CROSS COUNTRY

The Cross Country Team Continues To Grow!

The team performed very well this year, despite being hit with some injuries. In total the team participated in four meets: The Raider Open, The University of Windsor Invitation, WBCSSA, and SWOSSA. The highlight of the season was Brittney Lawrence qualifying for the SWOSSA Championship in Sarnia. In the Junior Girls 4km race, Brittney ran her personal best time of 17:30. Mr. Hahn and Ms. Segedin would like to thank the team for a successful season and they hope the numbers continue to grow!

Pluralists

Rules of the Road

By Natasha Novac

You were always too fast for me
You earned your racing stripes young
and now you live with one foot on the floor,
take your corners like a
bat out of hell.

I am a seatbelt kind of girl
Stop- yield- slow down-
Look out! Look out!

But one quiet night,
while the glow of the stoplights
turned your face a crimson red,
we started talking, and-

Now we're goin' full throttle pedal to the metal tires squealing gauges blazing-

burning' rubber comin' in through the windows-
"Smell that speed, baby?"-
whippin' along like bullets, BANG -

Analgesic

By: Becky Tremblay

You were always too fast for me.

Sleep is impossible when the nightmare attacks on the inside,
hallucinations of a better time constantly zapping away,
Colourless wings attached to skin so clammy,
With battle wounds screaming out for attention,
From the eyes hard as stone who forgot how to cry.

Sitting in the dark is impossible as reality attacks on the outside,
hallucinations of pain taking forever to pass,
Torn and battered wings attached to skin so pale,
With a fresh wound praying for attention,
From hands bound at the wrist with twine hair.

Falling asleep is a galling task,
When both the illusion and actuality attack.
It's ever so easy to run,
But it's nearly impossible to hide;
From the marionette without a face.

A Word from Our Prime Minister

Wow, it's been an exciting year hasn't it?
From your grade nine Frosh to your Graduations, I hope that everyone is able to look back on your experience at Walkerville, and recognized that if nothing else - we had A LOT of fun!
I feel like every generation has their own stories to tell- about that joke your grade nine math teacher told over and over again, but still managed to make you laugh every time. Or the grade ten field trip to the science center that introduced you to a whole new group of friends. Or even just that one time, in the hallway, that nobody forgot about. Between the walls of Walkerville, events and teams and music and theatre are always on the go. Luckily for us, we have an ever-supportive community, as well as teachers that are willing to put in the work behind the scenes, to get these extra-curricular off the ground and available to the students. My only advice is to take full and complete advantage of this. If you like chess, join the chess club. If you like the dance, try out for WCCA dance. If you want to play Boys Soccer, then why not go out for team? Don't be nervous about not "making the cut". You only have four years, and it will fly by you faster than you ever could have anticipated. When you do make the cut, don't forget to stop along the way and say thank-you to the teachers, sponsors dedicating their time to you.

Take risks. It's worth it, I promise.

Walkerville is contrasted among other high schools. I'm not sure what it is that makes good old W.C.I. so different, maybe it's in the drinking water? Just kidding!
Walkerville stand out from the rest because of the students. I feel so privileged to have been given the opportunity to represent the student body as Prime Minister of Agora, for the 2006-2007 school year. I'd also like to acknowledge a special group of students that have made my own stay at Walkerville worthwhile - student council.
To my little grade reps: You survived your year as a rep. Thank you for all the work you've done, though frustrating at times! Initiate change in the future of Agora by speaking up and letting your ideas be heard.
To Mr. Booth, Ms. Ireland and Mr. Cassidy thank you for doing so much work that is never credited to you. Your guidance and support has been motivational to all of us on council from day one.
To the Executives and ministers the backbone of council. It is your leadership and commitment that has made every Agora event this year. As for next year, you've got to step up to the plate. Reach new heights in Agora history! I mean let's be serious for a minute... why wouldn't you?
And lastly, to Josh Flynn I couldn't have made any progress without you. Thank you for your constant support as my Deputy Prime Minister, and my friend.

As much as I hate to leave, I'll forever be a Tartan at heart.
Thanks again to everyone!

Laura Gover

Yearbook

I can still remember the time when I met the yearbook editor back in grade nine for the very first time. She was stressed and the first thing she said to me was "I'm a yearbook geek." I wondered how one could possibly be a yearbook geek, but now I understand. If you take a stroll down memory lane in good old room 223 and 224, you'd see many frustrations, missed deadlines, and editors sacrificing all of their free time to yearbook. But, in the end, we get the job done with simple bribes of tasteful pizzas through those late night meetings.

As always, there are so many people that I'd like to thank for helping me complete this yearbook. First of all, thank you to Alicia Cheshire and Justine Thompson-Fisher for hunting down teachers for information, and taking many of the sports pictures. Second, I'd like to thank my dear assistant editor Micah. We went through A LOT this year (yearbook related of course) and I am glad I had an assistant editor that was as hardworking as you. Good luck next year. And finally, to Mrs. Gale: Thank you for giving me the chance to be a part of the yearbook and helping me with some major life decisions. To me, you were the most inspiring teacher I've ever met that I will never forget.

But most of all, I will miss good ol' Walkerville C.I. and will cherish the memories forever.

WALKERVILLE

Walkerville has Halloween spirit

Who's got spirit?
Tartans' got spirit!

Eleven students travelled to St. Donat, Québec this February (14-18) to experience french language immersion while having fun learning how to ski and snowboard on the hills of Mont Garçon. It was a long bus ride up there (16 hours) due to the snow storms, but we all pulled through the discomfort on the bus for such a long time. Students enjoyed a very active trip including skiing, snowboarding, cross-country skiing, ice-skating, tobogganing and many outdoor activities and cultural experiences. The students were part of a group called "Vieilles Magiques" which is based on a Québecois myth in which they participated nightly in outdoor and indoor competitions. The trip integrated language skills and culture with outdoor education, music, and dramatic arts. Students had fun using their french, riding the alpes, communicating with other French students and experiencing the magic and charm of the small town of St. Donat. Thanks to all students for their wonderful participation. C'était vraiment un plaisir!

Prom '07 A Starry Night

We had a great year Walkerville!

A Note From Our Principal

It is with pleasure that I express my congratulations to the students and staff of Walkerville Collegiate for an outstanding year of accomplishments in academics, in athletics and in the arts. I am very proud to be the principal of such a welcoming and caring school that has such rich traditions, such a very dedicated staff and a diverse, interesting and extremely creative student population.

There is just always so much happening here at Walkerville due to a dynamic student council, hardworking athletes and coaches, unique clubs and committees, excellent teachers who devote hours to extra-curricular, and the incredibly talented students and teachers in the creative arts program.

A special thank you to the yearbook committee for the many hours it takes to put together such a fine collection of pictures and information that will help us to hold on to the memories of the 2006-2007 school year.

Mrs. P. Masson

A Note From Our Vice Principal

It is my privilege and pleasure to have been the Assistant Principal at Walkerville Collegiate Institute this year. W.C.I. never ceases to amaze me. Not only does W.C.I. facilitate a strong academic program, but W.C.I. offers a diverse variety of extra-curricular activities. Definitely a sign that Tartan pride is alive and well.

The students and staff of this school are second to none and I am proud to be associated with such a fine group. I would like to thank all the students who have participated in making W.C.I. an awesome school. I would also like to thank the staff for all the endless hours they put into making W.C.I. the school that it is. Without the dedication of the students and the staff we would not have half of what goes on in this building.

A special thank-you needs to be extended to Mrs. Gale and the yearbook committee for all the hard work they have put into creating this document. They capture so many memories that will be cherished in years to come.

Finally, I would like to wish the graduates of 2006-2007 the best as they venture forth into unknown territory. Remember the memories that you have acquired at Walkerville Collegiate Institute and visit if the opportunity should arise.

Sincerely,
Ms. Neuts
