrived at Massey. These two gallant heroes accomplished an amazing feat for the benefit of our fair school. One dignitary noted of the club: "The ping pong club could well keep kids off drugs and out of gangs. It may bring about safety and cleanliness to our communities, the world may now be a safe place to live again. God bless that noble ping pong club."

Now that they've brought about world peace, what's next for Augustine and Aaron? When asked, they replied, "Oh, just play ping pong, we guess." And the best part is, many years from now, students will still be skipping class to play this majestic sport. Thanks Mrs. Gray!

MR. DIMMICK

Wow! I am retiring! I feel that I have been blessed to have been Principal at Massey for eight years. I have enjoyed myself immensely. I am very proud of our school.

There are so many good things happening at this school every day. Some are recognized - many are not, but most people do recognize that Massey is one of the finest public secondary schools in the world. Did you realize that you went to one of the best schools in the world?

I think that one of the key reasons that we are so successful is that many of Massey's family - students, parents, teachers and support staff still dare to dream. We dream for ourselves, we dream for our society, and we do the things that make it necessary for dreams to come true.

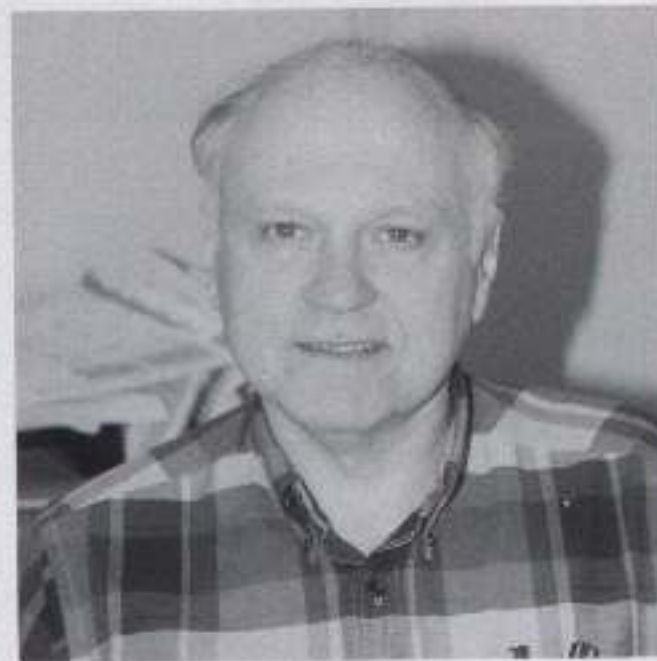

My message to all would be, "Keep dreaming, and chase the dreams with all your energy."

Parents and teachers must demand that our school continue to be one of the best. To do so you will have to fight the small "c" conservative agenda. You must resist the cuts. You must keep the dream alive. We owe it to ourselves.

It is exciting to come to school every day where people stretch themselves to reach the next level. Often it is academic, often it is athletic, and often it is simply to help our neighbour or our fellow citizen.

Whether our students are competing for scholarships, entering contests, playing instruments, training for athletics competitions, saving Oakwood Bush, or simply trying to pass their most difficult, they are growing and becoming more than they are.

It is exciting to watch! It is exciting to be a part of the action. It is so clear to me that it works best when all the key participants work together. When parents, teachers, students and support staff work together. When parents, teachers, students and support work together, exciting things happen. Exciting things happen at Massey. I have loved being your Principal. Thank you.

Mr. Marchand was an asset to Massey's English department.

"If you follow your bliss, you put yourself on a kind of track that has there all the while, waiting for you, and the life that you ought to be living is the one you are living. Wherever you are - if you are following your bliss, you are enjoying that refreshment, that life within you, all the time."

- Joseph Campbell

We will miss you, Mr. Marchand! Good Luck and best wishes.

"You get as much satisfaction out of your job as you put into it." Helping students and watching them progress in the technological field was truly fulfilling for him. After retirement, he plans to "enjoy life, family and friends". He now bids farewell to Massey and hopes the best for the Massey staff and student body. Best wishes and thank you, Mr. Radovich.

Robert Marchand has had an enriching experience at Massey. Teaching in the gifted program was a "privilege," he says. Of his 34 year teaching career, Mr. Marchand has taught 24 of them at Massey.

Bob has coached hockey since 1982 and has loved every minute. In 1991, Bob took the Massey team to the city championships. Marchand's ALL STAR team ... goalies : Steve Sapardanis, Ryan Allison ; forward : Jimmy St. Louis ; defense : Dwane and Ray Pekar, Greg Pougnet, John Zytinski ; centers : Jeff Parent, Dan Ceman ; wingers : Chris Dowhaniuk, Scott McLaughlan, Chris Pickersgill, Chris Goegan.

Victor Radovich has been inspiring students to become in technological studies for the past 31 years. He has been at Massey for 20 years, 14 of which he's been the technical director. Mr. Radovich has strong ties to the South Windsor area, having lived, worked, and raised a family of two children here.

Mr. Radovich looks back fondly at the 22 years of coaching football and the lasting relationships he formed with his players. Working in the technical department at Massey was enjoyable for Mr. Radovich, especially with such fine colleagues.
