ADMINISTRATION 2008-09

Mrs. Nantais, Principal

Congratulations to the Yearbook Staff for an account of our memories! When we receive our yearbooks, it's a time for us to recall these special moments. As adults, you will share these stories with friends and family, and it is my hope that you will do so with laughter, fondness, and the recognition that Massey provided you with a first class education, a sense of community, and the love of learning.

To the students, you should be proud of your academic accomplishments, your athletic and extra-curricular achievements, and the many valuable contributions you've made to our community.

To the graduating class, thank you for letting us be a part of your story. We are proud of you!

I'd also like to thank the parents, teachers, coaches and staff who have inspired our students throughout the year.

Mr. Berard, Vice Principal

Another year has passed, and once again I am humbled by the brilliance of the students at Vincent Massey. It has been a sincere honour to witness the young adults in our building blossom and move towards their potential. Mustang sports dominated in nearly every field, and our academic leaders proved once again that Massey is a perpetual source of outstanding achievement. Embrace the lessons you have learned and move forward with the knowledge that your potential to be successful is limited only by your measure of determination.

"Your potential to be successful is limited only by the measure of your determination."

— Mr. Berard

Mrs. Salinitri, Vice Principal

As my first year at Massey comes to a close, I would like to offer a few words of reflection and thanks. The warm welcome I received from all the staff, students and parents gave me a true sense of belonging. In my interactions with students of diverse backgrounds, I have realized the richness of our learning environment. The Massey community should take pride in the teamwork displayed in the many service projects, competitions and other initiatives in the school. Massey is a wonderful place to be because of the daily efforts of all the members of the Massey family. I wish all the graduates success in whatever pathway they choose in life and I look forward to meeting our incoming students and parents. I know that I am in for another remarkable year at Vincent Massey Secondary.

Back To School

The leaves fall, and the birds call - for students to start a new semester! The first day back to school is filled with new-found spirit as seniors share their summer stories and freshmen make new discoveries. Meeting new teachers, following new timetables, and meeting old friends is all part of the much-anticipated first day of school.

Community

When it comes to giving back to our community, Massey doesn't come short. Our students participate in numerous community service initiatives to help make both our school and city a better place. Massey students eagerly participate in blood drives, tree planting, environmental clean-ups, can drives, and even knit for those who need warmth in the bleak winter. The students on this page are just a few of those who show that Massey truly cares about our community.

Oct. 22, 2008
Organized by Mrs. Patterson's Leadership class, the Terry Fox Run has had another successful year. Not only did the students fundraise over \$5500 for cancer, they also embarked on a scenic walk & run through gold-tinted

forests of autumn, sparkling streams and lush parks. The journey was a feast for the eyes. Teachers, volunteers, and participants all had a good time, all while paying tribute to a great Canadian hero.

Performances

There is a lot of talent at Massey, if you know where to look for it. Many school activities gave our talented performers a chance to shine. The School Play, Coffeehouses, Band Concerts, and assemblies all allowed students to show off their performance abilities. The potential of these students are endless, and these photos represent just a sampling of the many singers, musicians, dancers and actors present in our lively school.

In Class

Students at Massey spend an incredible amount of time doing things *outside* of class, like writing contests, playing on sports teams, participating in clubs, acting in the school play, and making the year-book. But still, most of our time is spent *in* the classroom. Learning is, after all, why we are here.

Out of Class

Some of your most cherished memories of high school probably happened outside the classroom. Cramming into the cafeteria for lunch, hanging out on the front lawn, or navigating the crowded hallways between classes are all part of the daily routines of most students. We've caught some of those moments on camera!

Special Events

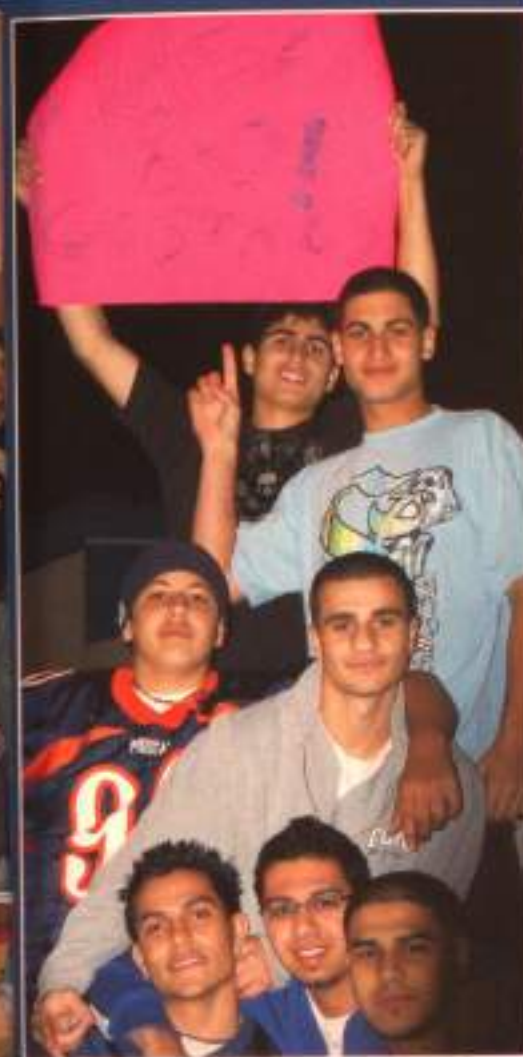

Although classes and valuable lessons from the school curriculum are the reason school exists, it is the special events and celebrations that make it memorable. Festive holiday assemblies, solemn commemorations, and even

silly games gave us the chance to bond with our classmates and teachers. Sure, we might use the rules of grammar and trigonometry one day, but we certainly will remember the good times spent with our schoolmates.

School Spirit

GO M-U-S-T-A-N-G-S!
Whether we're cheering on one of our many successful sports teams, or enjoying an adrenaline-pumping pep rally, the Massey Mustangs' school spirit is always evident. We might be the school with the reputation for academic excellence, but we can also loosen up with an unbridled display of school spirit every now and then!

UCCP

Dec. 13, 2008

The Underprivileged Children's Christmas Party was held at Massey, and over 300 kids from schools around Windsor came to participate. Students spent months gathering volunteers, wrapping gifts, and donning the school with festive art. Their hard work paid off in the end as the kids decorated cookies, played games, and received presents from Santa with bright smiles on their faces. UCCP is what the holiday spirit is all about!

All-Night Dance

Nov. 7, 2008

An important Massey tradition, the All Night Dance boasted a fun-filled night for all – and it wasn't just because of the dance! Lasting from 7pm – 7am, activities like a cardboard boat races

in the pool, DDR, basketball games, movies, ping-pong, and other games took place. There was simply never a dull moment, and all proceeds went to UCCP. Thanks Mrs. Mohan, for sponsoring this event!

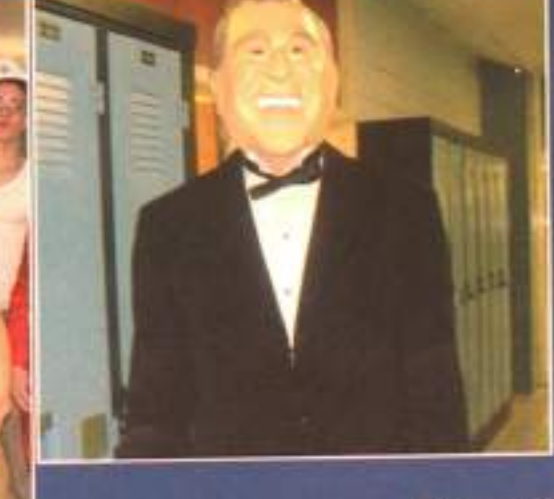

School Trips

If experience is the best teacher, Massey students learned some excellent lessons this year as they travelled far and wide for various field trips. Senior French students got their annual dose of French immersion in St. Donat, several groups of English and Drama students soaked in some Shakespeare at Stratford, the band visited Ottawa and Montreal to perform, and the Odyssey of the Mind team competed in Aimes, Iowa with astounding results!

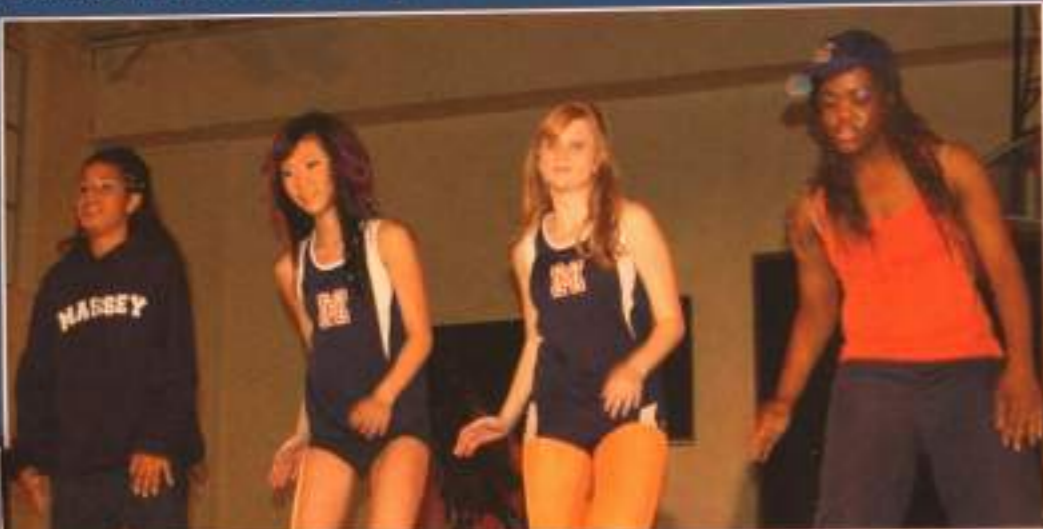

At least once a year, students and teachers alike have the chance to indulge their creative sides with costumes. On Hallowe'en we can become witches, secret agents, pirates, fairy tale characters, clowns, or

even Facebook pages! These are just a few of the most colourful and creative costumes we captured with our cameras this year. Happy Hallowe'en!

Fashion Show

On May 7 and 8, Vincent Massey's "High School Fashion Show" ripped up the runway in support of *Friends of Oakwood Bush*. Students modelled clothes from local retailers and from a student designer: Renée Lancop, Mme. Adams and Mr. Nanson organized the huge crew, and the night's commentators were Rana Allawanha and Ashley Sandhu. Great looks and a worthy cause - wow!

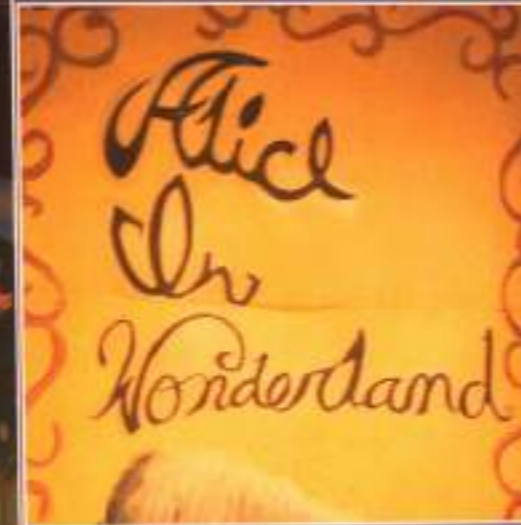

Multicultural Dinner

Nov. 25, 2008

Massey is a mosaic, and what better way to exhibit our diversity than to sample food from different countries! Students, parents, teachers, and people from our community gathered to enjoy a delicious dinner from over 25 different countries, from Albania to Yugoslavia! For only \$8, diners could enjoy 10 different servings of food and 2 complimentary drinks. Talk about a satisfying meal. Thanks to Ms. Hamzeh for organizing this event!

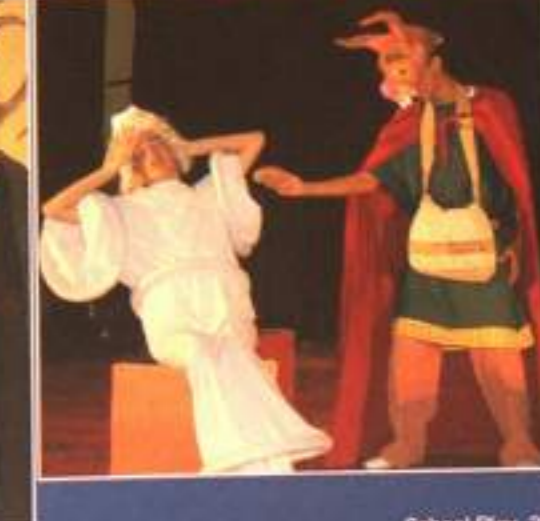

School Play

May 29 & 30, 2009

The school play was a wonderful collaboration between different classes in the school. It was called *Alice's Adventures*, an unique adaptation of the well-loved "Alice in Wonderland."

Writer's Craft classes wrote the script. Drama students performed wearing costumes made by fashion students. The stage was built by construction technology students and decorated by art students.

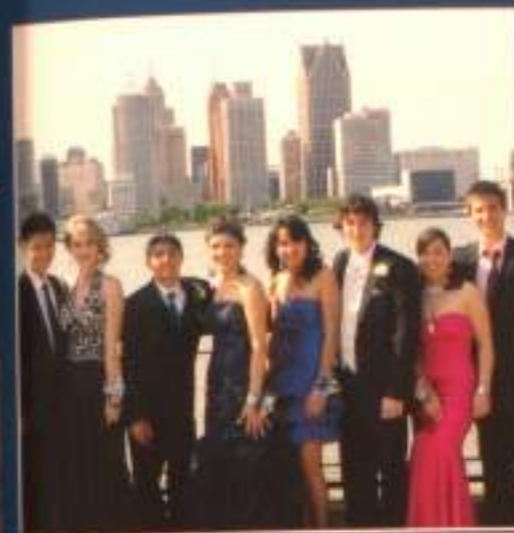

Semi-Formal

Feb. 21, 2009

Under the starry skies, dressed up in sparkling shades of midnight blue and luxurious black, students danced the night away. Massey's semi-formal was held at the Caboto Club, and the spacious banquet hall was adorned with transparent balloons and glass centrepieces. Delicious food and good music made the night an unforgettable one. Thank you Mrs. Frye, Ms. Morton and the semi-formal committee for organizing this event!

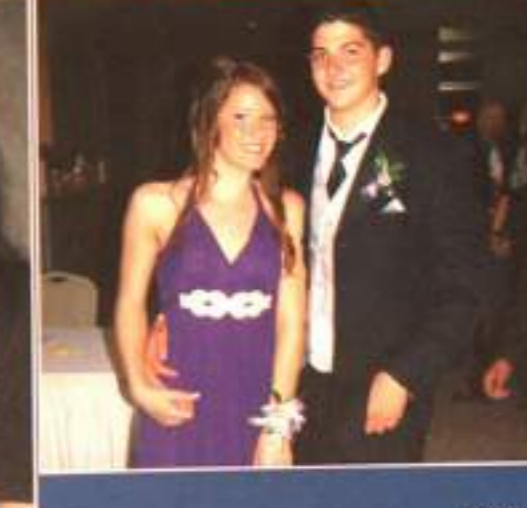

Prom

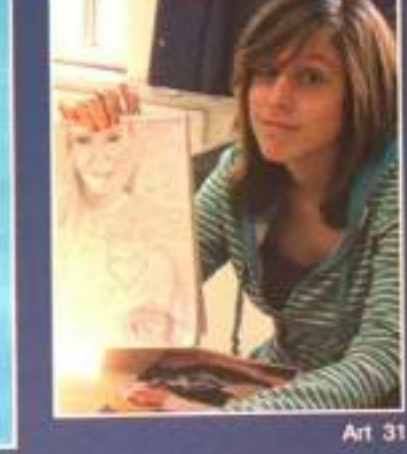

On May 22nd, the seniors and their guests enjoyed a wonderful "Midnight Soiree" at Torino's Banquet Hall. Thanks in huge part to Mrs. Coletti and Mrs. Frye, prom coordinator Nikki Moshiri, and the other members of the Prom

Committee, the night was one to remember, accented with beautiful centrepieces and hall decorations. The "one-of-a-kind" dresses and somewhat similar, but highly personalized suits made the perfect finishing touches.

Staff

Mr. Caldwell

Remembered

Mr. William Gordon Caldwell has been a fixture of student life for most of Vincent Massey's 49 years as a secondary school. For 37.5 years he was a brilliant math teacher, a dedicated soccer and curling coach, and, most of all, a trusted leader and beloved mentor for students and staff alike.

His was a presence that, while missed, will remain a vital part of the school community; Mr. Caldwell had

a lasting impact on his students and the teachers he worked with. Several Massey staff members, in fact, have been both, having been in Mr. Caldwell's class as a student and then followed in his footsteps to become teachers themselves.

"We can take comfort in the knowledge that we were taught by the best," said former student and colleague Mr. Baglolo. "Because we were taught by Mr. Caldwell."

Colleagues 35 Years: Mr. D'Amico and Mr. Caldwell.

Respect: Members of the girls soccer team with flowers presented by St. Anne's as a tribute to Coach Caldwell.

Graduation. Class of 2009

Massey's 49th Annual Commencement Exercises were, as usual, a beautiful send-off for the graduating class. Excitement was pal-

pable as smiling grade twelve students crowded into the Ciociaro Club on the evening of June 22nd. They wrangled themselves into formless blue gowns

and ill-fitting caps, and chattered eagerly with their classmates as they arranged themselves into alphabetical order for their procession into the hall.

The commencement is a long ceremony, with numerous speeches and award presentations, but the graduates didn't seem to mind. Graduation is

a time to celebrate the achievements of classmates, reflect on the past four years, and just be together as a group one last time before everybody goes

their separate ways off into the real world. Graduation, of course, is not about an ending, but a beginning. When Mrs. Smyth instructed the

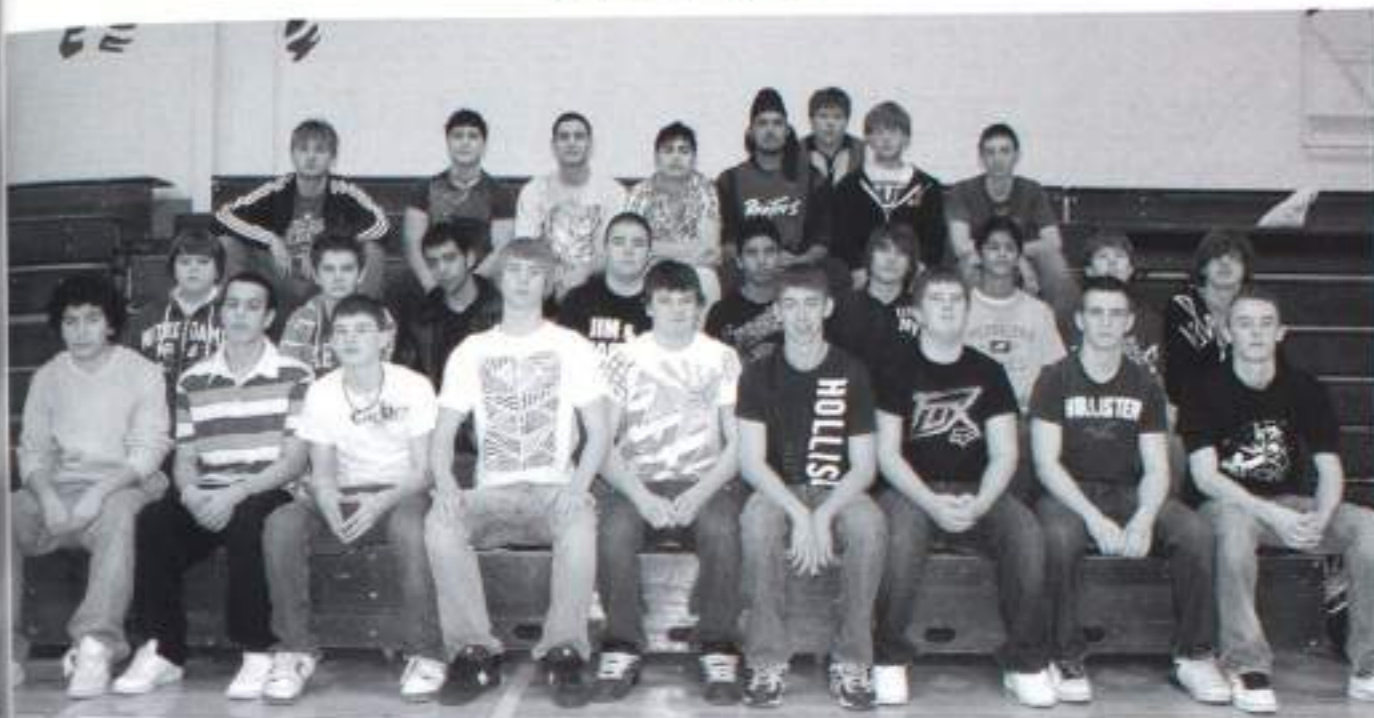

new grads to move their tassels from the right side of their mortar boards to the left, their commencement was official. They were no longer Massey

students, but Massey graduates, ready to take on college, university, and the world.

School of Champions

Massey dominated Windsor area high school sports in 2008-2009. Mustang athletes won medals or titles in an impressive 10 different athletic disciplines.

The banner year kicked off with what are starting to seem like annual events - city championships in both tennis and cross country. Massey's tennis team won the WECSSAA and SWOSSAA Open team championships and qualified 5 players for OFSAA. The Cross Country team delivered city championships in the senior divisions for both boys and girls, and then proceeded to dominate OFSAA as well.

Massey teams that haven't been as consistently successful in recent years elevated their games and contributed to the Mustangs' winning ways this year as well: the senior boys basketball, boys baseball, senior football, and senior and junior girls volleyball teams all won their first city titles in recent memory. Both girls volleyball teams continued their success and captured SWOSSAA gold as well.

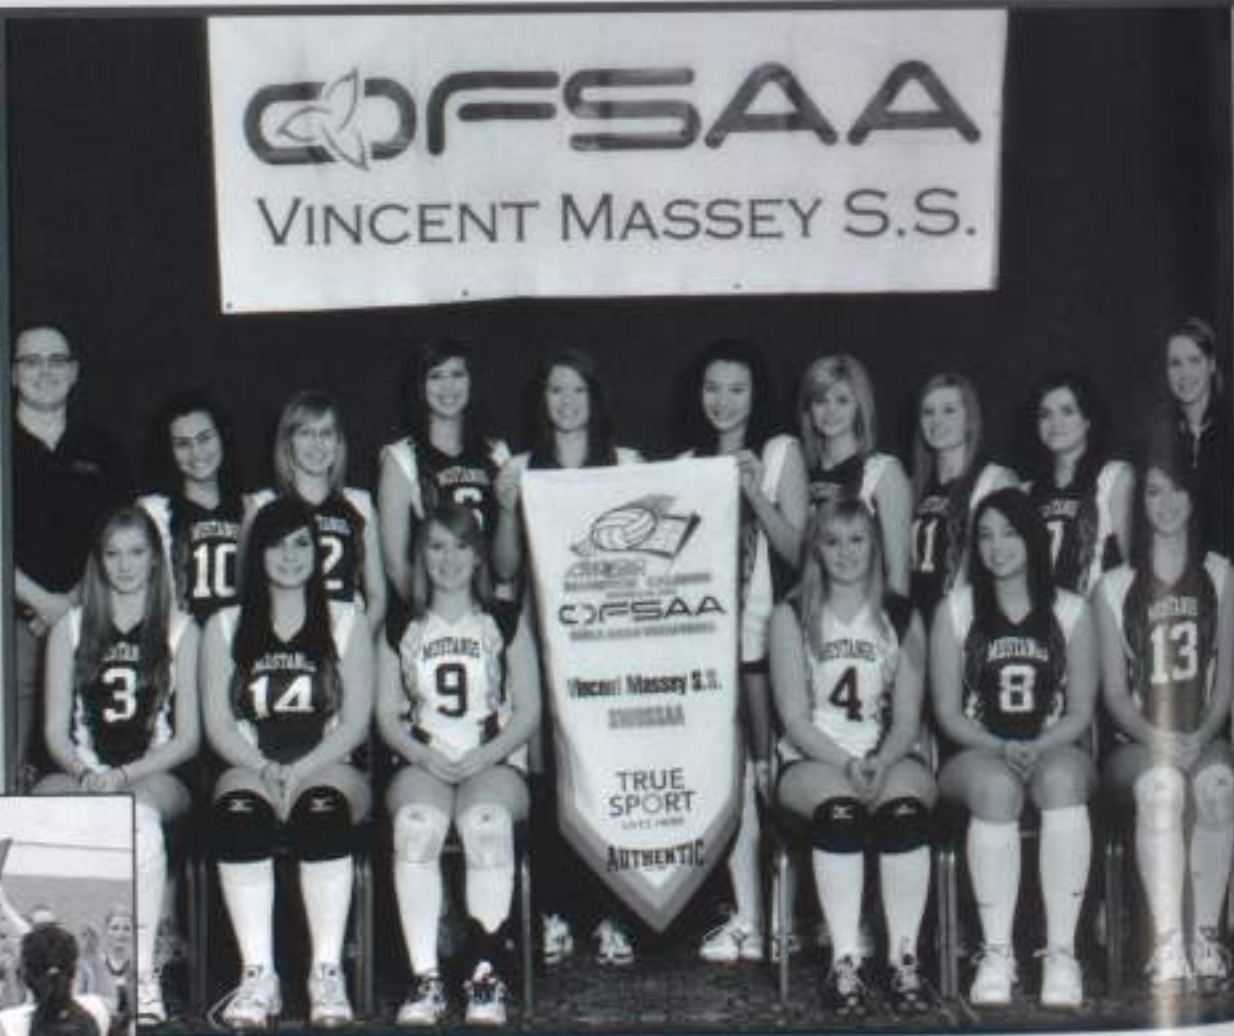

The curling, swimming, and badminton teams built on previous success this year. The boys curling team finished first and second in the recreational league, playing off for gold in an

all-Massey final. The swim team sent an impressive thirty swimmers to OFSAA and came home with gold in the boys relay, and badminton won the city title again.

The athletic year came to a close in familiar fashion, with the track team winning the overall WECSSAA and SWOSSAA team championships and sending seven athletes to compete at OFSAA. OFSAA Tennis, which happens months after the regular season is complete, saw the Massey boys doubles team win gold, capping an excellent year for Massey sports.

SENIOR GIRLS VOLLEYBALL

The senior girls volleyball team were WECSSAA and SWOSSAA champs, and earned a trip to OFSAA in Brampton.

SENIOR FOOTBALL

A large crowd of Massey fans braved the wind and cold to watch the Mustangs win the Wilson Conference championship game at Alumni Field.

BADMINTON

The junior and senior badminton teams each won city team championships this year, continuing Massey's dominance in this sport. Junior doubles teams Andrew Ng and Jacob Robson, and Katie Rizea and Bonnie Ton won city titles. Senior doubles partners Ben Craig-Paul and Wallace Lee qualified for OFSAA. Rebecca Zhang finished fourth overall in girls singles at OFSAA.

TENNIS

Doubles partners Otto Keresztes and Alex Dimitrijevic took the OFSAA gold medal at the Rexall Centre in Toronto. Doubles team Andrew Ng and Jeremy Houston were 7th, and Amy Liu won girls singles gold at SWOSSAA. Massey was also Open Division Team Champions at WECSSAA and SWOSSAA.

CURLING

Massey dominated WECSSAA recreational boys curling, finishing first and second. Gold - Jason Maisorville, Cameron Little, Ashank Bains, Stephen Ng. Silver- Calin Murgu, Kevin St. Denis, Jamal Mahammad, Adam Gaudet.

SWIMMING

Eric Ellis, Dan Sionov, Kameron Bagherian, Andrew Antic, Wan Lei Wei, and Kiril Seksonov brought home the gold in the 200m Medley Senior relay and silver in the 200m Freestyle Senior relay. Kameron Bagherian and Andrew Antic both received individual bronze medals.

BOYS BASEBALL

The boys baseball team capped a near-perfect season with two playoff victories over St. Anne to win the WECSSAA title.

CROSS COUNTRY

Massey Cross Country continued its dominance, winning overall gold at WECSSAA, taking senior girls and boys golds at SWOSSAA, and girls silver and boys' fourth straight championship at OFSAA. Massey's top four senior boys all finished in the top 15 in the province!

SR. BOYS BASKETBALL

1. Massey's first basketball championship in years came courtesy of the senior boys, who won the second tier final this year.

TRACK AND FIELD

2,6,7. The track team were the overall WECS-SAA champs and the senior boys and girls team champions at both WECSSAA and SWOSSAA. At OFSAA javelin thrower Austin Kennedy (pictured on opposite page) won gold, and Krystal Goodwin (also shown on opposite page) won silver in the girls Steeplechase.

JR. GIRLS VOLLEYBALL

4. The junior girls helped complete a Massey girls volleyball sweep with WECSSAA and SWOSSA championships.

MUSTANG AWARDS

- 3. Junior Athletes of the Year Brody Rupert and Madison Wallace.
- 4. Senior Male Athlete of the Year and Principal's Award winner Austin Kennedy with Mrs. Nantais. Austin Kennedy also won the Royal Arcanum as the best male athlete in WECSSAA.
- 8. Principal's Award Winner Krystal Goodwin (left) and Senior Female Athlete of the Year and Mustang Award winner Gadeer Sobh (right).

Outstanding Clubs

Massey has an astounding number of clubs. Groups of students in our school do just about every conceivable activity - they work out, study medical dramas, participate in science competitions, and entertain their peers, among many other activities. Some clubs, however, are recognized for their outstanding achievements. These are groups of students that achieve beyond the basic expectations.

Above Right: The Massey Science Olympics organized their second annual Science Olympics for elementary students. Students from Massey's feeder schools came to Massey to participate under the guidance of our students.

Above: The Science Olympics Club participated in Science Olympics at the University of Guelph and McMaster University. At Guelph Massey picked up several first place medals. The team was also third at the Great Lakes competition.

Lower Right: Members of the Massey Odyssey of the Mind team performed excellently at all their regional competitions and qualified to compete at the World Championships in Ames, Iowa.

Below: The Massey Debate team participated in several competitions this year and performed very well, including a first place finish at a University of Windsor competition.

Science Olympics Team

Above: The Reach for the Top team continued the tradition of Massey dominance in Essex-Kent, taking the local title and competing at the provincial tournament in Toronto.

Left: Massey Green did various activities such as planting trees, school clean-ups, and recycling drives. Massey was certified silver in Ecoschools this year.

MASSEY MATH

FERMAT

WATERLOO
Massey's annual trip to Waterloo University was once again a resounding success.

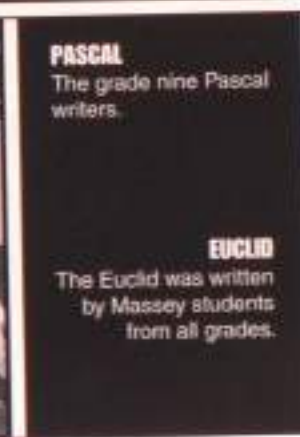

AMC
Massey once again participated in the American Mathematics Competition.

EXCELLENCE

EUCLID
The Euclid was written by Massey students from all grades.

Contest Results

Massey students were highly successful in math contests again in 2008-09!

Pascal

34 481 grade nine students across Canada wrote the Pascal this year. VMSS finished 2nd in the Essex-Kent area and 35th nationally. Of Massey's 132 participants, 70 placed in the top 25% of Canada. The top students were Sean Lu, Hunter Qin and Zhewei Sun.

"Massey finished first in Essex-Kent."

Cayley

26 789 grade tens from 1339 Canadian schools wrote the Cayley. VMSS was second in Essex-Kent and 11th in the nation. 101 Mustangs participated and 44 of them finished in the top 25% of Canada. Tops were Heinrich Jiang, Tiger Zheng and Fan Yin.

Fermat

Massey finished first in Essex-Kent and 16th in Canada out of 1244 schools. 65 Massey grade eleven students participated and 31 of them placed in the top 25% of the 23 196 Canadian participants. The team was led by James Duyck, Yefan Chen and Joy Wang.

Euclid

16 292 Canadian participants from all grades wrote the Euclid. Massey finished first in Essex-Kent, and second out of 1176 schools nationally. 130 Massey students participated and 75 of them finished in the top 25% in Canada. The team was led by AnQi Zhang (20th), Frank Ban (11th) and Peter Wen (9th)

"Massey finished 2nd and 3rd in Canada."

AMC

300 Massey students took part in the American Mathematics Competition's AMC10 and AMC12 contests. Brenda Huang was Massey's top scorer in the AMC10, a junior contest for grade 9 and 10 students. On the AMC 12A and AMC12B contests, Massey finished second and third, respectively, in

Canada. As a result of their performance on the AMC12, 32 students were invited to write the 3 hour American Invitational Mathematics Exam. James Duyck, Frank Ban and Peter Wen further qualified to write the USAMO.

SCIENCE

Pia Sengupta and Tiger Zheng finished in the top ten percentile in the Michael Smith Science Challenge 2009.

CHEMISTRY

Massey students reaped great success in both Grade 11 and 12 chemistry contests. In the Avogadro competition, James Duyck, Aurick Qiao, and Michael Chen finished in the 99th, 97th, and 92th percentile respectively. In the Chem-13News Contest, Jason Fan performed well and scored in the 94th percentile in Canada.

PHYSICS

In the Ontario Association of Physics contest, James Duyck topped the competition with a third place finish over 1200 students. Of the 3000 students who wrote the grade 12 Sir Isaac Newton Physics contest, grade 11 student, Aurick Qiao, finished with an impressive 81st rank.

BIOLOGY

Massey displayed another stellar performance in the University of Toronto's National Biology Competition with two students in the top 250. Jason moved up in the rankings to 11th overall of 5410 competitors. Priscilla Vuong was recognized as a National Biology Scholar. Massey's team finished 26th of 300 schools around the globe.

COMPUTER SCIENCE

Massey students once again dominated in majority of the computer science competitions.

In the Canadian Computing Contest, Heinrich Jiang and Fan Yin both topped the junior field with first place finishes of all competitors. In the senior contest, Peter Wen, Frank Ban, and Tom Szymanski all tied for 6th in Canada.

Peter Wen placed in the top four and will be representing Canada at the IOI in Bulgaria.

In the ECOO Programming Competition, Massey's three teams swept the Regional stage and tied for 2nd at the final.

Massey took part in the DWITE competition with a large marginal victory by nearly double the second place school's score.

ENGLISH

Seila Rizvic medalled with a second place finish for her opinion piece in the highly-competitive Toronto Star High School Newspaper Awards.

Stephanie Palazzolo won the Families First Essay Award.

Jason Fan, Gillian Elder, and Zainab Ibrahim swept the BookFest Windsor Poetry Contest 2008.

The 2008 Program to Recognize Excellence in Student Literary Magazine awarded Massey's Literary Journal a ranking of Excellent. The committee consisting of Sarah Alsaden, Doug Baert, Sarah Finalyson, Andrea Grenier, Edward Langstone, Jane Meng, Erin Mudge, Devon Pastorius, Nothando Swan, and Krista Wright.

In Poetry Institute of Canada-Young Writers Contest, Frank Ban, Angela Shi, and Alice Souvannarath won individual prizes. Massey's Writer's Craft Classes received 2nd prize in Canada for Best Group of Entries from a High School.

CONTEST WINNERS

We are all very familiar with Massey's successes in Math contests, as is most of the city. There are, however, other contests in which Massey students excel, such as computer science, chemistry, physics, accounting, and writing contests.

Mr. D'Amico Retires

LONGEVITY
After 35 years as the leader of Massey's music program, Mr. D'Amico decided to retire after the 2008-2009 school year.

PASSION
Anyone who spends more than five minutes in Mr. D'Amico's presence can tell he is passionate about what he does. Throughout his career he cared intensely about his subject, his students, his colleagues, and about Massey.

DEDICATION
Mr. D'Amico's dedication to his students extended well beyond the classroom walls. Throughout his career he generously volunteered to enrich the lives of his students by conducting the band, coaching hockey and tennis, and leading band field trips all over the world.

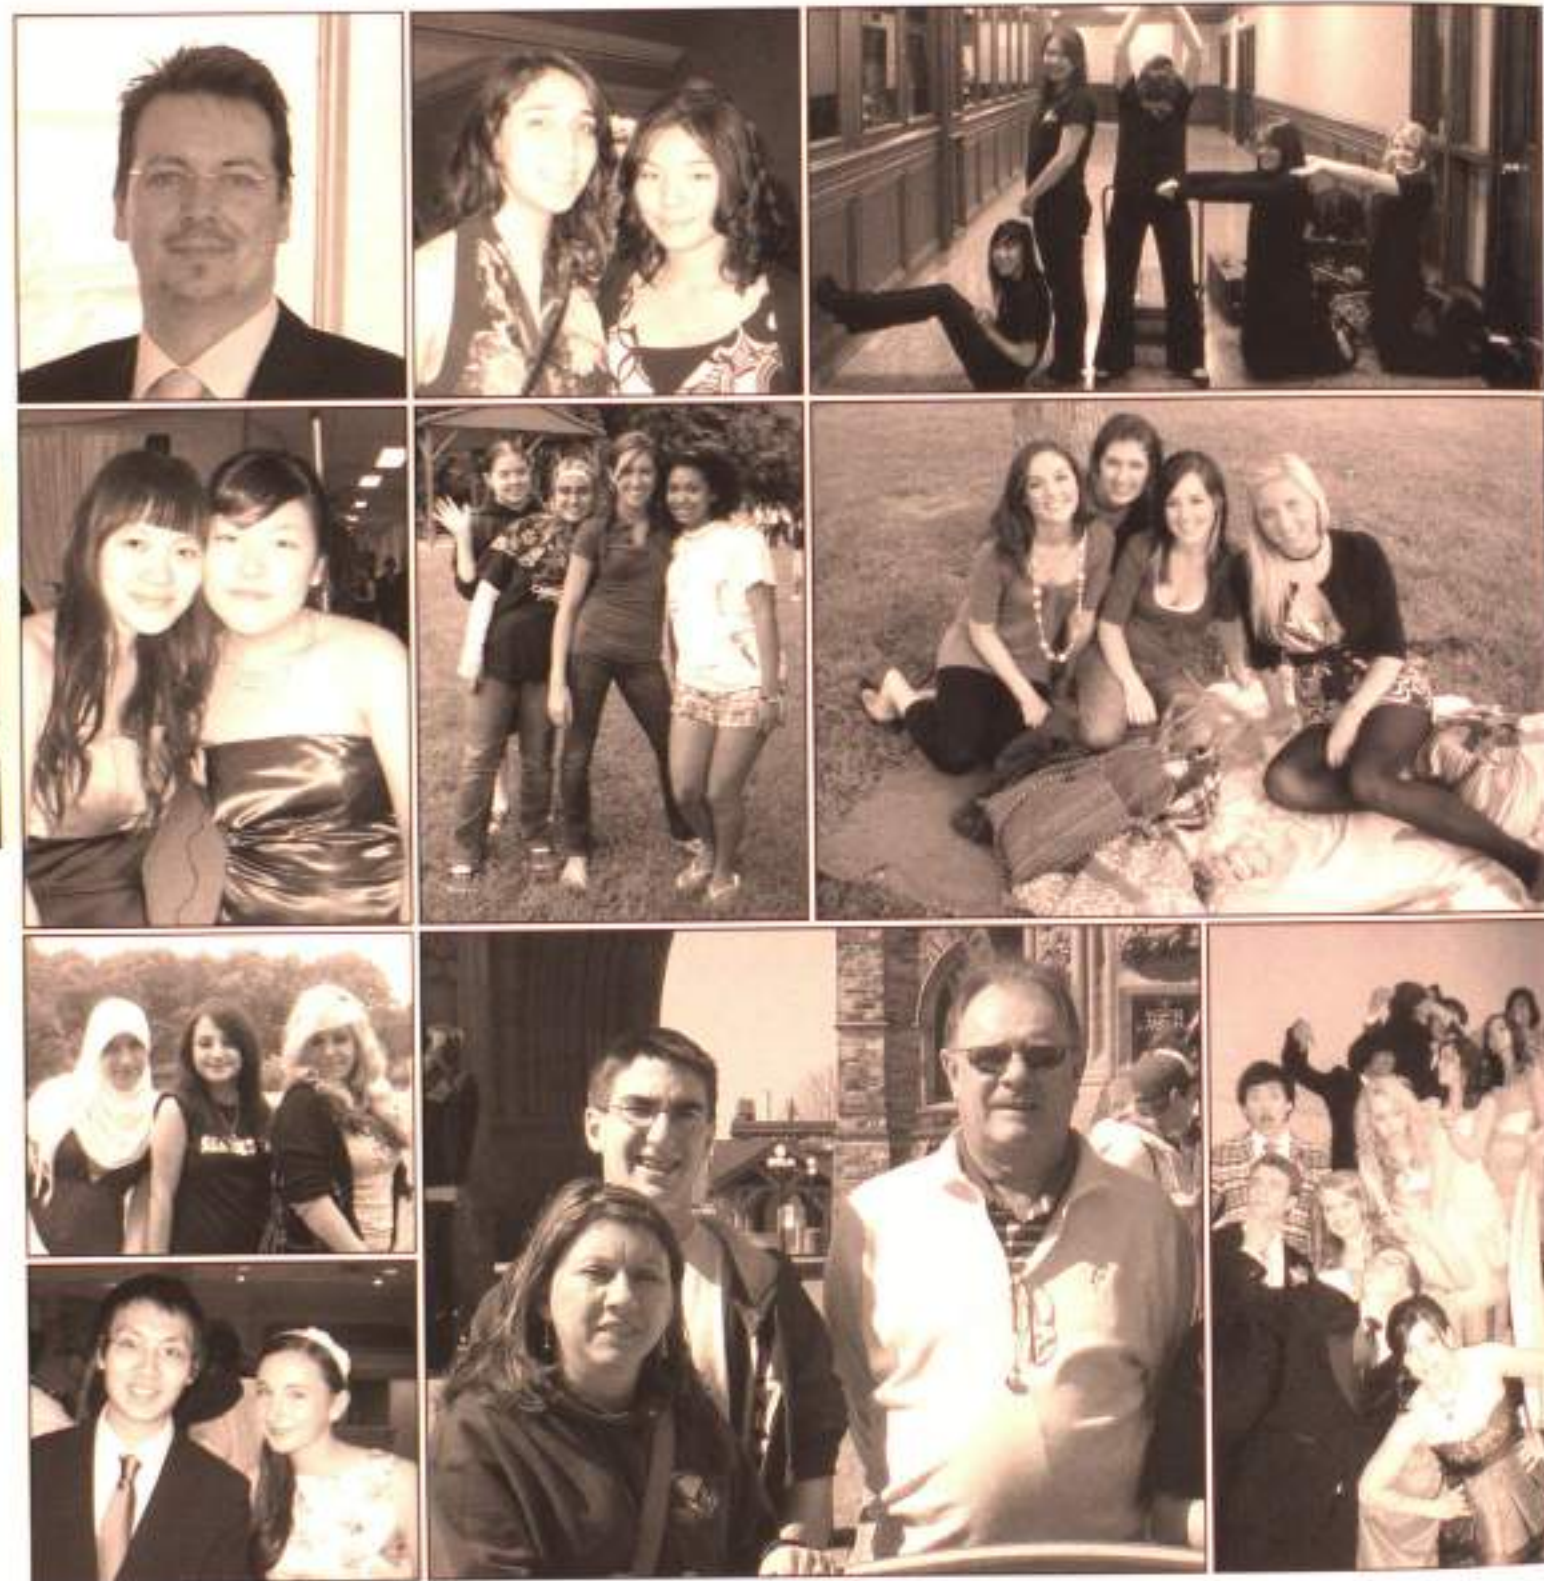

IMPACT
Even though Mr. D'Amico will no longer teach at Massey, his impact will continue to be felt. His passion has been an inspiration to his students and colleagues, and the tradition of musical excellence he started will continue with his successors.

YEARBOOK STAFF

To the Student Body,

This year seemed to pass by at the speed of light, just long enough for Massey to attain yet another round of impressive achievements. I am proud to say Student Council is no exception: we were able to make successful improvements to old ideas and execute a number of original events, some of which won us the title of Most Creative Council by the Student Senate (the other schools were dazzled and I hope you were pleased). As exasperating as it sometimes gets to satisfy a school full of immensely talented and extremely diverse individuals such as yourself, it has always been a pleasure to work for you. After all, the only thing Student Council could be sure of throughout everything was that we would never be at a loss for inspiration, enthusiasm, or support from the Student Body.

In a place like Massey where high expectations are sometimes the only expectation, you have exceeded mine and I hope I have exceeded yours. It truly has been an honour.

Here's to a fulfilling year, and a limitless future!
Sunny Lu

"Here we are, trapped in the amber of the moment."
- Kurt Vonnegut

Throughout this year, the yearbook team has taken snapshots of special moments in time at Massey. Some were unforgettable, others bittersweet. The past is definitive, empowering, and most of all, worth remembering. As you flip through these pages we hope you can relive the resonating cheers at pep rallies and football games, the overwhelming sense of fulfillment when giving back to our community, and the excitement of much-anticipated performances, plays, and fashion shows.

Every single person has left a mark in the hallways of this school, and even after you leave, we don't want you to forget the good times you've shared. We hope you'll take lasting memories and lifelong lessons with you as you continue the journey of life, and that you'll hold on to this yearbook as a lifelong keepsake. Maybe one day - 20 years from now - you'll look back, reminisce, and smile.

Sincerely,
The Yearbook Staff
