PRINCIPAL'S MESSAGE

THE FIRST HUNDRED YEARS

What does Centennial mean

to you?

I hope it means a time to celebrate - a year marked by some happy and worthwhile activity - a year to be remembered because you contributed to the effort your school or other group made to mark the occasion. (Incidentally, I'd like to congratulate the Blue and White staff on their fine Centennial achievement.) I am sure that for many the

end of the first hundred years will focus attention on the beginning of the next.

It is obvious that the young people who take charge in this second century will have to be better prepared than were their counterparts in the first. The emphasis on necessity for continuing education has resulted in changes in the character of our schools: in curriculum, in technique, in graduation requirements. The paraphernalia of education has changed along with changes in the paraphernalia of housing and manufacturing and transportation and communication.

But there are some areas in education essential to successful living that have not changed. Those qualities of integrity, concern for the rights of others, eagerness to tackle a hard job, initiative, pride in community, loyalty to country, all of which were a background for the education provided by the "little red schoolhouse", are still an integral and invaluable part of what the boy or girl must acquire in our modern, multi-teacher, multi-course schools.

B. W. Brown, B. A., M. E.

VICE-PRINCIPAL'S MESSAGE

This year all eyes are focused on the past achievements and enormous possibilities of our great country. We have survived a hundred years of nation-building - the last half of which our collegiate has been in some measure responsible. I feel very proud to have become a part of this school whose proud tradition and fine success has produced many men and women who have contributed to the progress of our nation.

As we begin our second century we have every reason to look with optimism and confidence in you, our youth, to shape this country as you grow into it. The Canada of tomorrow offers the hope of opportunity to such men and women as will seek it out and grasp it.

NEW TEACHERS

Forster's loss is certainly our gain. MR. MALLENDER, who received his degree at the University of Western Ontario, claims that our school is filled with outstanding students as well as being equipped with an excellent staff. We extend a hearty welcome to him'.

Our guidance department has been extended to include the capabilities of MR. FRASER, a former teacher at North Essex District High. He shows an active interest in the students and the school. We hope that his time here will prove rewarding.

MR. MANDELL, now teaching Latin, History and Guidance, received his degree at Athouse College of Education. He rates both students and school "First Class".

A graduate of University of Windsor, MR. DUNN, finds the students co-operative and the staff, friendly. Our Math scholars will agree that he is a credit to Walkerville Collegiate.

After receiving a degree at the University of Windsor and four years teaching at Essex District High School, MISS HAYS has found her way to W.C.I. where she teaches English. Welcome.

Another new-comer to the home of the Tartans is MR. KELLY. He has shown an active interest in the athletic field as well as in teaching Math.

Science is looking up, since MISS VEZINA has come to lend her capable services to Walkerville. She originally came from Oakville. MISS KNIGHT, a pleasant addition to the Physical Education department graduated from the University of Western Ontario. She finds the "kids' keeness and cheery staff" provide a pleasing atmosphere.

A graduate of the University of Windsor, MISS MANSER teaches French and Spanish. She believes that co-operation and interest combine to mould successful citizens. In her opinion, Walkerville is rich in both categories.

Another former teacher at Forster, MRS. NEIL is happy to be part of our staff. We hope she will enjoy her stay here.

The Elementary School System has lost the services of MR. MATTEIS, who now teaches English at Walkerville.

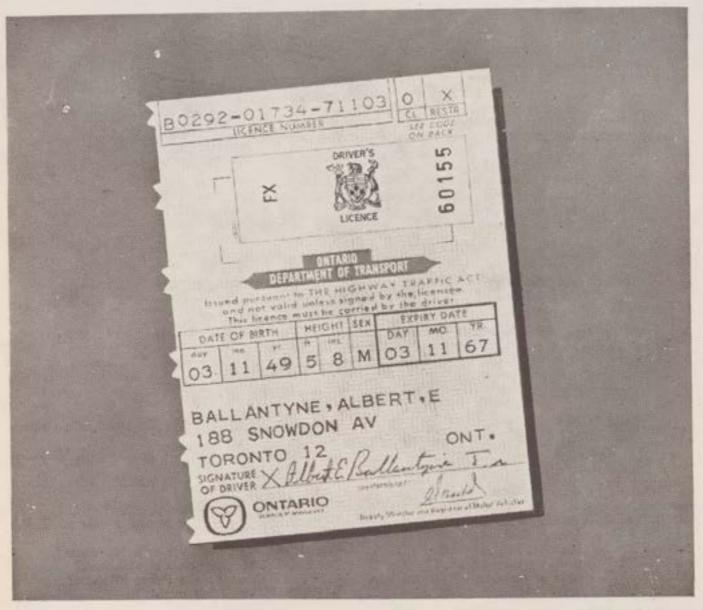

MISS ZAPOTOCHNY also a former Elementary School teacher has chosen to teach French to the students at Walkerville.

Geography students are glad to have MISS TAYLOR as their instuctor. She graduated from the University of Windsor.

Learning French is a pleasure if MISS JOHNSON is the instructor. We wish her success in the time she spends here. Miss Johnson received her degree from the University of Windsor.

MR. McCAULEY, another former elementary school teacher, finds it a pleasure teaching science to Walkerville students.

It's funny how a little piece of paper can put you in a whole new world

Getting your driver's license makes the whole world a brighter place to live in.

You can move.

Without pestering Mom or Dad to drive you. Without depending on anybody else.

But now a lot of other people are suddenly depending on you. Not for rides (although you like the feeling when you give somebody a lift).

But for their lives. And their property.

So don't take chances. Don't try to prove anything when you drive—except that you are qualified to do it.

In every way.

THE HONOUR SOCIETY

The Honour Society was established in 1959. It was set up to honour and encourage students to excel in four categories which are:

Academic Achievement

Athletic Participation

Student Council and Clubs

Service and Talent

The Honour Society has developed a keener interest in the school and is developing leadership qualities.

Group I

When a student accumulates 100 points he is eligible for the honour society. For this he receives a crest.

Group II

When a student reaches 175 points he receives further honour and a ring. Group III

When a student reaches 250 points he receives a trophy and his picture in the school library.

Mrs. Monger should receive a great deal of credit for the work that she puts forth. The Honour Society is well organized in her hands.

Canada's Centennial Year is a time to look of the pest with pride and to the future with anticipation. This year we should also take time to look at Walkerville Collegiate's past with the pride that her outstanding achievements should inspire. Then with a knowledge of our personal copabilities at present we should decide what our contribution will be towards an increasing greatness in Walkerville's future. For it is to the present students of Walkerville that we look for the materials from which to build this continuing heritage.

Let us take a look at the foundations of the outstanding Walkerville tradition. Of extreme importance to aur school from Its beginning was the Staff. Men Like J. L. McNoughton and W. N. Ball, two former principals, together with a devoted staff moulded this school into a place whose reputation for scholastic and athlatic excellence was second to none. However, the students themselves are also responsible for these achievements. These students provided the menkers for the early team that brought glory to Walkerville athletically ---- such as the Boys' Soccer Team which won the W.S. 5. A. Championship five times in the six years before 1929. These students were the Ontario scholars and award winners who larought renown to Walkerville scholastically. All of these students have given us an example to follow and from them we have inherited the duty to preserve our school's name.

Let us now look at the present to see what it portends for the future. Presently we have an excellent Principal, Mr. Brown, who is assisted by a capable staff. In recent years we have seen Walkerville score many victories on the athletic field and we have seen her produce many scholarship winners. But we must not rest on the reputation of those who have gone before us. Knowing the past the students of the present must be determined to add to Walkerville's name for the future. It is up to us to accept the successes of the past as the standard and constantly seek to raise this standard. The necessary tools are present, the decision lies with today's students.

It is in remembrance of the traditions of Walkerville that we dedicate this year's book. We have that in it we have captured some of the greatness of the Walkerville tradition ---- we have that this in future years will serve to inspire other students.

ACKNOWLEDGEMENTS

This year's Blue and White is an historical yearbook for our school. It is historical not only because it was printed in Canada's Centennial Year, but also, because it is the first hard cover yearbook to be available to all students. I want to thank the student body for the privilege of being editor of this year's Blue and White and I sincerely hops that all students enjoy it.

I would particularly like to thank those who contributed to making this yearbook a success:

- The hardworking staff
- The inner executive: Gerry McDonald, Pat Rider, Suzanne Lutsch and our staff advisor, Mr. Haggert.
- Mr. Brown, Mr. Mallander and all members of the staff who contibuted in any way.
- The office staff, Miss Z. McKelvie, Miss H. Opacich, Mrs. H. Patrick, and Miss C. Ray for their help and their typing.
- Mr. Krouse, Mr. Marchini, the commercial classes, and all those who did typing.
- Our photographers, Wild Studio.
- All those private citizens who contributed so generously of their time and talents.

BLUE AND WHITE CLASS REPRESENTATIVES

At the beginning of the school year one boy or girl from each class volunteers his or her services to the Blue and White as a representative for their homeroom. As class representative they are expected to compose their class news and also assist the Blue and White advertising managers in selling advertisements and patron ads. In addition they help to stimulate interest in the year-books throughout the school. We hope these students will continue to retain a position on the staff in future years.

BACK ROW: Bob Osborne, David Milburn, David McKenzie, Bill Anderson, Tom Robson, Garth Eley, Ron Renaud, Alan Luborsky, Ken Bialkowski, Larry Konyu. SECOND ROW: Rick Storrey, Jay Haddad, Bruce McLaughlin, Christine Goggins, Judy Stewart, Jennifer Lacy, Margie Anderson, Gabrielle Bocioaga, Joan Bartlet, Pat Kwapsz, Barbara Long, Michael Kall, Don MacLeod, Ivan Benic. FIRST ROW: Mr. Dimmick, Dianne Berkeley, Cathy Stewart, Ruth Hillman, Janice Drakich, David Young, Reed Smith, Patty Green, Kirk Lyon (President), Meg Johnson, David Saltmarche, John Ritchie, Anne McConville, Sandra Miller, Barbara Bell, Jacqueline Pask, Mrs. Lawson.

On September 28, 1966, 44 individuals gathered together for the first time to perform a function which is an integral part of school life. A new Agora accepted an arduous challenge passed on by its predecessor, a challenge which demands the total of an individual's creativity and devotion.

Proudly, I can say that each new challenge has been met with enthusiasm and integrity; each reversal accepted as a lesson.

What motivates a student to accept the responsibility entrusted to every Agora representative? Surely, it cannot be glory. Success unjustly tends to be accredited to the president. But what of the others who tend to be un-sung heroes, those who have unselfishly given of time, thought and effort and who have deftly accomplished seemingly insurmountable tasks? The president's report fortunately affords him an opportunity to express the thanks of the Student Body as well as personal thanks for a gratifying experience.

To me, the actions of Reed Smith (vice-president), Meg Johnson (secretary), John Ritchie (treasurer), Patty Green (social), David Young (assemblies) and David Saltmarche (publicity), the inner executive is indicative of the true spirit of the Agora. They undoubtedly deserve special recognition.

An organization whose financial resources reach \$5,000., whose membership numbers in the hundreds and which asserts itself in all phases of school life naturally requires dependable guidance. Again this year, Mr. Brown, our honorary president, Mr. Dimmick and Mrs. Lawson provided the necessary tutelage. Mr. Dimmick's unselfish effort has guided the Social and Assembly Committee to unparalleled success. To Mr. Brown go the thanks of us all. Above all, we must acknowledge the contribution of Mrs. Lawson whose combination of enthusiasm and experience has moulded the Agara into the fine organization which it is today.

The challenge is passed on

GM Leadership Starts With McKinnon

The only way to get to see the McKinnon - built part of a GM car is by lifting the hood - or crawling underneath. That way you can inspect the engine, transmission, differential and rear axle to your heart's content. Most people are satisfied to know that these very important items are all there and functioning smoothly in Canada's most popular cars. And as long as most people are satisfied, then we at McKinnon are satisfied too. You don't see what we build very often - but even the best cars (GM cars) wouldn't get very far without it! Gives us a warm feeling, knowing that we're needed. Have been since 1878, in fact.

In September 1921, Walkerville Collegiate Institute, known as Walkerville Continuation School, opened on the second floor of King George School on Ottawa Street. Mr. Robert Meade was the principal with a staff of one teacher, and a student enrollment of ninety pupils. The present school building at 2100 Richmond Street was completed and opened on November 2, 1922. The formal opening was celebrated with a noon luncheon followed by a programme of moving pictures, a swimming exhibition, and a dance lasting until midnight.

During the first year in the new building, W.D. Lowe Vocational School used the second floor at Walkerville, moving into its present building the following year. At Walkerville that first year the total enrollment was 195 pupils, with 81 in grade nine, 66 in grade ten, 30 in grade eleven, 12 in grade twelve, and 6 in grade 13. Eighty percent of these 195 pupils, passed their June examinations. Classes remained small for some years. In 1928, just one student wrate grade 13 Biology compared with 71 in 1966, eight wrote History compared with 32 in 1966, and only 25 wrote English Literature compared with 129 last year. With the amalgamation of Windsor and the town of Walkerville in 1935, the school began to grow at a more rapid rate and soon all the rooms were in use.

Some interesting facts concerning early school life were discovered by the researchers of this article. Notes of October 1922 stated, "So far our clock system is a complete failure. A man should be put on the system and remain until it works properly, or the whole system should be thrown out." It seems the problem has not yet been solved, even after 45 years. In that year of 1922, the principal said, "We have a beautiful library room, but the books are scarcely worth considering." In 1923, lunch in the cafeteria was a far cry from what it is today--both the food and the location. Lunch was eaten in what is now the home economics room and might have consisted of soup and crackers, or weiners and park and beans for the grand sum of \$.05. Cocco, coffee and milk could be bought for \$.03. The girls of the home economics class would serve soup and milk for forty students at \$.08 per person. In those years only fifteen brought lunches to school. There were problems in those days too, for in September 1924, six trees on the boy's campus interfered with games of football and baseball and had to be removed. Swimming was part of early school life and took place in the same old pool, then known as "The Plunge", considered regulation size. Students swam during lunch hour in 1926.

Social life for these early students of Walkerville would be considered dull by today's standards. A high point in the school year was the annual June trip to 8ob-lo. Students and their families, about 1,000 in all, gathered at the school at 9:15 a.m. for the trek down to Walker's Dock where they boarded the boat and sailed away from books and school work for one glorious day, returning at 8:00 p.m. Dances were few and far between, and rather different, though greatly enjoyed such as the one held between Christmas and New Years in 1926 for ex-students and their parents.

School organizations and activities started small and grew. These included the Literary Society (our Agora), the Boys' Athletic Association, Girls' Athletic Association, The Glee Club, School Paper, the Orchestra, and even a Bird Society in the early years. The Student Council, first known as the Literary Society, changed its name in 1934 to the Agora (taken from the name of the public square in Athens of 500 B.C.). It was in this square that the assembly met is session and its officers were elected by the citizens. A similar procedure is followed in choosing the officers of the executive of our student body. Every grade in the school is represented on the Agora with the representatives elected by their own grades. Membership in the Agora in 1934 was voluntary and a small fee of \$.15 was charged each member to cover expenses. In 1939, with your Agora card, you were entitled to free admission to a dance, basketball game, hockey game, and a school play. The Military Ball in May used to be sponsored by the Agora. In 1940, the Agora took over from the Walkerville School Board the task of providing pins for those pupils obtaining 75% or more in their academic work. Trophies for the best athlete in football, basketball, hockey, and track were provided by the Agora. The Honour Society was initiated in 1960 by the Agora with Lynne Craig its first member. In the same year the Agora started playing a role in the world outside the school by adopting Constantine, our Greek Foster Child.

The present day school orchestra had its beginnings as a school dance band, an early school activity under the direction of Mr. Fails. Progress was slow until 1927 when eighty, musically inclined students joined together under the supervision of Mr. Russo. They gave their first concert December 19, 1928 with the Poet and the Peasant Overture being one of the selections. The orchestra was quite successful and gave another concert on WM8C radio. In 1947, something new was attempted with the result that Walkerville had a concert orchestra, the only organization of its kind in the Windsor Secondary Schools. Plans were made in 1949 to teach music during school as part of the school curriculum, resulting in both growth and improvement in Walkerville's orchestra. A most familiar part of music at Walkerville is of course the afficial school song. This was born as a result of a competition held in 1932 when Miss Lillian Bull's entry was chosen. She wrote both the lyrics and the music. The song was copyrighted in 1932 and upon publication, copies sold for \$.25.

Drama too, was an early part of school activities. The first stage production entitled, "The Princess Bonnie", took place in February 1925. Other plays produced through the years were, "Spring Time", "That's That" and "Spanish Moon". Last year's ambitious production, "Bye, Bye Birdie", a great success, was in keeping with Walkerville's tradition of theatrical excellence.

Literary arts were fostered in the early publication of the school magazine, the Blue and White. This publication took the form of a pamphlet until in 1927, when the first real Blue and White was printed under the editorship of Robert Young. This school year book was abandoned during the depression years of 1933-1938 due to lack of financial support and also during the war years of 1942-1945. The Agora successfully revived it in 1939. A Photography Club was started in 1950 as an outgrowth of the Blue and White photography contest. Through the years the Blue and White expanded still further and a milestone was reached in 1953 with the first appearance of class pictures in that year's publication.

Walkerville Collegiate has always been known for its kilted Cadet Corps. This school activity was formed under the guidance and leadership of Mr. McNaughton in 1927. John Cobura was the first commanding officer over 85 members. They chose the Cameron Tartan as their dress and started a campaign to raise funds to purchase kilts for the boys. The Corps was known as the Walkerville Collegiate Cameron Highlanders, whose namesakes were once described as being, "fiercer than fierceness itself". In 1948, the Walkerville Collegiate Bugle Band was chosen to lead the military parade at the Canadian National Exhibition.

In the world of sports, Walkerville shane brightly even back in her beginnings. In 1924 the girls won the W.O.S.S.A. basketball championship and in 1925, after winning 18 league games, they won the S.W.O.S.S.A. championship. The early Walkerville boys won great honour in soccer, having won their first W.O.S.S.A. championship in 1923. In the six years up to 1929, they won the same championship five times out of six. In 1925-1926, the basketball team captured W. O.S.S.A. laurels, and forty years later, in 1966 the boys were truimphant at O.F.S.S.A. These students were and still are, true Tartans and are proud of the blue and white colours they wear.

Walkerville has grown and changed both in appearance and format since her start on Richmond Street. In 1942, the Commercial Department was started. A much needed addition to the school was completed in 1955. This included a music room, rifle range, store rooms, a new gym, and cafeteria. With the ever increasing enrollment this addition failed to meet the needs and in 1966 the quadrangles on each side of the auditorium were built in to house a new library, a new music room, six regular classrooms, and three seminar rooms.

Our school has had an honourable past with great achievements in sports and the academic fields under the principalships of Mr. Meade, Mr. J.L. McNaughton, Mr. W.N. Ball, and presently Mr. B.W. Brown. The school will surely continue to flourish in the future if all students look to the school motto, "Nil Sine Labore" as a guide. Each student must do his part to maintain our proud heritage.

Rotable Grads

Through the courtesy and endeavour of former students and teachers, the Blue and White has been able to compile the following incomplete list of students and their varied activities. Restricted space has compelled us to eliminate many other names that deserve recognition in such a list. The record of the students of Walkerville indicates that we produce citizens with initiative, imagination and leadership. We hope that the students new at Walkerville will, in the future, match and surposs the achievements of those who frequented these same halls.

- 1925- Lillian Bull, who still resides in Window, composed the words and music of the "Blue and White".
- 1928-Leo Malania joined the Department of External Affairs, Ottawa - Proceeding to New York, he became a United Nation Official in 1947 and has been holding the position since that time. In 1966, he was ordelined an Anglican priest.
- 1928-Ian Allison was on the Canadian Olympic Team in 1936 and was recipient of a Silver Medal. He has been the athletic director at Walkerville since 1933.
- 1929-Ronald Todgham jained Chrysler Carporation in 1933 and was elected President of Chrysler of Canada in 1956.
- 1932-Ernest Creed joined the Royal Air Force in England and returned to Canada in 1940 to join the R.C.A.F. He was killed in New Brunswick in a plane crash in 1941. The Ernest Creed Medal awarded at our graduation exercises commemorates him.
- 1940-Peter Crassweller is chief of Urology at Taronto Western Hospital and examiner for the Royal College of Physicians and Surgeons.
- 1943-Kenneth G. Rutherford is Head of the Chemistry Department at the University of Windsor.
- 1944-Alva Swamon was the second Conadian to earn the Diplomate of the American Board of Oral Surgery. Since 1966 she has been Clinical Axistant Professor at the University of British Columbia. She is also President of the B.C. Society of Oral Surgeons.
- 1947-Donno Haley, who stood first in Honours Political Science and Economics in 1951 at the University of Taranto, attended Osgoode Hall and was called to the Bar in 1955. Since 1956 she has been Secretary-Treasurer of the Ontaria Sheriffs' and Court Registrars' Association.

BLUE AND WHITE EDITORS

In years to come, the Blue and White will renew both old and lauded memories in the hearts of those who made W.C.I. a school of fine standards- standards that have been reflected on the Blue and White since the primary edition.

The following are the Blue and White editors from previous years. The editions from years 1927, 1928 and 1929 were unavailable to us. (We would appreciate receiving information concerning books from these years.) The Blue and White did not produce editions between 1933 and 1939 because of the economic recession during that decade, and during the war years between 1942 and 1945.

We sincerely hope that this year's Blue and White upholds the steadfast tradition that W.C.I. imposes on its students.

FOUND BY A RIVER

SENIOR PROSE 1st Price

Down by the river, the waves, heavy with contamination, were having a tug-of-war with an empty beer can. Stooping down, I retrieved the piece of fin from the guns of the river. It looked as if It had not been there long: age had not dismed its think. True, the can was slightly battered, but it had not suffered any serious dents: time had dealt gentity with this object. "Malaon's Constitue Lager Eeer" was amblazered in rad and while ensuel on the receptacle. Still whitemering bright, two proud Maple Leaves provided a golden escart for the word "Constitue".

Near the bottom, orderly letters spelled out, "Independent Brewer's Since 1867". I funcied that the founders of this obspacetion must have been vise and ambitious men. Not only did they realize that through unity they could excell, but they also had the initiative to marge shall breweries (aventually there were tent to farm one great company). These bronches all did their part to make the corporation o great success. Fine prairie grain, crystal clear mountain water, and traditionally Solitish hops, would be steeped, boiled and fermented together to farm an outstanding spirit.

Thoughtfully regarding the symbol of their endeavors, I wondered what those founding fathers might think if they could only see the issue of their efforts one century later. Whe could say whether they would chalder themselves successful beyond all expectations or would be quickly distillulationed with progress. They would no doubt be shocked by the reputicition of British ingredients by those who said that tradition has no place in modern society. They would protobly be dismoved at the formula of English managements. They would be appoiled upon learning that there was even talk of those between the franch and English managements. They would be appoiled upon learning that there was even talk of those betweeness of French haritage breaking uway from the corporation to go into buildees for theemaking.

Examining this shiny artifact, I was suddenly assailed by one very significant question, "Exactly what was I doing minutely studying every detail of and every bit of history of a discarded beer can?"

FIRST PRIZE Ivan Benic

It took approximately ten seconds to discover the root of my philosophical remainings within the past half hour. This "levely" container, a fine cover for exil contents, was occurately symbolic of my own Considion homeland. Whe could say that the Fathers of Confederation would not judge their "corporation" to be a followe brought about by the corruption and poor quality of the spirit it braved; the spirit of a discontented people.

A wave of resentment and onger at the sporty and stupidity of the Constien people swelled within me. I hurled the can into the dark river. Wryly, I wondered whather it would be carried over to the American side, or whether the weight of its corruption would cause it to sink and settle amongst the filth at the bettern of the river. To my programmit, it floated, a tiny level in the midut of polluted water.

Workling the can's brave struggles against the devil water, I realized that perhaps Canada had a bright future after all, but only if the creating will within her would be purged. Right then, watching the beer can repluse external malignancy, I resolved to keep Canada afloar. What I learned by the river was a lesson in true Canadianism - are which I base 1 where I will never forget.

"WHAT IT MEANS TO ME, TO BE A CANADIAN"

Lappear, if I were telling my English cousin what it meant to me to be a Conadian, I would have to tell him about my activities in Canada, that were somehow different from his. The Conadian way of Ilving that permits me to do things in a different meaner than is other countries, is what it means to me to be a Conadian.

Playing baskethall for my school is certainly one of these differences, because this is a North American game. Going to school with my brothers in a conseducational school is another one of these main differences between the English schooling and our Constian systems. Of owner, I think our system is better! Attending a summer camp is not a possibility for him, I, on the other hand, have portaged on different islands on a cance trip, received swimming instruction and nature study lessons, and have learned many different skills taught by, counsellors who stay at the comp during the summer. These are Canadian edvantages, that I have had over him, Also, every summer or family has gone up north to a cattage where I have the use of boots, and indulge in summer sports of various kinds. I am allowed to help repair and paint the cattage and learn to look after It. My English cousin would nor have a lakeside cattage.

By joining a Track Club L have the opportunity to travel to different cities and meet other athletes, shop and do some sight-seeing, all under school supervision, which I do not think he can do in such a free monorer as I are able to do. I we not allowed, at the age of fourteen, to participate in Canadian politics, nor do I know very much about the subject yet. But, I can read books, which are available at a library for no charge to widen my knowledge on local and provincial as well as national collics.

Any Canadian is free to apply far any jub anywhere in the country, if he is qualified. There are no social or other herrien in his way. This enables him to have more choice regarding his future and to choose his residence and his occupation with greater freedom.

1, as a future citizen, will be allowed to vate, and it is possible that before long, young Canadians may attain the vate earlier than young people in the other countries. Just to be able to participate is all these Canadian activities, just to be able to live my life as I am living it now, is and always will be, what being a Canadian means to me.

THE BEAVER

The beaver is the fitting representative of Canada, He isn't proud and houghty like the eogle, but, nevertheless, just as feee . A willing worker, he corries his share of the load, and more. Almost never tiring, he works by both eight and day. During plentiful times he works and usves for the lean, and during the lean he works and tries to conserve his stored as much as possible. Yet he is not a miser, With his co-workers he works willingly and happily for the benefit of all. Moking a mistake, he does not hong his head in shame and search for a hale to hide his face in , but is always ready to face his problem and, learning from his mistakes, try again. Speing a comode in need he quickly runhes to his aid, and if necessary, dies with him. He is a boose and hardy fighter. Nowever, he also uses the head he has been blessed with and does not faalishly leave the safety of his hoese to go brazenly rushing ofter the fiend in an attempt to utterly destroy him. The beauer, a peace-laying animal, holds no quarrel with envone unless forced to do so by alreamstances beyond his control.

In the early days the beaver was one of the east imporant fur-bearing animals as the North American continent. His grized for was hunted, removed, and shipped across the seas to grace the heads of adulates and the shoulders of their wires. This the beaver often surrendered his file to the development of Canada. In fact he almost suffered estinction, but was saved, and through determined efforts, is again allowed to continue his engineering projects in the wilds of Canada.

Yes, let us all live up to the beaver's standards, for when considered carefully, he has a lot to affer us. We should also do our best, refeain from washefulness, yet stay considerably short of being mises. If our concodes fall behind we must hurry back to assist them. When mistakes are node we should connect them to the best of our ability and, without being discouraged carry on. We must act whethy in all of our actions and not declare was because samebody insulted us. As a peacelaving people we must endeavour to do the best for our nation and not declare works.

JUNIOR PROSE 3RD PRIZE

CELEBRATING CANADA'S CENTENNIAL AS A CANADIAN

Happy Birthday Canadal I open with this phrase because this year, 1967, Canada will be celebraring one of the biggest milestones in her history. One hundred years ago, Canada engaged in something she can be very proud of, winning her own independence as a young country of the world. To me, this means more than just expressing our freedom as an independent nation. It means I can be proud of being a <u>Canadian</u>, under the role of a democratic government where <u>everyone</u> is treated justly and equally. This is something you cannot appreciate and know unless you <u>are a Canadian</u>.

Leaders, over the years have watched and guided her as she prospered and developed into one of the greatest nations of all times-+ and of course to me the greatest. She can be very proud of her development from an undefended conquered tegrinary belonging first to the French, secondly to the English, and finally to her own rule as a powerful stranghald on the face of the earth.

This year at "Expe *62", the World's Fair, the theme will be "Man and His World". Think for a moment what this phrase means, think of what it means as a <u>Canadian</u>, What have you contributed to the world about you? Have you been a loyal Canadian? And finally, do you know what it means to be a Canadian?

To me, to be a Canadian is to leve and want freedom for all mankind, to be proud and helpful to our nation, to know when to exell and when to be humble, and to trust and obey our monorch and leader. It means that you are always ready to help and defend her in her time of need, so that our strundards will be kept high at all costs, to stand an guard at its borden, and to lave and oberiah its national anthem and flag. I believe that to know and administration of Canadian is to be a Canadian. A sense who be brieves in accomplishment and development is truly a strang patient. Our lead is a land of democracy and democracy is the foundation of success. So this year, in Canada''s Centennial you will realize more allowly here but especially an faceling solution of success. So this year, in Canada''s Centennial you will realize more allowly here but especially an faceling solution. You cannot gray and completely understand at to speck of not only here but especially an faceling solution. You cannot gray and completely understand the provide to speck of not and patients, you experience the thyll of being a Canadian. So as we start a new chapter in the history of our nation, one and all should stand up and be acousted as we march along the road to sternal freedom and happiness which we can believe if we keep our united lead in eternal unity composed by never-erading national spirit.

By celebrating her centennial we can prove our layalty and national spirit to the world and to ourselves. Never ogain will we have so great an opportunity to prove this to the world. For ours is a free land, and a free land it shall stay,

Poetry

He just sits there storing, just sits wropped costly in his negative attitude towards the world. And stores.

His hair is longtoo long to be occepted in a world of conformists. He says they don't understand him, they don't care for him. But does he care? He just sits and stores without seeing.

He stores at a potter and sees it. He looks, he reads, And seems at last ta have interest in screething. He reads: "Centennial Year - What are your plans?"

Boh, who cares about their labecile ideas of tradition, patriatic lowe and birthday jay? Does it concern him? Does it? What does he care If it is one hundred-two hundred or even one thousand years since his country was barn? What does he care?

He just sits therewropoped in his negative attitude and is realizing that maybe he does care, that maybe he has a responsibility towards this country they call his, that this notion contains his hope and his future.

He stores at the poster once more, and then wraps himself out of his negative attitude. He is just the young generation- the hope.

He just sits and stareswondering what his centennial plans are going to be.

Each year the Boys' Athletic Association is chosen to help direct the school's athletic programme, both intercollegiate and intramural. The representatives are athletes honoured for their participation on intercollegiate teams. From the revenue collected from admissions at athletic events and by sponsoring a dance, the 8.A.A. supports the various school teams financially. This year's 8.A.A. was faced with the major problem of building up our treasury in order

BACK ROW: Mr. Wortley, Pete Mataja, Fred Smith, Richard Renaud, Pete Kalman, Steve Kost, John Stewart, Greg Dulmage, Bill Anderson, Don McLeod, John Jackson, Jamie Dunn, John Weiss, Don McLeod, Dave McKenzie, Dave Brown, Scott Martin, Richard Easton, Cam MacDonald, Jerry Gut, Harry Rosenbaum, Dave Norwood, Bruce Shand, Gord Smith, Rick Doherty, George Cory, Dan Kerr, Mr. Miller. FIRST ROW: Bob Osborne, Ian Campbell, Don Christie, Leslie Camlis, Ralph King, Mike Beaton, Bill Gashnik, Paul Innes, John Charlton, Richard Jones, Terrance Machina, William Lamb, Robert Clark, Peter Asselstine, Reed Smith, Wayne Dubel. ABSENT: Ross MacDonald, Louis Simpraga, Paul Stewart.

FOOTBALL 66-67

After our victorious 65-66 football season, our team lost several key players. However, Mr. Miller and Mr. Wartley did a fine job moulding this year's team together. Jon Charlton who had had no previous experience as quarterback had to step in to fill a very difficult job. We had the makings for a fast team, but unfortunately, we never seemed to get rolling. However, we managed to win two games during rugged season play. Five players from this year's team were honoured by being voted onto the All-City Football Team 66-67. Don McLeod and Rick Doherty, due to their consistant, exceptional performance made the second team. These two grid stars were strongly backed by three other Walkerville Tartans: Ross MacDonald, Terry Machina and Louis Simpraga, all of whom made the third team. We are hoping that next year the WSSA Football Trophy will return to Walkerville.

SENIOR BASKETBALL

BACK ROW: Mr. Montour, Jerry Valente, Ken Bialkowski, John Weiss, Paul Skowron, Eric Elcombe, Bob Scott, Mike Eremic, Rick Storrey. FIRST ROW: Jon Charlton, Bill Hamilton, Don McLeod, Wally Lozynsky, Pat Goggins.

SENIOR BOYS' BASKETBALL

The eight wins and seven losses record of our 66-67 Tartans does not actually reflect their true playing ability and performance of this year. In fact, the Tartans suffered at least three of their seven defeats by a slim one or two point margin. The captain and high scorer of our team was Walter Lozynsky who gained a forward spot on the first string of the All-City team. The other member from Walkerville on the All-City team was Jon Charlton who made the third string. Despite the fact the Tartans were not victorious, this year served as a year of experience for the exceptional newcomers to our senior team: Don McLeod, Bill Hamilton, and Pat Goggins. Special thanks should be given to Mr. Montour for giving the team his time and excellent coaching.

JUNIOR BASKETBALL

BACK ROW: Carlo Dezan, Paul Malec, Peter Kalman, Mourice Cousineau, Ron Stewart, Bill Curry, Jamie Dunn, Rick Dixon, Murray Lacey, Bill Lozynsky. FIRST ROW: Doug Sprague, Mike Podolsky, Bill Todd, Jeff Cowan, Bob Thompson.

FRESHMAN BASKETBALL

Our 66-67 Freshman team played very well. They went through their season play with only three defeats. Good potential was found in Bill Lozynsky and Bill MacDonald, and they will next year make good ball players. A special thanks should be given to Mr. Dimmick for his patient coaching.

JUNIOR BOYS' BASKETBALL

This year's team has great potential. This is reflected by their seven wins and three losses record. The team's captain Bill Todd proved to be a consistently accurate shooter and did much to keep the team moving. Jeff Cowan, Doug Sprague and Rick Dixon showed a definite ability to drive well with the ball. This excellent inside shooting was supported by the long shots of Bill Curry, Bob Thompson and Ron Stewart. Despite a solid first string and strong bench the Juniors were defeated by Massey in the semi-final game. Special thanks should be given to Mr. Kelly for sharing his knowledge of the sport and for giving up his time to coach our boys.

FRESHMEN BASKETBALL TEAM

BACK ROW: Graeme Langmaid, Dan Wilson, Tom Desjarlais, Frank Ajou, Cam Spooner, Dave Radford, Peter Brittan, Larry Fedchun, Alfredo Antonello, Mr. Dimmick. FRONT ROW: Dennis Hannon, Richard McDonald, Bill Lozynsky, Alan Lossing, Tom Hamilton,

SOCCER TEAM

BACK ROW: Wally Lozynsky, Fernando Martincic, Eric Fournie, Paul Skowron, Bill Schertzer, Tim Filipic, Dennis Hannon, Jan Maltby, Mr. Kelly (coach).

FIRST ROW: Dave Lameck, Harry Logan, Ivan Benic, Vince Giustini, Mike Tyler, Steve Bozanich.

SOCCER TEAM

Soccer 66-67 drew many spectators away from chatting in the halls to cheering enthusiastically at the side lines of the soccer field. Spirit was kept high by the regular appearance of Mr. Kupnicki a strong supporter of this year's team. Our squad was an excellent example of teamwork in action. No one player stood out from the rest, but rather all showed great ability and desire. This year's team was a great improvement over last year's team but was plagued by tie games all through the season. We must commend Mr. Kelly for his excellent coaching which produced this improved team.

SENIOR VOLLEYBALL

The Senior team started the 66-67 season with three straight wins. Being such a wellbalanced team they proceeded to lose the next three consecutive games. Wishing to finish in true Walkerville style, they wan convincingly over their final opponent of the year. Exceptional efforts were put forth by Walter Lozynsky and Fernando Martincic. Special thanks to Mr. Allison for his most efficient coaching. We are hoping for an even better team next year, in hopes that the Senior Volleyball trophy will take its place in Walkerville's already crowded trophy cases.

SENIOR VOLLEYBALL

BACK ROW: Kirk Lyon, Fernando Martincic, Mike Ciebin, Bill Hamilton, Wally Lozynsky, Eric Elcombe, Grant Gibson, Cam Brown, Mr. Allison (coach).

FIRST ROW: Bill Todd, Paul Malec, Paul Skowron, Bill Schertzer, John Ritchie, John Topping.

HARRIERS

BACK ROW: Alan Lossing, Rick Storrey, Jeff Cowan, Ernest Parachnowitsch, John Streda, Doug Sprague, Bruck Easton, Mervin Last, Peter Stewart. MIDDLE ROW: Don MacLeod, William Kost, George Thurgood, Peter Buzelli, Andy Root, Richard Zajac, Paul Malac, Ron Stewart, Graeme Langmaid, Mike Tyler. FRONT ROW: Mr. Montour, Michael Budd, Bob Thompson, Paul Love, Philip Miles, Ed Deong, Dave Cape, Jeff Cameron, Ray Rush, Tim Tyler.

CROSS-COUNTRY 66-67

Cross-Country, perhaps one of Walkerville's least followed sports, is in fact Walkerville's most constantly victorious activity. In the past three years Walkerville's harriers have done exceptionally well. Since 1964-65 the Junior and Senior championships have been won, or very nearly won, by our team, and this year was no exception. Rick Storrey led the attack by capturing Senior Individual honours, while the Senior team as a whole just missed winning their laurels by a slim margin. However, the Junior team swept their division, winning by a convincing fifty point margin. On this triumphant team were Bob Brown, Alan Lossing, Jeff Cowan, Doug Sprague, and Jeff Cameron. These recent successes for our harriers are by no means a stroke of luck. The members of our team must train every night from the beginning of school to the end of October, and a week of this training is comprised of an average of forty miles of running. It is this strenuous practising, and the expert coaching given by Mr. Montour that has made Walkerville's Harriers what they are today.

GOLF 66-67

This year's golf team did fairly well considering the lack of participation in this sport. Ron Packer and George McHallam led the Walkerville golfers in competition and were closely followed by Philip Miles, Stuart Kelch and Warren Meretsky. We are hoping that in future years more will show interest in this sport and rally Walkerville to victory.

GOLF TEAM

Mr. Curry (coach), Stuart Kelch, Warren Meretsky, Philip Miles, Ron Packer, George McHallam.

BACK ROW: Paul Innes, Bill Schertzer, Walt Luzynsky, Bill Hamilton, John Stewart, Don Mac-Leod, Don Christie, Bob Konyu, Larry Konyu. SECOND ROW: Bill Anderson, Dave Lameck, Dennis Robertson, Bob Thompson, Rick Storrey, Mike Tyler, Bill MacDonald, William Kost, Mervin Last. FIRST ROW: Mr. Montour, Bill Motrivick, Jay Haddad, Andy Root, Paul Maleck, Rick Dixon, Paul Love, Ray Rush, Pete Kalman, Doug Sprague.

BOYS' TRACK

Boy's Track 65-66 was a continuation of the spectacular string of wins which Walkerville athletic teams achieved last year.

In the W.S.S.A. meet the Junior Boys placed fourth despite the efforts of hardworking Rick Dixon (2 firsts, 2 fourths) who shared the Junior Individual Crown with two other athletes. The team however was weak, and we hope for a stronger team this coming year.

The Intermediate Boys proved themselves worthy victors as they captured the Intermediate Boys' championship. Their attack was led by two exceptional athletes, John Stewart (4 firsts) and Rick Storrey (3 firsts, two of which broke W.S.S.A. records). Stewart claimed Intermediate Individual Crown. Their efforts were well supported by Don McLeod (2 firsts), Eli Sukunda (first, second, fourth) and a relay team which came first (J. Stewart, P. Stewart, R. Storrey, D. McLeod).

The Senior Boys placed fifth even though Walkerville competitors in Senior Boys were few. Good efforts were given by Danny Josin, Jay Haddad (2 firsts), and Paul Love (second in two mile run).

The S.W.O.S.S.A. track was almost a repeat of W.S.S.A. with the Intermediate team once again bringing home the laurels. The Intermediate effort was sparked by brilliant performances by J. Stewart (Intermediate Champion) and R. Storrey (mile and half mile).

O.F.S.S.A. track was held in Toronto and competition there was very strenuous. However, the select group that went, made a good show for Walkerville: J. Stewart, (first, second) Eli Sukunda (second) and Rick Dixon (third), the above mentioned relay (first), and an outstanding performance by R. Storrey (first in mile, second in half mile).

BOYS' SWIMMING TEAM

BACK ROW: Peter Pican, Dave Young, Bill Anderson, Dave Brown, Howard Weeks, Wayne Specht, Mr. Miller. SECOND ROW: Cam McDonald, Richard Easton, Doug Sprague, Jamie Dunn, Thom Sprague, Greg Palmer, Jim Haddon, Jeff Cowan, Harry Rosenbaum, Peter Kalman, Garth Eley. FIRST ROW: Cam Spooner, Jim Montagono, Ian Boyd, Robert Rail, Peter Machina, Ivan Benic.

BOYS' SWIMMING TEAM

Under the strong coaching of Mr. Miller, the swimming team obtained moderate success. The Juniors placed third in total points. The highlight of the Junior Team was a win in the medley relay race. The swimmers were Peter Kalman, Cam MacDonald, Doug Sprague, and Garth Eley. Cam MacDonald came second in the 100 yard individual medley, and second in the 100 yard breast-stroke. The Senior Team, under a handicap because of ineligible swimmers, finished fifth in total points. Dave Brown was the top senior swimmer. Congratulations should be extended to all those who participated.

President Vice President Secretory Referees Volleyball Basketball Badminton Tennis Track Swimming Meg Johnson Kate Innes Diane Berkeley Cathy Stewart, Emily Lazynsky Barbara Stewart, Jane Micsinsky Bonnie Hutton, Donna Stewart Heather Berkeley Gabrielle Bocioaga Linda Young Susan Sanderson

The G.A.A. is elected by the girls of Walkerville to organize the intramural girls' sports programme for 1966-67. In addition to this, the G.A.A. supports all school teams by financing the purchase of new equipment, hiring referees, and providing crests for members of all teams. This year, the G.A.A. sold blue and white striped hats and scarves, which not only helped finances but also boosted school spirit. The annual dance was a great success. Badminton, basketball, tennis, and volleyball intramural competitions, supervised by G.A.A. convenors and referees, were successfully carried out. In all, it was a good year. The G.A.A. extends its heartiest congratulations to all the teams and especially to the champions. Many thanks to the executive for their co-operation and to our athletic director Miss Parkinson.

SENIOR GIRL'S VOLLEYBALL

Although not as successful as in previous years, the Senior Girls gained experience and we anticipate a promising season next year. In an exciting semi-final game they were defeated by Herman. The two co-captains, Carol Vandrasco and Kate Innes, were responsible for keeping spirits high during all the games. Thanks go to Miss Parkinson for her fine coaching and best of luck for next year.

JUNIOR GIRLS' VOLLEYBALL

The 1966-67 Junior Girls' Volleyball team, reached the semi-finals in Walkerville's effort to retain the trophies won in previous years. Under the coaching of Miss Shillington and the leadership of captain Meg innes, both ability and school-spirit were displayed. With skill and experience behind the team we look forward to a S.W.O.S.S.A. championship next year.

GIRLS' SWIMMING

Much credit must be given to the girls on the swimming team who practiced after school four nights a week. This year constant practice has pold off, and we wan many awards at the swim meet. The senior girls' medicy relay team (Barb Stewart, Mary McKenzie, Joan Senderson, Sosan Sonderson, came in first and set a new W.S.S.A. record. In the individual medicy, Shan Spooner placed second and Bonnie Hutton third. Shan placed social in the fifty year freestyle. Sugar Sanderson placed first in the butterfly, satting a record; Joan Sanderson placed first in the butterfly, satting a record; Joan Sanderson placed first in the butterfly, satting a record; Joan Sanderson placed first in the butterfly, satting a record; Joan Sanderson placed first in the bare hundred yard freestyle, and Joan broke the breestrake record and Mary McKenzie placed third. The senior freestyle ralay team (Wendy Smith, Barbara Stewart, Bonnie Hutton, Shan Spooner) took first place.

The Senior team placed first with 78 points. The individual senior champions were Susan and Joan Sanderson.

The Junior Girls Medley (Bonnie Wright, Melanie McWilliams, Sandy Martin, Linda Caluavare) placed second.

Melanie McWilliam placed second in the individual medley, while Lynda Yaung and Linda Calsavara placed second and third in the one hundred yord freestyle.

Melenie McWilliams and Judy McKenzie placed second and third in the breaststroke, and the freestyle relay team (Jane Curry, Wille Flett, Pare Kenry, Lynda Young) placed third.

The Junior team placed third in the meet.

GIRLS' BASKETBALL

This year there was a new twist to girls' basketball. For the first time, the Walkerville girls' basketball team played with "Bays' rules" and were able to travel the whole court. This made the girls' games even better to watch.

The secon storted out well for our girls' team and they fought their way to the semi-finals. Unfortunately, they were defeated by Patterson in the semi-finals, but, nevertheless, we are groud of them.

GIRLS' TRACK

The effort of our girls in the W.S.S.A. track competition was rewarded by a first in the Junior and Intermediate divisions and a second place in the Senior division. With these victories to spur them on, they brought glory to Walkerville in the S.W.O.S.S.A. meet. Here the Junior girls placed first, with a total of 70 points. Donna Stewart, who placed first in three out of four events, was backed by Donna Home, Emily Lozynsky, and the relay team consisting of Donna Stewart, Liz Reader, Joanne Filipic and Wilhemina Strohschein. In the Intermediate division Walkerville also placed first with 63 points. Credit should be given to Barb Stewart who placed first in the four events she entered, along with her fellow relay members-Marg Lawson, Jane Micsinszks, Gabe Bocioaga. Bonnie Hutton won the S.W.O.S.S.A. high jump event.

Our Senior girls finished with a fourth place in their division making it a rewarding day for Walkerville.

We congratulate the girls for their hard work and school spirit. We are looking forward to this spring when we hope to see a repeat performance.

Everyone in the school has seen our cheerleaders at assemblies, at football, volleyball, and basketball games, and at any other event where school spirit is needed. When they are not practising or leading cheers, they are making posters, or conducting cheer rallies. This year five new girls are being trained to be cheerleaders at future games: Patty Nixon, Bev Wright, Cheryl Haddad, Allison Topping, and Janis Stewart. Of course these girls cannot carry all of the school spirit themselves, so, the next time you hear, "Let's cheer!", join in!

Activities

GLADYS SANSOM

Mrs. Sansom is the cheerful person found in Walkerville's cafeteria five days a week.

Mrs. Sansom has operated the cafeteria for twenty-five years. Before the new gym was built, she was always busy frying hamburgers, frenchfries, or making soup and other assorted hot dinners. At that time the cafeteria was located in the Home Economics Room. The kitchen area divided the room into a boys' section and a girls' section.

Today, all the sandwiches, cakes, and candy are packaged and shipped in by the Automatic Canteen of Canada. Miss Sansom makes certain that we have a wide selection of foods. She has warked with several assistants; one of which, Mrs. Tuns, she remembers well. At the present her regular assistant is Helen Naismith.

Over the years she has worked for three principals-Mr. McNaughton, Mr. Ball, and Mr. Brown. We all appreciate the hard work she does, and we hope that she will remain for a long time in the future.

OFFICE STAFF

We, the students of Walkerville C.I., join in giving our thanks to the secretaries--Miss Z. McKelvie, Miss H. Opacich, Mrs. H. Patrick, and Miss C. Roy for their understanding and aid to the entire student-body.

We appreciate the late slips they gave us and the belief they showed for our flimsy excuses for tordiness and absenteeism. The grade 13 students would especially like to thank Mrs. Patrick for the work she did in filling out our university applications.

The W.C.I. Orchestra has enjoyed another busy year under the direction of Mr. Bruce Curry. Concerts have been given for the Board of Education at Hugh Beaton and Edith Cavell Public Schools. The annual Blue and White Concert was held on March 17 and 18. Some selections were Rhapsody in Blue, The Moldau, and pieces from My Fair Lady. An exchange visit to Streetsville Secondary School near Toronto, was arranged for April 12 and 13 and their band in turn was billeted at our homes on May 9 and 10. The orchestra played for the Board of Education Centennial Week at the Cleary Auditorium in May. We all appreciate the leadership of Mr. Curry and we thank him for his time and effort spent in our behalf.

Under their president, Mike Kall, and with the help of Mr. Tyler, the Art Club has put up many interesting posters and displays this year. Many people saw and appreciated their beautiful decorations which helped make the Semi-Formal and Military Ball a success. At the beginning of the year they made some pottery in a kiln that was recently purchased. The work of the Art Club and the Art classes is displayed on the bulletin board outside the Art Room frequently.

GEOGRAPHY CLUB

This year the members of the Geography Club have been working energetically on a project which will benefit not only themselves but also others who will be taking Geography. Under the direction of Mr. Pisko, they have constructed physiographic models made of styrofoam. Landforms have been fashioned and then painted. We hope that these models will become useful teaching aids for geography students in the future.

HISTORY AND U.N. CLUB

This past year the History and U.N. Club has been very active under the leadership of Judy Stewart, their president, and the careful direction of Miss Falls. The members of the club participated in two Model United Nations, one at Detrait and the other at Windsor. In the Windsor U.N. they represented countries of the Communist Block on issues such as Viet Nom and the admission of Red China. At the model U.N. in Detroit, the members represented Spain and Mauritania. This was held at the University of Detrait and was greatly enjoyed by the members. The members wish to thank Miss Falls for her guidance which made this a successful year.

U. N. TRIP

It was indeed a great privilege to have been one of a group of eight students from the various high schools, sent by the Windsor Board of Education to spend a weekend in New York City. The main purpose of this trip was to acquaint us with the painutaking efforts of the United Nations to preserve world peace.

We attended a sub-committee meeting on decolonization and heard delegates from Britain and France express their diverse opinions on this issue. We also held an informal discussion with one of the members of the Canadian Mission to the U.N.

It is difficult to express the actual impact this vast organization has on a visitor. One must be present to realize that the United States is our strongest hope for peace in the world today.

My sincere thanks to the U.N., club for making this opportunity possible; it was an experience that will always be remembered.

CHESS CLUB

Although chess may appear complicated to the beginner, Mr. Burr and the members of the chess club maintain that in reality it is quite simple and easy to learn. As further encouragement they offer lessons to all who wish to learn. Each lunch hour the members play one another, and these hotly contested matches prepare them for the tournaments which they enter. In a two-day match at Herman our boys were victorious over the other three competing schools. The members wish to thank Mr. Burr for what they consider to be a very successful year.

CENTENNIAL CLUB

This year, 1967 will be the first and last time for the Centennial Club. Canada will celebrate her 100th birthday only ance and there will only be one Centennial Club in Walkerville's history.

The main porpose of the club is to construct a permonent project which will celetrate Canada's 100 years and serve as a lasting reminder of 1967. Under the leadership of Mr. Dimmick, Mr. Mattels and the club's president, Pat Rider, the members work hard on promoting national enthusiaum in the school's students. The club's activities got off to a fast start with an oundoor birthday party for Canada. At the party there were games and free cake for everyone. The club will continue till the close of 1967 and, by dances, bake sales, and other various means of making money, it is hoped that it will reach its goals.

CAMERA CLUB

The Comero Club has been involved in a busy schedule this year. Under the leadership of Mike Phillips, this year's president, and the teacher, sponsor, Mr. Tecolin, the club's members have taken pictures for the 8 & W Photography and Candid Comera sections. With the addition of the new dark room, the Camera Club has been able to expand its activities, and due to Mr. Tesolin's excellent direction and guidance, the club has enjayed a year of learning and service to the school.

HOSTESS CLUB

Under the direction of Miss Haller, the Home Economics teacher, the Hostess Club has had another successful year. The girls served assorted cookies and tea to every staff meeting. By trying out new recipes and methods, the girls gain valuable experience and have lats of fun. Frequently, the club is invited to other schools to exchange ideas. This year, the members visited the Heinz plant at Learnington. The members consider that this trip was very interesting and worthwhile.

J. E. T. S.

The Junior Engineering Technical Society at W. C. L. is the first of its kind to be established in the Windsor area. Founded in 1950 by engineers from Michigan State, the J.E.T.S. were designed to stimulate learning in all professional fields. This organization, whose headquarters are in New Yark City, combines the assistance and guidance of professional men to help stimulate students' interest in technological and engineering fields, by providing an opporturity to apply the principles learned in high school subjects to actual engineering and technical projects. Students become acquainted with men who are actively engaged in these fields and through them, students receive on insight into the engineering and technical professions. Under the supervision of Mr. McTa-sh, we have planned films, tours, and guest speakers from various industries. The J.E.T.S. hold their meetings ance every two weeks, and welcome all students who are interested in any phase of engineering.

When you're a pioneer starting your 150th year of activity you have plenty to remember. Especially when you've made financial history, like laying the cornerstone of this country's banking system—fifty years *before* Confederation. At this time we could be looking back on a long record of achievement. Instead, we're looking ahead—well ahead. Canada's First Bank may be an old-timer but it has the youngest outlook in banking.

C. O. 'S MESSAGE

Walkerville students can be proved of ove Cadet Corps. The participation and leadership displayed by thousands of Walkerville cadets has established and walkrained for more than forty years, a reputation hereovable to our school.

However, the codet movement is competitive. Other schools are improving their surps.

For this reason every key in our corps has the apportunity and responsibility to help his school. Whether he is nervice in school clubs, and particularly if he is not, any young man or this, the langest school tools, and experience the pride and unit/action of doing his boot.

Aside from the May Impection it should he realized that codets are also active throughout the antise year, Summer camps with pay or lpperwash and Benff, and exchange trips to the West Indies are available to any codet who qualifies, Special trips are arranged for representatives from local corps, as in February when Walkerville sent eight officers to Ottowo, and sorlier, two students aboard H.M.C.S. Gatineou to Samila. Training in our codet hands for the musically inclined, markamarahip for those with a steady hand, first aid and communications for those intervited, work in the Quarter Mester's Stores, and self-knowledge gained by the discipline and responsibility of becoming an officer, Illustrate the variety available to cadets from fall to spring .

To those who have shared in this training, a offer compartulations. To Mr. Montowe, my faillow afficers, and every codet, I thenk you has the memoryable pleasure of serving the Wolkerville Codet Corps, in this Centennial Year.

Codet Lt /Col. Bruce A. McLoughlin

PIPE MAJOR JOCK COPLAND M.B.E.

Ever since the dawn of time, man has loved music, and Jock Copland was no exception. Born in 1886, Jock did not learn to play the pipes until he was twelve years old, but from then on, the skirl of bagpipes was a very real part of Jock's life. For 67 years, Jock played his pipes including his performances before every British monarch since Victoria.

Jock fought during both World Wars. His patriotism and love of freedom gave him the spiritual and physical power to fight for his country. Jock won many medals, including M.B. E. which was presented to him by George V. After the war Jock passed on his knowledge of the pipes to W.C.1.

He began to instruct at Walkerville and created one of the finest high school pipe bands in Canada.

With his passing last April, Walkerville lost a true friend. To you Jock, we say that we shall miss you. You will always be remembered at W.C.I.

1086 WALKERVILLE COLLEGIATE INSTITUTE CADET CORPS

The Walkerville Collegiate Cadet Corps was organized in 1923, and held its first inspection in 1924. The first chief instructor was the late Mr. J. L. McNaughton, former principal of the school.

In 1925 authorization was obtained for the corps to adopt the Cameron Tartan and for many years, the corps paraded in full Highland dress. At this time, it was the only such corps in Canada to wear the kilt. But, due to increased enrolment and scarcity of funds during the years of depression, it was necessary to equip a portion of the corps in R.C.A.C. uniform. However, the officers and bands have always paraded in Highland dress.

Since the corps became affiliated with the Essex and Kent Scottish regiment in the fall of 1927, it has been converted to the Mc-Gregor Tartan. In that same year, the corps won the General Efficiency Trophy for Military District Number 1.

The pipe band, instructed by the late Pipe Major Jock Copland, M.B.E., was organized in 1942, and is a source of great pride, not only to the corps, but also to the citizens of Windsor. In 1960, it was selected from all school cadet corps in the Central Command to attend the National Cadet Camp at Banff, and received great praise from the citizens of Canada in that area.

The bugle band, outfitted in red tunics since 1928, was changed to a trumpet band ten years ago, and has been in great demand throughout the years. During the school year of 1964–65, the trumpet band went to Ypsilanti, Michigan where they helped Eastern Michigan University to celebrate its annual Homecoming.

The corps has a very close affiliation with the Essex and Kent Scattish and is a very fruitful source of recruits, not only for the ranks but also for the bands and officers. Two of our former officers have been Commanding officers of the Essex and Kent.

The Walkerville Cadet Corps has had a proud and successful past. It is the hope of all young men connected to it that it will continue to be an important part of our school's life.

OFFICERS AND N. C. O.'S

It has been the tradition at Walkerville for the Senior Cadet Officers to train the Senior and Juniar N.C.O.'s. During the school year young cadets are taught the basic knowledge necessary for handling arms and obeying commands.

The Senior Officers of this year's corps culminated five years of dedicated service with a trip to Ottawa. The Senior Officers would like to thank all the teachers who helped to gvide and promote the various cadet organizations throughout the school year.

INSPECTION 1966

May 4th, 1966, was the date of last year's cadet impection. Cadet Lieutenant Colonel David Norwood and 21.C. Major Art Lyon put on a successful parade which won much proble from the audience. Thanks are due to the new chief instructor Mr. F. Montour, without whose help the inspection would have been impossible.

The best Codet award was presented to Cadet Major Art Lyon, Battalion 21.C. Cadet Major Rommel Masse of "A" Company accepted the trophy for best company. Best platoon, 1st Platoon "A" Company, was awarded to Cadet Lieutenant Charles Gauthier.

PIPE BAND

Due to the regretful loss of Pipe Major Copland, M.B.E., C.D., we had to be without his excellent leadership. Thanks are due to Mr. Cruickshank and John McRobb for graciously offering their assistance.

TRUMPET BAND

Many students have often heard of melodic tones of drums and trumpets in the morning before 9 o'clock. They heard the music - or so it is called - of the trumpet. This year's band has increased it size twofold insuring an even more vuccessful band for future cadet corps.

THE CRUCKED CHANK OF 12 F.

In the perkin town of Jacksonville lived a frank stewart called Swatsky. He was in love with a bonnie lass, an angel of a girl. Since there was much tiereny in the country his love set out to smartin up the baker who was pro-Vost. Vost was the leader of group called the "Green Barrett".

She ate a crispy cracker for lunch and while remounting her maltby steed she remarked, "Der is mer a de cleads in de sky. It looks like a wendy gail is coming. Let's take shelter in that erie kastle on de sondy beach." On entering she met the town piper who was the most unkeith of de martians. He said he would grant her a wish if she would stop gabbing. "If you don't stop it" he said, "I, m donna mack you into a toad." Then in bobbed the stewart and hit the piper in the gut and saved the day in Jacksonville. MORAL: A Norburry bird in the hand is better than two in the brackell bush.
