## GRADE 9

STARTING HIGHSCHOOL WAS A FRIGHTENING EXPERIENCE. WHAT'S MORE FRIGHTENING IS THAT WE'VE MADE IT THROUGH OUR FIRST YEAR OF HIGH SCHOOL. WE OWE A LOT TO THE SENIORS WHO PUT TOGETHER THE GREAT GRADE 9 CONFERENCE. THEY MADE THE TRANSITION FROM KING OF THE SCHOOL TO MINOR NINERS EASIER.

## CONFERENCE

THE ICE BREAKERS DIDN'T HELP US MUCH TO GET TO KNOW EACH OTHER BUT THE DANCE CERTAINLY DID. WE ESPECIALLY ENJOYED THE STRIP SHOW (THANX SENIOR BOYS). THE FOOD WAS GROSS (CRUSTY MAC AND CHEESE) BUT THE COMPANY MADE UP FOR IT. THANKS FOR THE MEMORIES STUDENT COUNCIL.

# BABIES .....

# GET IN MY BELLY!

They used to be so cute..... What happened?

IS EARLY SATAP?

This is a question that has been puzzling chorales for Arizona since dozens of minutes. Could the seemingly innocent and sweet *Satap* be such the rest of all with. How is our proof discovered by the great philosopher Brian of <http://wonders.tripod.com/> Frank O'Brien!

Barry Satap

1) Start with given **CHIE** **PURPLE DIMOSAUR**

2) Change all **L's** to **V's** (which is proper latin except) **CHIE** **PURPLE DIMOSAUR**

3) Extract Roman Numerals **C** **V** **L** **D** **X**

4) Convert to Arabic values 100, 5, 5, 50, 100, 5, 5

5) Add all the numbers =666

Therefore Barry is Satap!

## LESSONS ADULTS LEARN FROM KIDS...

10. There's no such thing as child-proofing your house.
9. If you hook a dog leash over a ceiling fan the motor is not strong enough to rotate a 42 lb. boy wearing a superman cape.
8. Garbage bags don't make good picnic baskets.
7. If you spray dust bunnies with hair spray and go over them with roller blades, they can ignite.
6. Super glue is forever.
5. Marbles in gas tanks make lots of noise while driving.
4. Always look in the oven before you turn it on.
3. Plastic toys don't like ovens.
2. A four year olds voice is louder than 300 adults in a crowded restaurant.
1. When you hear the toilet flush and the words "uh-oh" it's already too late.

SABRINA : THIS IS TO YOU FOR ALL THAT YOU'VE DONE FOR ME. ALTHOUGH we've only spent 2 years together I know we'll go from being bridesmaids at each others weddings to chillin when we're old and grey. But for now I hope for you only the best of life. To all graduates keep your head up high and live life to its fullest cause you only live it once so live it right. "Good Luck Sabs", FREDDIE! I LOVE YOU, MARY!

Thanks to all my friends for helping me fit in. You know who you are. "There are three kinds of people in this world: those who can count, and those who can't" (old but funny, and in my case true, right Green-Boyz?)

Ankur Aneja

From making fake report cards to taking advantage of the student council room, Ankur has pulled off a lot of scams during his 5 years at Massey. However, sometimes things didn't go as planned. Apologies going out to Mr. White, Mr. Smythe and all the other 32 staff members that taught him over the years.

Nathaniel Beattie

I like long walks on the beach, and snuggling up near a quiet fire whispering sweet nothings into your ear. Remember to always feed your hog because they get hungry too. I'm sorry I have to leave ladies but my time has come. Massey kicked buttox and I will never forget it. Polco zooo. Good-bye bush parties and PCP's. Good-bye NV and AF, I'll see ya's after school. Hello university women and see ya high school girls. Shahr mirr lake it back.

Matt "Beney" Beneteau

What can I say about Matt, He was a cool guy with a cool ride! Everyone could get along with him because he was the nicest and friendliest guy you could ever meet! Matt was a great friend because he was always there to listen to you! Matt's years at Massey were great because he met a lot of new friends and he learned how to party hard! One thing Matt was good at was talking to the ladies! Matt would like to thank all his boys: RL,BC,KK,SM,BK,TK,MM! Things come out of the blue.

### Jessica Beri

There is a time in our lives when we must leave what we know and move on to bigger and better things. Well now is our time. Thanks to my friends. You guys are great! ### Raji Bhullar

The high school years have gone by hella fast for this giggly (sometimes I can get a lil crazy) girl. Some of her most memorable moments have taken place either downtown (DC's and more), in the Neon getaway car, or at some unforgettable desi jam (bruahh) hehe. Wasup to all my friends and cuzins... I luv you guys! "Bhangra pauna peg sheg lona, naal munda fasona!"

### Kevin Biswas

It's hard to believe that 5 years have gone by. I'd probably say they went by too fast. But memories of friends, teachers, playing hockey and soccer for the Mustangs will never be forgotten. This year's graduation surely doesn't mark the end of a time in my life, rather the commencement of new and more exciting paths for me to take. I thank all my teachers and coaches for everything they've done. "One is on the road to success when he realizes failure is merely a detour." -anon

Is the brainwashing over, oh wait, University. I still remember gr. 9 (just barely), hiding from the seniors and suffering through Steven Covey's reign of terror. The mind numbing years of gr. 10 & 11 are still a haze. Gr. 12 was full of surprises. "What?! We have to work now?" and now OAC. Must... stay... sane... "What do you mean I needed a 90 average to get in?" To all the cool people I have met, I'll never forget ya! To the not so cool people, hope I don't ever become your boss. Bye! I'm Out!

### Julie Cornwall

She came to Massey with one goal in mind, to leave her mark. Now she graduates having accomplished more than that. She became Massey's Queen of Spirit, a reliable leader and a loyal friend. She brought smiles to many faces and laughter to many lives. Julie the early days of "toilet head" and the sunroom dance parties will not be forgotten.

THANKS FOR BEING THERE,

KK

To everyone at Massey: Take care of my school and keep up the spirit Love Julie C.

### Chris Coutinho

When I finished grade 8 I was told by my teacher that high school would go by fast and that they'd be some of the greatest years of my life. Wow! he was right. The years have flown by and I have had some of the best times here at Massey. I'd like to thank my beautiful girlfriend Sarah Ellis who has always been there for me. I can't believe it is finally over, the 5 years have gone by so fast. Thanks to RC, MO, KB, NC, LD, RB, RK for a great time. Especially our midnight runs to Golden Griddle, weekly trips to JD's, messey parties at dad's and the Neon get away car. To MO and RC, I will never forget our trip from hell with "K"  
LOVE YOU GUYS

This is the end of something simple and the beginning of everything else!

### Sarah Ellis

With this being only my second year at Massey after coming from a private school, I've met and become friends with so many people. Thanks so much to Michelle, Aziza, Chris, Ryan, Aubrey and the gang who helped me through my first year at Massey.

And last of all I want to give a huge thanks to my boyfriend who helped me get through everything. You are the greatest Chris. I LOVE YOU!!!

### Aubrey Dejong

What is success?  
To laugh often and much;  
To win respect and affection from others;  
To earn the appreciation of honest critics;  
To find the best in others;  
To appreciate beauty;  
To leave the world better than how you found it;  
To know even one life has breathed easier because you have lived;  
This is to have succeeded.

--Ralf Waldo Emerson

### Reesa Del Duca

"If you believe", he cried, "clap your hands"-- J.M Barrie  
My applause began 5 years ago and allowed me to follow my dreams and expand my mind. During my yime at Bayside I met many people, dated various cartoon characters and found myself. I learned how priceless true friendship is. You helped me see the world through rose coloured glasses. And now we are turned out to our futures; like a fresh box of crayons and a big page waiting for us.  
Oh, The Places You'll Go.....

### Samir Farhat

Samir's life can be described as a baller, shot caller with a huge crib driving his Intrepid hitting the highways making money the flyway. During the last 5 years we'll always remember the memories ranging from The Rock to Tupac and even through highschool is over nothing ended we have only begun.

-Your boy H.P

### Victoria Fazekas

Over time I've notice it's not the destination that matters, but the journey. St. Donat, James' house, too many nicknames, Montreal, F\*\*\*\*, Subway every day, Wednesdays, the egg game, looking for Raine, almost burning down the Pinery, jp, jm, vr, bs, jr, ac, jt, md, ca, jw the closest friends, the greatest years, the best is yet to come.

### Dana DiPonio

Lost in thought  
And lost in time  
While the seeds of life and the seeds of change were planted  
Outside the rain fell dark and slow  
While I pondered on this  
Dangerous but irresistible passtime

I knew the moment had arrived for killing the past  
And coming back to life

### Allison Drouillard

Throughout my five years at Massey I have experienced many good times and met many new friends. My Massey friends will remain in my heart forever and my memories of you will remain precious. C.P.K.S P.W.B.K.S.S.J.C.A.A.C.A THE RAT THE GQC and especially THE HUSS. Thank you for all the great times-- dances, Montreal, slurpies, St. Donat, B-ball, X-country, prom, Quebec, Cancun, and the fashion shows.

Love you forever

### Jenny Fields

As I stepped into the hallways 5 years ago, I had no idea what I was getting myself into. Would I be a leader; or would I realize it's not who you are, it's what you have inside that makes you a strong leader. To all I leave behind and to all that have one thing to say "Wherever you end up in this world it's up to you and not the person next to you"

P.S. - I likes my Oatmeal lumpy!!!

### Kelly Lee French

Kelly is extremely thankful her highschool years are over. Although she is sure to remember her great friends and unforgettable moments. You can find Kelly shaking her booty at RUSH with a guy on each arm, any day of the week. Never forget partying with friends, chillin' with C.C Boys, girls night, sleepovers, getting into trouble, sneaking out, and drinking a little too much.

### Chris Dumaine

Chris, there is one word to describe you and it is determined. You have proven this with your Dodge, V-bug, Jetta, work, school and most of all us. Please remember whenever you're down and out, think of the finer things in life like... me for example! HaHaHa.

Love always Missy

P.S. Remember NO MATTER WHAT HAPPENS WE WILL ALWAYS BE FRIENDS. TTFN

### Sanjukata Dutta

From gr. 9 to OAC I go and through out the years what happened you want to know? I met new faces of all different races who are all going off to different places. But there has been one girl who has stuck with me through thick and thin no matter what has happened our friendship has never gone dim. She is my best friend in the whole wide world -- Thanks Semina for being that girl!

Grad? Already? Wow! I guess they are right, time does fly by right before your eyes. Since the day I stepped into Massey I dreamed of this day. Now that it's here, it seems as though I am dreaming. Like they say, your high school years are the best years of your life! That statement is so true. These past four years are full of good memories. I want to thank my friends for always being there for me. I luv you all!

### Tanya King

My years here at Massey have been the best of my life so far. I will always remember: Byrne clotheslined herself; wow is for cow; Dana, we gotta talk; shmennifer; and our growers & Kahlua experiences. To DS, JZ, SB, DL, JF & SM, I love you all, you made these years what they are.

You can find her chilling in the smoking section, on the phone, taking your order at Mickey D's or just wandering around the streets with all her buds. Her name's Tara and she's cool to hang with but most of all to party with! We had some really good times and some bad but I'll always be there when u need me! 420 4 LIFE

My last five years at Massey have left me with a lot of great memories. I'll always remember the great times, and all the people who made my High School carrer a memorable one. ### Brittany Kolody

Well, Britt it's been 4 long years but you've survived. We had some great times together you, me, LT and RA. We've learned some valuable lessons like, stay away from hockey players cuz they're well, you know or stay away from guys that use the saying "Right on" more than humanly possible. You're a great friend and we've shared many things w/ each other. Everytime I hear the song "Come on over baby" I'll think of us. Gook luck in the future. Remember, we luv ya, KE LT RA

### Katherine Kennedy

Her experiences extend far beyond the walls of Massey to Brazil and Spain. Leaving in each place a peace of herself that will never be forgotten. The same is to be said as she prepares to leave Massey. Although quiet Katie has been involved in many things. From basketball to fashion show they're unlimited. ### Brad Krewench

Parents and elders have always told me that high school years would be the most memorable, and they were right, all thanks to a few good friends who made it possible: MB, KK, BC, JK, MM, PS, and especially to whom I consider my best friend Ryan Lachine. Thanks for everything you guys made these last few years great, and I'll never forget them.

### Umair Khan

Alright guys I guess this is it. The time I've been here was good but it's gonna get better. Things I won't forget; Invisible cars at BK, CP over the summer, Mexicans in my trunk, driving with my GI, Brown paint on my car, chillin at Shawn's, oil for my lockjaw, kickin butt at Revenge, and all the other crazy stuff we did. Have fun next year grade 12's, I'll visit sometimes. Remember, DC/ JOBB squad forever. Remember momo wherever I may be. PIMPIN' AIN'T EASY. Who is Franklin Lyod?

### Nima Kharazi

I had 4 great years at Massey, but the last two were the best. I loved everything at Massey. The students (with some exceptions, the teachers, the "Oakwood Bush" and its benches. I'm going to miss everything about Massey especially the fine koses.  
Thankyou all. Love

It's time to go- to move on, to the bigger & better. Not to say that the past 5 years here haven't been awesome! To all those who helped me make these year memorable, the lunch table girls, YC, LW, the Northwood Gang and all my teachers- THANX! I love you all!

### Ryan Lachine

Who didn't know Ryan Lachine? Ryan did a lot of crazy things in his highschool years but I think he would agree that the last two have been the best. One thing about Ryan: He knew how to dress in style to drive the young ladies wild. If you believe me, ask SM. When he wasn't charming the ladies, he was a great friend and a great listener. Ryan wants to thank his boys for the memories, MB, SM, KK, BC, BK, MM, JK, BSB. "Tell me why." Remember, it's out of the blue.

### Ben Lafreniere

Biking, 8 hour walks, robot moon, receiving hot chocolate from God (who wore a headset), almost freezing to death, MUSHing, pool, bombs, trespassing, steeling blinky, never sleeping, techno, music, selling phones, being chased for water ballooning a sanoko, pretending I am people I may never be, meeting people I never want to lose, and at last finding my own self in a sea of everyone else's expectations. Oh yeah, and lobster mittens.

No one can describe the unforgettable times I've shared with my friends here at Massey. Through the slidin', BS-SB, cute jucurls-SW, strip poker at SG, needing chocolate with DK and AL, ML thanks for the saying when, 3EB! Sundays at SWA and Shell bust-JZ forgot, late night smokes at DS, AHOH-Work it Work it shorty, all chics trippin' and Kel with chixps at lunch with bahbahs TJ! To all my hotties I hope my advice and diagrams came in handy for your success of the piece.

### Melissa Lamont

Melissa, from our little sunshine to a beautiful, strong and very determined young woman we are so proud of all of your achievements and the way you take responsibility for all your choices. Your ability to stand up for what is right along with your unjudgemental kindness make you special to all those you befriend. It is an honour to have you as a daughter. We have truly been blessed. We know you will succeed in whatever path you chose. Shine sunshine. Love mom and dad.

I came to Canada from the other side of the world 2 years ago. I had spent one of the worst years of my life in maseey however, I am grateful to my teachers for teaching, helping and encouraging me. I also want to send thousands of flowers to all my friends, especially Suzanne lau, for their kindness, support and help thank to all.

### Matt McColl

The time has come for me to leave already. My 4 years at Massey have been unforgettable. I'd like to thank all my friends for making highschool a great experience. I can't say what the future has in store for me, but mt time as a mustang will always be a valuable asset to me. Good luck to all the grads in the future and we'll see you in college.

### Michelle McGhee

Durring Michelle's last 5 years at Massey she has gone through many phases in her life. Massey has seen her in some very outrageous clothing but no matter what, she was wearing she was always very kind, smart and caring. The past 2 years that I have known her have been the happiest 2 years of my life. We have been through some tough times in our life but we always seem to forgive each other. Michelle was always a good friend to me and she will always have my heart.

### Tiffany Meloche

"Jump on it, Jump on it" These last 4 years at Massey were the bomb baby! Especially our Massey Mustang Pep Rally's and our get freaky, down dirty, booty shaken dances. I can't believe that my highschool years are over. Four years goes by fast, so make your highschool years the best and live every moment to the fullest. I will never forget all of my Mustang friends: EW, DM, AS, LT, JW, AG, JD, SD, TK, CM, BG, TW, DL, PS, BK, ML, CD, RL, GH, NR, AG, HS. Good Luck In The Future!! \*\*FUMES\*\* -TM-

### Stephen Ouellette

As I depart from Massey on a permanent leave of absence I'm left alot of illustrious memories of Massey. The school itself has given me many things, a "visitors only" parking space, a few gleeful visits to 105, a resident locker mouse named stuart, the ability to repeat the same course over & over again but most importantly the chance to make some great friends. Hey Lewch DAYTONA was great but remember, 2 things don't make a right! The men are now ready for college woman, it's been a slice.

### Marvin Mnaymneh

Marvin's 5 years at Massey have been quite a journey. From those awesome assemblies to those mind boggling classes with Mr. Caldwell. Many memories will remain with Marvin of Massey. Now this is a story all about how my life got flipped-turned upside-down and I'd like to take a minute so just stay where you are, I'd like to tell you how I've had the time of my life so far. In South Windsor not born but raised, it's Massey where I spent most of my days. Cramming, dancing, running like a fool, playing some b-ball for the school. Doing drive thrus, learning ebomics, I hope Massey never forgets how to Jump On It!!!

### Hishaam Pahary

The notorious Hishaam Pahary. High school has been quite a ride hasn't it. We're pulled the wool over the eyes of so many people at this school. We had great times playing cards driving cars, accusing each other of being shady, driving to toronto, and finishing assignment at the last minute. What can I say about the future, as long as we've got each others backs we should be just fine. You better take care of that car. SF

I've known Glenn for 14 years and I still can't figure this guy out. Not even Glenn knows why he was hanging around the Duty Free at midnight. Glenn should have no trouble getting by in life since he's got a Northwood education to fall back on. Memories include KFC, WWF, Ratsrew, 2 on 2 basketball, cramming for exams, pepsi and making up weird words. Don't ever forget how effective a simple hand gesture can be.

Best of luck to you

Wait a minute!! Is it over? Is it all over? I'm actually done High School!! If there's one thing that I've learned, it's that it pays to pay off your teachers. Just Kidding! The years flew by so fast, I haven't the time to look back. But now my future is upon me I've lived, learned, and began to grow within Massey's walls and now I come to realize that Massey and all of the students have been a major part of my life. Next year I will reminisce on the time I've had at Massey when I start out new. Thank-you for the memories, and thank-you Nicole for being a great friend.

### Greta Ra

For I have learned to look on nature, not as in the hour of thoughtless youth, but oftentimes the still sad music of humanity, not harsh nor grating, though of ample power to chasten and subdue. And I have felt a presence that disturbs me with the joy of elevated thoughts; a sense sublime of something far more deeply interfused, whose dwelling is the liffth of setting suns . . . the mind of man, the motion and the spirit . . .

When I came to Massey 3 years ago from a small suburban Ottawa school, I thought I wouldn't be recognized among a new group of individuals. But I was proven wrong by everybody who acknowledged me, and I never would have guessed how much I was going to discover about myself. I would like to thank all my friends, teachers, coaches and everyone else in the Massey community for making my senior years a total blast!

### Charlene Wong

Start each day with a smile  
And you'll be surprised  
How far that smile will go.  
Others will see it,  
Start smiling themselves,  
And then pass it on to the  
people they meet.  
Before you know it,  
The whole world will be smiling.  
-anonymous-  
Thanks to my friends and teachers for making my five years at Massey the most exciting years of my life. I'll never forget the memories. I'll miss you all!

### Gloria J. Yu

Thinking back at all my years at Massey, I have many people I want to thank. First of all, I would like to thank the lord from saving me from the depths of hell. I would also like to thank my family and my true friends for not giving up on me when times were tough. Mrs. Halpin, Baz, Mrs. Bordeaux, and Mr. Lutz, I will always think about how you inspired my life. Remember: I COR 13:4-8 love never fails. Last of all, D.B.L.B.-Don't Be Left Behind!!

In this world which is so uncertain, how can I find the truth of life, can't see my way, alone and on my own, but when You suffered and when You died for me, on that cross so long ago. You gave me life, You gave me hope, You gave me freedom. For Your love compels me to know Your compassion, surrender my heart and serve You, and I know each step of the way. Your love I will endure!

With so many things happening in these past five years, it has been good having my friends with me. Thank you Mandy, Rezi, Dakon, Elhas, and Angel.

The only people for me are the mad ones, the ones who are mad to live, mad to talk, mad to be saved, desirous of everything at the same time, the ones who never yawn or say commonplace things that burn, burn, burn like fabulous roman candles exploding like spiders across the stars and in the middle you see the centerlight pop and everybody goes "AWWWWW!!!"

A short while back I first walked the halls of Massey. 5 years and many fond memories later, I'm too old for this place. Thanks to all my friends and teachers for making my time here an enlightening experience. You showed me the road to success. And to the class of 2K today is the best day of your lives. Tomorrow will be better. Come to the edge, he said. They said: we are afraid. Come to the edge, he said. They came. He pushed them and they flew.

# GRADE 12: SHAKE LIBERALLY

## TRY THIS:

1. First, pick the number of days a week that you would like to go out to dinner.
2. Multiply this number by 2.
3. Add 5.
4. Multiply it by 50.
5. If you have already had your birthday this year, add 1750. If not, add 1749.
6. Last step: Subtract the 4-digit year that you were born.

**Results:**  
You should have a 3 digit number. The first digit of this was your original number (the number of times a week you want to go out). The second 2 digits are your age!

## Fun While Driving...

- \*Vary your vehicle's speed inversely with the speed limit.
- \*Roll down your windows and blast talk radio. Attempt to headbang.
- \*At stop lights, eye the person in the next car suspiciously. With a look of love, lock your doors.
- \*Turn up the Chicken suit.
- \*Laugh a lot. A whole lot.
- \*Occasionally shove a stuffed animal/troll doll/Batbie out your window or sunroof. Feel free to make it dance.
- \*Wave at people often. If they wave back, offer an angry look and an obscene gesture.
- \*Ask people for Guy/Puupon (but ya didn't expect THAT one, eh?)
- \*Restart your car at every stop light.
- \*Hang numerous car-fresheners in the rear-view mirror. Talk to them, stroking them lovingly.
- \*Keep at least 5 cats in the car.
- \*Stop and collect roadkill.
- \*Stop and pray to roadkill.
- \*Throw liquor.
- \*Get in the fast lane and gradually...slow...down...to a stop. Then get out and watch the cars. Throw spanx at them.
- \*Have conversations, looking periodically at the passenger seat, when driving alone.
- \*Write the words "Help Me" on your back window in red paint. The more it looks like blood the better.
- \*Think frequently and without motivation.

**An Ongoing Question:**  
Why did the chicken cross the road?

**Captain James T. Kirk:**  
To boldly go where no chicken has gone before.

**Hippocrates:**  
Because of an excess of phlegm in its pancreas.

**Moses:**  
And God came down from the Heavens, and He said unto the chicken, "Thou shalt cross the road." And the chicken crossed the road, and there was much rejoicing.

**Darwin:**  
Chickens, over great periods of time, have been naturally selected in such a way that they are now genetically disposed to cross roads.

**Bill Gates:**  
I have just released the new Chicken Office 2000, which will not only cross roads but will lay eggs, file your important documents, and balance your checkbook.

## Principal's Message

Anyone who listens to the morning announcements or reads the bulletin board outside Counselling knows that Massey's daily life literally hums with frenetic activity. Student athletes create waves in a pool that is never a pond and the two gyms reverberate with thundering feet and passionate cries of our fans while the cafeteria is...well it just is.

Our passion extends to drive for achievement, to being the best and doing the best from Reach For The Top, to Moliere, our Orchestra, Math competitions, the St. Donat experience, Basketball, Volleyball, and a host of other educational venues.

This yearbook is your book of memories, capturing all those moments that were vibrant and passionate, uplifting and sometimes devastating. Our thanks to Mr. Powers and all the Yearbook Staff especially, Stephanie Smith and Ann Leung for their steadfastness and devotion to detail. A special mention to Emily Dowell and our two rookie sub-editors, Alex Telka and Julie Caron, the future is in good hands!

## Vice Principal's Message

1999-2000 has been an extraordinary year. Massey students have once again distinguished themselves academically, athletically, and with a tremendous sense of community pride and involvement.

Grade 9 students entering Massey in 1999 have been faced with new curriculum and will be graduating in four years along with the Grade 10 students who graduate in five years (the double cohort year). The class of 2003 will indeed be a very special class.

When I get an opportunity to sit in on classes, I continue to be impressed with the ability and creativity students show in all of their subjects. The depth and the breadth of the programs offered at this high school certainly allows the opportunity for students to express themselves.

To the graduates of 2000, use the lessons that you have learned to realize a career rich in experiences and opportunity. Make sure not to lose touch with all of the friendships that you have developed through your years at high school.

In some schools, the principal and vice principal are authority figures the average student never meets face to face. In Massey however, Mr Mercer and Mr Eberwine can be seen happily associating with

the students

and staff.

They are there to point out the way,

do the thinking for us,

and plan ahead for the future.

But when the time comes, they are not opposed to laying down the law.

We must remember to thank these leaders of our school, because without their constant vigilance...

Massey would not be possible.

To go or not to go..... that was the question Massy students were faced with this past fall. Go to the Stratford Festival and see two Shakespearean masterpieces or not. For many it was not a hard choice. So on a crisp morning they loaded up on four buses and headed down the 401. They pulled up to the Avon Theater and were entertained by master thespians in a stirring performance of *The Tempest* and a hilarious rendition of *A Midsummer's Night Dream*. All the teachers and even the performers were impressed by the Mustang's behaviour and everyone hopes for an encore in 2000.

#### What I Really Learnt

I learnt to cry, to smile, to laugh,  
To touch, to see, to smell.  
I learnt to trust, to reach, to hope,  
To watch, to wait, to tell.

I learnt to hate, to fight, to hurt,  
To read, to write, to know.  
I learnt to search, to perceive, to dream,  
To come, to stay, to go.

I learnt to learn, to live, to dare,  
To win, to lose, to lie.  
I learnt to love, to share, to grow,  
But most of all to try.

## Remember

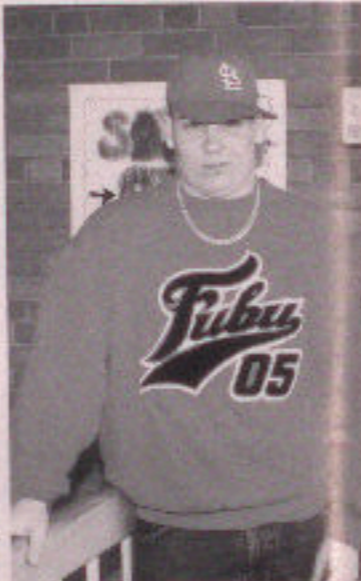

Remember me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by the  
hand,  
Nor I half turn to go yet turning stay.  
Remember me when no more day by day  
You tell me of our future that you planned;  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.

# WRESTLING

Steve O. and Ian C.

Coach Prime keeps scores

This was the first year since 1996 that Massey was able to have a wrestling team, and they couldn't have asked for a better year. Two standouts on the team Jeff Hanson (missing from photo) Placing 2nd at W.E.C.S.A and Kelly Wall placing 1st. This team is aforse to be reckoned with. The whole team had a great year including Massey's first female wrestler Lorna Price. The team would like to thank Coach Prime for all his hardwork.

# JUNIOR BOYS VOLLEYBALL

The Junior Boys Volleyball Team had a really fun year together despite missing the final playoff spot in a close game. There were many ups and downs, one being the loss of Bachar Elsaadi, an excellent player who moved out of Windsor. Shaun Hughes recovered from an injury during the middle of the season which kept the team going on strong. The team is very optimistic towards next season having lost only two of their players to the senior team. Watch out for next year's dominating team, and great season boys! Special thanks go out to Coach Derek Shroeder and Teacher Sponsor Ms. Wheatley.

# SENIOR BOYS VOLLEYBALL

Regular season-29-10  
Tournaments-15-6  
Playoffs-4-3

With a team full of rookies, this year was considered a rebuilding year, but the athletic ability overwhelmed our competitors. With only 3 seniors-Steve, Brendan and Mark-we should be ready to contend for the championship next season. Steve and Manes ruled the middle of the court all season and captains Dave and Brad stacked the right side. Congratulations to Dave and Brad for being voted to first team all city. Good luck to the graduating players. The team would like to thank the fans for their constant support and rowdiness all season long. With some quality juniors coming up and Dave, Brad and James set to dominate, the stangs should do very well next season. We would also like to thank Mr. White and Dex for their Coaching help.

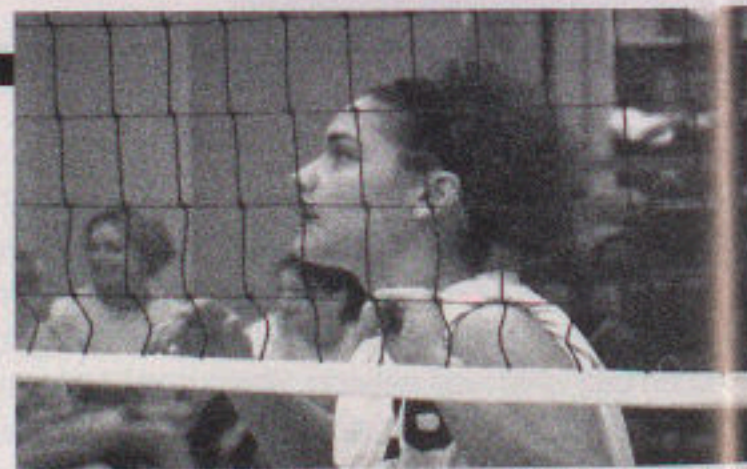

# Junior Girls Volleyball

**Back row:** Jen Allison, Dominique Jackson, Chelsea Gardner  
**Middle row:** Mrs. Bourdeau, Robynn Bishop, Lauren Spooner, Danielle Woltz, Lauren Alexander  
**Front row:** Katie Verhulst, Monica Bate, Sarah Kennedy, Cassie Barber

This year's junior volleyball team had a wonderful group of girls. Although our season didn't turn out exactly the way we wanted, we enjoyed every minute of it. A special thanks goes out to Mrs. Bourdeau and Jon Riggs who put in so much time and effort teaching us to better ourselves. Thanks to all the fans who came out to cheer us on. Mrs. Bourdeau, thanks for pushing the idea of spandex shorts. Danielle

# Senior Girls Volleyball

**Back Row( from l to r):** Allison, Karen, Karen  
**Middle Row :** Jess, Jess, Niki  
**Front Row:** Sam, Shana

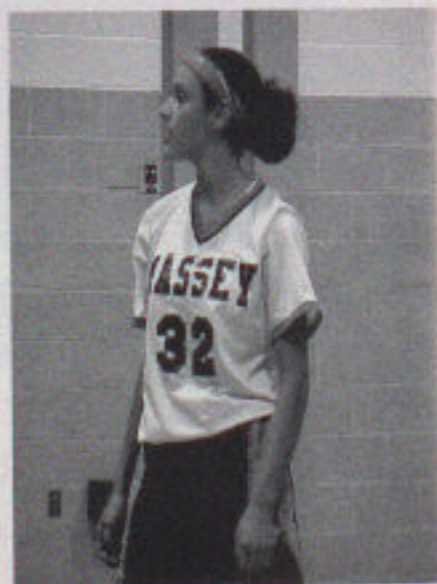

This season was a developing one for our team. Although we only won a disappointing 4 games, our skills and effort improved drastically over the course of the season. Led by co-captains Jess Saso and Jess Way, the team often showed tremendous power but was held back by lack of experience. All of our players displayed strength on offence and agility on defence. We wish to congratulate Linh, upon graduation, and we all look forward to a much improved season next year.

# JUNIOR GIRLS BASKETBALL

**Junior Girls Basketball**  
The junior girls basketball team had a successful year making an honourable run for the city playoffs. With Coach Necker's instruction and the girls will to give it their all, a great season was achieved. Way to go Stangs!!

Back row: Jen Fields, Julie Cornwall, Karen Jacquart  
Middle row: Rachel Burns, Niki Chartrand, Melissa Hewitt, Melissa Galamb  
Front row: Ashley Little (scorer), Stacey Lealess, Kelly Smith, Jess McCullough, Shana Macdonald and Coach, Mr. Basinski

## Senior Girls Basketball

The senior girls kicked off the year enthusiastically with a roster composed of nine rookies led by two returning OAC's, Julie Cornwall and Jen Fields. The leadership of the seniors combined with the fresh talent of the grade elevens were an explosive duo, yet not quite strong enough to fight off the best in the city. We are looking forward to fulfilling our potential in the near future.

Props goes out to Melissa Hewitt who was selected among the top players in Windsor to participate in this year's All Star game. The team also thanks Baz who coached his final year in highschool hoops.

### Junior Boys Basketball

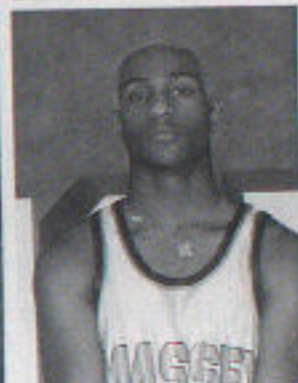

The Junior Boys were amongst the best in the city this year. They proudly wore the mustang jersey into the playoffs and made it to the semi-finals before they ended their run.

The team, headed mostly by rookies, illuminated potential, and will undoubtedly lead the Stangs to a championship game in the near future. Thanks goes out to Mr. Neckers, their coach. Congrats on a job well done!!

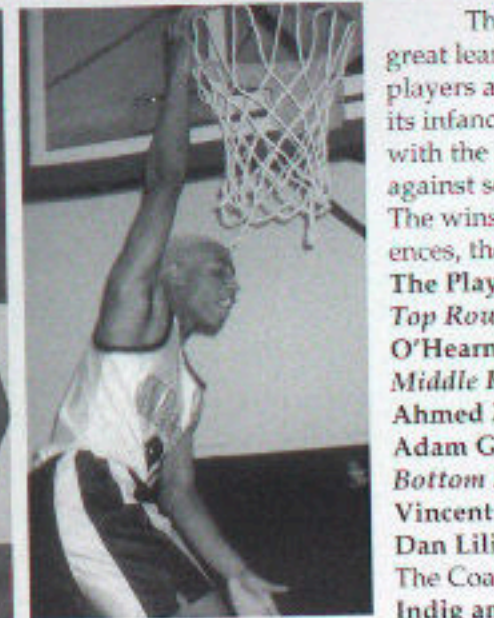

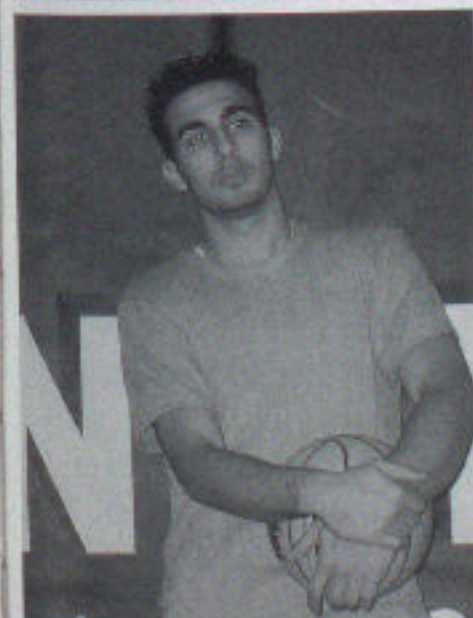

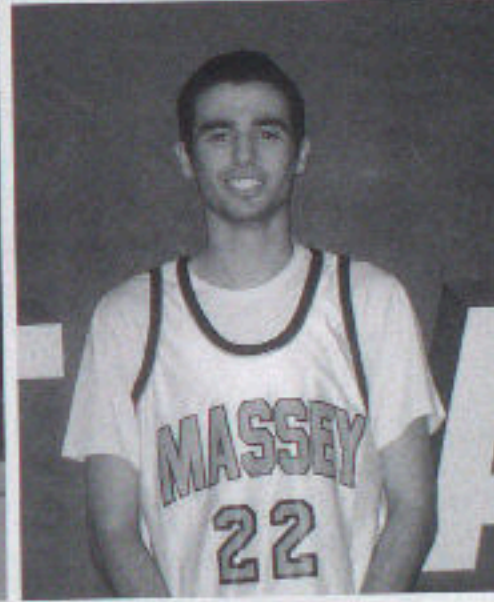

**WAY TO GO STANGS!!!**

# Sr. Boys Basketball

Captains: Thomas Whitfield and Dan Liliac

The 1999-2000 season was a great learning experience for all the players and coaches. As a team, in its infancy, Massey Sr. Boys played with the legendary Massey spirit against seasoned league players. The wins, the losses, the experiences, the future...

### The Players:

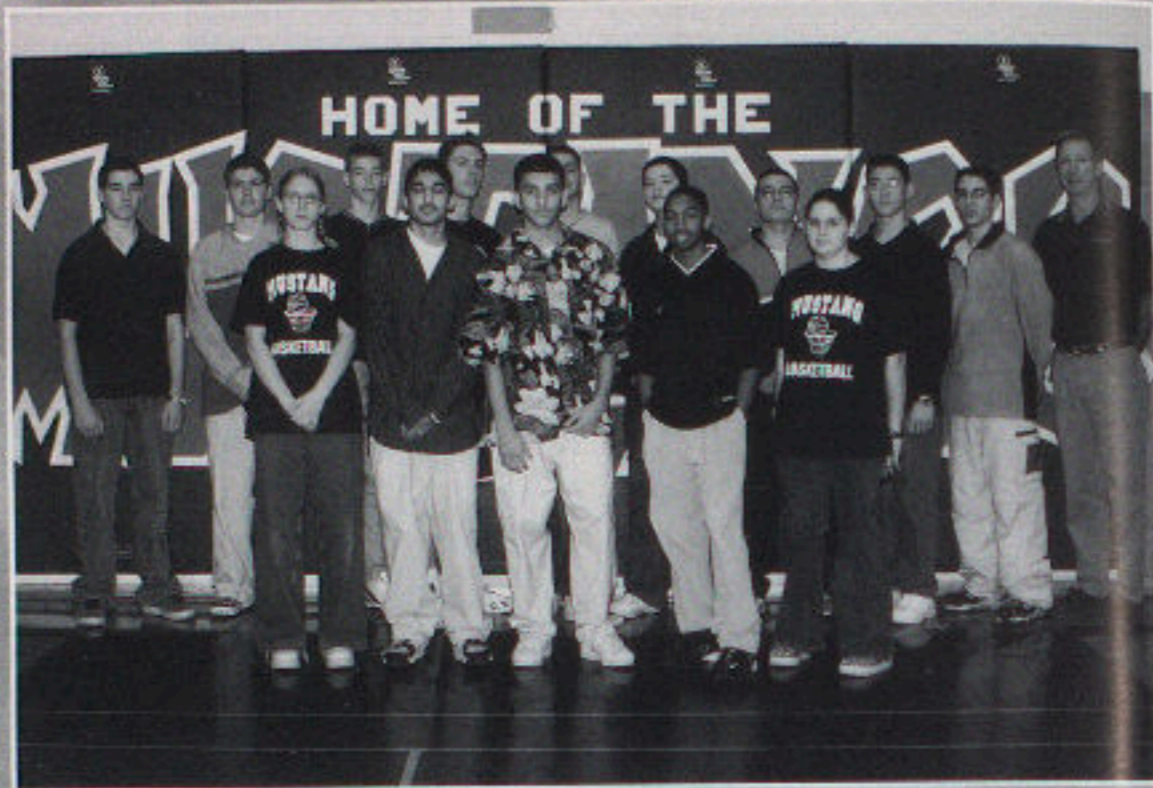

**Top Row** - Abdullah Elsayed, Sean O'Hearn, James Smyth  
**Middle Row** - Matt Clinansmith, Ahmed Zumani, Gordon Gavric, Adam Green

**Bottom Row** - Sami Chehade, Vincent Lozon, Thomas Whitfield, Dan Liliac

The Freshman had an overall record this season of 18 wins and 11 losses. Our overall tournament record was an impressive 7 and 4 this year. In league play, our record was 5 and 5, which placed us in 5th place. Although we were competitive in every game, we lost a number of close games. Unfortunately we lost in our first playoff game. We all had great fun this season!

The newest addition to Massey's sport scene is Girls' football. There was a great interest shown despite the fact that there wasn't much of a season. With the help of coach, Miss Dagg and members of the Boys' Football team acting as assistant coaches, the girls are becoming excellent football players. Overall we've had a very interesting season and hopefully next year we will actually play a game.

Assistant coaches: Dan, Adam, John, and Brian

# Girls Football

# Senior Football

This year's team displayed a great deal of exuberance and determination. They qualified for the playoffs with a 3 and 3 record. After defeating Brennan in the quarter finals, they gave Herman, the eventual city champs their hardest game of the year. With continued commitment and hard work these individuals should develop into fine senior players. The team would like to take this opportunity to thank everyone for their loyal support.

# SENIOR BOYS

Despite an excellent effort, our Senior football team was not as successful as we would have liked. Our record for the season was 2-4-0. Congratulations to our all-city players Jeff Pocock, Zach Willick, and Thomas Whitfield. Thanks to our coaches, Mr. Thomson, Ms. Dagg, and Mr. Braithewaite, and our manager Tom Averill. Good luck to our graduating players and the rest of the team for a successful season next year.

Senior Boys Soccer  
The senior boys team had improved greatly on their record from prior seasons. The team was made up of a strong core of senior players complimented by potential star juniors. The team proved to be worthy opponents for the opposition. The team thanks coaches, Mr. Adams, Mr. Ocalison and Mr. Lutz, they also wish senior players the best in the future.

# JUNIOR GIRLS SOCCER

## Junior Girls Soccer

The junior girls soccer team had an awesome season. The team was lead by a few of last year's seniors complimented by the grade nine rookies. The team would like to thank Mr. and Mrs. Caldwell, along with Miss Todd, for being great, and dedicated coaches. The girls had a lot of fun, and looks forward to seeing some more spectators out there next season.

Massey tennis has had a very successful season this year. At WECSSAA Massey put out a good fight and five people ended up going further to SWOSSAA. These people were Karl Blass from the Men's Singles, Talya Natyshak, who finished second overall, and Tricia Timis, who finished fifth overall, both from the women's singles. Jeff Hanson and Rachel Kamen from mixed doubles also moved on.

Unfortunately at SWOSSAA, after Massey put on a good fight, but lost early in their matches. Overall a big congratulations is owed to Talya Natyshak who went on to participate in OFSSAA.

This year's badminton team had an extremely successful year. The introduction of "Bulldog" Meloche as the head coach of the team has allowed the badminton program at Massey to elevate to a new level. The varsity badminton program now carries the potential to be a powerhouse amongst the WECSA competition. Perhaps the most successful team members this year were Landon and Feng, AKA the Dukes of Gazard. They stormed through WSSA, winning the gold medal with ease.

The Massey swim team had another successful and exciting season. Once again the team consisted of dedicated, hard working and spirited athletes with a lot of talent. The much anticipated WECSAA was held February 16. On this day the team's colours really shone. With amazing performances by everyone, especially by the seven who made it to finals. The team showed that they were not "just another team", but a team to be recognised by all schools. Congratulations go out to all those who qualified for OFSAA in St. Catherines including: Kim Parnell, Sara Kenno, Jen Dudok, Liz Rostas, Heather Leenaars, Vicky Simanovski, Lindsay Pearce, Kelley Trudell, Samantha Hope, and Katie Cocchio. Special thanks to our coach Jen Lachine - without her dedication and time the team would not have been so successful. Also thanks to Mme. # CROSS COUNTRY

After an unfortunate year away from the sport, Massey Cross Country runners returned with high spirits and a strong determination. Although our team was small, everyone worked very hard and we show great promise for a team championship in the near future. As graduating students, Shawn Mohan, Dwight Tomalty, Charlene Wong, and Ruth Krey cared for and inspired the younger members of our team, they will leave knowing that they have successfully passed on the pride and tradition of Massey Cross Country running. As for our accomplishments, they were few but huge in comparison. Our best team performance came from the midget girls. Individually, Craig Coccio and Dwight Tomalty finished 5th at SWCOSA. Unfortunately for Craig, this was one place short of a birth to the provincial championships where we know he would have finished in the top 30. As for Dwight, his 5th place performance was all he needed to represent Massey at the OPSAA championships. Sincere thanks to Mr. Ocolisan for all his time and expertise he provided to our team this year.

This has to be the new millennium, because things around Massey were really strange this year. No strikes? No work-to-rule? Teams have full seasons? Clubs have sponsor teachers? Can this be true? Yes, for the first time in a while Massey has finally had a complete school year, and we enjoyed it. Starting off with "welcoming" our grade 9's with the annual conference and Grade 9 Welcome Week, Massey life has continued to improve as the year progressed. Semi-formal had record ticket sales, and the hypnotist show was fantastic. The annual Beach Dance was a hit as usual, and the Fashion Show will be remembered for years to come.

This Year's Student Council knows how to strike a pose!!

Of course, these events don't just happen overnight (although some did), these activities took long hours of preparation and organization, and the final products were a success. I thank Mrs. Beneteau, Mr. Mercer, Mr. Eberwein and all staff for supporting us and making these events happen. A very special thank-you to all 29 other Student Council members who endured marathon meetings to come together to make this year one of the best in my high school career. The memories made will stay with me for a lifetime... Did you want to play the "What if...." Game?

I could be like Prime Ministers in the past and encourage you, the student body, to get involved. But I won't. Students at Massey are already involved in so much, and that is why Massey is one of the best places to be. What I will say is that although we are all busy with school, sports, activities, work, dating, basketweaving or whatever, we must take the time to enjoy ourselves. "Life is fast, if you don't stop and take a look around, you might miss it" (if you know who said that quote, find Brendon Hawkeswood to receive your prize!)

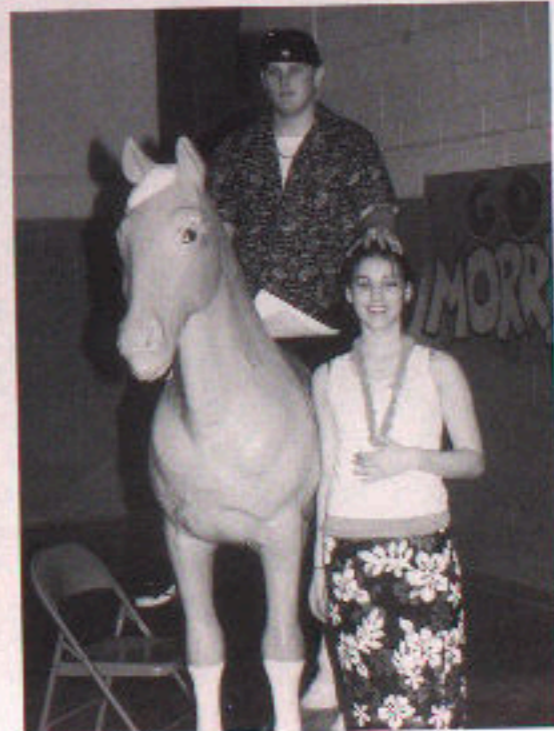

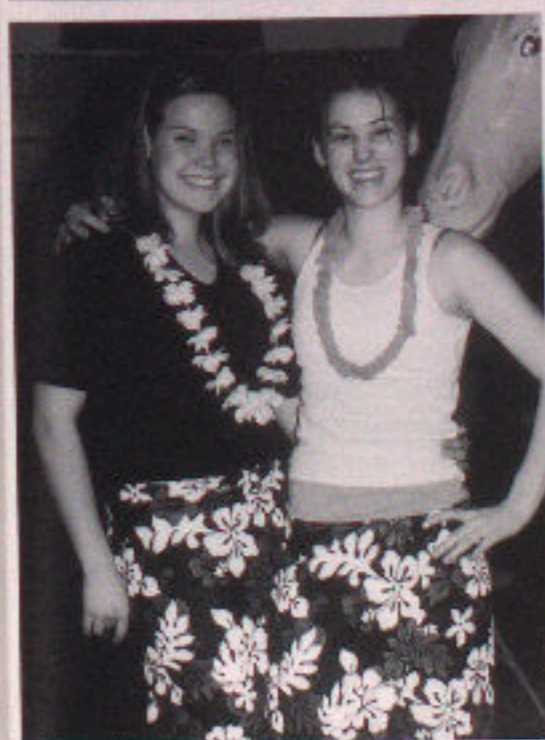

So as I conclude my message, I would like to thank Massey for making this year one of the best in a long time. Be sure to make this time in your life the most enjoyable time of your life so far. "Don't follow the path others have gone before. Go where no one has gone and leave your own trail."

Good Job Student Council! Hope to see you all in the future!

# ATHLETIC COUNCIL

This year's Athletic Council focussed on raising our school spirit. They organized several noisy, enthusiastic pep assemblies. Trevor Dinham, the president, and Jenny Fields, led the group, and Kelly Smith mc'd the events. Thanks for all the candy, Kelly.

Their final event of the year was the Athletic Awards Banquet.

# Reach for The Top this wasn't in the brochure

"Anyone can memorize things, but the important thing is to understand it. Lucky Numbers 6, 7, 19, 24, 26, 29" -- Ancient fortune cookie proverb.

The 1999-2000 Reach for the Top team saw many initial changes, the most apparent being the absence of quiz sensation Andrew Dowell, and the addition of not one but three rookie players: Michael Wheeler, David Dudok, and William Szabo-Verzoe, and the Reach for the Top coaching debut of Mr. Levack. Throughout the course of the season, the team experienced a number of dizzying highs and just a few lows.

The 1999-2000 Reach for the Top team was led by four year veteran Aaron "Captain Ron" Brown and saw the return of three-year veterans: Shawn "Ca\$h Money" Malholtra, Aida "Tigerlily" Shehszsi, and Jeremy "Asuka Rei" Low, and two year veteran Emily Dowell. With knowledge gathered from almanacs, encyclopaedias, websites, Uncle John's Bathroom Readers, Seinfeld and comic books, the team charged into a battle of intelligences that make Jeopardy! look about as difficult as taking over France.

Answering the call above and beyond, the team reached a number of pinnacles, with two standing out as apaxes. The first occurred early on in the season and for some inexplicable reason was being touted as a preview to the result of the regular season. Given the team's excellent performance in the tournament last year, their sophomore appearance in the Quest tournament (Televised on Cable 11) had Massey as a favourite to make it to the finals. The right cards came up and Massey's entry in the Quest tournament defeated Holy Names in the finals to take the trophy.

While the Quest tournament was a high point on the itinerary, the regular season play was first and foremost on the minds of the team.

After finishing the regular season with a 15-3 record, Massey was seeded second overall in the city for the playoffs. The team's veteran experience prevailed over a very tough Kennedy team in the semi-finals and set the team up for a showdown against Holy Names. Not wanting to repeat last year's result, when Massey defeated St. Joseph's in the city finals (St. Joseph's beat Massey in the Quest finals that year), Massey recognised two previously used question packs and after finally settling on an older pack, defeated Holy Names in two games to win the City Championship.

Definite commendations to all the members of the team, who gave it their all during an amazing season that was filled with confusion, suspense, tension, and hilarity. And a "zebo" thank-you to Mr. Levack, for putting up with the barbarism of eight people shouting out answers at practice before the refinement that comes with a brand new buzzer system, letting the team use his room for practice, and for taking responsibility for the team at the provincial tournament in Kingston.

# Good Morning Massey.....

Good morning Massey and here are today's announcements. First off guys, we are sorry that the announcement crew was so bad. We wanted to wake you guys up with laughter, but due to certain circumstances we were restricted to delivering the news in a more sedate manner. But hey, let's get some shout outs in. Thanks to the math department for making us read all the names with more than four x's. This means you Xixaxonxyx. Thank you teachers for dating your announcements, thanks for the plentiful UCCP announcements, they were swell. When we weren't delivering current issues and headline news we sat in class grinding out teeth to the over energetic voices of crew 2. But at least they had the amusement of Jimmy V. with his dead on Rock impressions. It really made my day. But on a serious note, thanks to Mrs. Nelson-Szpak for keeping us in line, it was a real pleasure. We are going miss Vicky and Julie, they brightened up our mornings. Now from the brains of Vicky and Julie: Although it was sometimes painful, we enjoyed being on the announcement crew. It has been a pleasurable experience working with Janak and Scott and we are going to miss their crazy antics. Also we would like to wish a great big happy birthday to all those people who didn't get their birthday's read over the announcements this year.

# WORLD AFFAIRS CLUB

The 1999-2000 World Affairs Club had an extremely successful year. Our Thursday lunch hour meetings yielded many exciting discussions, and we accomplished several major projects. In September, we chose to focus our attention on East Timor's struggle for independence. Our group launched a fundraising campaign, and thanks to Massey's students' generosity, we were able to send a check for over \$400 directly to East Timor, which was doubled by the CIDA. We invited local East Timor experts, Sarah Atkinson and Shawn Hupkato to Massey, and enjoyed their fascinating presentation and first hand information.

Our next project was volunteering at the Ten Thousand Vilages sale at Glenwood United Church. During this event, all sorts of beautiful products from third world countries are sold. With the World Affairs Club's help, the sale raised \$17,000 dollars for the world's poorest countries.

In March, we began a long term project. We sponsored a child through Foster Parents Plan. He's an eleven year old boy, from Niger, named Himadou. We have been sending him letters and gifts, and we are anxiously waiting to receive our first letter from him. We hope that future generations of World Affairs Club members will continue to support Himadou for many more years.

We continued our yearly tradition of the 30 Hour Famine, a fundraiser for World Vision Canada. Once again, we ended our thirty hours without food with a delicious potluck picnic. Many thanks to all who participated, and also to those who pledged the faminers. We raised a significant amount of money for World Vision, who will use it for various projects all around the world.

We would like to thank Mrs. Caldwell, our sponsor teacher, for the many hours of time, support, and expertise she donated. Thank you to all our members who came to our meetings and "Helped to Save the World!!"

The Friends of Oakwood Bush is a group born out of our fight five years ago to stop development of our local natural area. Our efforts were successful and the city voted to purchase the land and create a natural park. Our group composed of Massey students and area residents was formed to help purchase and preserve the park. As well, we help out other environmental groups and causes.

This year we had several fund raisers such as a fashion show and bowl-a-thon. We participated at Earth Day activities. The Friends has also helped form the Turkey Creek Enhancement Group. This group planned a massive clean-up of Grand Maris and Turkey Creek that took place on Saturday, June 17th.

The Friends of Oakwood Bush was given an environmental award by ERCA in January for their efforts.

Everyone wants to be on the assembly crew. Could it be because you can get excused from class a lot? Or is it because you get to control the music? Whatever the reason, I do appreciate the volunteers who make our school assemblies run smoothly. Thanks also to Mrs. Nelson-Szpak for her efforts in keeping the choas ordered.

Thanx, Powers.

The art club this and every year, provided the oppourtunity for any massey student who has a curiosity or passion for visual art, to explore it on an informal and individual level. Sometimes the team work approach was also utilized to have created more involved work to hopefully, fulfill a special mandate set by the club.

At any rater, the purpose of this club was to explore "Art for art-sake" first; to create aesthetic awareness and satisfy the need we all had, and still have, for beauty in our lives.

The Art Club met about twice a week, usually during lunch, to work on art bot individually and as a group. And for future reference: All sincer souls are welcome to join.

With an elected executive board and a strong membership, Interact's goals are to make a difference both locally and internationally. Activities this year have included volunteering for the Cancer Society, raising money for underprivileged third world countries, and participating in this year's Celebrity Sports Night dinner. In addition, some members have attended conferences where their leadership skills were cultivated, enabling them to build on Interact's growing foundation. We look forward to many new members in years to come.

When I first started out in teaching, I made a promise to myself -- I'd keep on teaching until I wasn't having anymore fun or until I reached retirement age. Well, I'm still having fun, but time has marched on! These last few years at Massey have been the most enjoyable of my entire career. My heartfelt thanks to our administration, staff, and above all, our students who have made this possible. May you always assert your individuality and follow your dreams. Remember--Mustangs are forever free!

## Look Who's Retiring...Fond Farewells

Can you imagine thirty-two years surrounded by hormone imbalanced teenagers? Most of my career has been spent in the math classroom. The recent change to guidance has provided me with the opportunity to impact students' lives in assisting them through difficult decision making.

Teaching has been a most rewarding career choice. I continue to experience, each day, the refreshing energetic exuberance of young minds and stand in awe of the creative strategies employed by teacher colleagues, coaches and friends attempting to channel this *espru de vivre* into meaningful academic and athletic successes. I am indeed fortunate to be able to say without reservation that I LOVE WHAT I DO!

# Concert Band and Orchestra

With the majority of the band being in grade nine, the band had an awesome year. After long hours of planning and begging for money, the band headed off for New York City. The ten hour bus ride almost killed a few of us, but once we arrived at our destination, we found out it was all worth it. It was a wonderful experience with memories that will last us a lifetime. We all met many new people, saw a Broadway show and travelled to the top of the Statue of Liberty. We only "lost" Mr. D'Amico a couple of times. Thanks Mr. D'Amico for a wonderful year.

The Massey Orchestra continues to be a source of pride for both our school and the community. Many musicians take part in both band and orchestra, showing great dedication. A new sight to see was Mr. Gregory lending a hand. Thanks to Mr. D'Amico for making it all possible.

# MATH CONTESTS: FERMAT, CAYLEY, PASCAL

## PASCAL

This year, for a second time, a Windsor school finished in the top ten in Canada, as Massey was 6th in Canada and 3rd in Ontario. This is the best finish ever for a Windsor school. The team was led by Yifei Wang who was 14th in Canada, the best ever in our region, 9th in ON, and 1st in both SWOSSA and WSSA. Aaron Ruimy was 37th in ON, 80th in Canada, and 2nd in both SWOSSA and WSSA. Robert Biswas was 48th in ON, 91st in Canada, and 3rd in both SWOSSA and WSSA. Valerie Cheung was 4th in both SWOSSA and WSSA. Twenty four Massey students were in the top 25% in Canada. Five Massey students scored in the top 29 students in the 18 year history of grade 9 competition in Windsor.

## CAYLEY

This team continued its spectacular results. 27 students were in the top 25% in Canada as the team came in 4th in Canada, 2nd in ON, and 1st in both SWOSSA and WSSA. They were led by Xiaoxuan Jin, who came in 13th in Canada, 7th in ON, 2nd in ON west and SWOSSA, and 1st in WSSA. Feng Tian and Pawel Kosicki tied for 48th in Canada, 19th in ON, 3rd in ON West and SWOSSA and 2nd in WSSA.
