We've got spirit yes we do!

on the courts....

and on the bench...

everywhere we go....

We make sure we're heard!

we can dance . . .

and we can sing . . .

we shoot to score . . .

We may be crazy . . .

But we aren't ashamed . . .

of what we are!

*Some  
but  
well  
coming*

Congratulations Yearbook Staff! Once again you have produced an entertaining and memory-packed journal of the past year's events and activities at your school. All of us appreciate your hard work under the direction of Mr. McLeod.

This school year was highlighted by a concerned effort on the part of students and parents to ensure that Walkerville was to remain open during a period of declining enrolment. The crisis brought out the very best of Tartan Spirit in the school and community. Alumni from the 1920's, 30's and 40's made their voices heard at a special Board of Education meeting. Representatives of the Agora spoke eloquently as did representatives of the Student Body in general. Members of the Board were left in no doubt about the positive impact of this school on the Community it serves.

Fortunately, we do not live in a state of constant crisis. However, would it not be wonderful to have a measure of the positive feelings referred to, as part of our daily life at this school? We have much to be proud of, and we so often forget that tradition. As we face future problems and adjustments as a school it would help us to remember those sixty-two years of fine tradition.

Graduates, our best wishes for a great future accompany you in all of your endeavours at University, College, or at work. We are proud of you!

R.W. Lanspeary  
Principal

This edition of the Blue and White will afford all of us an opportunity to reflect on the 84-85 year with a sense of pride, warmth and personal satisfaction. During the School Boards deliberations on the consolidation of Secondary Schools, it was extremely satisfying to hear our students, parents, alumnae, and representatives from community agencies speak proudly and with reverence of the many contributions Walkerville has made to our community and to our youth.

This yearbook has captured individuals participating in the many varied activities of our school. It is through these activities that students demonstrate their individual strengths, make lasting friendships and make valuable contributions to Walkerville's spirit.

Congratulations to the editors, staff and Mr. McLeod for making this edition a reality. I also wish to congratulate all our graduates for their perseverance and efforts of the past and for their many contributions to our school. May your future endeavors continue to bring honour to yourselves, your families and to our Collegiate.

Best Wishes  
Wm. Lozinski  
Vice-Principal

We hope this year has been as enjoyable for you as it was for us. This experience would not have been possible without the help of a few people who we would like to recognize. First of all we'd like to say a special thank-you to all the students on the school closure committee. You did a super job of representing us, and your efforts will be appreciated by all future Tartans. To our advisors, Mr. Bondy and Mr. Zavits, thanks for keeping us moving and organized throughout the year. And last but not least, thanks to the men at the top, Mr. Lanspeary and Mr. Lozinski, who always gave us their time and understanding.

We tried to think of a way to sum up our year with meaningful words, but since music plays such a big role in our highschool lives we thought we'd leave it to the professionals, so we chose a few words that meant a lot to us and we hope to you too.

Another summer, another vacation is over  
A september morning with the sun  
and smell of clover  
Down by the gates we sit  
and watch all our friends go by  
And pretend we don't hear  
the bell that rings through the summer sky (Wham)  
Maybe we'll leave come springtime  
Meanwhile, have another (root)beer  
What would we do without all these jerks anyway?  
Besides, all our friends are here. (Don Henley)  
Man we were killin' time  
We were young and restless  
We needed to unwind  
I guess nothin' can last forever - forever no. (Bryan Adams)  
It used to make me so fed up  
People always asking me  
What will you be when you grow up  
You're gonna need security  
Spent a little time in highschool  
Wishing I was somewhere else  
Having fun and acting cool  
I just wanted to be myself. (Huey Lewis)  
And I will go on shining  
Shining like brand new  
I will never look behind me  
My troubles will be few  
Good bye stranger it's been nice  
Hope you find your paradise  
Tried to see your point of view  
Hope your dreams will all come true. (Supertramp)  
As the music dies  
Something in your eyes  
Calls to mind the silver screen  
And all it's sad goodbyes. (Wham)

## ... FROM THE EDITORS

We thought we were crazy when we did the yearbook the first year but now . . . after the second edition we know it! Then again, there are all the deeply satisfying rewards; wasted weekends, headaches, pressures, dances to organize and decorate for (definitely a fun time!), dead-lines, hassles, complaints, and most of all a few measly honour points.

Was it worth it? Heck no! And what do we have to say to you? THIS is the yearbook. If you like it - that's nice. If you don't - who cares? (not us!)

Personally we think it's not too shabby. There are more candid's in this book than we've ever seen in a yearbook before, so don't complain. Besides, you only had to pay 9 bucks. If we charged you for labour (don't forget time-and-a-half for weekends) you'd be paying at least 20. I can't believe we do this for free . . . and by choice! We're worse than crazy, we're insane.

Well it's time to say a few thank-you's. To Mr. McLeod (who we taught the true meaning of patience) thanks for all the hours you put in. You're the best sponsor teacher a group could ever have! Also thanks to Ben Dalupan - photography editor - for the super pictures, and to Paul Yaworsky --advertising editor - for getting us some funds. To Christina Allen and Geoff Hayes (who we're training for the editor positions) thanks for all the help you've given us and good luck for next year. It's a tough job but somebody's gotta do it! We would also like to thank our ever faithful staff who played a vital role in getting our book to you.

For all of you less fortunate individuals compelled to return in the fall, it's not that bad! We survived 5 years - so will you.

Since we have the rest of this page to waste (and no one ever reads these messages anyway) we would like to take this opportunity to say to all our friends and co-groupies - it's been one unique year! We've been through it all; the laughter, the tears (discussing our futures or lack thereof), the ups, the downs, the hills and the valleys (and generally boring times). But - we wouldn't have missed it for anything. Really, it's been a heap of fun. We'll be glad to go but deep down inside we'll miss all of this insanity.

Thanks for the laughs, the fun and the friendship. It's these things that make highschool bearable. Good luck in University and beyond . . .

## MagicWagons lead with Front Wheel Drive.

In their first year of production MagicWagons have been a runaway success. Proven front-wheel-drive technology. Proven versatility. Proven small car handling. Go ahead and

### BEST BUILT, BEST BACKED

Based on percent of recalls for 1982 and 1983 model years for cars designed and built in North America.

**Chrysler backs every car it builds for 5 years or 80,000 km on engine and powertrain, and outer panel anti-corrosion.** See dealer for details.

prove it to yourself. You've got to drive a MagicWagon to believe it.

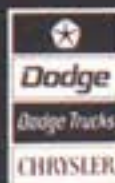

*No other mini wagon has the front-wheel-drive advantage*

- excellent traction in winter
- compact car handling with 30% more space than a station wagon
- flat floor with no transmission hump for more interior room
- excellent fuel economy
- versatile with room for two, five or seven adults
