Massey Administration

Mr. Peruzzo in the office he occupied for two years as principal of Massey.

In his 34 years as an educator, Mr. Peruzzo has had many exciting experiences. He has written textbooks, been the principal at a high school on a military base in Europe, was the last principal of W.D. Lowe, and, of course, was our principal here at Massey for the past two years. He would be proud if students used his career as an example and tried to remain open to people of all cultures and to as many new experiences as we can.

Mrs. Safranyoe's dedication to her job is unparalleled. She spends more hours behind this desk than most of you will ever know. She will be the only returning administrator for the 2006-2007 school year.

Mr. Smith spent one year with us at Massey, but he made a huge impact. If he wasn't running with the cross country team, coaching cricket, or playing in the staff/student basketball game, he was working with the other administrators to keep Massey running smoothly.

Mustang Candida

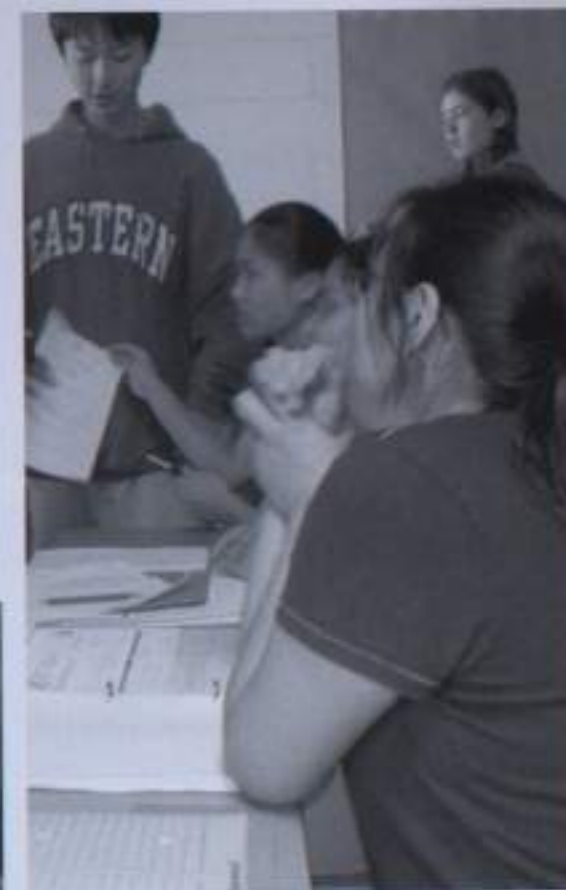

Whether it's a pep rally, Relay for Life, or just being in class, nobody can deny the spirit of Massey's Mustangs.

Get involved! Join a club, a team, or attend one of Massey's many after school activities.

Pascal

119 grade 9 students participated in the Pascal with 46 students finishing in the top 25% in Canada. Our team was 1st, 1354 in Canada, 9th in Ontario, 2nd in Ontario West and 1st in our zone. The team consisted of Aurick Qian, Helen Oulhou, Frank Bai, who each finished 7th in Canada, and Meiruan Zhong who finished 11th in Canada.

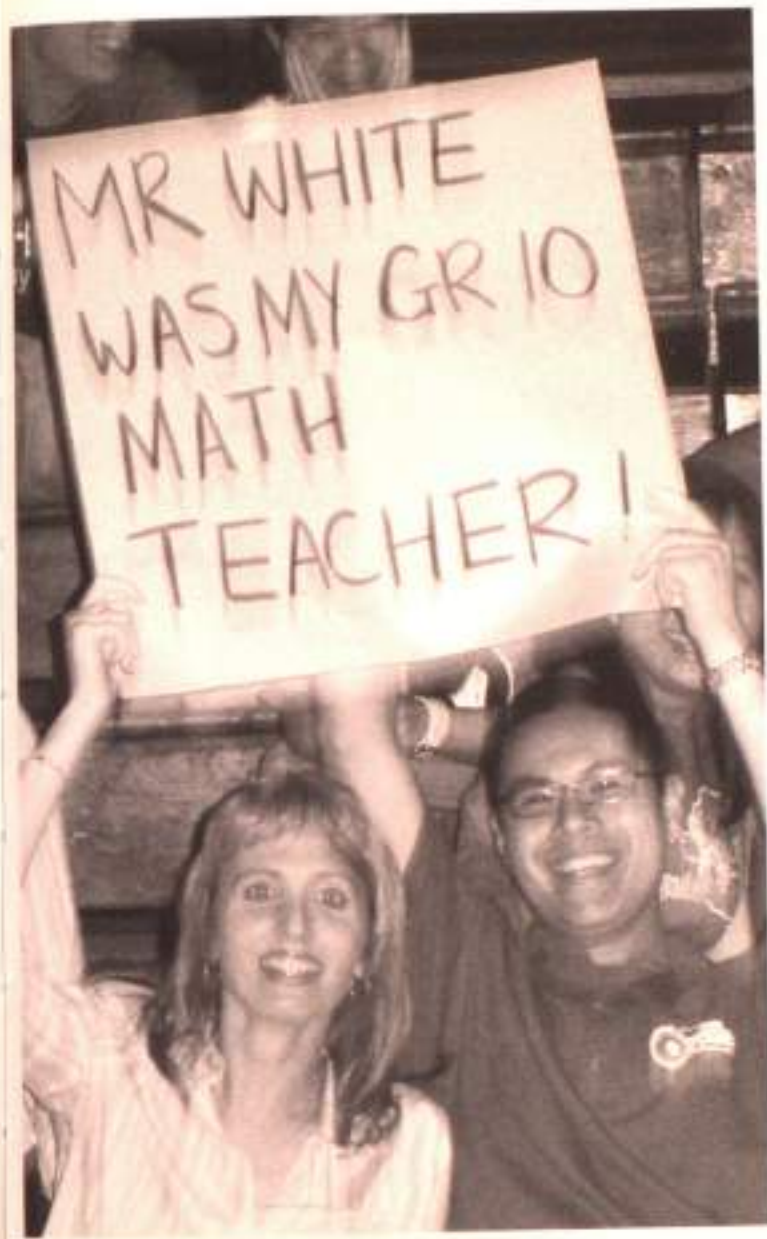

Cayley

This was an outstanding year for our 44 grade 10 students to win the Cayley. 52 students finished in the top 25% of 29,436 across our province finished 1st in Canada! Congratulations to our champion team which consisted of Lei Liang and Wilson Liu, who tied for 1st in Canada. Vick Yan finished 4th in Canada, while Andy Zhou had a perfect score tying for 1st in Canada! Both Vick and Andy earned gold medal honours.

Fermat

11 grade 11 students won the Fermat with 41 students finishing in the top 25% of 24,672 across Canada. The team was 4th, 1251 in Canada, 6th in Ontario, 2nd in Ontario West and 1st in our zone. The team consisted of Shuangyong Chen, Steve Ervine and Andy Kong who all tied for 1st in Canada and tied in our zone. Andy Kong went on to write a perfect paper in the Fermat contest.

Euclid

119 Massey students competed along with 1500 students from 1141 schools across Canada. 84 of our students finished in the top 25% in Canada. We finished 6th in Canada, 6th in Ontario, 2nd in Ontario West and 1st in our zone, once again sweeping all zone titles. Our team consisted of Timor Roache 6th, Lu Heng Huang 4th and Andy Kong who finished 17th in Canada. Andy Kong also finished 17th in Canada in the Canadian Open Mathematics Challenge this year.

AMC

This year nearly 300 students participated in the American Mathematics Competition. 103 of our students made the honour roll (top 5% in North America) and were invited to write the American Invitational Mathematics Exam. Andy Kong earned a further invitation to write the 4-hour USAMO math olympic paper.

ARML & MCTIC

This year we took 41 students to ARML in London and 17 students to MCTIC at Penn State University. Our top team at MCTIC finished 2nd in Waterloo, but we beat London. And in another display of our depth, all 5 of our teams finished ahead of all other schools in our zone. We had a lot of success at ARML this year, but our students have learned from their mistakes and we'll be back strong next year. We did take 2nd place in the world contest.

Honour Roll

The following students achieved an overall average of 80% or higher for the academic year 2005-2006.

Mark McPhedran, 11
