MIRACLE WORKER

The lead players worked very hard and made this play perfect. Helen Keller was played by Marija Lelas and was a very convincing actress. Annie Sullivan was played by Rachel Kess. There was great chemistry between Captain Arthur Keller played by Brett Ashley and Kate Keller played by Erica Di Maio. James Keller was played by Jordan Fantauzzo who played an excellent role as a classic teenager. Overall, all actors and actresses did an amazing job. Thank you for this inspiring play.

With the hard work of many students, WCCA was able to produce the unique musical - Fifteen. Fifteen helped us remember, enjoy and celebrate the last fifteen years of WCCA. Special thanks to Mr. Nabben the director, Mr. Goyeau the music director, Ms. Broad the dance director and Ms. Maynard the vocal director. Good job students and we are all looking forward to the musical next year.

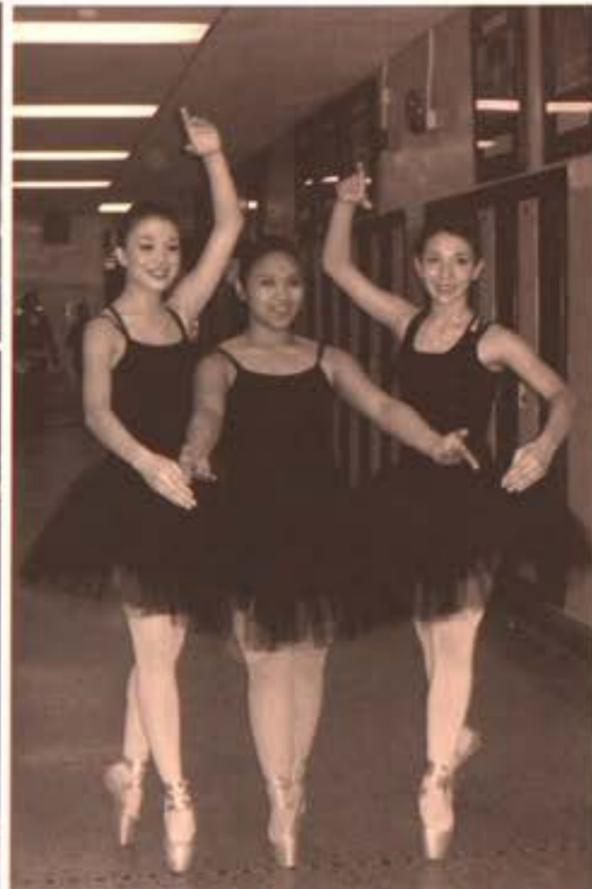

Music isn't just learning the notes and playing them. You learn notes to the music of your soul. - Katie Greenwood

It was a great year for the Junior Girls Basketball Team. The girls were complimented many times by referees, teachers and other coaches for their enthusiasm, team spirit and efforts. They loved being part of the team and it showed. Every team member played better every game as they competed for the Miss Hustle and Miss Defense awards. Some of the highlights of the season were the games against Cardinal Carter and L'Esor (our one and only home game). Congratulations to everyone! We should have another great team next year with many returning students.

The Senior Boys volleyball team had a very successful season this year! With only three returning starters, there were many vacancies which needed to be filled. Several newcomers step ped in and did a great job. We finished the regular season in 7th spot facing the Harrow Hawks in the quarter finals. We put up a good fight but lost in four sets. Cool luck to graduating seniors Ben Morris, Peter Ha, David Yeang and Joel Rankine. Congratulations to Joel who was nominated as a second team All Star.

Sean Anger, Nemanja Antonijevic, Vincent Clark, Rich Durocher, Robert Elliott, Tyral Elliott, Kyle Longmuir, Joe Marini, Ryan McGuin, Abdi Nur, Robert Peters, Tony Polkosnik, Joel Rankine, Abdulamin Saleh, David Yeang, Max Yovanovich

Congratulations to the team for winning the silver medal in WECSSAA South Region competition and also for winning the L'Esor Pepsi Challenge for the second consecutive year. The team would like to thank all of the Tartan supporters who came out to the games to cheer for them. During the playoffs our fans outnumbered, outspirited, and outclassed all others. Who could forget the Tartan Transporters! It truly was an amazing experience. Thanks Tartan!

Tyral Elliott is our most valuable player this season. Abdul Saleh is the most dedicated player, and Tony Polkosnik is the most improved player. Tyral and Rob Elliott were named to the first and second WECSSAA South Regional All-Star teams respectively (an honour bestowed upon these gentlemen each of the years they attended Walkerville). Good luck to our graduating seniors: Tyral Elliott, Rob Elliott, Rob Peters, Abdul Saleh, and David Yeang. You have much to offer this world, gentlemen. Strive for excellence in all that you do.

Although we are losing a talented group of young men, our team remains very strong and there are quite talented junior players moving up to the senior level next year. We excitedly look forward to next season. GO TARTANS!

Bring On The Power!

Lucas Brouillard, Joey Conlon, Nathan D'Alessandro, Adam Gellman, Mohamed Khalaf, From MacDonald, Colin Mansell, Brennan Sharrow, Keith Wilkerson, Jeffrey Williams

Good job guys, we just barely missed the playoffs but we fought hard. Luc Brouillard was a great captain and special mention goes to Colin as Most Dedicated and Luc as MVP.

Pump It Up!

2005/2006 was a rebuilding year for the junior boys basketball team with 5 new starters and many 1st year players. The team competed with great intensity every night. The team was led by the fine play by guards Luc Brouillard and Kemar James Schliefer. The boys narrowly missed the playoffs on the last game of the season. The team looks to take this year's experiences and make their way back to the post season next year.

SPIKE IT!

The Senior Girls Volleyball Team had a busy 05/06 season as they travelled across Essex County to their scheduled away games and tournaments (three this year). Although they did not qualify for a regular season playoff position, the individual skills of each of the athletes improved as the season progressed.

Sadly, a number of our grade 12 players will be leaving Walkerville to pursue careers and post secondary studies. We look forward to veterans Chelssa Hudon, Stephanie Joinville, Carsu Akalin and Justine Thompson Fisher to help rebuild the team next year with newcomers from the junior level.

Special thanks goes to the dynamic duo Nick Kambouris and Justyn Timmerman for their irreplaceable scorekeeping and technical support as well as their neverending cheering both home and away. It wouldn't be the same without them.

As well farewell to Mr. Thibert who has been our wonderful coach for four years. You will be deeply missed and we hope you enjoy your year off in Europe!

CURLING

This year's curling team members consisted of: Senora Yilmaz, Melanie Wright, Tiffany Ford, Dan Zimmermann, Nick Kambouris, and Zack Megivernis. The teacher who made the curling team happen was Ms. Schwaetzer, however she was unable to make the photo shoot, so Ms. Bury was her stand-in.

The new uniforms worked! This year our Jr. Girls Volleyball Team looked sharp and played sharp all the way to the playoffs! The team showed great dedication with weekend and holiday practices and their hard work paid off. The season ended with a hard fought quarter final play-off match against General Amherst. The growth experienced this year will ensure a very competitive team next year with a lot of returning grade nine. Way to go girls!

Go Team Go!!

05-06 was another exciting year for the Walkerville swim team. Student interest in the team this year resulted in a doubling in the number of swimmers. With the season in jeopardy and after a delay of four weeks Walkerville's own Mr. Lanspeary and Mr. Hahn along with many other WCI students convened WECSSAA league meets.

Over the whole swim season, the swimmers were very successful in reaching their own goals due to their hard work and dedication. Congratulations to all of those who made SWOSSA and OFSAA! Great season team!

Run For Your Life!

Track and Field

Under direction of Ms. Segedin and Mr. Hahn, the Track and Field team had a successful year. This year's team had a record number of athletes and the hope is that the team will continue to grow in the future years.

We started training in March with competitions starting in early April and lasting until the month of June. Throughout the nine meet schedule, there were many successes both on the track and in the field.

While there was many personal best from all athletes, we were fortunate to have eight athletes qualify for the SWOSSAA championships in Sarnia. From SWOSSA, Brandon Holland, Brittney Lawrence, and Jackie Anderson qualified for the OFSAA West Regional meet in Kitchener.

Overall, it was a highly successful year and both Ms. Segedin and Mr. Hahn are very proud of all the athletes.

The girls soccer team had a challenging season this year, but they played their best games by the end of the season with great effort and enthusiasm. Congratulations to team MVP and captain Erica Di Maio, and to Most Dedicated Player and captain Kelly Dowdell. Coaches' awards were presented to Raylene Wallace and Lindsay Whalen. Allana Dunlop was selected for Rookie of the Year. Special thanks to Mr. McEachern for coaching our team, and also Ms. Lakic.

The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime.

Student Parliament

Prime Minister's Final Address

Hey Walkerville, I can't believe four years have gone by so fast. They truly passed too quickly but I am thankful for all the memories and moments that we shared. To the younger students, I encourage you all to get involved. Being involved in the school is the key to meeting new people and the opportunity to leave a mark on your school. Don't be afraid to be who you are, one of the things our school takes pride in is it's ability to look past material things and be accepting of others, don't take it for granted. Walkerville has been a home to us all for the past four years, lets keep it an amazing place. To the future Agora members, do your best and strive to achieve what you are capable of. We've done so much this year that I can only see bigger and better things on the way. I know that the school and the student body are in good hands. Listen to Mr. Booth and Mrs. Ireland because they really are looking out for you. Mr. Booth and Mrs. Ireland, thank you for putting up with us all, you two have been nothing but an inspiration and have taught me about true leadership. I want to thank the rest of the staff at Walkerville, all of you have helped me out in one way or another and I am extremely grateful. It would be impossible to just pick certain people to recognize because so many have inspired me and contributed to everything Agora and myself have done. To all of my friends, you are my support system and have been there for me those past four years, through good times and bad, I cannot express how happy I am to have all of you. Finally, I encourage you all to live in the moment, take chances and seize every opportunity that comes your way, make the most out of your life and cherish the moments that matter, you only live once, right? I love all of you. Walkerville! For the past, the present and the future, party on!

Movie

Brett Ashley hard at work editing the video.

This year, a few students from Mr. Allison's Media Arts class created, directed, starred in, and produced an anti bullying video. The students were Brett Ashley, Meghann Rogers, Nicole Hutchinson, Hussein Ezzidene, Suzanne Robinson, Marylin Girmontee. The movie, has since become a sensation. It has recently placed first in The Internation Film Fest, and is soon being produced professionally. These students did a great job, and deserve the credit that they have recieved.

First Day of a Dying Season
Lindsay Whalen

Was that light coming just the candle's reflection? The flicker in the window? These tea candles aren't dancing, shadows dance softly gracefully, like you're in the flames, by now, I can smell it. Can't you?
The gritty scent of smoke as dimming candle fades reminds me of fall as an autumn leaf or when each walking by in the flame exhales that smoke. You can almost taste the life of the fire I suppose, the power will come back on soon, though it rather it did not. This moment is beautiful, the first day of fall, the first day of a dying season, and it seems like it never ends.

Reach For the Top

This year's team was an excellent mix of senior and junior players. With the help of Mr. Maclean, Mr. Thomas and Ms. Schweitzer our team managed to win five games of the regular season. Although we fell short of a playoff spot the team had an excellent round against 1st place Massey. Congratulations to all participants and see you next year for Reach!

The Johnny Zang fan club had an excellent year. We organized many trips to visit the elusive man and they were almost all implemented. Unfortunately none of our plans got passed. Apparently, when planning the trips we forgot to include travel expenses. Regardless, we had a great year and I think we all remember the famous quote from our President and Founder Justyn Timmerman: "When the going gets tough, you just have to stick it out and stick it to the man!" On behalf of our club, we would like to thank everyone who participated in any aspect. Have a great summer, and hope to see all come September. Stay Classy Walkerville

YEARBOOK

2005 / 2006

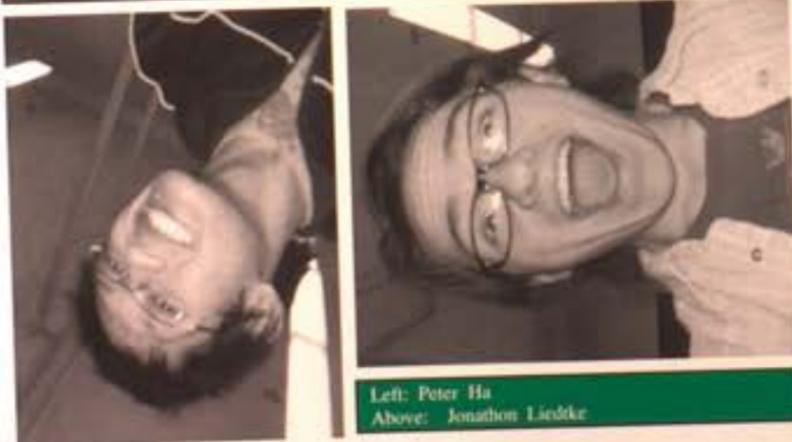

Editors Page

Yearbook. To understand what it is, take the word apart. Year, and Book. What does it mean? On one level, it is a year, inside a book, but there is much more than that. It's not just a cover, a spine, pages, or numbers, but a lot of hardwork that makes it up. Throughout the year, Peter and I put our heart and soul into this book; our blood and sweat are literally baked right into the pages, all 128 of them. We've had some good times designing, and taking pictures, and some bad times, but in the end, it doesn't matter, as it's done now. In essence, inside a yearbook, you take the good, you take the bad, you take them both, and then you have your yearbook.

Peter and I would like to thank the volunteers at yearbook for all of their hardwork, the page designers, the photographers, and of course, we would like to thank, Mrs. Gale. Without her hardwork, and valuable teaching of defensive stances, this yearbook wouldn't have happened. So Walkerville, this is our final address, thanks for all of the good times.

Sincerely,
Jonathon Liedtke, Peter Ha

THE OFFICE

It is with pleasure that I express my congratulations to the students and staff of Walkerville Collegiate for an outstanding year of accomplishments in academics, in athletics and in the arts. I am very proud to be the principal of such a welcoming and caring school that has such rich traditions, such a very dedicated staff and a diverse, interesting and extremely creative student population.

There is just always so much happening here at Walkerville due to a dynamic student council, hardworking athletes and coaches, unique clubs and committees, excellent teachers who devote hours to extra-curricular, and the incredibly talented students and teachers in the creative arts program.

A special thank you to the yearbook committee for the many hours it takes to put together such a fine collection of pictures and information that will help us to hold on to the memories of the 2005-2006 school year.

I look forward to seeing everyone in the fall. For our graduates, I wish you all the best as you move forward into new endeavors.

Mrs. P. Masson

Memo from Mrs. Masson

It is my privilege and pleasure to have been the Assistant Principal at Walkerville Collegiate Institute this year. W.C.I. never ceases to amaze me. Not only does W.C.I. facilitate a strong academic program, but W.C.I. offers a diverse variety of extra-curricular activities. Definitely a sigh that Tartan pride is alive and well.

The students and staff of this school are second to none and I am proud to be associated with such a fine group. I would like to thank all the students who have participated in making W.C.I. an awesome school. I would also like to thank the staff for all the endless hours they put into making W.C.I. the school that it is. Without the dedication of the students and staff we would not have half of what goes on in this building.

A special thank-you needs to be extended to Mrs. Gale and the yearbook committee for all the hard work they have put into creating this document. They capture so many memories that will be cherished in years to come.

Finally, I would like to wish the graduates of 2005-2006 the best as they venture forth into unknown territory. Remember the memories that you have acquired at Walkerville Collegiate Institute and visit if the opportunity should arise.

Sincerely,
Ms. Neuts
