A NOTE FROM OUR DIRECTOR

WCCA has had another busy year.

Our Dancers have participated in workshops learning Chinese, Salsa, and African dance. They had another successful run of Artistic Endeavours with the theme Fast Forward. Our vocalists entertained at parties at the Windsor Yacht Club and Willistead Manor and sang with the Windsor Symphony Orchestra at the Armouries and Julie Leahy at Mackenzie Hall. Our visual and media artists put on two art shows at Artspeak Gallery as well as their annual participation at Art in the Park.

Our Concert Band and Jazz Ensemble were invited to go to Ottawa for the National Competition of Music Fest in May and all of our instrumentalists competed in Kiwanis Music Festival here in Windsor.

Our piano students accompanied our vocalists in their Wedding Music Workshop and competed individually in Kiwanis. They continue to bring joy to people in retirement homes and hospitals as they perform there throughout the year.

Our drama students have been doing weekly broadcasts at Blackburn Radio, a play on autism and they put on Midsumemer Night's Dream in our own auditorium in April. Our musical was Pajama game this year. We presented it in the fall this year and the cast and audience seemed to enjoy themselves thoroughly.

We are looking forward to more exceptional performances and art shows in 2008/2009.

TARTAN ATHLETICS 79

These past 4 years have been a long but short run & I would just like to say thanks for everyone who made it as great as it was. I would like to say thanks to Nyla Benza for witnessing the funniest moment of my life. I love all my friends & want to thank them for making these years awesome! 2006 was the best year ever, Quebec, Semi, Summers, Vacations & just normal hang outs were amazing! Grade 9 = Willistoad Park, Grade 10 = Locknick Residence, Grade 11 = Relapse Grade 12 = Going to be the best yet. P.S. I love Jess Chesdrie. Special thanks goes out to TGale for keeping me in line & to Micah Serrano for giving me this page.

A Word From Our Principal

It is with pleasure that I express my congratulations to the students and staff of Walkerville Collegiate for an outstanding year of accomplishments in academics, in athletics and in the arts. I am very proud to be principal of such a welcoming and caring school that has such rich traditions, such a very dedicated staff and a diverse interesting and extremely creative student population.

There is just always so much happening here at Walkerville, due to dynamic our student council, hardworking athletes and coaches, unique clubs and committees, excellent teachers who devote hours to extra curricular, and the incredibly talented students and teacher in the arts program.

A special thank you to Mrs. Gale and the Yearbook Committee for the many hours it takes to put together such a fine collection of pictures and information that will help us to hold on to the memories of the 2007 - 2008 school year.

Sincerely,
Mrs. P Masson

A Word From Our Vice-Principal

I would like to extend my sincere gratitude to all the students and staff at Walkerville Collegiate Institute for making my first year as the Vice Principal such an enjoyable experience. Everyone at WCI has welcomed me into the school community and helped make each and everyday a pleasure to go to school.

I have truly enjoyed the many academic accomplishments and the incredible extracurricular opportunities that the dedicated staff and coaches at WCI provide for our students. In addition to all the hard work that from the staff to make this all happen, I would like to say a special thank you to our student council. Without all of their hard work so many of these opportunities may not occur. Student council certainly provides awesome experiences for the students that will create a lifetime of memories.

A very special thank you to Mrs. Gale and the Yearbook Committee for all of the extra time and effort they have put into help make the yearbook a collection of everything that WCI represents. They have captured so many wonderful things we do together as a school community.

In closing, I would like to wish the 2007-2008 graduates every success in their future. My hope is that we have prepared you well. Hopefully you will bring with you knowledge, skills, experiences and most of all the friendships that will help you succeed in achieving your post secondary goals.

Sincerely,
Mrs. V. Houston

Tartans, I've been asked to say something about this year at this fine school. I have been given so much by this school, student body, and faculty, this past year I have tried my best to give as much back as I could. We had a hell of a year, there have been great times and bad times, happy and sad times. In truth I could not sum up high school in one page, nor could I in the entire yearbook. For those of you, like myself, in your last year at Walkerville, we are about a large, uncharted step into the rest of our lives and I hope to see everyone that monumental step. For four years, we have been in classes together, seen the same things, experienced the same things, lived the same things, and now as we branch off to the big world. I have realized some things. I have realized that as much as people may say high school isn't real life, or it doesn't matter, we have been shaping ourselves in this time into the people who we will continue to be. Yet on the same token, I have realized that the negative aspects of these years don't matter at all in the long run. What truly matters are the things that make us happy, give us joy. Sure, pain helps us grow but I have found that most students tend to focus on the bad too much. So that being said, a message to those staying here. ENJOY IT, LIVE IT, LOVE IT, EMBRACE IT. This only happens once, we have so much time, use THIS time to grow in a positive manner. So after all that, my final words in this slightly off-topic speech are taken from a dear and wise friend, Giver Tartans, just Giver.

Hoping that all find happiness in this mad world,

Josh Flynn

fellow Tartans,

I am pleased to present you with Walkerville Collegiate Institute's 2007-2008 yearbooks. I was in grade 10 when I first joined the yearbook committee, and at the time I had no idea what I was getting myself into. Creating a yearbook is not an easy task to do; there are hundreds of pictures to be taken, and numerous pages to be made. There are certain deadlines to meet, and even late nights at school. Yearbook was stressful at times, but also exciting for the most part. We laughed, we cried, we tried to master the Gale tone. A yearbook is a book filled with pictures taken throughout the school year. A picture says a thousand words, and with a thousand words you can create an amazing story. The pictures that fill this book capture the memories that you have created during your time here at W.C.I. When you look back a few years from now, I hope that this yearbook captured the amazing school year you had.

There are a few people that I would like to thank for making this yearbook possible, if it weren't for them, I have no idea what I would do. I would like to thank Ellis Bicketts for lending his amazing talent, in creating the title pages and the cover of our yearbook. I would like to thank Kirsiln Siu, Bryson Bearden, Evan Wiebe, and Amanda Pindus for making a few pages. I want to thank the students in Ms. Gale's Gr. 12 business class who collected the grad surveys and took pictures around the school. I want to a tremendous thank you to all of the photographers (you know who you are) that helped take pictures around the school and at school events.

I have gone from being a pagemaker, to assistant yearbook editor and now I have had the honour to be this year's Yearbook Editor. I want to thank Ms. Gale for giving me the opportunity of being on yearbook for the past three years. However, the time has come where I must pass the yearbook flame since I will be graduating; I am pleased to pass the torch to my fellow assistant editor Kyle Dowdell, best of luck next year! We've had our many ups and downs, but you came through in the end, and I think you'll do an amazing job next year.

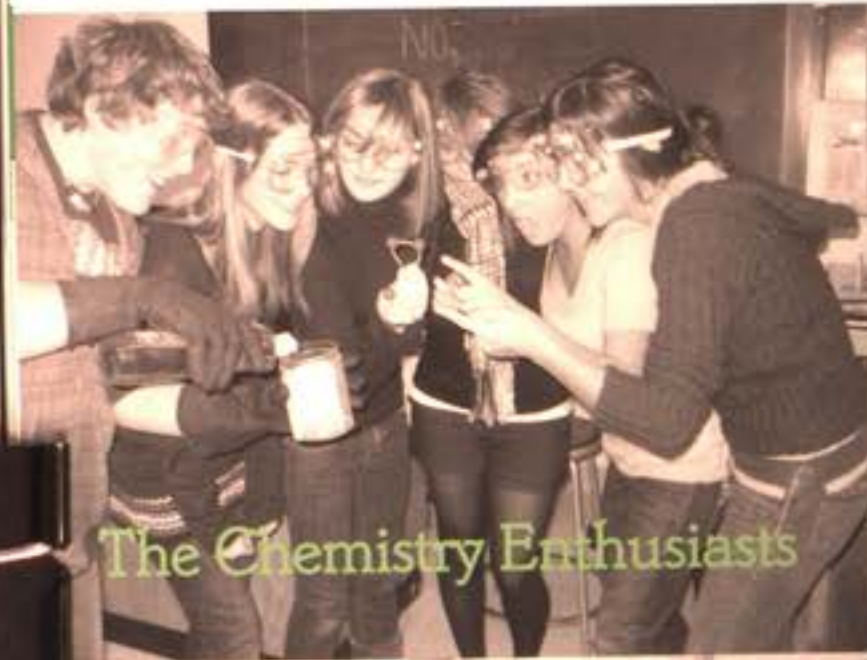

These past four years have been an amazing time, and I wish the rest of you the very best memories to come. These are the days my fellow Tartans, take advantage of what you have, there's so many opportunities join a sports team, a club or maybe in the yearbook committee "wink wink". You never know what's in store, I joined yearbook to try something new and I ended up really enjoying it. My last words for you Tartans is "Carpe Diem", seize the day my friends, seize the day...

Yours Truly,

Micah Serrano

The Johnny Zang Fan Club

The Johnny Zang Fan Club has been a part of me since I came to Walkerville four years ago. We had a monumental year, there was a plethora of events that we thoroughly enjoyed. We have held fast to the morals and teachings of our mentor Johnny Zang. He taught us how to love, he taught us how to live. I would like to thank all the members that dedicated their hearts and minds to the club. We would like to thank the good people at Bob's Discount Grapes and Eyeglasses, also the wonderful employees of Hash-Brown and Jenkins Incorporated for their continued support. Overall I would have to say this year we accomplished more than we ever thought that we could. In closing, in the words of Johnny Zang, "I believe we can fly, I believe we can touch the sky."
