PELEE ISLAND BICYCLE EXCURSION

September 30, 2000 was the occasion for the second annual Pelee Island Bicycle Excursion. Twenty-one students accompanied by Miss Setler, Mr Swierenga, Mr Kerr and Mr Booth departed from Kingsville aboard the Jjimann. Within the time period of five hours, the cyclists circled the island with significant stops at historical Lighthouse Point, at the glacial Mill Point and at the wildlife preserve at Fish Point. Apart from a few minor breakdowns, the students found the day to be physically exhausting, intellectually rewarding and in terms of emotions - totally exhilarating.

Message from the Prime Minister

☀️ Liz Donaldson ☀️

Well it's the end of another year, and what a year it's been! I can honestly say that as this year's prime minister, it's been a long, funny, satisfying, stressful and incredibly amazing experience. After being on Agora for 5 years now, I feel like these people are my family and that Walkerville is my home. I only hope that Agora continues to do the great things they do, and put all the time, effort and laughter that they have into it. You guys are awesome and I thank you so much! Walkerville is definitely a gem of a school, so all you students out there...let's keep it that way! Tamsen, keep on rockin!

This has been an eventful and exciting year at WCCA. The students were still enthusiastic after returning from their wonderful 2 weeks in Banff, Vancouver and Victoria at the end of last year. This enthusiasm spilled over into the fall, when performances of Velveteen Rabbit and Charlotte's Web were put on by the dance department to the delight of over 1000 grade school students. Also the choir under the direction of Mrs. Maynard performed with the Windsor Symphony. In December WCCA put on a successful Christmas concert for the community.

The annual Artistic Endeavours dance performance - Emotion In Motion - was a resounding success (under the direction of Ms. Brode); and that was followed by an incredible staging of Evita - directed by Mr. Lewsaw. Ms. Robinson and Ms. Brode's dance classes staged Pipi in The South Seas and The 12 Dancing Princesses; and Mr. Ross took his travelling singers and musicians on the road to the Detroit Yacht Club and Place Concord. The instrumental musicians, including Ms. Peter's pianists, and wind students of Ms. Brenton, Ms. Fitzpatrick, Ms. Preston, Ms. Deyell and Mr. Temellini, performed all over the city and at the school for the community (and also captured numerous Kiwanis accolades again). A group of 45 students went to New York City to see the sights, the art museums and the musical The Producers (starring Nathan Lane and Matthew Broderick). This year we also began work on our new animation studio, photo lab and began using our new drama room. In conclusion I would like to thank all the staff, students, parents, administration, secretaries and friends of WCCA who have contributed to the success of the program this year. We'll see you next year!

Editor's Notes

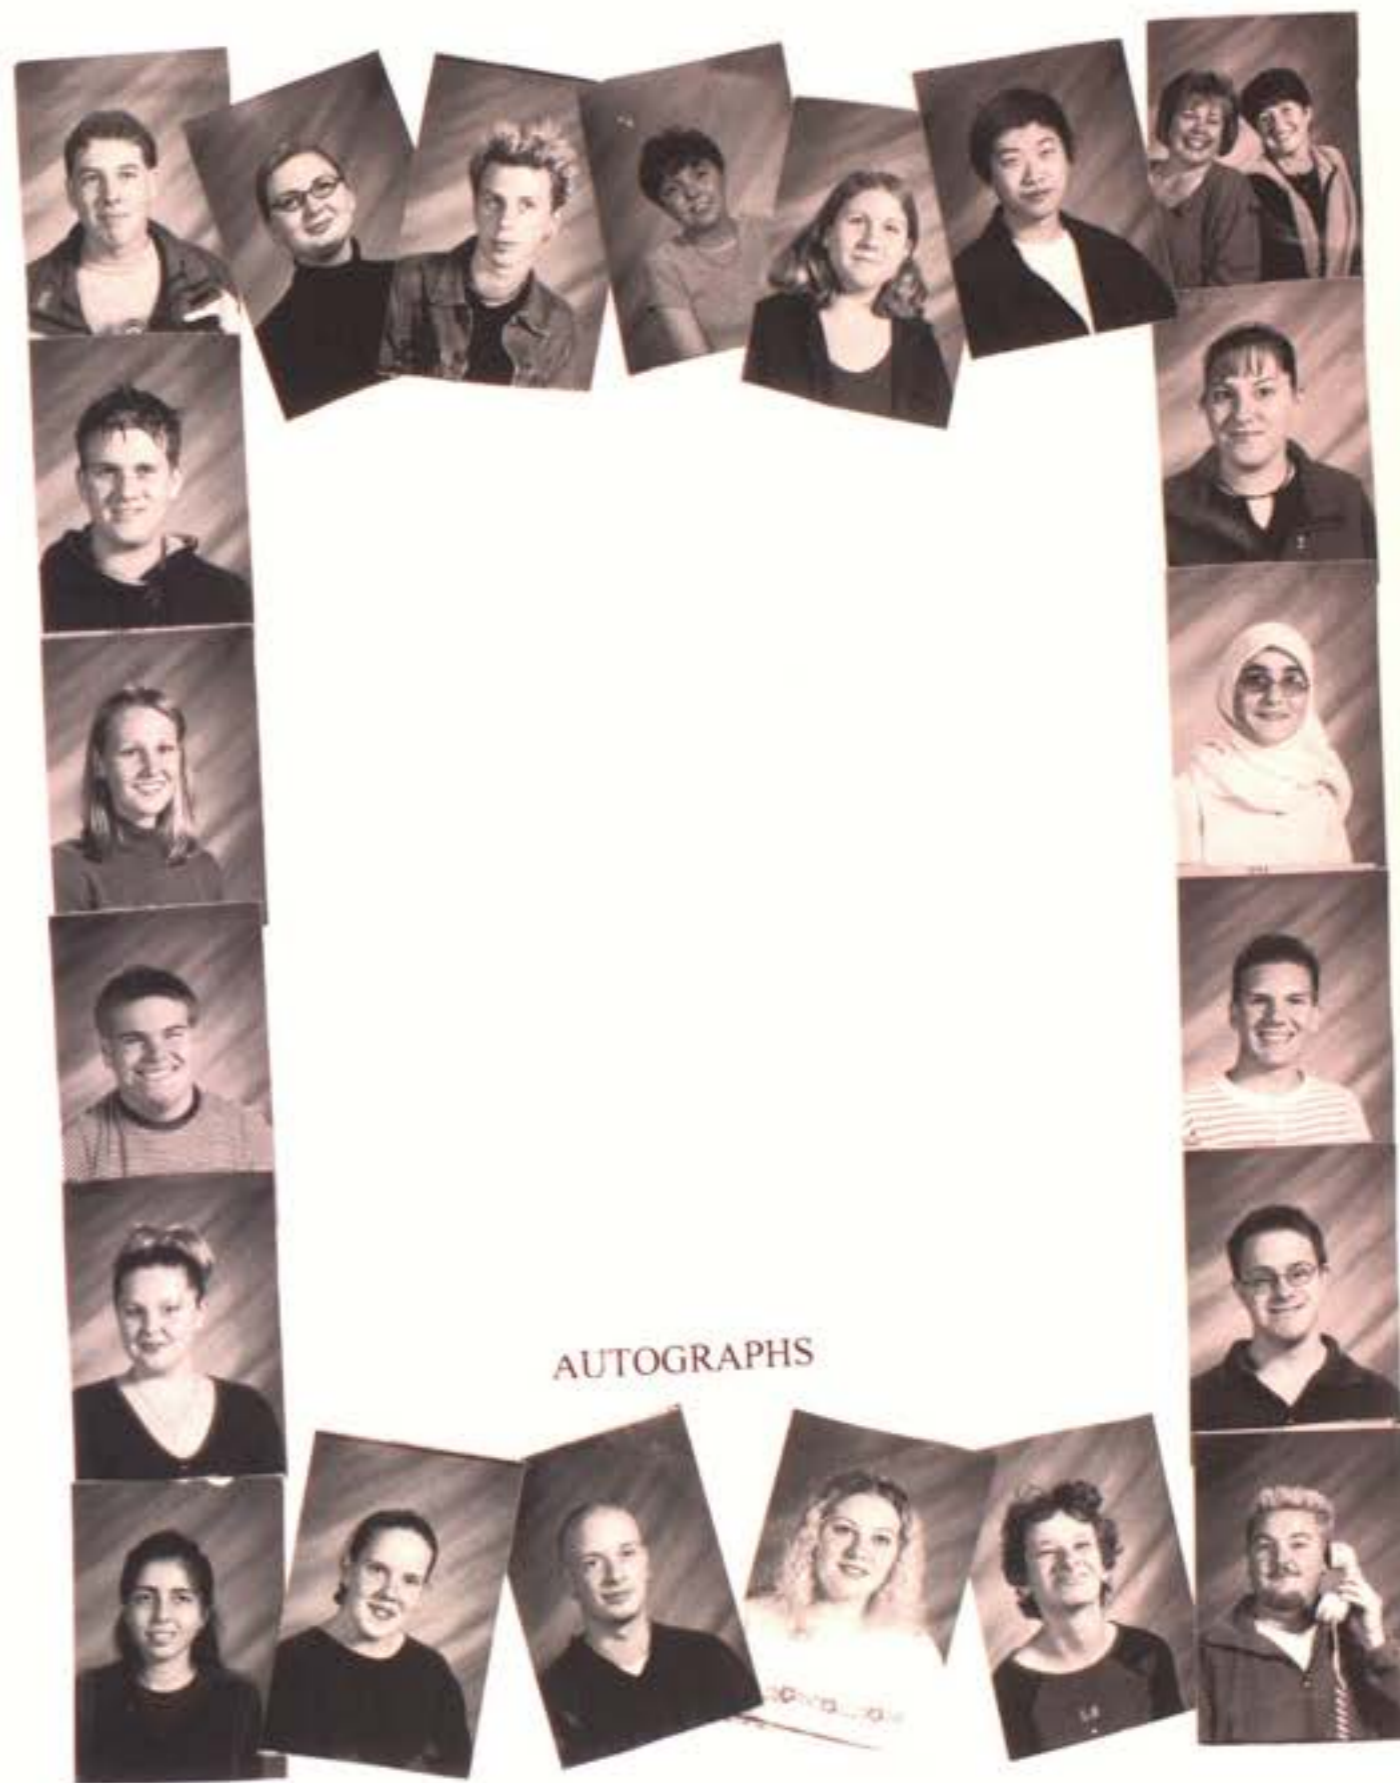

Well, what more can be said? Yet another school year is finished, and hot off the press. I hope that as you turn the pages you will remember what a wonderful year it has been. Putting together a yearbook is a huge job, and with out the help of many people would not be possible. I hope that next year there will be an even better turn out for yearbook committee. Your yearbook is only what you make it!

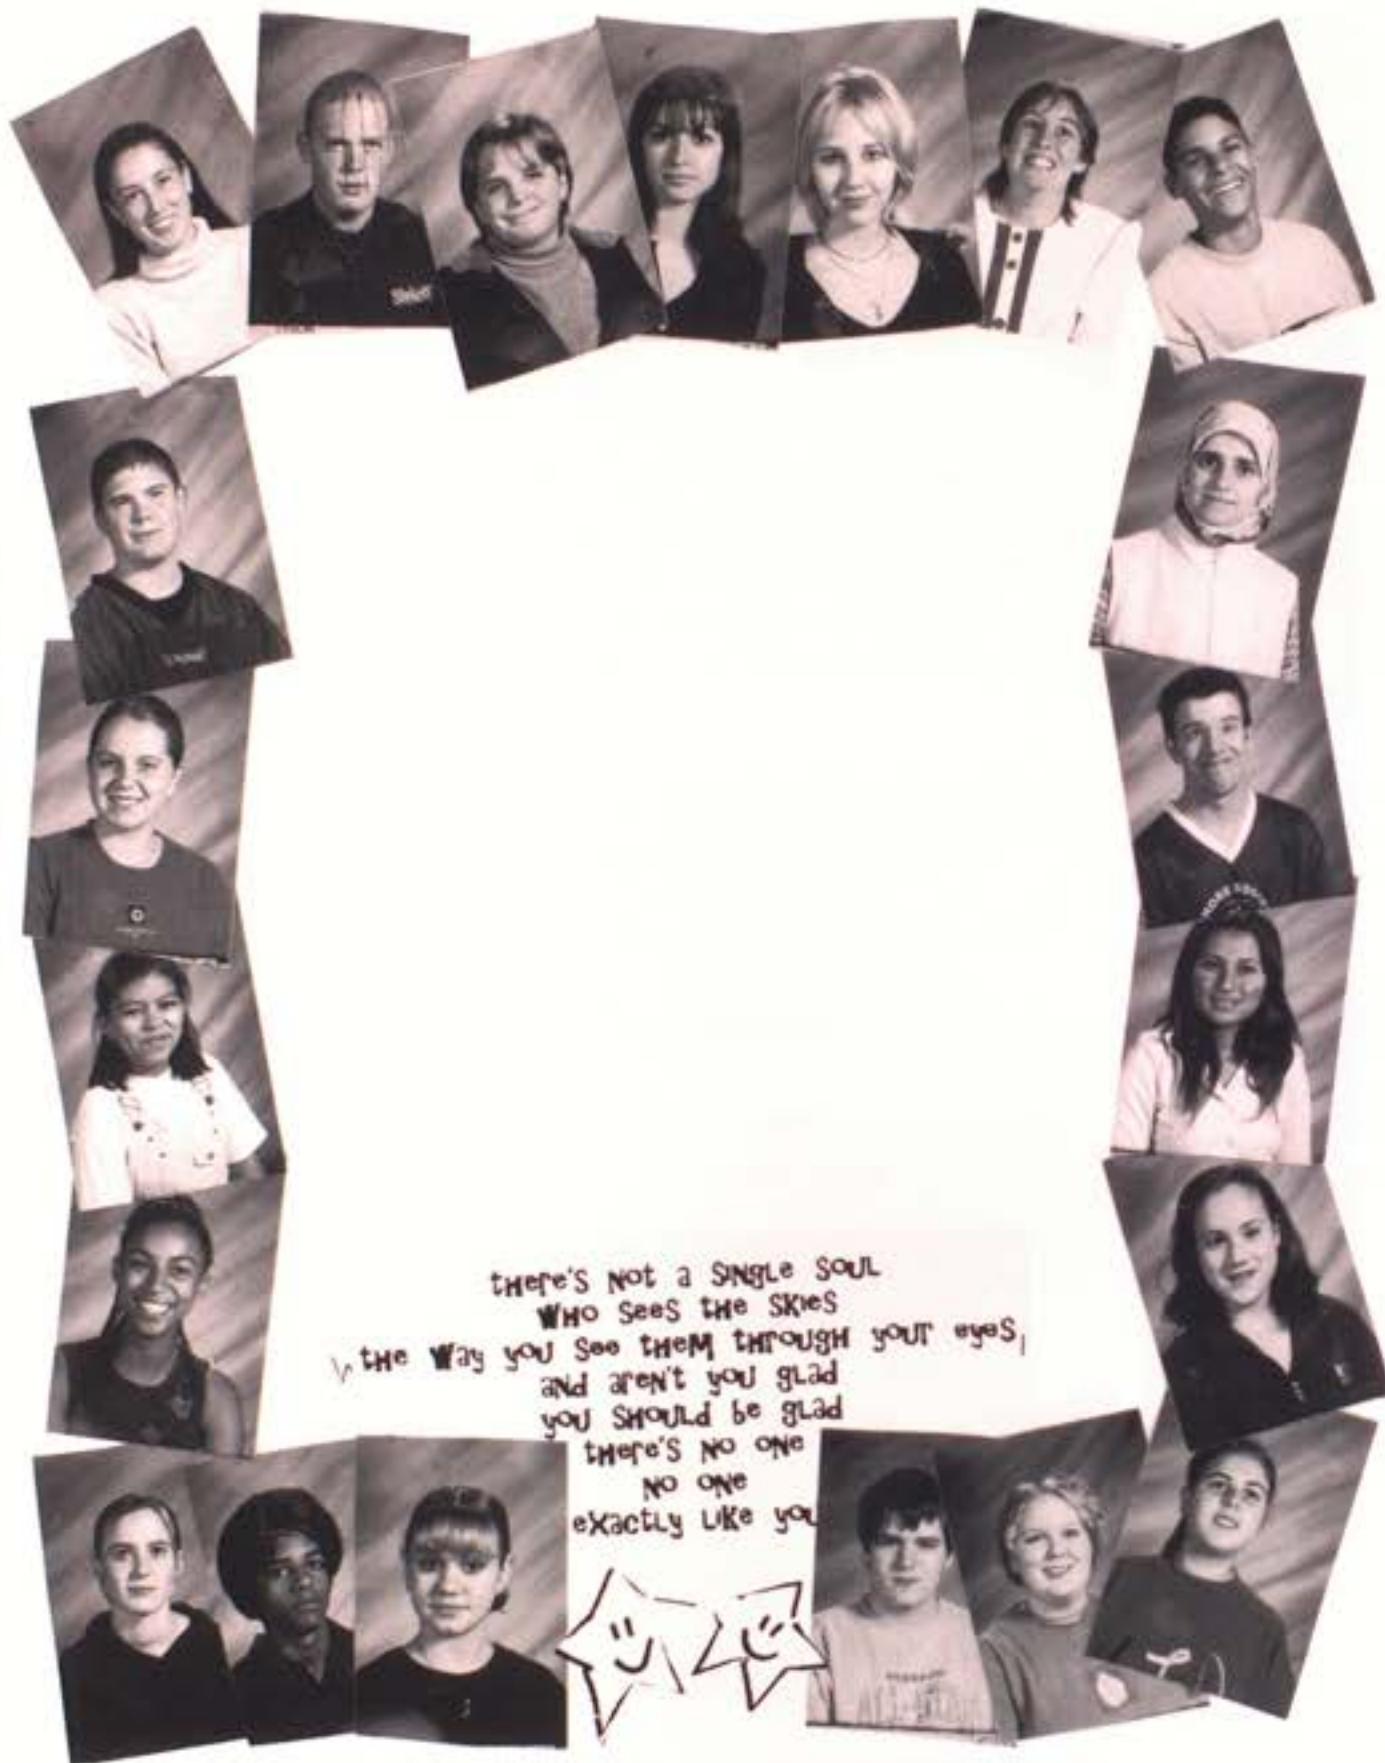

There are so many people who deserve thanks, the first being the yearbook committee. I miss a great deal of school due to personal sickness and operations but Kathryn Clark, and Vicky Hillan took charge, and made sure that everything went according to schedule. The other members, Katie Deane, Tara Hutnick, Megan McEachern, Moksha Serrano thanks for all your help. Thanks must be given to Sonia Suliamen for all of her artwork. Thanks as well to those students who designed individual pages, and who's names appear on the art work. A special thanks goes out to Miss Harris's class, especially Neil Palesh for all of the hard work and dedication to doing much of the computer work, and to Miss Davis for your guidance and support. I have complete faith in Katie Deane and Vicky Hillan who will be your editors for next year, and know that they will produce a super yearbook.

I wish to personally thank Glenna Houston. Without your help and support, many things that take place at school would not be possible. Thanks for putting up with my endless phone calls, faxes and messages. I'd like to wish only the best to all of you and have a bright, happy and healthy future. I would like to congratulate my fellow graduates, and best wishes in where ever your lives may take you.

May your dreams come true today, tomorrow, and always.

Sincerely,
Nicole Cowan

there's not a single soul
who sees the skies
the way you see them through your eyes,
and aren't you glad
you should be glad
there's no one
no one
exactly like you

What Dreams May Come

What dreams may come?
When light rests from the eyes
And your soul takes company with wonder
Life beacons your presence
It reaches for you
Your body craves to walk a path
With pride and respect
A path that carries images of life
Following into pure happiness
This path is fuzzy
Hidden behind a dirty haze
But when you quiet all living things
And let your mind fly the winds of your imagination
Your path becomes apparent and easy to follow
What wonder is to come?
Only the passing of time will reveal
The days that await you
Take shelter in your faith
Of what dreams may come
