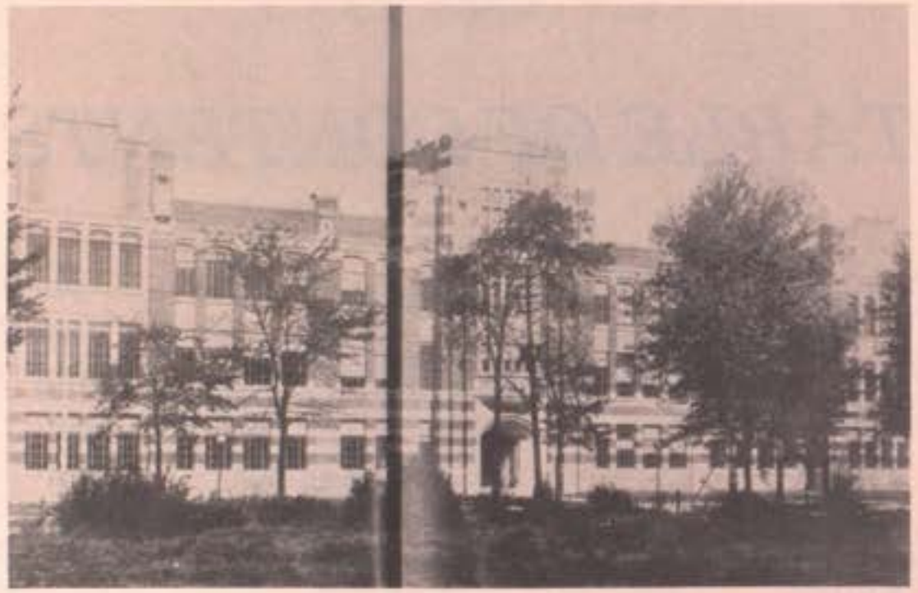
THE WAY WE WERE . . .

A Look at the Early Years of Walkerville



The Formal Opening of Walkerville C.I.
November Second, Nineteen Hundred and Twenty-Two

Architects	General Contractors
Messrs. Pennington and Boyae	Messrs. S. C. Dinsmore and Company

"In the present High School there are 22 ordinary class rooms. Besides these there are special rooms for the teaching of Manual Training, Cadet Corps, Household Science, Sewing, Biology, Art, Physics and Chemistry.

A full High School Course takes five years and is divided into three parts . . . a lower school course of two years, a middle school course of two years and an upper school course of one year. A completed course gives a student a good general education and is an entrance into any of the learned professions.

The physical development of the student is carefully looked after so that he may enter business life with a well trained mind in a vigorous, healthy body." (As quoted from the programme of the Formal Opening of Walkerville C. I.)

The teaching staff consisted of only nine teachers and the total enrolment of the first year was 195 students.

THE LIBRARY - is situated over the main entrance on the second floor, which also can be used as a board room. The pupils are taught to read good books.

THE AUDITORIUM - has a seating capacity of 800 people and is equipped for school activities and as a community centre for the grown.

THE PLUNGE - is regulation size and is the most up-to-date plunge in the Border Cities. The water is continuously filtered and heated.

THE GYMNASIUM - is 48 feet by 80 feet and is equipped with every apparatus that is necessary for physical training and indoor games.

Walkervill's School Song
The Blue and White

Three cheers to thee, beloved school,
Collegiate we so revere,
To all the world thy praise we'll tell,
Of thy virtues all will hear.
Dear Blue and White, dear White and Blue,
Our loyalty we pledge to you.

In basketball, on soccer field,
Debating and all the rest,
In sports and academic work
You rank among the very best.
Dear Blue and White, dear White and Blue,
Our loyalty we pledge to you.

Fond memories and thoughts of thee,
Shall e'er our hearts abide.
Dear Walkerville thy name shall we
Cherish with abundant pride.
Dear Blue and White, dear White and Blue,
Our loyalty we pledge to you.

Chorus:
Collegiate of our hearts, a song to thee we'll raise.
Our Alma Mater dear we'll shout afar thy praise
Colours of Blue and White, we'll keep thy standards high.
Collegiate of our hearts, we'll love thee till we die.
Lillian Bull, 1932.

DID YOU KNOW?

1. When first opened our school was named Walkerville High School. In 1923 it attained the status of "Collegiate Institute."
2. The Student Council, first known as the Literary Society, changed its name in 1934 to the Agora (taken from the name of the Public Square in Athens of 500 B.C.).
3. During World War II 15 teachers and 1283 students served in the Active Service Forces.
4. In 1929 school pins were first presented to students who gained scholastic, artistic or athletic achievement.
5. Walkervill Collegiate originated in 1921 with three classrooms on the second floor of King George School (present day Monarch).
6. Our school was built on the site of the old Walkerville Tennis Club.
7. In 1923 "Nil sine labore," nothing without work, was introduced as the school motto.
8. We are known as the Tartans because of the plaid kilts which were part of the uniforms of the Cadet Corps.
9. A competition was held in 1932 to choose a school song. Lillian Bull's entry won and was copyrighted.
10. The first Blue and White was printed in 1927 but was abandoned during the depression years (1933-1938) and the war years (1942-1945).
11. The new gym was named in honour of Ian A. Allison in 1971. Mr. Allison, a former student W.C.I., was a member of the Canadian Olympic Basketball Team. He later returned to W.C.I. as a teacher.

CADET CORPS 1922-1963

A brief History of the Cadets

In 1922 the generous gift of the Cameron Plaid by Walkerville Road Industries was given to the Cadet Corps, No. 1086 of W.C.I. This began a forty-one year history during which the Corps won many national competitions. The Cadet Corps was composed of the Bugle Band, Pipe Band, Rifle Team, and the Signalling Team. After many years of a proud tradition, the Cadet Corps succumbed to social change and was disbanded in 1963.

The 1940's was a triumphant decade for the Cadet Corps. Below are just a few examples of our great achievements.

1945 . . . The Signalling Team captured the Moyer Cup Championship. 1946 . . . The Rifle Team won two provinicial trophies and placed second in the Royal Military College Competition and the Dominion of Canada Rifled Association Competition. 1949 . . . The Bugle Band lead the military parade at the Canadian National Exhibition.

The crest on the left was the original school symbol first seen in 1922. Later when the school adopted the motto "Nil sine labore" a new crest was designed to accompany it.

COMMANDER-IN-CHIEF

Principal

Principal's Message

This edition of the Blue & White is being issued on the occasion of the Sixtieth Anniversary of Walkerville Collegiate Institute. What a proud tradition we are all part of! This school has enriched both the City of Windsor, and indeed Canada, by the quality of the young men and women who have graduated here during the past sixty years. Those of us who are presently engaged in teaching and learning here should always be aware of those who have gone before. This rich tradition is a bedrock on which we build and maintain our high standards, not only academically but in terms of involvement, service, and good citizenship.

Students as you read this fine book be aware that you are now laying the foundation for those who come after you. Be certain that they will reflect on your accomplishments with pride. Continue your fine contributions, be proud of your school, and continually search for that which is most worthwhile and lasting in this life! Best wishes to all who graduate this year, and be assured that we will always be interested in your futures.

R.W. Lanspeary

SECOND-IN-COMMAND

Vice-Principal

Vice-Principal's Message

Many fond memories and thoughts have been captured and preserved in the excellent editions of the Blue & White over the past sixty years, and this year is no exception.

The words of our school song were very much alive in the hearts and minds of everyone that attended our Diamond Anniversary Celebration. Alumni from across Canada and the United States were digging out their old Blue & Whites and reviewing them with a sense of fondness and pride. Many precious memories have been captured and immortalized over the years through the countless hours of diligent work of all our Blue & White staffs.

We all appreciate the contributions of our yearbook staffs and that of all our students who participated in extracurricular activities. It is through these activities that many of our students have demonstrated initiative, responsibility and leadership which is the basis of our success and our school spirit.

To the graduates, I thank you for your participation, perseverance and cooperation throughout the year. I congratulate you on your achievements and wish you continued success in the future.

Best Wishes,
W. Lozinski

LOOK IN THY HEART

FRIENDSHIP

A girl must grow
To learn who's inside.
With this there's pain
From which she can't hide.

With you I found love,
A special feeling so deep.
As pure as a rose;
A treasure I'll keep.

But friendship will grow
Sometimes too fast.
Something is lost
And the friendship can't last.

Our friendship grew quickly
And we moved separate ways;
But we'll stay within reach
For the rest of our days.

Although things that grow
May dwindle and die;
Our friendship is one
That will never say good-bye.

- Karen Nahnybida -

WHERE HAVE ALL THE SOLDIERS GONE?

I am proud. Proud to be a Canadian and grateful to those who left their mothers, wives and children to fight for what they believed in. Yes, grateful to those who died - men and women, young and old, the innocent and the bold.

What do Canadians have to remember? They have to remember their lives of freedom. They must not forget them.

I remember, although I have no memories. I remember through pictures, diaries, stories and documentaries. Do you remember where the soldiers went, not knowing if they would ever return?

As Canadians, as human beings, our lives are scarred with emotional traumas. Do you remember the veteran who lost his best friend, who sat there and cried, not knowing when death would be at his front door.

Please, God, we pray to you, please no more. We thought that that war would end all wars. If this is true our children will ask, "Where are all the soldiers? Did they finish their task?" I vow to you all: I will never forget. Because those young soldiers once made a bet. That they would, return one beautiful day. To be accepted, never turned away. That is why we remember the soldiers one November day. And their fallen comrades who lay so far away.

- Grant Nash -

SOMEONE

I met this certain someone,
that made my whole life change.
This person is so special,
I wish I could explain.

He put a smile on my face,
when I was sad and blue,
He held me tight all those nights
and said, "I love you."

So hope we stay together long,
that's what I really want
To love and share my life with him
until we both depart.

- Helene Krznarich -

Friendship.

It's about the best thing
in the world.
But no one person can ever
possess it.
Friendship takes two,
A winning combination -
A dynamic duo -
A rare pair -
Like me and you!

Friends forever.
- Cindy Dereniowski -

AND WRITE

FRIENDS

The world would sure be
a happier spot,
If people were friendly
more often than not,
Because nothing brings
sunshine and joy without
end,
Like a warm cozy place,
in a heart of a friend.

- Debbie Woods -

A SILENT WARRIOR

Silently -
It watches me as if with curious eyes it
could behold.
Motionless -
It stands proud and unafraid, like a monument
of precious stone.
Boldy -
It waves a banner of honour where it has
grown.

Surrounded by unbroken solitude, it stands.
Its purpose - to mark an unknown grave.
It serves its country with pride and honour.
Faces unknown foes with courage and valour.

It stands to tell a story of muddy graves,
endless fire, broken hearts and booming canons.
Though many an endless night it has seen,
through mist and rain or starry sky, it never
abandons.

It's loneliness overwhelms and sadness erupts.
But it shall never leave, for it must serve a
purpose; its dedication surpasses all.

Why then does this poppy serve its solemn
purpose without fail?
And we of a better life choose to ignore or
even worse - forget?

- Gizella Orosz -

LOVE

You give me the world
and oh so much more,
Your eyes are my windows;
your heart my door.
I can do almost anything
knowing you're beside me,
You give me the strength
to love and let be.
I look at the world
through your eyes,
You explain things to me
and make me realize,
That . . .
Love is something that
won't die away,
And when we have to say
good-bye your love will
ever stay.

- J.J. -

I wanted to ask you,
what you were doing in the church
motionless and without life
you lay there
I do not cry

I remember well
the laughter and the sadness
you were my best friend
I shall not cry

I recall
the good times that we shared and
cherished and the bad times we
tried to forget
I will never forget your life,
hopes, dreams and desires
you live with me now and forever
I can't believe you're not here
I miss you already
I need you
I shed a tear.

- Martina Obersat -

DRIFTING

Is this a dream, or am I real?
I can't explain the strangeness I feel.
Could I be a dream of someone elses?
Or am I a doll on anothers shelf.
Could we be on a stage acting out parts?
Maybe a childs toy in a play park.
No-one knows if we're dead or alive,
We only know that we have to survive.

- Tabitha Christoff -

STILL

You were my friend
but
now you have gone.
I think about you often
but
it's not the same -
we laughed and we cried
and we shared so much;
it's hard to believe just such.
You were always right there
to share
the way you felt
and to help me get through
whatever I do.
But
now you aren't here
and I still think of you often
but
it's not the same
now; only I cry,
only I share,
and I am only there.
I have to work things out
myself
and to try to be strong
but
I still long
for you.

- Dana Tapak -

THE DEATH OF YOU, THE BIRTH OF ADDICTION

The earth is moving.
But you still sing,
The end may be coming.
And you smile.
Why do you seem so happy?
Is it the cocaine, heroine, or mesculine?

Yes, I should have known.
You did it all,
What should you do if the cops shall call?
I've asked you to stop,
You ignored,
You are going to die,
And do you think anyone will cry?

Tell me now, just tell me how,
What's it like to live a closed life,
With only a bottle as a friend?
Baby, please talk to me,
Can you even hear?
Soon now,
Your death is near.

With tears in my eyes,
I walk away,
never to look back,
You did it to yourself,
I can't be the one to blame,
I warned you, and you never took any notice.

- Susan Truant -

SUMMER STORM

Dark clouds scurry overhead.
The air is heavy, quiet and still,
Then, the rumble of thunder,
Shatters the silence.
Lightening flashes bright
Against the blackened sky.
Slowly, steadily, the rain begins
To beat against the window pane.
In a crescendo of sound it falls,
Then softly,
It gently taps its rhythm on the leadened pane.
Slowly, steadily, the raindrops cease.
Lightening flashes against the distant skies.
The rumble of thunder sounds afar,
The air is fresh, crisp and cool
Dark clouds scurry overhead.

- Alena Sleziak -

ALWAYS LOOK BACK

We were born to loyal parents. Those who nurtured us from the day of our birth, to the day we decided to stand on our own.

When we were younger, we thought "My parents know everything." They were the most experienced people we knew.

As we grew older, we got out into the world and 'mingled' with the crowds. That first instinct was seen to slowly deteriorate until we got to the stage where, to us, our parents knew nothing. We have learnt by new books, new methods, and definitely see our answers differently.

We often tend to forget that the most knowledgable are the aged; those who have experienced life to it's fullest, gone to their life's horizons, and answered all their questions. We tend to turn away because our methods are perhaps 'better'. They could NEVER know the answer to our questions for we are too stubborn to listen to suggestion.

Through our maturity, we have come to be released into the world. To be able to set out on our own, looking towards our own horizons. We are known as adults, and are looked up to and respected by those beneath us. The parents that we once thought unknowing and miserable were found always giving their love, support, and understanding. Never pushing us, though always supporting us.

We see that they have grown older, and more loving. We must care for them as they have cared for us.

Look towards the future and show them they are not forgotten; but most of all, always look back and give them credit for years well spent.

- Lillian A. Maceyovski -

A KIND ACT OF LOVE

I was alone, scared and feared rejection.
Self-confidence I lacked, as well as pride.
Nothing I did gave me satisfaction,
Till you came, and showed me life's other side.

You taught me how to love, to laugh, to cry
And made me feel important, and alive.
You set my mind at ease, and my heart, high.
I felt like "someone", willing to survive.

Now that you're gone and all my tears are shed,
I will remember you, my cherished friend;
A kind soul who saved me, when my heart bled
And for this I'll love you, right to the end.

So thank-you dearly for this act of love
And God bless you, Chris, from the heavens above.

TRUE TARTANS

Walkerville is fortunate to have a very dedicated teaching staff. As well as promoting scholastic achievement, many of the staff are involved in outside activities. Some are advisors to various school organizations and clubs, while others act as coaches to school teams. Without this dedication to the students many clubs and teams would not have been in existence during the 1982-1983 school year. On behalf of the students we extend a sincere thanks to the teachers of W.C.I.

MEMORIES, LIGHT THE

FROM THE EDITOR

The 1982-1983 school year was a very special one for me. Not only was I able to be a part of Walkervilles' Sixthieth Anniversary but I was also editor of this special edition of the Blue & White. I hope everyone of you will enjoy the anniversary section of this book which was collected from the Blue & Whites of past years. It's what I call a bringing of past and present together.

The success of a yearbook depends entirely on the people who put it together. I was fortunate this year to work with a commendable Blue & White staff. Their dedication throughout the year and their support for the various fund raising activities which we undertook where a tremendous help. Thanks to all.

This year the photography staff of the Blue & White was under the fine guidance of Mr. Zawadski, Mr. Giles and the photography editor, Lillian Maceyovski. Thank-you for all the photographs which are such an important part of a yearbook.

I would also like to extend a special thank-you to Mr. McLeod, the sponsor teacher of the Blue & White. His support and guidance during the year was deeply appreciated. He also made me realize that the problems we often faced were just "minor details". I would like to wish Good Luck to all the students continuing their education here at Walkerville and to the graduates who will be moving on to broaden their horizons.

For sixty years Walkerville graduates have continued to achieve success and attain positions of importance across Canada. It was their education here at Walkerville that formed the foundation for their futures. They too have their yearbooks to reopen and recall the remembrances of the past.

In 1939 Canada was plunged into the Second World War. The publishing of the Blue & White was stopped during the war years yet we will never forget those that walked the halls of W.C.I. before us; those that laughed and cried; those that gave the supreme sacrifice for their country and for the freedom we experience today. The past sixty years have seen alot of change at Walkerville and the Blue & Whites have been excellent recorders of history.

This yearbook has captured some of the memories that time often fades. I hope that in the future when you look through this edition of the Blue & White you will fondly remember all the good times that we shared.

Best Wishes,
Alena Sleziak

NOTHING GREAT WAS EVER

From the V.P.

Our school seems to possess qualities no other school can or will ever match. That's an opinion and no doubt it will be argued, but I know of about 800 True Tartans who will back me up.

Our school is composed of athletic, academic, social, special interest and an incredible array of personalities which help to keep the life and spirit of Walkerville where it should be - at the top!

This year has been far from a pleasure cruise. Your capable president (Laurie Moluchi) and I have disagreed, argued, and even parted company at times in order to find the best solution or decision. When we finally did reach a decision, - it was the best! as so many other things were this year - the best!

Finally, I would like to say that in the past five years I have asked a lot of the staff, students, my friends and even myself at times. I would like to ask one more thing. When we are signing our yearbooks, let's not say "good-bye", let's just say "see ya soon" because I know that I never want to say good-bye to anyone from Walkerville!

- John Probert -
Student Council Vice-President

P.S. "See ya soon"

From the President's Desk

When I joined the student council three years ago, it was encouraging for me to see all the "busy-bodies", all the "decision-makers", all the "do-ers" doing things around me and encouraging others to join in! It was a great sensation to feel a part of putting things together and getting work done. And this year it was my turn to organize the energies around Walkerville to see what we could do. I'll tell you, all the pride and the enthusiasm and the SCHOOL SPIRIT that went into this school year is phenomenal! I cannot begin to describe the exuberance with which these people worked!

First of all, I'd like to thank all the class reps for their drive, zeal and dedication. If it wasn't for you, there would be no such thing as a student council!

My executive this year was first-rate. Never a need to hound or get on your backs, eh guys? In all seriousness, if there was work to do, it was done at a professional level, and with a smile! Special thanks are extended to Jim Beluli - who kept a careful eye on the old "purse strings", and MaryKate Lee - who ran the risk of becoming addicted to ditto fluid in the process of delivering the minutes with true dedication. Thanks alot!

My vice-president is beyond words. Besides being the "authoritative, get-the-job-done-right" kind of guy that he is, he is also one of the kindest, most generous and loving people I know. John, I don't know how to thank you.

Lastly, I need to say a very special "thank-you" to a very special person - our coat-check girl. She also happens to be the best friend I have in the entire world. Laura, if it wasn't for you, you know I'd be in the rubber room right now. You, my dear, are priceless.

And I can't forget our sponsor teachers, Mrs. Mosely and Mr. Bondy. Boy, you two sure can take an awful lot, can't you? You guys are tops!

This last year has been the scariest, most harrowing, most rewarding one that I have ever had, in high school or otherwise! I can only hope that I have done a good enough job to make you remember it as I know I will! Keep the spirit of Walkerville alive, live life to the fullest, and have a blast! It's been awesome!

To the old friends and new - merci beaucoup.

Last month the Blue Print sent out a survey asking students what they would like to read about in the school paper. One of the suggestions was an article on marijuana use in the school.

The Board of Education is presently issueing a new program S.L.A.P. (straight Look At Pot).
The abjectives of this program are as follows:
1. To increase student knowledge about marijuana.
2. To increase students perceptions at the seriousness of consequences associated with marijuana use.
3. To increase student percentage of their susceptibility to the consequences of marijuana use. This program is only for those students in nine and ten. It is presently in use at 5 secondary schools under the juristidiction of the Windsor Board of Education. Walkerville will soon be taking part in this program.

This is a formal to minute classroom presentation followed by a five-month in-school public education campaign.

We chose to interview 2 students. The students were both seniors, one being male and one female. The questions were as follows:
Do you still smoke Pot? Male - Yes. Female - Yes

How often do you smoke it? Male - Twice every month. Female - 3 times every month.

Do you believe there are any harmful physical sideaffects? Male - Yes, but I don't feel they apply to the occasional smoker. Female - Not really, unless it was used daily.

Have you ever smoked it in the school building or on the school grounds? Male - Yes. Female - No.

Have you ever smoked it during school hours? Male - Yes. Female - No.

WE ARE THE

FROM THE PRESIDENT

The Student Music Association was created with the aim of planning and organizing fund raising activities to benefit all the students of Walkerville and especially those involved in the music program. This year one of our major concerns was the constitution and as of February 10, 1983 it has been fully ammended. The S.M.A. also sponsored the annual Christmas Concert, dances and a variety of other fund raising activities. As president this year I have had a great experience with the S.M.A. I would like to thank Miss Mably for her guidance, patience and dedication. Special thanks must also be extended to the executive of the S.M.A. for without them this year would not have been so successful. I thank you for your dedication and cooperation. I would like to thank all my fellow students and teachers for their support and encouragement. This year has truly been a memorable one and I will never forget the good times we've shared.

Reach for the Top

LEFT TO RIGHT: Dave Probert, Jennifer Channen, Mr. Aitkenson, John Laird, Al Rush

The four members of this years team should be greatly commended for an excellent performance in both of their two games. In the first game the team won with well over 100 points to spare. Unfortunately, they did not do as well in their second game and thereby lost a chance at the playoffs.

Special thanks are extended to the coach, Mr. Aitkenson, who did a fine job in preparing this years team. Farewell to Al Rush and Jennifer Channen who will be leaving Walkerville and Good Luck to next years team!

Miss Lougheed's library aides are a very important group of students. They make it possible to get your books signed out quickly, which is great when you're in a hurry! These students are taught how to use the security system, the card catalogue, how to shelve the books properly as well as all the other duties required of them. The library aides help Miss Lougheed keep our library running smoothly and efficiently.

The members of Walkerville's chess team play against each other in practice games. This improves the quality and ability of their playing. The team then competes against other secondary schools in a regulated tournament. This year proved to be very productive for the chess team. Some games were won and others lost, however everyone improved his game and each learned the importance of good sportsmanship. Special thanks to sponsor teacher Mr. Matassa for his fine guidance.

THE P.C.P. CLUB

THINGS TO SPORTS

S.A.A. Executive

The members of this year's Student Athletic Association are: President, Jill Gatfield; Vice-President, Cindy Dereniowski; Secretary, Donald Cameron. The S.A.A. is responsible to provide all W.C.I. school teams with equipment and transportation during the sports season. In order to obtain the funds necessary to run these sports all year round the S.A.A. organizes many fund raising activities. These events include the raffling of sports jerseys, selling refreshment at the school dances, sponsoring car rallies and of course Lotto Walkerville. Without the S.A.A. many of the sports in which we participate both as players and as spectators would not be available. Thanks to the S.A.A. for a terrific year in sports!

BELOW: The Tramp Champs.

I CAN RUN FOR MILES AND MILES.

Cross Country

This year W.C.I. had a very competent Cross Country Team. Glenn Dietzel and Dave Jean ran in the senior boy's division; Brad Radin, Steve Jull, John Hreno and Don Jean in the junior boys division and Janet Jull, Susie Robarts, Beth Lebedyk and Lisa Demarco in the senior girls division. The Cross Country Team competed in several meets in Windsor as well as in London, Detroit and Grosse Pointe Michigan. The team did well at W.S.S.W. and the top runners competed in S.W.O.S.S.A. Good Luck to next years team.

Senior Cheerleaders

This year the senior cheerleaders have succeeded in fulfilling a heavy schedule. It started in October when the girls walked away with second place at the Leamington Competition. In December the girls made the finals in the annual competition held at St. Denis Hall. In April, ten of the girls attended the All Ontario Competition in Toronto - the highlight of the year. Thanks should go to all the special girls on the squad and especially to Maureen Jack and Laura Zalucki, the captains. They've all worked hard this year to bring spirit and pride to Walkerville.

Senior Wrap-Up

The Senior Football Team started off the 1982-83 season with two consecutive wins and continued to play well throughout the season. Both the offensive and defensive lines of W.C.I. proved to be a tough opposition for the other teams. The team was fortunate to have many returning starters as well as a competent squad of substitutes. The team finished off the season with a three-win, three-loss record. The three players from Walkerville which were selected for the All-City, Tier-two team are Don Cameron, Mike Hodges, and Zdravko Mlnaric. This year the Seniors were coached by Mr. Strong, Mr Cipparone and Mr. Marin.

Junior Wrap-Up

This year the Juniors finished off the season with a two-win, four-loss record. Mr. Rumble and Mr. Nicodemo coached a fine team this year with many experienced players. Derek Coronado did very well this season. He completed three of the four total touch-downs and was the high scorer of the team. Matt McDonald another good junior player was responsible for kicking several field goals which gave the team those extra needed points. The defence for the Juniors was their strong point. Next year many of these fine players will be moving up to the Senior team.

Good Luck to all!

The Syncro Swim Team was coached this year by Mrs. Stephenson. The team practiced diligently in the mornings and after school in order to co-ordinate their movements and get their timing down perfectly. The team developed many routines, accompanied by music such as Herb Alpert's Whip Cream and Other Delights. The Syncro team competed in several competitions and did quite well. Congratulations girls, that hard work paid off!

BACK ROW, LEFT TO RIGHT: George Sevo, Rob Kitching, Andrea McPhee, Lisa Zazour, Dana Tapak, John Laird. MIDDLE ROW: Laura Nageleisen, Paula Bonnett, Jeff Wilkinson, Brian Jahn Jahns, Steve Radin, Grant Nash, Todd Mattiuz, John Howitt. BOTTOM: Wendy Graham, Chris Laird.

Swim Team

This year's Swim Team had an excellent season. The senior and junior boys along with the senior girls team did very well at all meets. The first and third meets were very successful with our team winning several first second and third placings. Out of 14 students who participated at the U of W meet 12 made it to the finals. Firsts were won by Chris Laird, John Laird and John Howitt. The junior relay team of Howitt, Laird, Nash and Sevo also placed first. Second and third places were picked up by the senior boys relay, senior girls relay, Andrea McPhee, Wendy Graham, and Grant Nash. Many thanks to coach Turton for a job well done. The team as a whole should be commended for their performance and effort in keeping Tartan Spirit alive.

Senior Boys Basketball

BACK ROW, LEFT TO RIGHT: Coach Rick Scott, Romano Curti, Joe Oklobdzija, Steve Bacic, Sean Fable, Scott Hillman, Gus Spanic, Ken Ferguson, Mike Krzeminski, Artie Watkins. MIDDLE ROW: Ken Roughton. BOTTOM ROW: John Rizk, Peter Thorman, Mike Beaumont, Alberto Sablone, Dave Rudman, Glenn Dietzel.

All our basketball teams put forth a good effort this year. Our newest players on the Freshman team finished off the season with a good record, and were lead by David Dresser and Todd Thibert. Mr. Cipparone was the coach of the Freshman team.

The Junior team had a fine season. Matt McDonald the 6'1 centre was the top scorer of the team while Stanly Chacko the 5'nothing super-stealer proved that size isn't everything!

Unfortunately our Seniors had a rather weak season. Star, Gus Spanic was injured in the controversial Herman game and was out the rest of the season. However, the team under the coaching of Rick Scott and Arty Shaw continued to put forth a good effort. Dave Rudman, Steve Bacic, Ken Roughton, and Sean Fable, and Ken Ferguson, the starting line up, was fortified by the "Tartan Tower", Joe Oklobdzija.

Thanks to all the boys teams for courting us with spirit this year!
