THE BLUE AND WHITE

Three cheers to thee, beloved school,
Collegiate we so revere,
To all the Thy praise we'll tell,
Of thy virtues all will hear.
Dear Blue and White, Dear White and Blue,
Our loyalty we pledge to you.

In basketball, on soccer field,
Debating and all the rest;
In sports and academic work
You rank among the very best.
Dear Blue and White, Dear White and Blue,
Our loyalty we pledge to you.

Fond memories and thoughts of thee,
Shall e'er our hearts abide.
Dear Walkerville thy name shall we
Cherish with abundant pride.
Dear Blue and White, Dear White and Blue,
Our loyalty we pledge to you.

CHORUS

Collegiate of our hearts, a song to thee we'll
raise.
Our Alma Mater dear we'll shout afar thy praise
Colours of Blue and White, we'll keep thy standards
high.
Collegiate of our hearts, we'll love thee till we
die.

THE BLUE AND WHITE FACULTY

1986-1987

It's Here! This is it, the 1986-87 Edition of the Blue and White. Once again we have tried as simply as possible to portray the year here at Walkerville. In doing so, we have forgone with all the extra, meaningless copy and instead worked on the principal of "A PICTURE IS WORTH A THOUSAND WORDS". By the way, to everyone who jumped in front of a camera: THANKS! Without you our idea wouldn't have worked. We'd also like to extend our thanks to all who supported the efforts of the Blue And White.

This year Walkerville has seen a great many changes.

We got a facelift: new paint, new flooring, new roofing, the new apartments and the Community Living classrooms, even soap dispensers in the washrooms. These really can be considered great accomplishments.

Not all the changes were as exciting though. Two very admired and appreciated teachers, Mr. Giles (Sciences) and Mrs. Schlesinger (Maths), left half-way through the year. This was a cause for great disappointment. We suffered another great loss, when the original "SUPER TARTAN", herself, Miss Zilda McKelvie, retired. Zilda, you're missed a great deal but remember you'll always be a part of W.C.I. Our best wishes are extended to you all in everything you do. With these losses also came gains. Mr. LaMarre, we hope the new environment hasn't been too hard on you. To all the new teachers and students, we hope you've found your place in the Walkerville community. A new aspect to add to Walkerville's character has been the addition of the Community Living Department. We hope you too feel as if you are part of the family. To all those leaving Walkerville, we wish you the very best in all your endeavours and may you always be able to pursue that which will make you truly happy.

We hope that when looking back at this edition you will always remember your time here at Walkerville.

PRINCIPAL

Thank you for retaining those qualities for which Walkerville students have always been known; a willingness to work hard, a desire to produce quality work, a concern for others, and a persistent initiative.

You have made my first year here enjoyable and interesting.

Congratulations to this year's graduates. I know you will continue to represent Walkerville Collegiate well both in our community and farther afield as you pursue your careers.

A special thanks to Mr. Don McLeod for his countless hours spent in assistance to the editors and staff of the Blue and White. I know that thirty years from now students will, as I have done, look back through this issue of the Blue and White and fondly remember the special friends and shared experiences of their Walkerville days.

M.G. LaMarre

VICE PRINCIPAL

Many precious moments and faces have again been captured in this edition of the Blue and White for us to enjoy through the years to come. Congratulations to the editors Christena Allen and Geoff Hays, Mr. McLeod and the entire yearbook staff for another job well done.

Walkerville has enjoyed a history and tradition of outstanding achievements in academic proficiency, athletics, music and citizenship. This year is very significant in that it marks the integration of the Community Living Students into Walkerville. Both student bodies have benefitted significantly as a result of this integration. We are extremely proud and pleased of this addition to the Walkerville Community.

To the Graduates, I congratulate you on your achievements while at Walkerville. Your leadership, involvement, enthusiasm and commitment to our school has been greatly appreciated. May your future endeavours continue to bring honour to you, your family and to our community.

Best Wishes
W.M. Lozinski

THE RIDE

Andy, John and I really wanted to get downtown to the Vanity Theatre to see Windsor's first 3-D movie. After all, it was Friday afternoon and our last two classes were Latin and Gym.

We slipped quietly out the back doors, ran behind the Tennis Courts and made it safely to the park without being seen. In no time we were on Wyandotte Street hitch-hiking downtown.

The third car that came along stopped for us and as we opened the door our hearts sank into the pits of our stomachs. Mr. Ball, the stern-faced Principal of Walkerville Collegiate Institute, was driving.

"Good-afternoon lads. Are you going downtown?" were his first and only words to us. We managed to blurt out "yes sir", and having no acceptable alternative we crept into the car.

The ride downtown seemed to take forever. It was so quiet we could hear each other perspire. Mr. Ball stopped at the corner of Ouellette and Wyandotte and said, "Here you are lads." We stumbled out of the car mumbling thank yous and waited for the axe to fall.

Mr. Ball drove away. We couldn't believe it. Had he not recognized us? Was he going back to school to phone our parents? Was he waiting until Monday to deal with us? These and a thousand other questions completely destroyed all our chances of enjoying the movie. 3D wasn't such a big deal. It was only an out-of-focus movie that cleared up when you put on a cheap pair of cardboard glasses with red and blue cellophane lenses.

Our bus ride home was filled with more comments about our ride downtown and our probable "death" on Monday than about the movie.

Monday morning came. We made it through the morning without being called to the office. We held a noon hour conference in the cafeteria. "Why hadn't we been called? Was Mr. Ball at a meeting and out of school? Were we going to be called down out of our afternoon classes?" We sweated through the afternoon anticipating the dreaded call.

It never came; nor did it come on Tuesday or Wednesday or Thursday or Friday or ever.

But thirty-five years later I still remember "The Ride" and I smile. Mr. Ball must also have smiled about that ride for a long time.

GOOD-BYE

We all will leave with memories,
Of the time we spent together
But the special moments-
Are the ones that will linger on forever.

So time will move along its way,
And friends will see us through
But nothing could ever take away
The feelings I felt for you.

We'll see each other go away
With disappointment in our eyes
Until the day that we can see
The world is full of good-byes.

A Handicapped Child Talks to God

I cannot play at HopScotch,
I cannot ride a bike,
I cannot do so many things
That other children like
But, at bedtime when I say my prayers
I thank the Lord above
That He's showered me with Blessings;
Surrounded me with Love.
He gave me eyes that I might see
The flowers, trees, and sky
He gave me ears that I might hear
The songbirds as they fly
So, don't you think I'm lucky?
I'm rich beyond compare
'Cause no matter where I go in life
I know that He'll Be there.

Well, Congratulations! You made it through the year. So we must have done something right! Unless you've walked a mile in my shoes, it's hard to realize the time, frustration, headaches and hard work that goes into running this great INSTITUTION of ours. But I also had my share of GOOD TIMES and GOOD PEOPLE.

I'd like to thank everyone in the executive: Eric, Kaity, Jay, Cathy, Robyn, Laurie, Sue, Bev, Dan, David, MaryAnn, Heath, Jordynn, Colin, John, Jeff, Margaret, Bob, John, Zyrack, George, Sandy, Diana, and Greg. Oh Ya! you too AnnaMarie. Special thanks to Monsieur Bondy and Mrs. St.Clair for their help and advice. Also I'd like to thank those who supported and encouraged me when times got tough THANKS: Dan, Andrew, Robyn, Eric, Jay, Laurie, John, Jay, Dario, Sean, Matt, Steve and whomever else I've missed. I couldn't have done it without you.

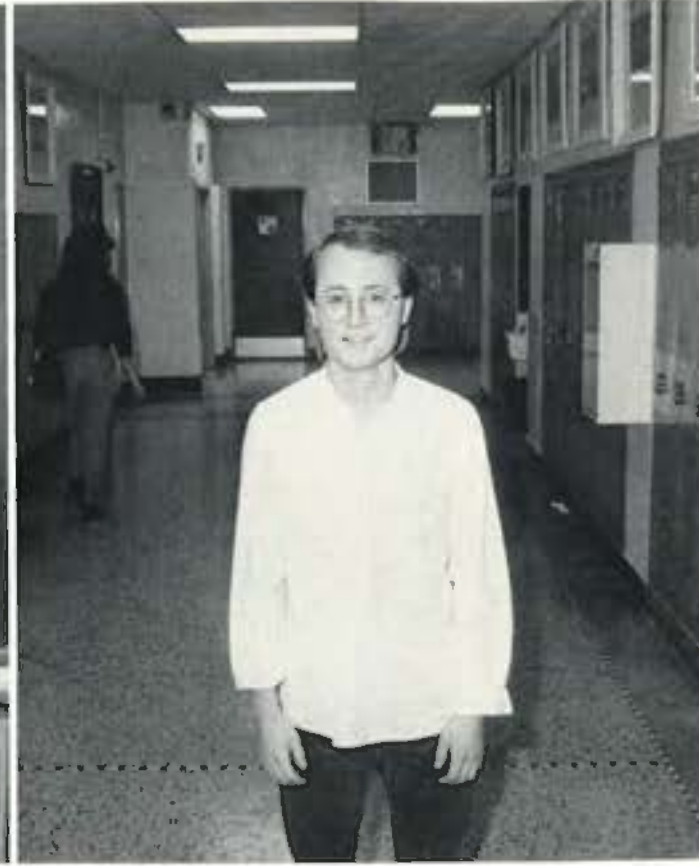

Good Luck to next years leaders! I leave you with my best wishes and a six-pack of O.V. (tallboys). You'll need it.

MICHAEL MURGIC
AGORA PRESIDENT 86-87

P.S. How did Dixon ever make it to Florida?

Thanks to all the Walkerville students for their cooperation and support during the year.

ERIC BOST
AGORA VICE-PRESIDENT

THE BLUE AND WHITE

This sure has been a memorable year, although not exactly what I expected. To be honest there were a lot of times I thought we'd never get this edition out. We did it though. Robyn, Greg and Jordynn a sincere "Good Luck". Now my "Thank-yous": Mr. McLeod, you've been really understanding - Thanks.

Geoff, Thanks for the inspiration and for keeping me headed in the right direction.

Thanks to all my friends, especially: D.L., M.B., K.W., R.H., C.S., E.C., L.R., G.P., T.M., and A.J., without your support I would never have remained sane.

And finally, Mom and Dad, for looking out for me. These past 5 years here at W.C.I. have been very special for me, I hope they will be and are for you too. I sure am going to miss this place and everyone who I've met here. Take care and keep in touch.

Christena Allen
Yearbook Editor

Here's the yearbook - Thanks to Mr. McLeod. I don't think anyone knows how much work the yearbook really is. Mr. McLeod really works his but off to get the yearbook out on time - You ALL owe him thanks because without him the yearbook would be a shambles. Secondly, let's raise a glass to Christena, the human workhorse. She's been busy almost everyday since October with the Blue and White and because I've had a lot of commitments she's really taken up the slack. She did a fantastic job!

Thanks, to my mom and also to all my friends who didn't support me but who understood the significance of berry and cherry and orange and grape-chewpie. A corny but honest goodbye to my friends here at W.C.I. who I may not see next year. Take care. I'd love to say something profound here but when you're dealing with the masses you try and avoid using something with more than two syllables. So, all I'll say to everyone is "THINK", too many of us don't do nearly enough of it and if we did . . . chewpie would have been invented a lot sooner.

Well, another year has come and gone and it has certainly been a memorable one for the S.M.A. This was the year that music became so popular that W.C.I.'s music program grew to become the largest in the city. Quite an accomplishment for one of the smallest schools - don't you think?

But 1986-87 was much more than inclining enrollment. There were so many memorable moments that I can barely begin to put them on paper in this rather small space. The Blue and White have me (Thanks Gcoff and Tena!). Of Course the highlight of the year had to be the band trip. Who could ever forget the fun we had that week?! But the thing about the S.M.A. was that we had fun in everything we did. Whether it was putting on concerts, or band-a-thons, or fundraisers - yes, even bingos - we had a great time doing it.

The reason for the fun is simple: the S.M.A. is full of great people. I've got to give a big thank you to my executive (especially Mike, my vice). You guys put out one heck of an effort this year. I especially want to thank Mr. Brown and Mrs. Householder, as I know we gave them each more than one grey hair. Most of all I'd like to thank the musicians of Walkerville. You guys are simply the best!

Well, I'm quickly running out of space, so I'd better just say so long to everybody who made this year possible, and lots of luck to the new S.M.A. next year. Just a warning: if you guys mess up, I might come back and pick up a couple of credits next year!
