Principal's Message

I am extremely proud of your involvement, commitment and achievements this school year. Challenged by traditions of the past, you have responded with high academic performance, strong club activities and continued high ranking in inter-school competition. The strong leadership of the Student Parliament serves as a guide for all.

On everyone's behalf, I offer our thanks to our yearbook staff for capturing the highlights of the year so well in this volume. Continued success to all.

V.F. Motruk

Vice-Principal's Message

Congratulations to the staff and students of Vincent Massey on another outstanding year, both in the classroom and in all facets of our extra-curricular activities. Students at our school have a superb opportunity to excel in the classroom — which they do with over \$250,000 in scholarships won last year — and to learn and grow in all other aspects of school life. This blend makes Vincent Massey an exciting and rewarding school to attend.

A personal note of thanks to the Massey staff and students who have given me a warm welcome to my new school.

Congratulations to the yearbook staff, especially the editors Tina Zimmerman and Kelly Greenfield, and the staff advisors Mr. Nanson, Ms. Laing and Mr. Lefaive for once again upholding the Vincent Massey Commitment to Excellence in this edition of Pegasus. You have provided a fine chronology of this year's events, activities, people and characters which will serve as a source of memories for many years to come.

Message From The Prime Minister

Mossey Staff and Students.
The Student Council had its work cut out from the beginning of this year, in order to get things back to normal. I feel that the foundation was laid to guarantee success for future student councils.
One of our main goals was to

unite all the factions within the school. Although hampered by certain elements, progress was made. I have learned that a lot of work is done, behind the scenes and output is not necessarily indicative of the effort.
My thanks is extended to Stacey

Lenisa, Vince Ho, Scott Fleming and Wendy Potomski, without whom this year would surely have been a disaster. I'm sure that these people will continue on to successful futures, futures reserved for the students of Vincent Massey.
Darcy Brockbank

On January 19th, 44 Massey French students in grades 11, 12 and 13 set off on the annual 5-day French Immersion Programme offered in St. Donat, Quebec, a little town nestled in the heart of the Laurentian mountains.

Students enjoyed winter sports activities including a winter "Carnival", snowshoeing, cross-country skiing and alpine skiing. Excellent (and mandatory) instruction was provided, as usual for all skiers at all levels, from beginners to advanced. Massey Mustangs Colleen Smith won a bronze medal in the beginner's slalom race! "Felicitions!" to Colleen and to those who participated in the races which culminated our course of ski instruction.

The indoor activities consisted of classes on the flora and fauna of the region, as well as local history and geography. In the evening, the quebecois "moniteurs" and "animateurs" organized nightly dances, skits and a "soiree folklorique."

In 1989 Programme will again take place in January. "On s'est bien amuse! A la prochaine!"

Chosen for their leadership qualities and the variety of their ethnic backgrounds, members of this group participated in many activities this year.

In late September, 5 members attended a 5 day Student Leadership Camp at Couchiching. There we participated in activities designed to develop our leadership skills and to teach us to appreciate our cultural origins.

In mid-November, 9 members attended a full day seminar at the Holiday Inn. Here, we took part in a discussion, organized by the Lambton and Essex county police forces on relations between racial and ethnic communities in the two countries.

In January and February, we acted as facilitators at 2 day multicultural courses at Bellwood. Here, we had the opportunity to translate our experiences as leaders to specially chosen students from elementary and high schools throughout the city. Altogether, our debut season has been a success, the group hopes to continue and make more of an impact on the school and community next year.

Inter-School Christian Fellowship is an inter-denominational Christian group here at Vincent Massey, that meets every Tuesday during lunch period. Every week the group has an activity planned. It may be a video, a guest speaker, an activity led by one of the members including games and other fun activities. There are I.S.C.F. groups in the other high-schools, and we get together with them 3 or 4 times a year for a fun time.

Our goals as a group are: to encourage others to consider Jesus as a friend who wants to help them with the things that cause the pain, to spend time with others with common beliefs, and to strengthen and nurture God's presence in our own lives and the life of the school.

CHESS TEAM

Stuart Rorissos, Andrew Strabelsky, Richard Lehmann, Robert Dienesch, Mr. Cats -- INSTRUCTOR. ABSENT: Bobby Sood, Anu Tull

The Vincent Massey Chess Club had a poor start this year, due to no teacher sponsor. Some of the diehards have remained and chess action has continued in Room 163 every lunch hour. There seems to be a keen interest in chess at Massey, therefore it is hoped Massey will once again form a team to challenge other Windsor High Schools. My personal observation is one that Massey has a wealth of talent just waiting to be tapped into in this area. So come on back boys, Anu Tull, Bobby Sood, Joe Francis, and Peter, next year the Stangs will romp the range.

WORLD AFFAIRS GROUP

The premiere year of the World Affairs Group has been a smashing success! (Many thanks to Mr. Koppeser for putting up with us). Members of the group may differ in opinion but nevertheless share a common interest in local and global concerns. The group's purpose is to bring awareness of such concerns through guest speakers, debates, letter writing to politicians. This year's climatic event was our native students in Ahousat, British Columbia. May the group continue to prosper and grow with enthusiasm.

The players on this year's senior football team had the unique opportunity to repeat as Champions. The majority of the team were on the 1986 championship. The season record was 6-1, losing only to St. Anne's. After a first round bye, the team beat St. Anne's in the semi-final, setting up a championship game with Herman. After a very hard fought battle, Massey came out on top, 12-4.

In both years, before each game, we had a short phrase that carried us a long way, and that was: "WE HAVE 48 MINUTES OF FOOTBALL TO PLAY, AND A LIFETIME TO REMEMBER IT." This team does have a lifetime of memories, and the coaching staff would like to congratulate each and every one of them. TWO IN A ROW, AND HEADING FOR THREE IN 1988.

SENIOR BOYS' VOLLEYBALL

Steve Diakowsky was recognized for his outstanding play by being named athlete of the week for WSSA, unanimous first string all city volleyball and Most Valuable Player for WSSA Senior Boys Volleyball League for 1987.

This year the team had to adjust to a new coach and had many new players. They had some early success but then went through a very tough time and they had to win their last three league games to qualify for playoffs. Co-Captain Craig Lohnes supplied experience, good skills and a team spirit to help the team make the playoffs and was recognized as a second team all city player. All the young men worked very hard and without a doubt Steve Diakowsky led the team with intense play. The team beat Herman for the last playoff spot and then upset Kennedy in the quarter finals three games to none. They were playing equal to Riverside when Steve broke his foot and the team could not overcome both his loss and that of Doug Abbott. The team will have more experience next year with leadership coming from Darin Pereson, David Coulter, Doug Abbott, Chris Buckborough and Scott Griffin.

Front Row, Darin Peterson, Jason Banks, Chris Buckborough, Scott Mcbeth, Steve Diakowsky, Doug Abbott. Back Row, Craig Lohnes, Rob Kocela, Paul Bobble, Scott Griffin, Chris Suska, Dave Coulter, Darren Soanes, Peter Francis, Mr. White.

SENIOR GIRLS' VOLLEYBALL

Front Row, Lisa Hortlieb, Cheri-Lynn Lawler, Marlon Diakowsky, Stacey Lenisa, Aimee Russell. Back Row, Wendy Potomski, Kim Farris, Dianne Oberemok, Jen Wardell, Wendy Nelson.

The team had a mix of good experienced players and many young talented athletes. Mix that with a new system and a new coach and confu-

sion reigned. The players improved as a group and eventually won their last three games to make the playoffs in a tie with Lowe and Forster. They beat Lowe in their most competitive game coming from behind after losing the first game 15-7 and being behind 10-0 in the second. Massey won 15-12 in the 2nd and 15-9 in the third. We then lost in quarter finals to Brennan 17-15, 15-5 and 16-14 and Brennan went on to finish 3rd in Ontario. Stacey Lenisa led the team with both skill and intensity and was named to 2nd team all-city. Lisa Hortlieb, Aimee Russell, Wendy Nelson and Dianne Oberemok finished fine careers. Many good young players give Massey a bright future besides Stacey. Wendy Potomski, Cheri-Lynn Lawler, Marlon Diakowsky, Kim Farris and Jennifer Wardell are returning.

At the completion of the regular season we had a record of six wins and two loses (by a total of nine points) and could have easily been undefeated. In the playoffs we defeated Assumption and then lost to Herman by a point in the semi-finals. Although our record was satisfying, most of the team and myself felt we never reached our potential. Amy-Beth Holmes was selected to Second team all city, Marion Diakowsky to Third team and both Coleen Nietzel and Susan Turner were Honorable Mention.
