ADMINISTRATION

2009-2010

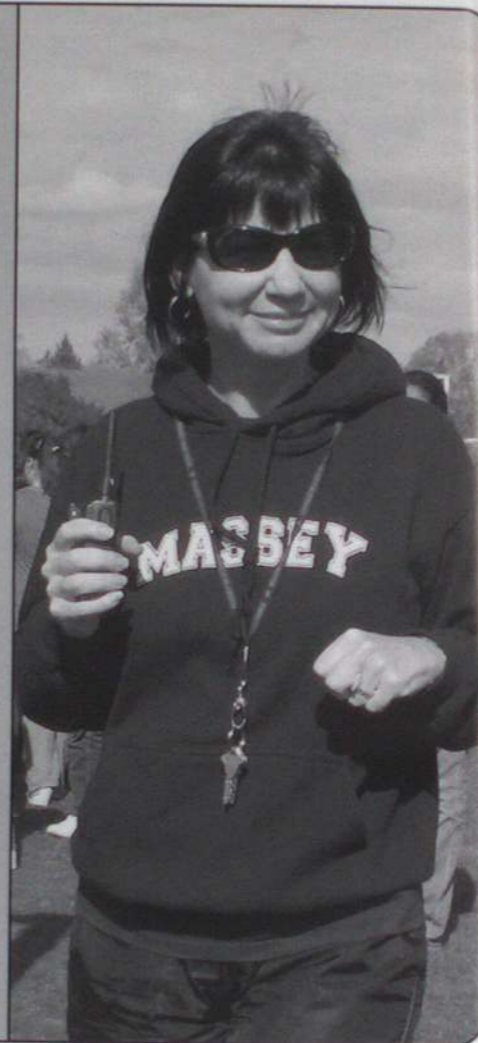

Principal: Mrs. Nantais

In 1960, Massey's first Principal, Mr. Robert Bass (1960-1962), wrote to the students in the inaugural edition of "Pegasus", "Each of you has a part to play in the future greatness of Vincent Massey Collegiate Institute. Establish your goals with thoughtfulness and thoroughness - then pursue those goals with utmost zeal."

Fifty years later, the greatness of Massey is clearly evident in our students' commitment to academic excellence, athletic accomplishments and continuous contributions to our community.

To the Class of 2010, congratulations on achieving your diploma signifying your successful completion of high school. Four short years ago we began together at Massey, me as your Principal, and you as our newest Massey Mustangs. I have witnessed fresh Grade 9 faces transform into accomplished and impressive young adults. As I've watched you grow, I've learned the tremendous capacity of young people to create a better community. Congratulations on your scholarships, bursaries and awards totalling nearly \$1 million dollars.

Thank you to the Yearbook Committee and Mr. Trudell, Teacher Sponsor, for once again creating a keepsake that will evoke memories of our year at Massey. I'd also like to thank the parents, teachers, coaches and staff who inspire our students to pursue greatness.

Vice Principals: Mr. Berard, Ms. Salinitri, Ms. Burnett-Curry

Another year has passed, and once again, the students at Vincent Massey have lived up to the expectation of outstanding performance. It has been a sincere honour to witness individuals blossom into young adults and move towards becoming well-rounded citizens. Mustang sports dominated in nearly every field and our academic leaders proved once again that Massey is a perpetual source of unparalleled achievement. Mustangs, embrace the lessons you have learned, both joyful and painful, and move forward with the knowledge that your potential to be successful is limited only by your measure of determination.

Mr. Berard

Performances

Massey's Got Talent

Massey is a school filled with academic, artistic, and musical talent - and it's evident throughout all the performances that took place this year. From the symphonies played by our wind ensembles, rock and jazz blared by guitars at coffeehouses, and passionate songs bellowed out by our very own students - there is always one thing or another to feast your eyes and ears on at this school. We definitely "got" talent!

In Class

Here to Learn

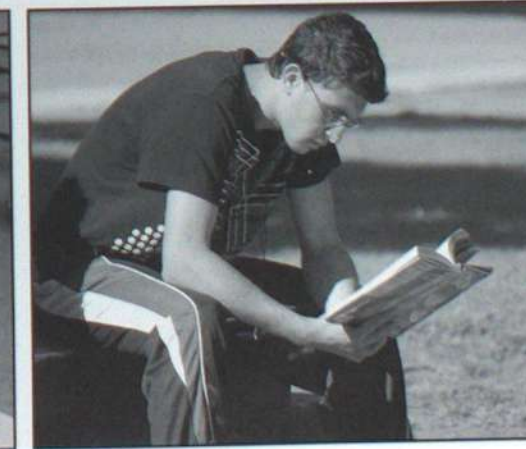

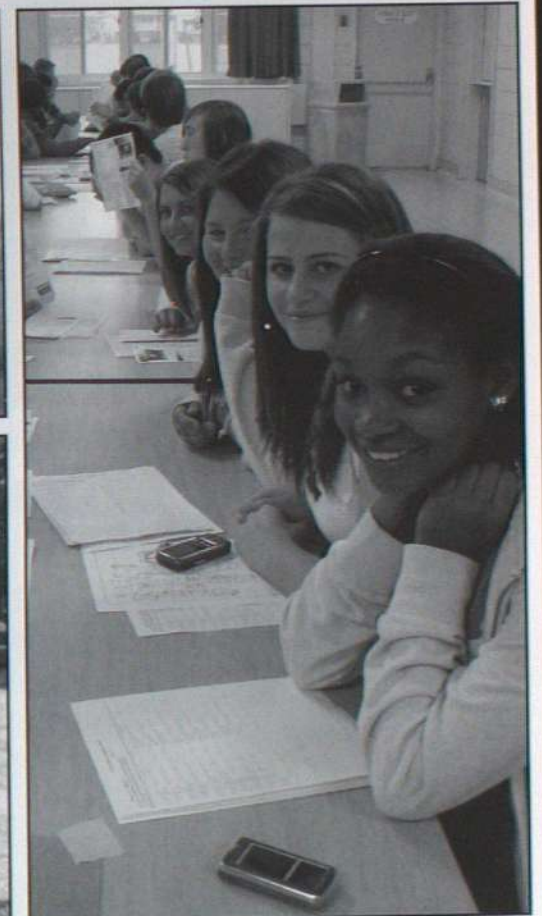

Class - this is where the majority of our time is spent at school. For eight periods a day, we cram our heads with mathematical formulas, chemical equations, grammatical structures, and foreign languages to expand our knowledge as greatly as possible.

Out of Class

Here to Have Fun

School is not all about learning. Learning is why we come every day, but our experiences outside of class are just as important. It is in these moments where friendships are formed and memories are made.

Terry Fox Run

A Single Dream. A World of Hope.

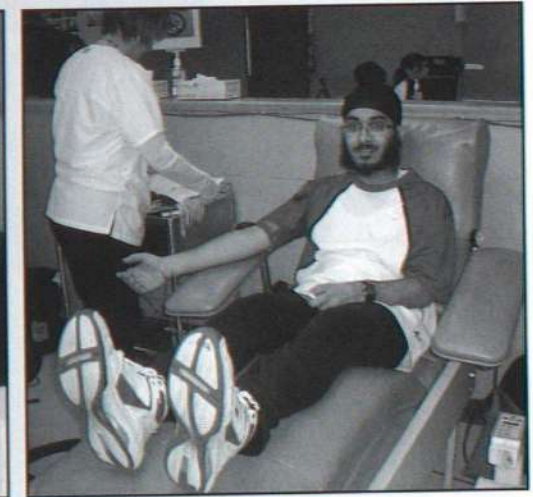

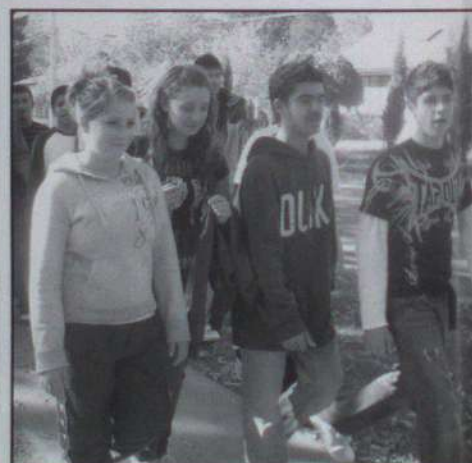

Every fall, students across Canada and here at Massey, raise money and awareness for cancer research while honouring one of our nation's great heroes - Terry Fox. Thanks to the hard work of Ms. Patterson's leadership class, this year's version was another success.

Community

Helping Hands For a Better Tomorrow

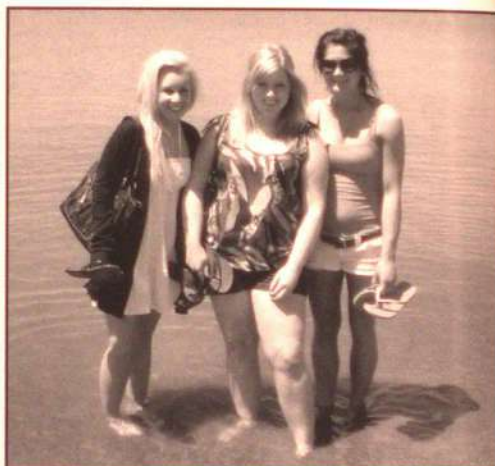

Massey students participate in a variety of activities to help make our community a better place. All of our community service could not possibly fit on this page, but, among other things, we give blood, clean up the local environment, and raise money for important causes.

Special Events

Remembering the Good Times

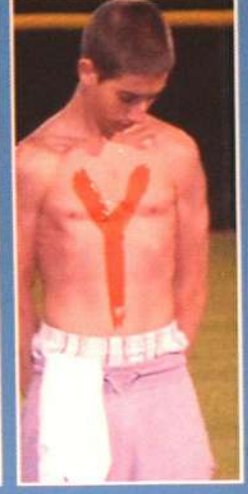

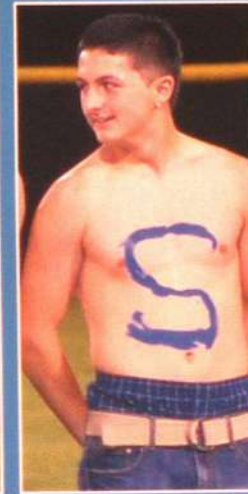

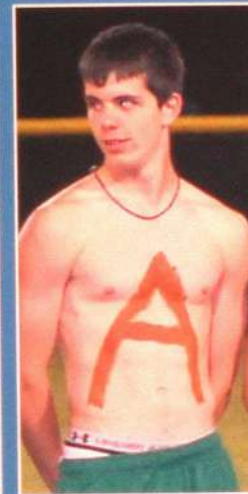

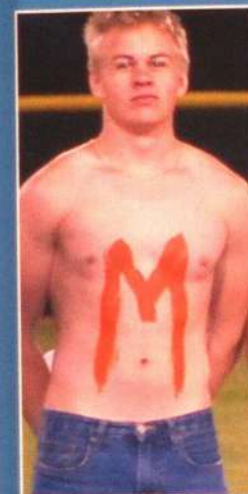

It is the things that happen outside the classroom that make a school unique. Massey has no shortage of concerts, dances, assemblies and other special events every year. From Grade 9 Night to the Grad Picnic, these events are what make Massey the school we will remember forever.

School Spirit

GO M-U-S-T-A-N-G-S!

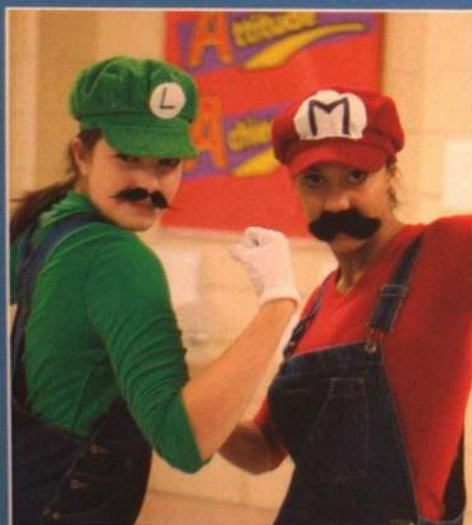

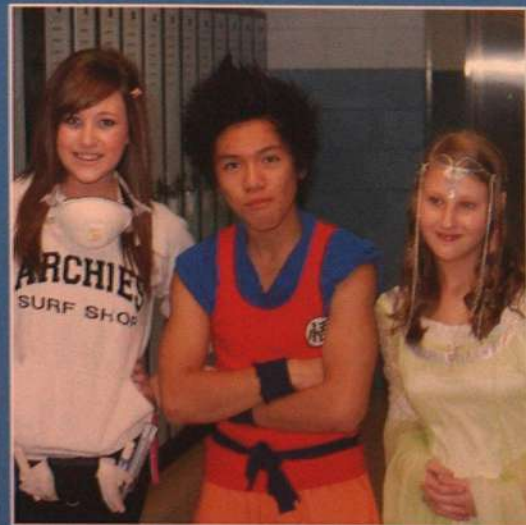

At spirit days, pep rallies and sports games we show our school spirit, clad in blue and orange, and support for our athletes. One thing is certain, we are proud to call ourselves Mustangs.

Hallowe'en

Costumes Caught on Camera

Eye-popping costumes and a competitive pumpkin carving contest brought the Hallowe'en spirit to Massey. Here are just a few moments caught on camera. Happy Hallowe'en!

Multicultural Dinner

Feast of the Nations

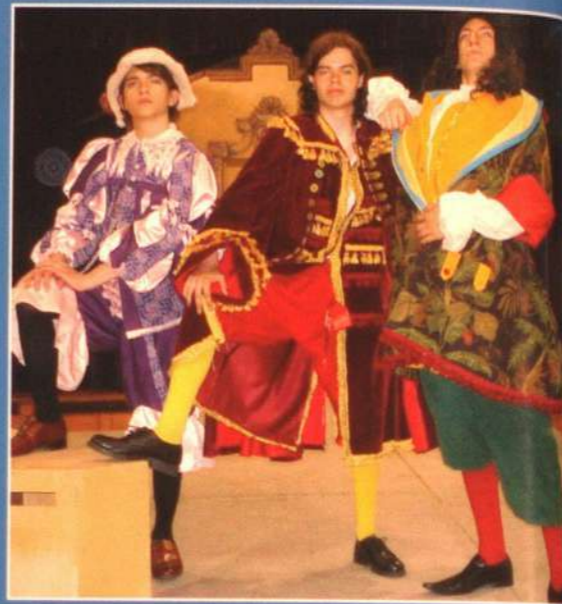

The annual Multicultural Dinner was once again, a huge success, attracting a wide variety of students celebrating their diversity and culture. It added up to a fun night filled with food, and a chance to see the colourful traditional costumes of different cultures.

School Play

Three by Molière

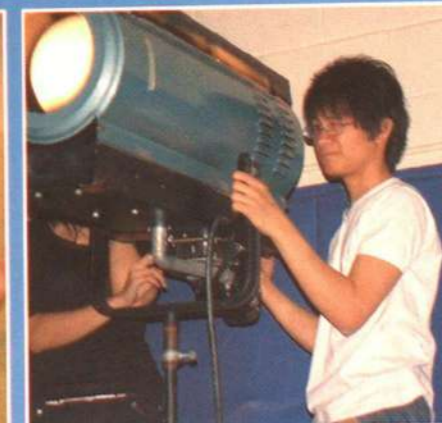

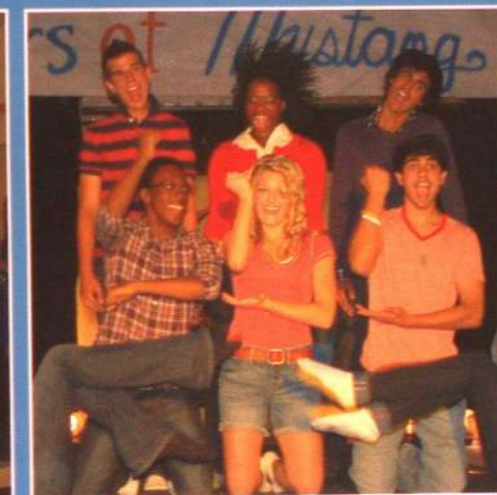

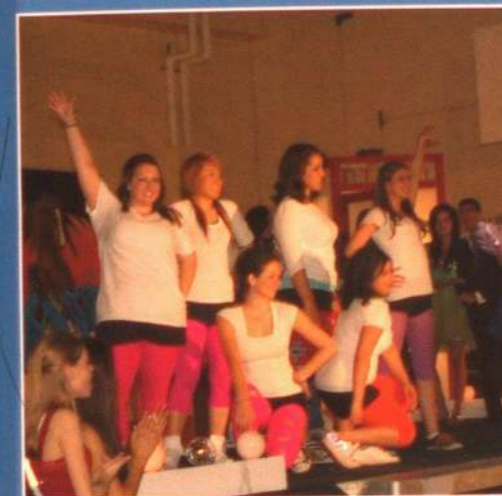

Once again, the audience was amazed as many Massey students performed another exceptional school play. On April 30 and May 1, Massey performed three well-known Molière plays: "The Jealous Husband," "The Forced Marriage" and "The Imaginary Cuckold." Without special contributions from Mr. Marontate, Stephanie Taylor, Kelly Ridley, Kaitlin Churchill and the cast, the school play would not have been a success!

Fashion Show

Fifty Years of Massey Fashion

On May 6 and 7, 2010, Friends of Oakwood Bush and Vincent Massey presented us with spectacular performances. It was the annual fashion show, highlighting the fashions and styles from the past fifty years and celebrating the memories of school spirit and enthusiasm. It was a tremendous success as our dancers, models, and commentators worked together to showcase their talents.

Semi-Formal

At the Hop

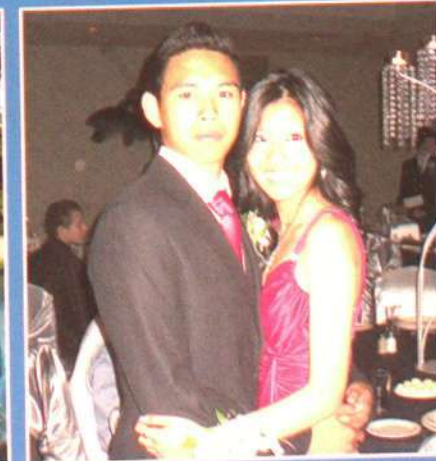

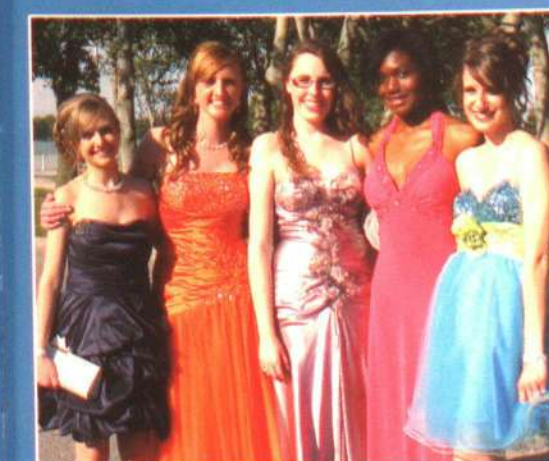

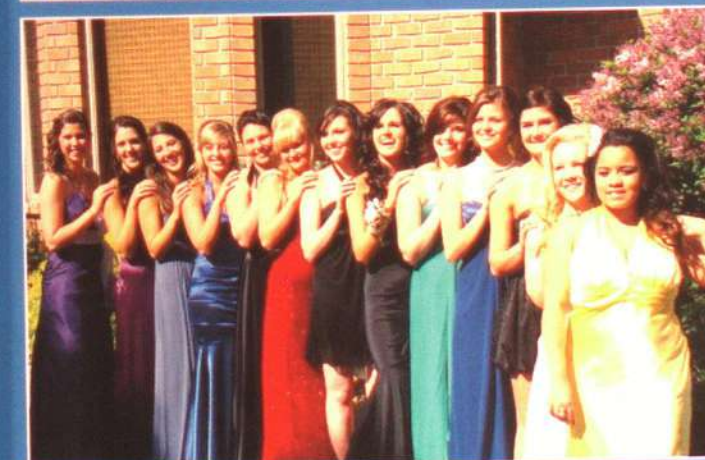

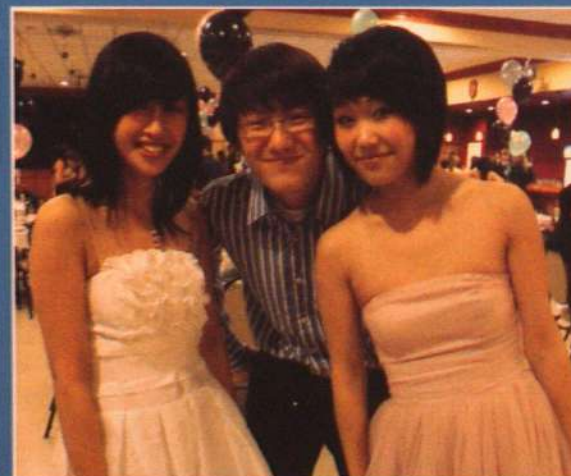

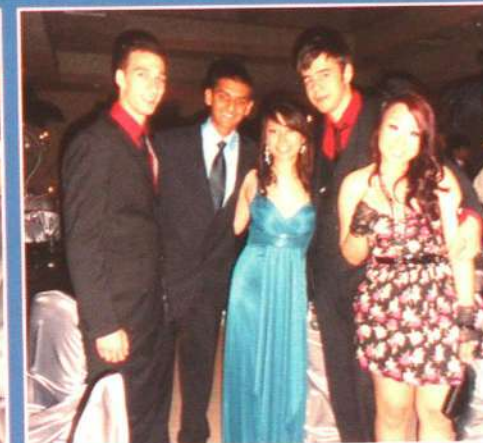

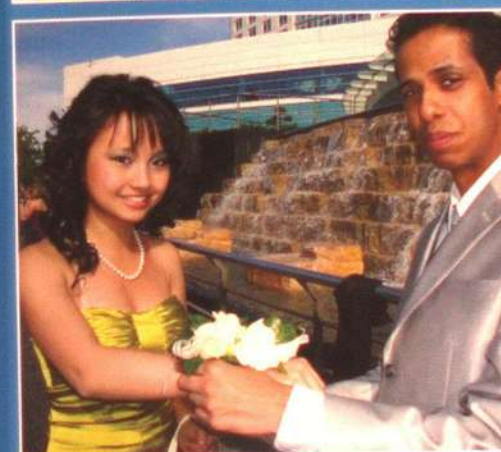

On February 20, 2010, the students of Massey travelled back in time through the decades as they danced the night away. Massey's Semi-Formal was held at the Serbian Centre. We'll look back on this night with memories to dream about.

Prom

Forever in Twilight

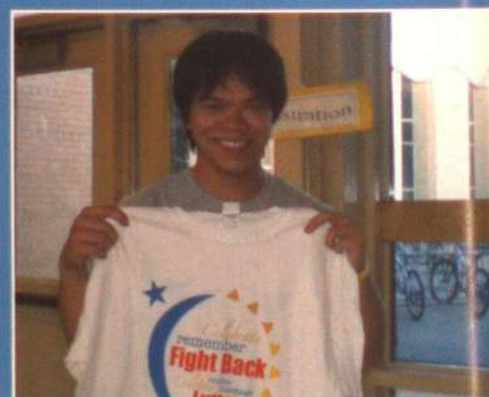

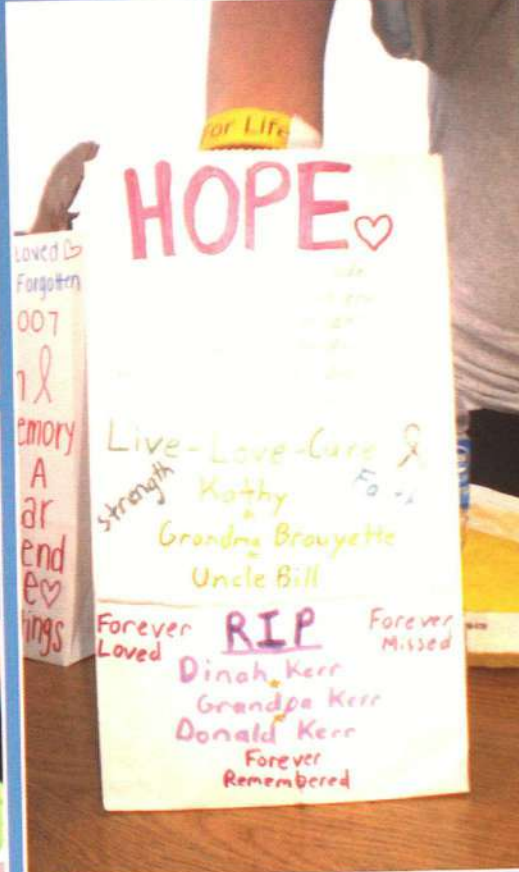

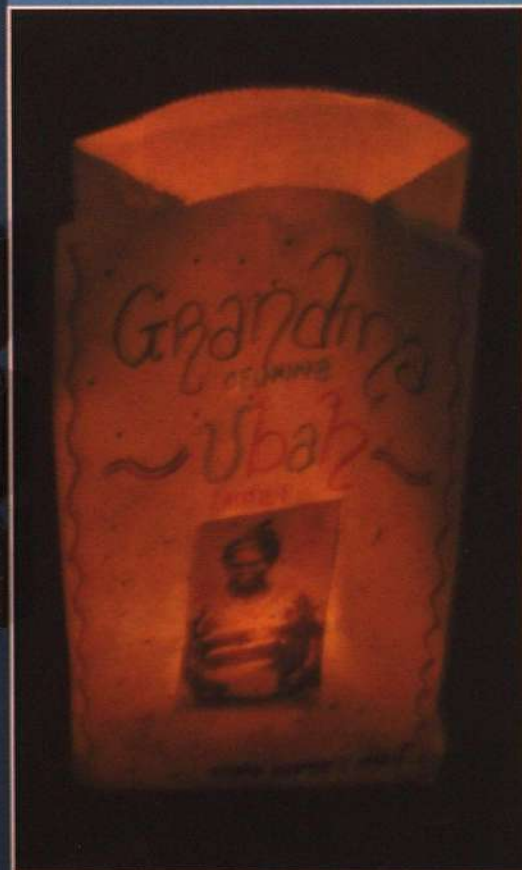

On May 14th, 2010, the ladies put on their ballgowns and the gentlemen their bowties. With a dazzling blue sky and even brighter smiles, Massey celebrated Prom at Torino. It was an evening well worth remembering as we look back, forever in twilight.

Relay For Life

Celebrate. Remember. Fight Back.

Massey Mustangs teamed up together on May 28, 2010, fundraising for the Canadian Cancer Society. Under the leadership of Mr. Bontront, Ms. Shura and their dedicated team of student volunteers, the participation and spirit was phenomenal. Surrounded by friends, spending the night in a tent, walking around a track of beautifully lit luminaries sums up twelve hours to remember.

CCP

Children's Christmas Party

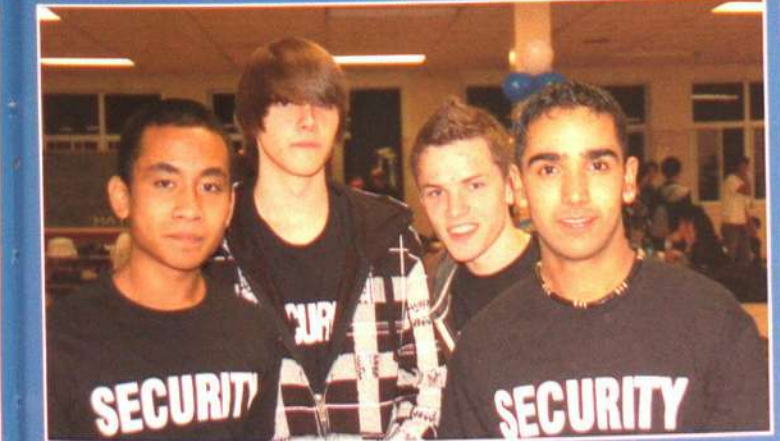

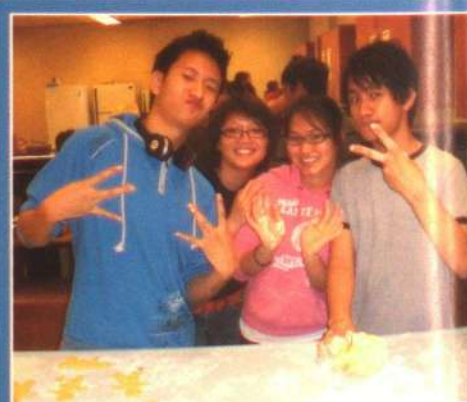

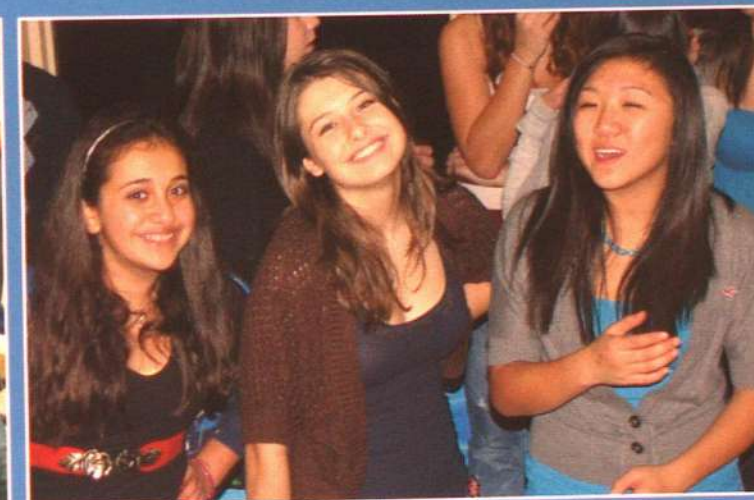

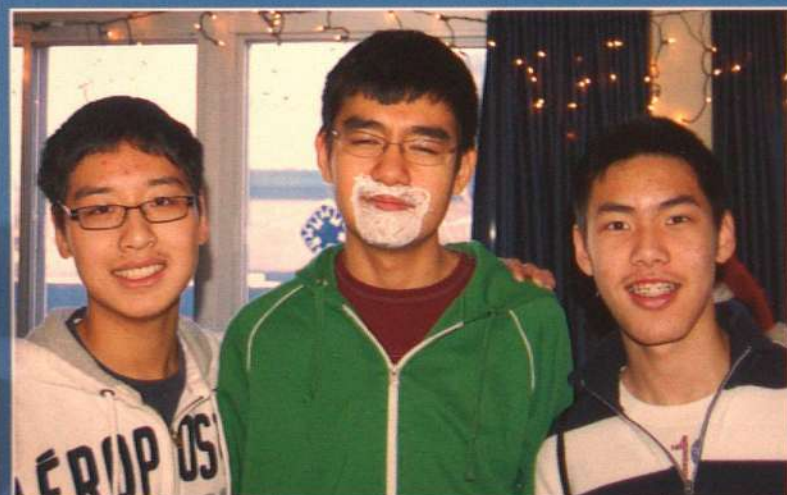

There is always something magical in the hallways at Massey in December, and whether it is the sweet aroma of sugar cookies baking, or the Holiday music blasting from the PA System, a dedicated group organizes the annual Children's Christmas Party for over 250 kids in Windsor. Thanks to Mrs. Mohan and the volunteers for another amazing event!

All Night Dance

Sweet Dreams, Beautiful Nightmare

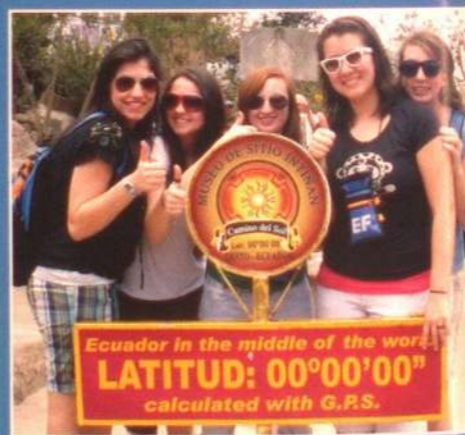

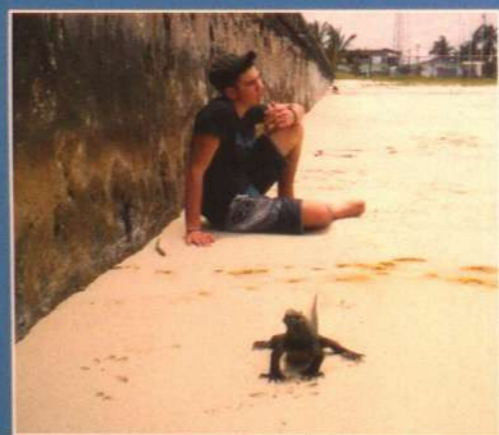

On November 13, 2010, Massey students gathered for 12 hours after school ended for the annual All Night Dance. Being the biggest fundraiser at Massey for the Children's Christmas Party, hundreds of students came to enjoy a night of music, dancing, games, sports, and movies. Conveniently scheduled on Friday the 13th, the night was definitely filled with sweet dreams and beautiful nightmares. Thanks to the entire AND Committee and Mrs. Mohan for running this event.

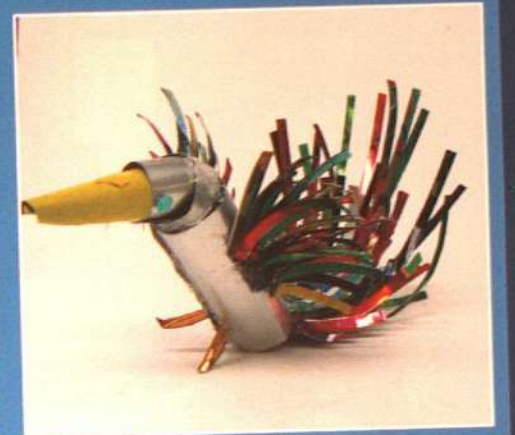

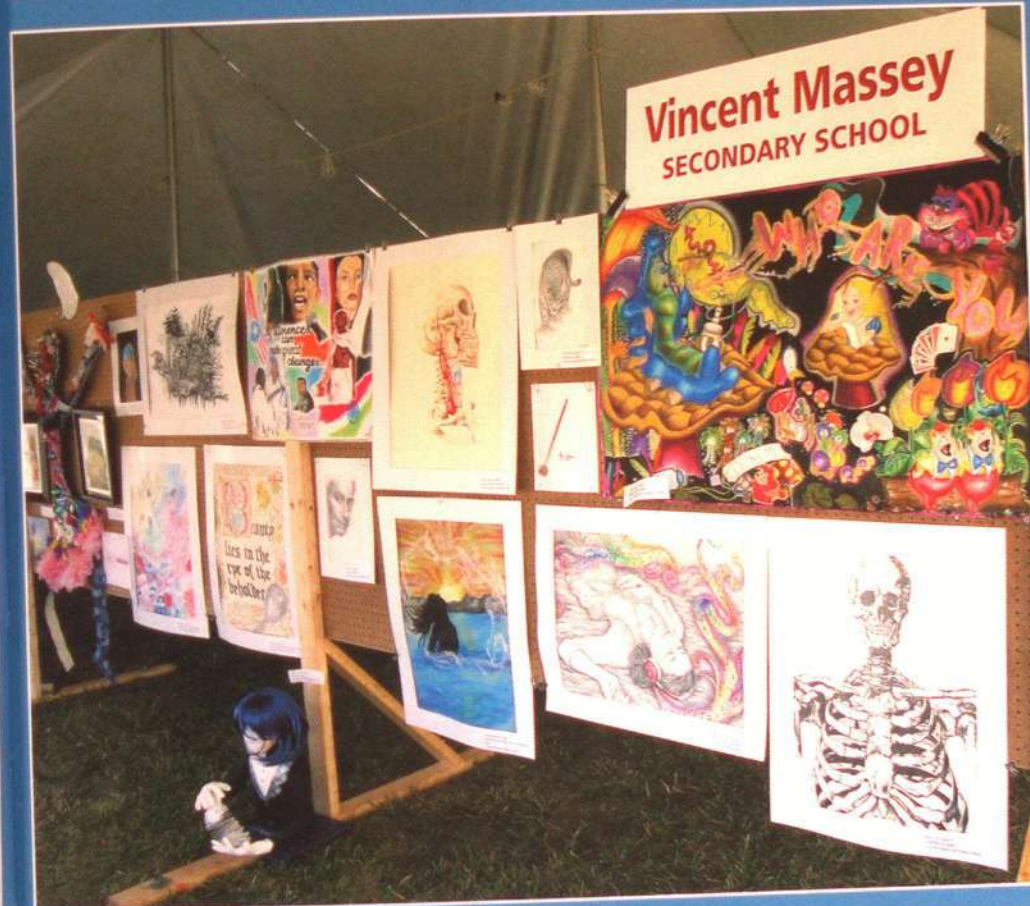

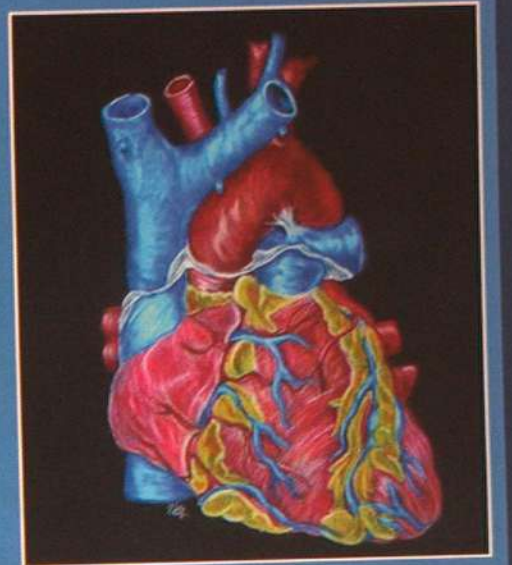

School Trips

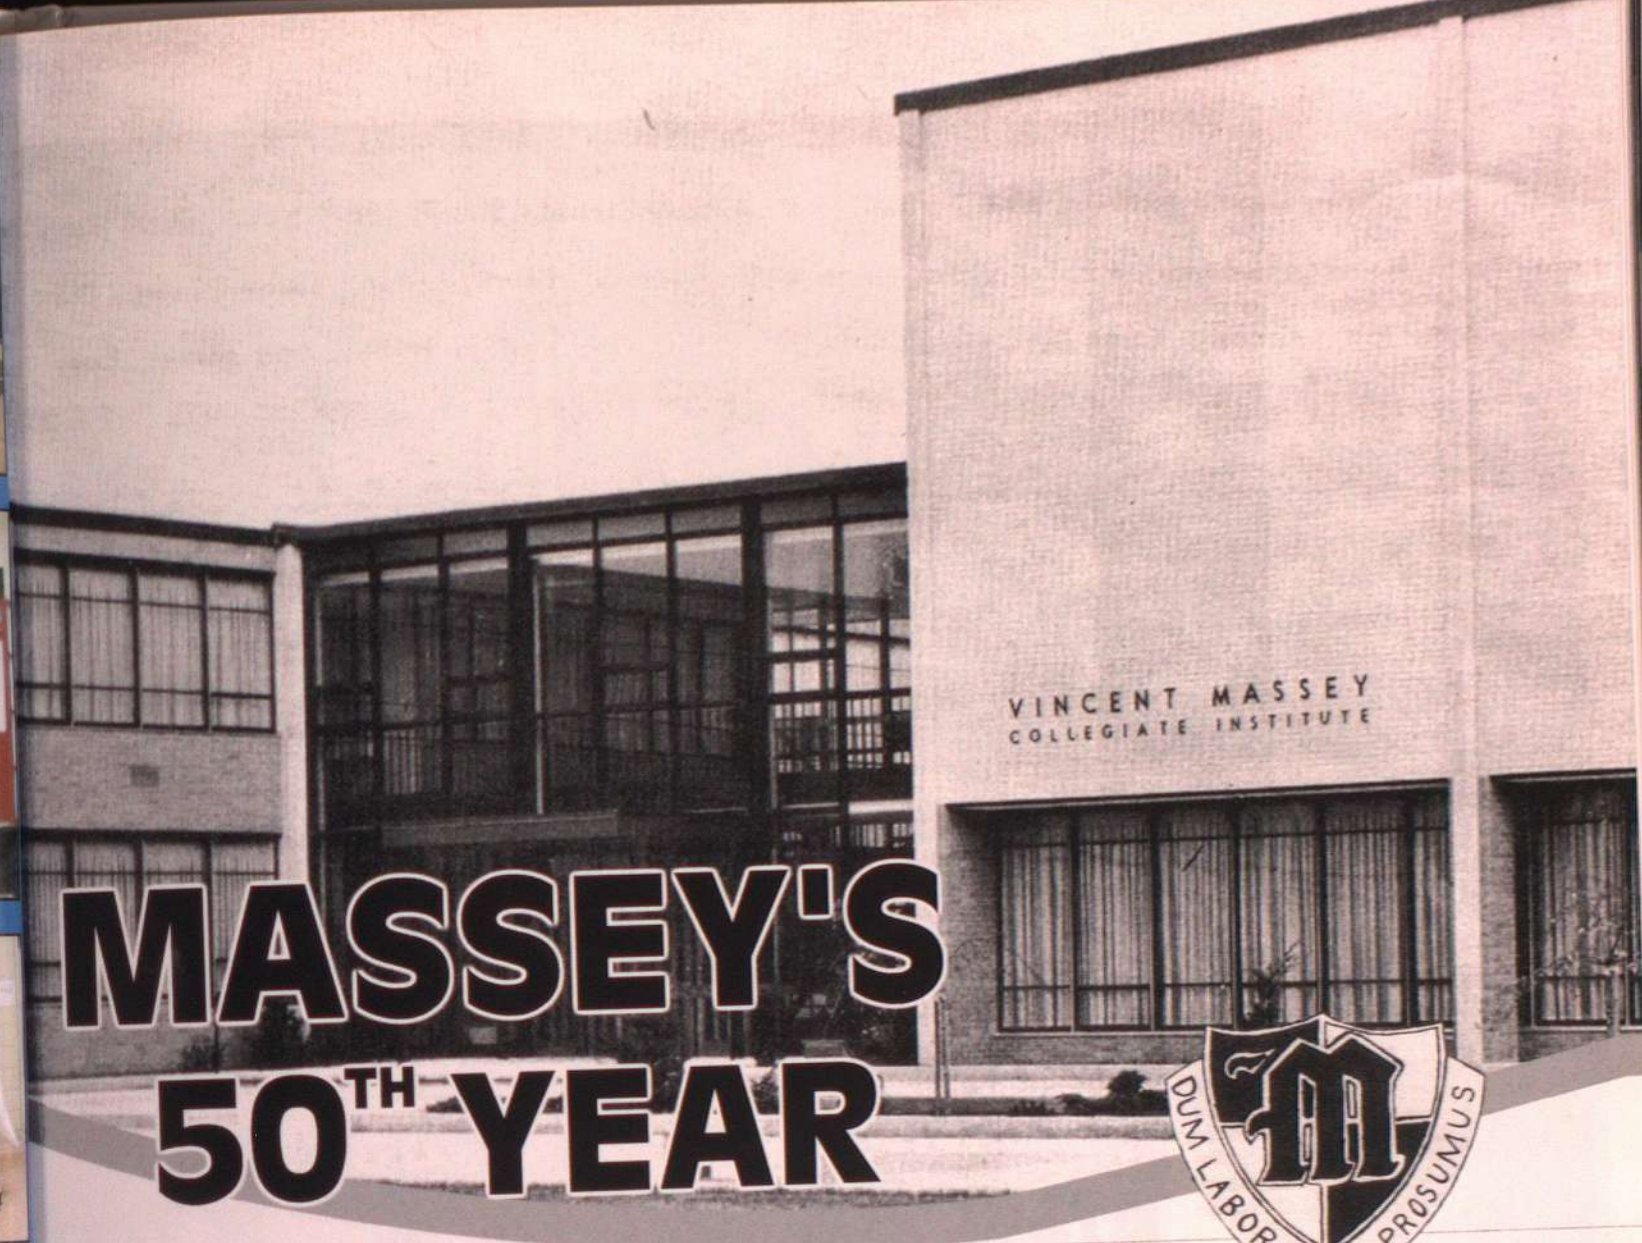

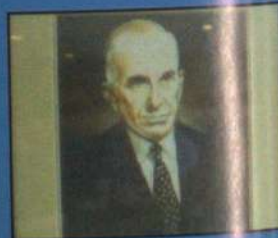

The Travel of a Generation

Massey students really got around this year! The band travelled to Chicago, social science students toured battle sites in France and Belgium, and a group of lucky science students studied rare wildlife in the Galapagos Islands off the coast of Ecuador.

Student Art

MASSEY'S 50TH YEAR

50 YEARS OF EXCELLENCE

In the Fall of 1960, Vincent Massey Collegiate Institute opened its doors to 500 students of Sandwich West Township. The new school was named for the Right Honourable Vincent Massey, who had finished his term as Canada's first native-born Governor General the previous fall.

Many of the now-familiar elements of Massey tradition were established during that first year. The school motto "Dum Laboramus Prosumus," which means "As long as we are working we are progressing," was created, as was the ubiquitous school crest, and "Centaur," the school Constitution. Double Blue and White were chosen as the school colours, and "Mustangs" as the team name, with Morris as the mascot. Volujme 1 of Pegasus, the yearbook, was published that year.

In 1966 Massey started to resemble the school we know today. A massive addition consisting of a new swimming pool, library, second gymnasium and cafeteria were opened to accommodate an ever-increasing student population. The name "Collegiate Institute" was replaced by "Secondary School" to reflect the fact that Massey had become a

composite school offering a range of programs.

In 1984 Massey's enriched program opened. The Community Living Program, currently called STEPS (Skills to Enhance Personal Success) was initiated in 1997.

Over the years, Vincent Massey has warmly embraced many into its school community. In the Fall of 1986, Vincent Massey absorbed the students of Centennial Secondary School, and the colour Orange was added to the Double Blue and White to honour the closed school. In 2000, Vincent Massey welcomed students of Lowe Secondary School after it was shut down, (although we didn't add green to the colours) and from 2001 to 2006 Massey hosted Massey Elementary, a senior elementary school that operated in the front wing of the building.

Today, Massey's student population is over 1600 students and they continue the tradition of excellence for all in academics, athletics, and commitment to its community.

Game Time

Massey Mustangs Caught in Action

SPORTS RECOGNITION

1. Boys Cross Country

The senior boys cross country team once again dominated the course and brought home their fifth consecutive OFSAA gold title. The midget boys also won gold at WECSSAA.

2. Girls Cross Country

The senior girls won gold at WECSSAA and SWOSSAA and finished fourth at OFSAA.

3. Mustang Award

Amanda Bellemore was rewarded the 2010 Mustang Award.

4. Senior Awards

Darryl Smith won the Male Athlete of the Year and Zainab Beydoun won the Female Athlete of the Year.

5. Junior Awards

Jacob Robson won the Male Athlete of the Year and Lilly Southcott won the Female Athlete of the Year.

6. Baseball

The Massey baseball team had three runs in the last inning to secure the OFSAA gold title.

Massey's pitcher Joel Pierce was also selected by the Milwaukee Brewers this year. He was the highest local pick in the 2010 MLB draft.

7. Tennis

Otto Keresztes and Alex Dimitrijevic won SWOSSAA for open boys doubles, Adam and Lilly Southcott won SWOSSAA for high school mixed doubles, and Jeremy Houston and Samantha Matthews won SWOSSAA for open mixed doubles.

8. Curling

The boys competitive curling team won the WECSSAA title this year.

9. Track and Field

14 Mustangs qualified for OFSAA this year, and each of them had an amazing performance. Trevor Way, Ryan Smith, Daryl Smith, Jordan Young, Zeinab Baydoun and Dan Piticariu came in top 5 for their events.

10. Cricket

Massey cricket team defeated Foster and won the city championship.

11. Volleyball

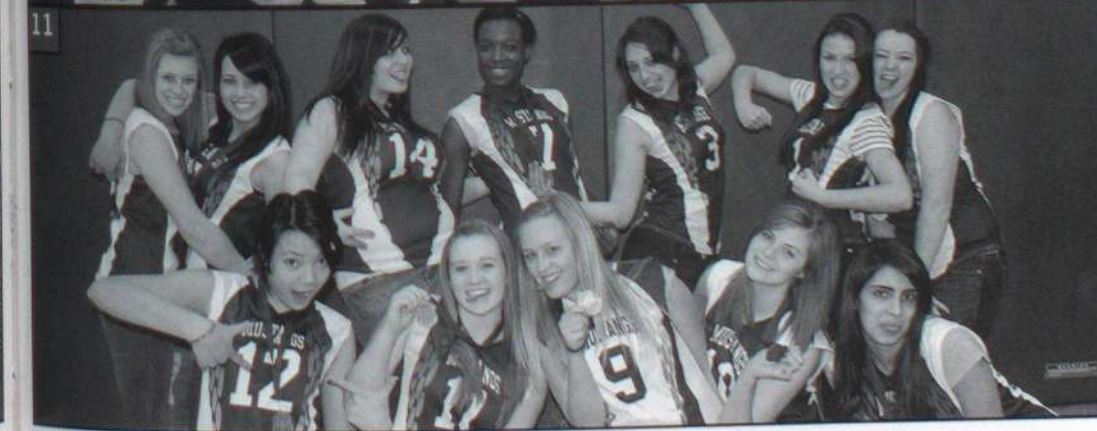

The senior girls volleyball team won the WECSSAA championship for the second consecutive year.

12. Wrestling

Cathy Lei qualified for OFSAA in wrestling this year.

Massey Mustangs are not only known for their academic excellence but also their outstanding athletics. Students, with the help of their coaches, plan for success and train heartily all year to achieve it. Indeed, these mustangs along with many others have succeeded to make our school proud.

Outstanding Clubs

Demonstrating excellence and celebrating achievement. This section is dedicated to those students and organizations that have worked together to achieve amazing feats over the school year. They have worked hard and spent many hours of their time working towards a common goal. Their perseverance and talent deserves to be recognized - and it is with the utmost pride that we display their names here.

DECA

This year was the inaugural year of a DECA (Developing Excellence Celebrating Achievement) Chapter at Massey, and with strong passion and teamwork, they showed amazing results. At the Waterloo Regionals, seventeen qualified for Provincials, and at Provincials, four received medals for being in the Top 20. Two students even attended Internationals in Kentucky. It was a great year, and thank you Mr. Ferrara for supporting our team every step of the way.

FESTIVAL OF MUSIC

Massey's concert band once again achieved great results at their Festivals of Music competition located in Chicago, Illinois this year. They won the William D. Revelli Concert Band Award and First Place in the High School Concert Band A Section. Congratulations - your accomplishments are like music to our ears!

SCIENCE OLYMPICS

Not only has our Science Club excelled at the McMaster, Guelph, and Windsor Science Olympics, but we held our very own Junior Science Olympics for our feeder schools! No one can forget Mr. Westbury's chemistry experiment.

REACH FOR THE TOP

This year's Reach For The Top team continued the Massey tradition of demolishing local competition and advancing to the provincial finals in Toronto.

DEBATE TEAM

The Debate Team had an excellent year taking in First place at the Richard Peddie High School Debate competition held at the University of Windsor.

COMPUTER SCIENCE

Massey students displayed outstanding results in majority of the computer science competitions. In the Canadian Computing Contest, Aurick Qiao, Heinrich Jiang and Fan Yin qualified for Stage Two. Also, Aurick Qiao will also be representing Canada at the IOI in Waterloo this year. In the ECOO competition, Massey won the Regional stage and came in top 5 at the Finals.

MASSEY MATH

39 Massey students along with some from Waterloo and Toronto traveled to Pennsylvania to compete at the American Regions Math League. Massey faced extremely talented teams from across the US. Of our three teams, individual high-scorers Victoria Cao, Shawn Liu, Heinrich Jiang, and James Duyck received medals. Massey Ontario West has been the sole Canadian representative at ARML over the past few years.

COMC >>

Gold Medal winners Billy Young, Fan Yin, Aurick Qiao, James Duyck, and David Liu at the Canadian Open Mathematics Challenge.

<< NAICHEN SU

The most important skill in math is multiplying by one and adding zero.

<<<< PASCAL

Written by 32135 Gr. 9 students in Canada, Massey finished 1st in Essex County, 22nd in Ontario, and 35th in Canada.

<< FERMAT

Written by 22511 Gr. 10 students from Canada, Massey once again placed first in Essex County, 4th in Ontario, and 5th in Canada.

Aurick Qiao

Aurick Qiao has won numerous awards over the last four years he spent at Massey. He was a gold medal winner at the COMC, invited to the Canadian Mathematics Olympiad, was a top scorer in the AMCB12 Contest, and was on the first place team for MCTIC. He has shown exceptional mathematics and computer excellence, and deserves to be recognized.

James Duyck

As an outstanding mathlete, James Duyck has won the Gold Medal in the Canadian Open Mathematics Challenge, qualified for the USAMO, and was a top scorer in the AMC12B Contest. He also led Massey to first place in Canada for the Canadian National Math League by being one of three students to earn a cumulative perfect score. He was also on the first place team for MCTIC and qualified for the finals in ARML.

Mr. Bruce White

Teacher. Mentor. Visionary. Mr. Bruce White has walked down the math hallways of Massey so many times one can almost sense his presence. He has dedicated countless hours training perhaps the best math students in the country, and organizing math contests and Waterloo trips. He has led Massey to place 1st in MCTIC, 2nd in Fermat, and 4th in the Team Scramble. He has a unique way of teaching, but the lessons he gave students made them stronger. Thank you.

EUCLID >>

Written by 16180 high school students in Canada, Massey finished 1st in Essex County, 4th in Ontario, and 7th in Canada.

<< CAYLEY

Massey finished first in Essex-Kent, 2nd in Ontario and Canada. The top three scorers were (from left) Sean Lu, Hunter Qin, and Harry Bang.

<< MCTIC

45 students traveled to the University of Waterloo to compete at MCTIC (Math Challenge Team Invitational Competition). Massey's Team A took home first place for the fourth year in a row, and Massey's Team C and B took home second and third, respectively.

Massey's Team A consisted of James Duyck, Heinrich Jiang, David Liu, Aurick Qiao, Davis Su, Mengyin (Joy) Wang, Shu (Roxxy) Wang, Yale Wang, and Fan Yin. Congratulations on a wonderful performance!

Dear Massey Mustangs,
 Just like that, another fabulous Mustang year has come and passed. The Massey hallways are always filled with a never-ending song. Throughout the year, the melody of this song changed its tunes with each victory of our sport teams or laughter filtered out of the classrooms. Once again, Student Council was lucky enough to contribute to this song. Our goal this year was to continue to bring the student body together. At a school as diverse as ours, that may be difficult to achieve. But we managed to pull through with the undying support from students and teachers. Hopefully, you enjoyed the events that we planned this year (events that earned us the "Most Creative Council" award for the second consecutive time) and cherished valuable high school memories. It was our dream to unite the entire student body. As this school year comes to an end, we have finally fulfilled our dream. Hey Mustangs, it is your turn now. Hold onto your dreams and never let go.

Monica Chen
 Monica Chen
 Deputy Prime Minister

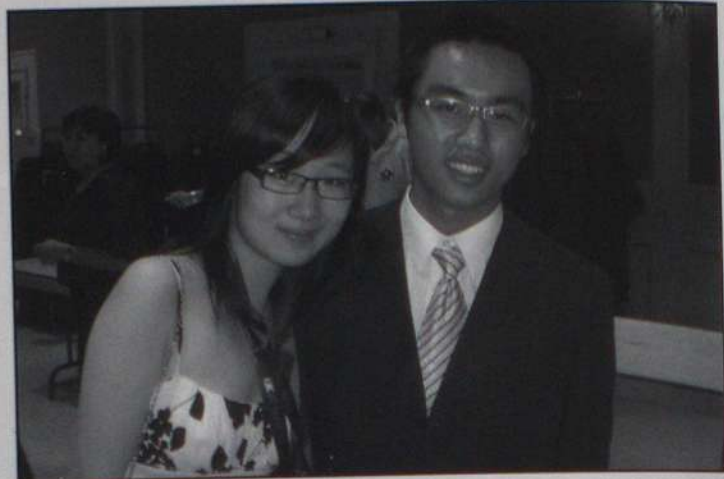

Another year of memories. Fifty years of greatness. Those are the thoughts that come to mind as we create the pages of this special edition of Pegasus. With time, comes change - and it is evident in the contrast between photos of "old" Massey without a circular library, and "modern" Massey with two gyms, a pool, tinted windows, and new cohorts of the student body.

This edition of the yearbook dares to showcase transformations dramatic or mundane, new or old, permanent or temporary. Like individuals, every year it gets better, more sophisticated, and thorough. We hope we have met your expectations.

The year 2010 celebrates another outstanding year for the Mustangs both athletically and academically. As the date for our fiftieth year reunion nears, we tend to look back and remember our distinguished accomplishments and times we've shared.

Nevertheless, the year is drawing to a close, and the most important thing to remember is to stay true to ourselves. No matter what comes in our way - new challenges, discoveries, or people - there will be times where we will find ourself facing adversity. Since we will be graduating as Mustangs, there's no doubt that we can remain strong and stay true to the values we grew up with, and stay in contact with the friends who shared every memory. The future is ours, and congratulations Massey - we finally made it!

Sincerely,
The Yearbook Staff 2009-10
