Dolores,
 So how was your year?
 Make sure you treat Rick
 like a king, he's a nice
 guy. Have a good summer

THE BLUE AND WHITE

Three cheers to thee, beloved school,
 Collegiate we so revere,
 To all the Thy praise we'll tell,
 Of thy virtues all will hear.
 Dear Blue and White, Dear White and Blue,
 Our loyalty we pledge to you.

In basketball, on soccer field,
 Debating and all the rest,
 In sports and academic work
 You rank among the very best.
 Dear Blue and White, Dear White and Blue,
 Our loyalty we pledge to you.

Fond memories and thoughts of thee,
 Shall e'er our hearts abide
 Dear Walkerville thy name shall we
 Cherish with abundant pride.
 Dear Blue and White, Dear White and Blue,
 Our loyalty we pledge to you.

CHORUS

Collegiate of our hearts, a song to thee we'll
 raise
 Our Alma Mater dear we'll shout afar they praise
 Colours of Blue and White, we'll keep thy standards
 high.
 Collegiate of our hearts, we'll love thee till we
 die.

or else "Papa don't Preach"

FACULTY

THE PRINCIPAL . . .

This year Walkerville students continue to demonstrate concern for people and service to others. Our S.A.D.D. chapter, Peace Links People club, blood donors and U.N. Club are all active examples of this concern and service.

True to our motto - NIL SINE LABORE - students and teachers have also produced some memorable academic and athletic successes. You lack numbers but possess vitality and your fine efforts are recognized.

Speaking of recognition, I am happy to note that Mr. Lozinski's leadership and administrative skills have been recognized and he had received a promotion to Superintendent of Schools. He deserves our sincere thanks for his fine work here at Walkerville. His will be "big shoes" to fit in more ways than one.

Also leaving Walkerville this year as they retire from teaching are Mr. Bud Roberts and Dr. Ilka Oksanen. Thank you both for your contributions to the success of Walkerville students.

As you know, Walkerville's face-lift was completed over the summer and thanks to fine care by our custodial and maintenance staff members, the school looks great.

In years to come I know this issue of The Blue and White will awaken memories of these experiences and emotions. I hope that most of them will be happy.

Again this year we have been fortunate to have Mr. Don McLeod as sponsor teacher for our yearbook. Congratulations to editors Robyn Molyneau and Jordynn Gloster for another fine Blue and White.

FAREWELL TO A GOOD FRIEND

Walkerville is losing Mr. Lozinski this year. He has been promoted to the position of Superintendent of Schools with our neighbouring Board of Education.

While we are proud of him and pleased with his success, we regret his loss to us. Mr. Lozinski has been one of Walkerville's strengths for many years and students and staff members alike will miss his fine performance.

. . . AND HIS VICE

Sixty-seven years ago, an Australian poet wrote:

"though we work and toil and hustle,
in our life of haste and bustle,
All that makes our life worth living,
comes unstriven, far and free."

I believe A.B. Paterson in "Come-By-Chance" was saying that irregardless of our plans and conscious goals in life, much of what makes life worth living consists of the myriad of daily occurrences that just happen to become part of our existences . . . the main office at 9:10 am any Monday, the cafeteria at Thanksgiving, Christmas carols in the front lobby in December, end of semester exams in June, our C.L. kids at work or play anytime and a thousand other "happenings". They all come into focus in a yearbook which brings "unstriven far and free" a cross-sectional selection of memories that were a part of our lives in the last school year. Congratulations to our editors Robyn Molyneau and Jordynn Gloster and sincere thanks to Mr. McLeod for bringing into focus so many images and impressions of yet another year in the proud heritage of Walkerville Collegiate . . . "all that makes our life worth living."

Thanks to all of these teachers, coaches and patrons who help to make Walkerville the active school that it is!

Buddies forever!

We love lunch hour!

Aren't Libraries great??

Quiet out there!!

No! No! No! You can't come in here!

Don't you have a couple of overdue library books?

Do you have flyaway hair?

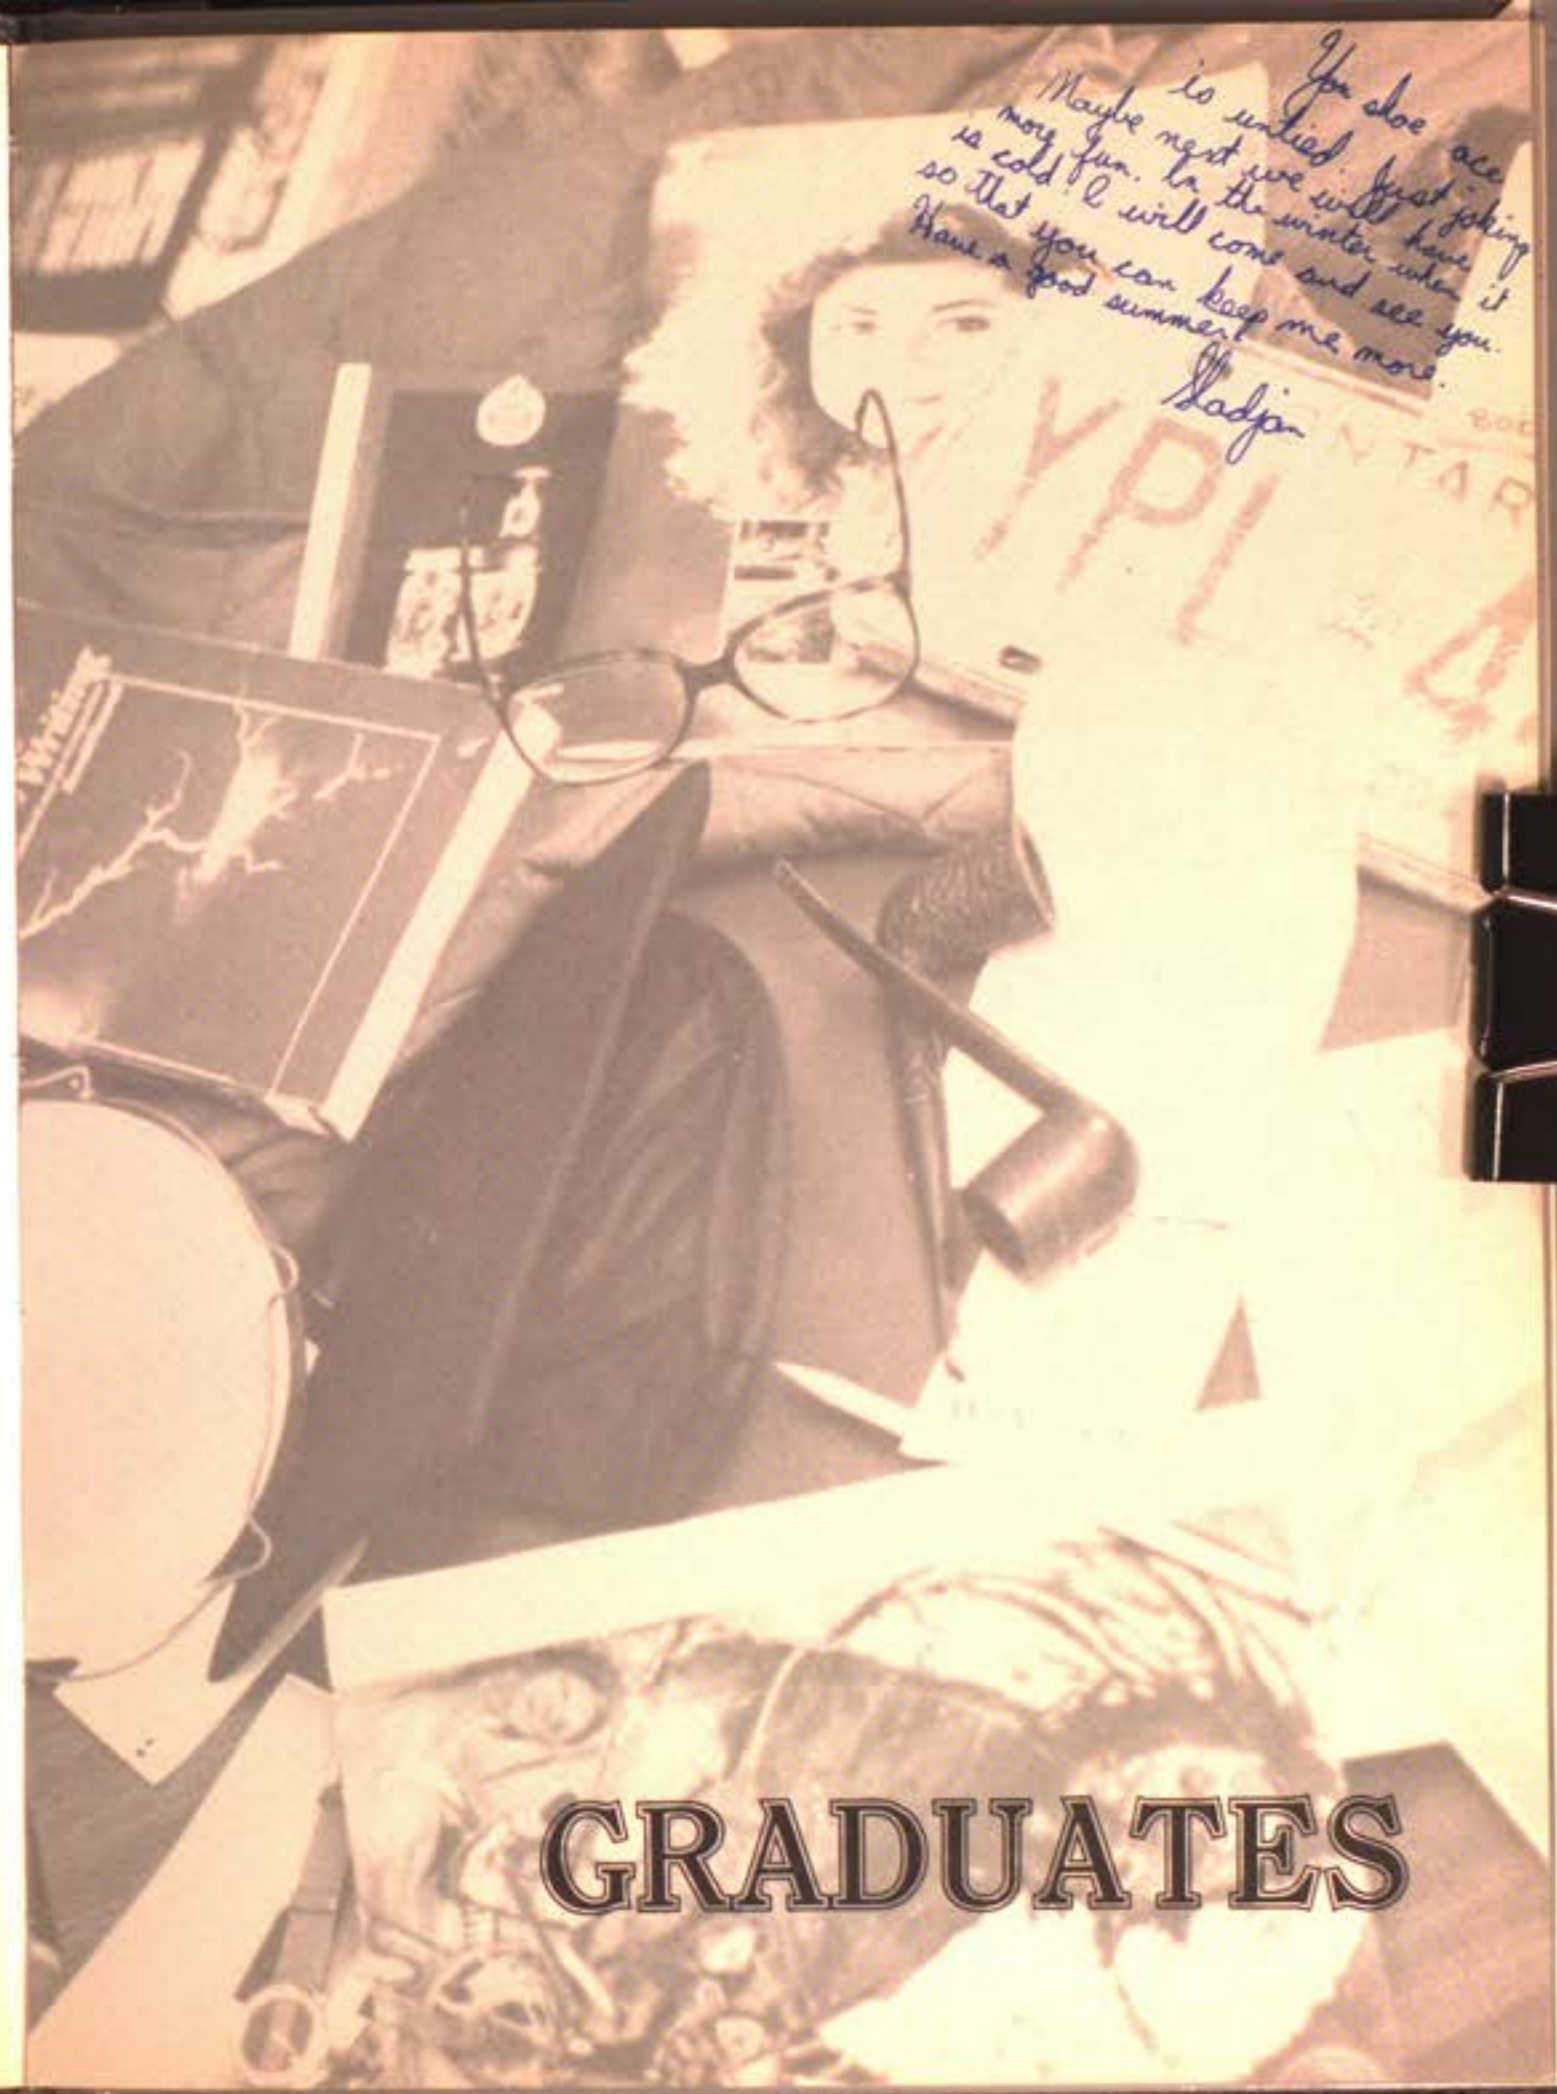

Wake me when I get to class.

Nice tie, eh?!

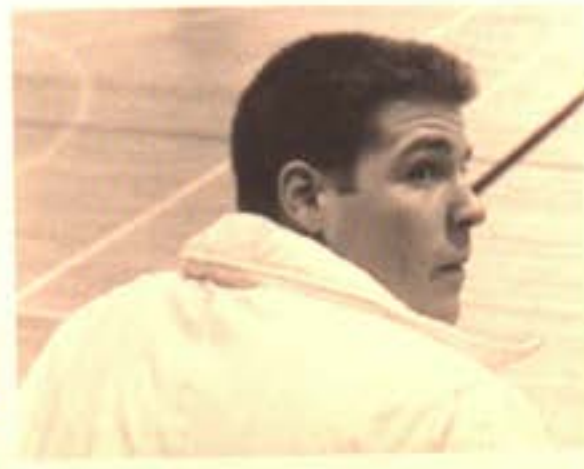

You shoe ace
is untied. Just joking
Maybe next we will have
more fun. In the winter when it
is cold! I will come and see you.
so that you can keep me more.
Have a good summer.

AGORA PRESIDENT

Thanks to all the Walkerville students for their co-operation and support during the year. Good luck to next year's leaders! I leave you with my best wishes.

X. Eric "Blood" Bost
 Agora President 1987-88

AND HIS VICE!

Fellow Tartans:

It's been a unique year; apart from Mr. Lamare's amazing veto power we did pretty good. Many thanks should be extended to the inner executive for their hard work in making Walkerville an even better school than it already was. Mr. Bourdeau, high school isn't really Mickey Mouse, is it? You did a phenomenal job!

Be proud to be a Tartan, and let's try to get another winning team next year. Matt, I'm gone now, you can have my job. It's been real, have a great life.

X. Scott Harrop
 Agora Vice-President 1987-88

P.S. - Thanks to the guidance office gang for doing my homework all year!

YEARBOOK EDITORS

Let us paint you a picture. It's 4:30 pm, school has long since been dismissed. Children (our gr. 13's) are playing, Jordynn is late for another volleyball practice and Robyn is pondering the thought "I need a man". All because we're locked up in the back room of the office with the sound of "Add It Up" coming through the radio. What has put us in such a sorry state, you might ask. Why, the Yearbook of course. We've learned in the past 7 months that with this job there comes no free time, whether on our spares, during the Christmas break or exams.

This year we've tried a few new ideas, hopefully noticeable to you! There's more candid than ever, which you asked for. For beginners we think we did an O.K. job.

If you have any complains, don't bother because we'll both be hiding out at the Orthodontist's office.

And now for all those sentimental thanks we're required to dish out.

First to Mr. McLeod, thanks for putting up with all of our "Garbonzo Beans" and always being there when we needed help.

Thanks to Greg Saunders, for what, we're still not sure, but if you see him, which we haven't, tell him that we still need a picture of the school, perhaps for next years edition.

To our staff. Even though there wasn't a lot for you guys to do, you were there for the dance and to listen to up pretending that we knew what we were doing at all those meetings! Thanks.

To the Agora and the Secretaries. The Agora because we now have a place to call home in the Agora office, and the secretaries who let us borrow everything of theirs, and fool around with the photo copy machine. Thanks.

We're looking forward to another year of copy, ripped up pictures, and advertising (seriously, we really mean it this time.).

It was a great year. Thanks for the memories! To those graduating, have a great life (we're sure you guys will!), and to the rest of you, See ya in September.

CHALLENGE CUP '87

Walkerville entered its first team in the Challenge Cup in 1987. In 1980 Windsor was the pilot community for the first challenge cup in Ontario in which The Windsor Chamber of Commerce provides a day of competition for corporate and institutional employees with the aim of informing as many people as possible about the wide range of healthy alternatives available in the community. Friendly and competitive is the name in a series of fitness, recreational, and cultural activities called Challenge Cup.

Last year 194 teams competed with first there going to General Motors of Canada-Windsor Transmission Plant. Our WCI team came in 49th with 5th and 7th place finishes in individual events which included a blood drive resulting in over 5 500 pints of blood being donated to The Red Cross, 50 000 canned goods to Goodfellows and \$5 600 in donations for the Terry Fox Run Against Cancer.

Our Challenge Cup Team for '88 is already being formed from volunteers in our Walkerville community, from office staff, janitorial staff, community living staff and teaching staff. We look forward to blood drive and canned goods support from our student body.

FIRST ROW: Lillian Mitchell, Patty Zuerina, Joan Walker, Dina Doig, Ann Spicer, Audrey Homick, Sandy Meloche, Brian Donahue.
SECOND ROW: Harold Konrad, Gerry Bondy, Ron Swintak, Warwick Mercer, Bill Lozinski, Tim McCarthy, Don McLeod.
THIRD ROW: Phil Jones, Tom Parsons, Darlene Jubinville, Bonnie Benson, Margaret Meers, Donna Parsons, Andy Root.
