Administration Letter

The 2016-2017 school year has brought much success to the Massey Mustangs. Massey achieved in academics, athletics and school spirit. Many new staff were welcomed at Massey and others moved on to different pathways. Those that joined us were greeted with great Mustang pride and those who left Massey will be remembered fondly for their contributions in making Massey a better place to learn. Mr. Peto was welcomed by the staff and students in his first year at Massey.

We wish all graduates success in their future endeavours and plans. We wish you well and anticipate another great year with all of our returning students. We are excited to meet our newest Mustangs and their families. We look forward to celebrating our diversity, learning together and to spending another remarkable year with all of the Massey staff and students.

Mr. Peto and Ms. Deslardins

Much Ado About Nothing

They say the lady is fair. 'Tis a truth, I can bear them witness. And virtuous—'tis so, I cannot reprove it. And wise, but for loving me. By my troth, it is no addition to her wit—nor no great argument of her folly, for I will be horribly in love with her.
(II.iii.204–208)

What should I do with him—dress him in my apparel and make him my waiting gentlewoman? He that hath a beard is more than a youth, and he that hath no beard is less than a man; and he that is more than a youth is not for me, and he that is less than a man, I am not for him.

In Remembrance of

Abdul Al Smoudi

Abdul lived a life filled with love of family, love of friends, and respect from the community. He was four days shy of his 19th birthday when he passed away on January 22nd due to health complications. At five and a half years old, Abdul was diagnosed with Pompe Disease, a rare multisystem genetic disorder that results in skeletal muscular and heart damage a fatal disorder. The support of his loving parents, nine siblings, and the medical community provided Abdul with the best possible life experience. Despite all of his health issues, Abdul attended school regularly, did his very best in all of his classes, and enjoyed spending time with his peers, teachers, and support staff. In September of 2012, Abdul was very excited to start high school at Vincent Massey. He attended school every day he possibly could, right up to grade 12. Abdul wanted to finish high school with a determination like no other. Abdul also dreamed of the day he could attend college. His first choice was to enroll in the Journalism Program at St. Clair College because of his passion for writing. Abdul valued all the opportunities and support he received at school, during his therapies, at the hospital, in the community, and with his family. He was gentle, generous, and the perfect gentleman. Abdul will fondly be remembered as a young man who was driven to be the best at everything he could and he will be missed at Massey.

Garrett Fabel

Garrett Fabel will always be remembered as a likeable, laid back, and funny young man. Garrett will be remembered for his passions, especially when it comes to his motorcycle which he worked tirelessly on rebuilding himself. He was a hard-working student who diligently attended classes during the day as well attending classes during night school. He showed great promise and success in his Manufacturing Technology classes where he was working to obtain his credentials in the Specialist High Skills Major Program.
