From the Desk of the Principal...

As Walkerville students, you are fortunate to have a unique secondary school experience. The opportunity to interact with students in the Community Living program broadens your understanding and increases your awareness of and sensitivity towards your classmates with special needs. The W.C.C.A. program and your exposure to all areas of the Arts heightens your appreciation of the talent and creativity of so many of your peers and enriches all of your lives. The athletic and social activities you enjoyed throughout the year will hopefully remind you of the importance of involvement in school life and leave you with some great memories.

My thanks to Jen Eppert, your editor, her staff, and to Mrs. Papak, the teacher sponsor, for all of their hard work in producing an excellent yearbook for all of us to enjoy and treasure. I also want to recognize and extend my appreciation to all of you who embrace the spirit of Walkerville and make this school a great place to learn - for all of us!

Miss Beatty

From the Desk of the Vice-Principal...

It is a pleasure to wish you well as you glance through the pages of this yearbook recalling memorable moments and achievements of this past year. Activities were in full swing again this year and Tartans were excelling both in academic and extra-curricular activities. Many students at WCI continue to achieve new heights and make the WCI family very proud of them.

Highlighted on the pages of this yearbook are many aspects of student life that have made the days of the past year fun and exciting. In the years to come, you will be able to look back at these pages and reflect on your contributions at the school; your accomplishments at WCI; and remember the friendships that you formed while a member of the Tartan family.

Thank you to Mrs. Papak, Jennifer Eppert, and the yearbook staff for the many hours that have gone into making this yearbook one that will bring many hours of joy and happiness to all those who leaf through the pages.

Deep Thoughts

By Jack Handy

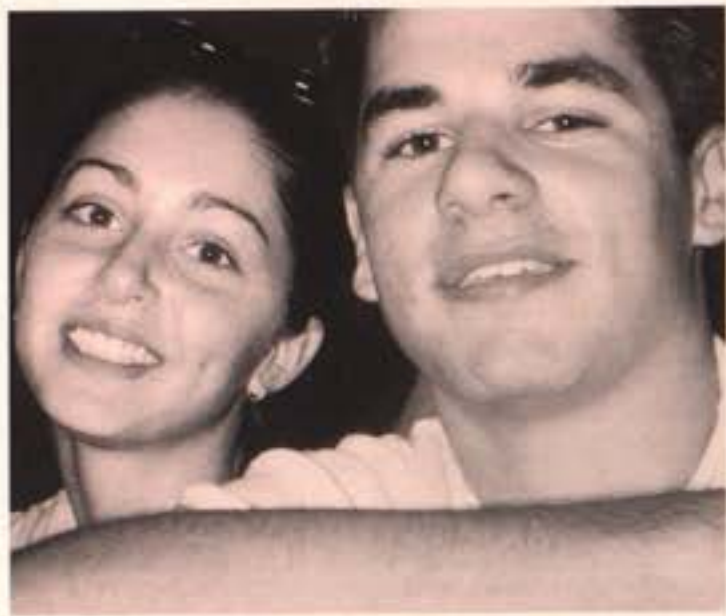

Somebody told me it was frightening how much topsoil we are losing each year, but I told that story around the campfire and nobody got scared.

You know what would be the most terrifying thing that could ever happen to a flea? Getting caught inside a watch somehow. You don't even care, do you?

The wise man can pick up a grain of sand and envision a whole universe. But the stupid man will just lie down on some seaweed and roll around until he's completely draped in it. Then he'll stand up and go, "Hey, I'm Vine Man."

FROSH

Frosh Week Comes To A Messy End Finally We Can Throw Out The Leis

The combination of flour, water and the great work of the Frosh Squad made the KOOK games a success. Since initiations were banned this year, the seniors were just itching to get us, and get us good. Which is exactly what they did. Even Jesse Topliffe, leader of the Frosh Squad, got messy with the rest of us, though not by choice. The favourite game among the grade 9's was the Flour/Water game, which was enjoyed by all. The grade 9's jumped into action and their school spirit soared.

WEEK

Where My Frosh At?

This year's frosh week had to have been one of Walkerville's best! Including an awesome pack of "niners" and an equally awesome Frosh Squad. Meshed together, we saw the transformation of Walkerville students into Walkerville Tartans! A week filled with messy grade nines, dancing, food and spirit. That's Walkerville at its best!

Dear students of Walkerville and W.C.C.A.,

It is with great pride and appreciation that I involve myself with W.C.C.A. and Walkerville. This is my eleventh year of teaching and administering in this wonderful school and in this outstanding programme. There is no other school I'd rather be associated with; the students and staff work so hard to achieve such excellent results in their artistic and academic endeavours. This has been a memorable and rewarding year.

In the fall we welcomed a new and energetic staff member, Mr. Joel Lewsaw, who directed School House Rock - Live. He also joined Ms. Erede and Ms. Robinson in preparing a dance and drama student theatre production of *Charlotte's Web* and *Mulan* for elementary school children.

Ms. Erede's O.A.C. dance class put on their annual winter show, *Artistic Endeavours*.

Mr. Ross and Walkerville students rang in the new year with the riverfront Millennium Bash.

Mrs. Maynard's vocalists were busy all year presenting fall and spring concerts, social benefits, and a concert with the Windsor Symphony Orchestra.

The drama students again worked hard to put on *Much Ado About Shakespeare* at the Sears Festival.

Mr. Ross, Mr. Lewsaw, Ms. Robinson, along with a great cast, staged *Joseph and the Amazing Technicolor Dreamcoat*.

In the spring, productions of *Annie* and *Fantastic Fairy Tales - The Tortoise and the Hare* amused crowds of elementary students.

The instrumentalists played several Windsor venues, in addition to competing in the Fountains Festival.

Mr. Tomelini joined a great staff of tutors including Ms. Fitzpatrick, Ms. Preston, Ms. Fimpulle, Ms. Duncan, Ms. Espino, Ms. Dwyer, Mr. Fuller and Mr. Valentino.

The art students produced more memorable works this year and I thank Denise Shaker for her assistance in our night class.

The year ended with a wonderful trip to British Columbia. We hope for more of the same next year.

A special thanks goes out to our new Principal Ms. Beatty, our VP, Ms. Fleming, our wonderful W.C.I. staff. I also want to thank all those students who help at the bingo's, as well as Mrs. Lebeznick and Mrs. Zieba for organizing these fundraisers.

We will miss Mr. Grossault, who has retired, and it is with sadness that we acknowledge the passing of Mr. Ernie Curry, a long time music teacher/director of music theatre at Walkerville Collegiate Institute.

Sincerely,

Mr. J. Vachos, Pres of W.C.C.A.

"MUCH ADO ABOUT SHAKESPEARE"

SEARSFEST 2000

WRITTEN AND DIRECTED BY WALKERVILLE'S OWN
APRIL KING AND JULIE GOUIN

"Much Ado About Shakespeare" is a tribute to various works by William Shakespeare. The twist to these highlights is the sporadic intrusion by other famed literary characters such as Scrooge from "A Christmas Carol" or Stanley from "A Streetcar Named Desire". It also provides the audience with well-known Broadway musical numbers like "Singin' in the Rain" and the "West Side Story" hit "Tonight". We all hope you enjoyed seeing it as much as we enjoyed performing it.

STUDENT COUNCIL

1999-2000
Agora is Walkerville's Fantastic Student Council. This is a group of dedicated
Students elected by their peers to organize school activities and to act as a medium
of communication between staff and students. This year Agora has been fortunate
to have been involved in the community and help promote leadership within
the school.

SPECIAL THANKS

Agora would like to give the following recognition for their help throughout the year. Agora wouldn't be here without you.
 Mr. Booth, Ms. Beatty, Ms. Flemming, Dance Chaperones, Office staff: Donna, Donna P., Leslie and Glenna (honourary Agora member), Mr. Curry, Rick Hancrar, Gord & Rob, Mr. Crowley, Mr. Lewsaw, Mr. V, Friends of Agora, Mr. Hayne, Walkerville Custodians, WCCA staff, Beaver Food Ladies and especially Walkerville's Spirited Students and Teachers.

Message From the Prime Minister

Stephanie Perta

Five years at Walkerville have come and gone very quickly. When I think back to all of the things I've been a part of at Walkerville, without a doubt Agora has been the best. I've met some of my best friends and learned things that can't be taught in a classroom. I've had such an awesome time being Prime Minister. The Agora Executive and Cabinet have been excellent this year and I thank everyone. A humongous thank-you goes to Mr. Big Bad BOOTH who has helped me endlessly throughout this year. Libby, you're going to be fantastic next year.

ASC

ASC stands for the Association of Students Councils. ASC is a group of student council prime ministers and other executive members from across Essex County who meet weekly to exchange ideas and suggestions. They are also the proud organizers of the Essex County Krazy Olympics (ECKO). Your ASC representatives for 19999-20000 were Chris Clark, Liz Donaldson and Stephanie Perta

OSSSA

OSSSA stands for the Ontario Secondary School Students Association. OSSSA is separated into sections across the province. Our section is called Western West. It is an organization which consists of student leaders who discuss secondary school issues and attempt to help students realize their potential and leadership qualities. OSSSA does many city-wide activities throughout the year but is mostly known for their annual leadership conference. Adam White was co-conference chair this year for SOVP 2000 (Students of Ontario Using Their Potential). Adam did an excellent job organizing the conference, helping others realize their potential and most of all proving that he is a model student leader.
