for Kyla Brennan

MEMORIAL SERVICE

The funeral service for Kyla Brennan will be held on Monday, August 14, 2017, at 11:00 a.m. in the funeral home. The service will be officiated by the Rev. [Name]. Burial will be in the [Name] Cemetery. The family will receive friends from 10:00 a.m. to 11:00 a.m. at the funeral home. The family is requesting that contributions be made to the [Name] Foundation. The family is also requesting that contributions be made to the [Name] Foundation. The family is also requesting that contributions be made to the [Name] Foundation.

she always wore a smile

HOUSE ADDRESS

As the school year comes to a close we look back and reflect on the 2010-11 year. It is with great pleasure that we present to you this edition of the Walkerville Collegiate Institute yearbook.

This was a very successful and rewarding school year to say the least! The greatness of Walkerville is clearly evident in our students' commitment to academic excellence, athletic accomplishments and

continuous contributions to our community.

In this year's edition, we celebrate the many sports, extracurricular activities and special events that we are so fortunate to have at Walkerville. Without the commitment and dedication of each and every member of the school community, these diverse events would not be possible. Our sincere thanks to all of you who provided these invaluable experiences and opportunities for our students this past year.

A special thanks to everyone involved in the publication of this wonderful keepsake; your hard work and dedication is very much appreciated! We are confident that you and your family will find within the pages of this edition of our yearbook fond memories that will be with you forever.

Thanks for a great year!

Mrs. Y. Houston
Principal

Mrs. D. Brown
Vice Principal

PRIME MINISTER ADDRESS

I am grateful to have been a part of Walkerville for the past four years. Walkerville is a truly unique school. I will always cherish memories of my time here. I wish to thank the people here who inspire and motivate students every day to challenge themselves and be all that they can be. People such as these are the reason Walkerville remains exceptional. You are the mentors who, with your profound influence, guide others in the direction of greater success. You are the individuals with overwhelming creativity that seek the empowerment of the soul. This school, in my mind, has become a symbol of what it means to be open-minded, to show enthusiasm, to display charisma, and so much more. I am honoured and proud, to call myself a Tartan as the name represents a freedom I believe all have the right to embrace. As a final thought to all present and future students, really think about whom you wish to become and what sort of message you want to send to your fellow classmates in the years that lie ahead. Four years passes by ever so quickly...It is up to you to make the most of it...

Gen Angeloski
Prime Minister

SPORTS

TENNIS

CROSS COUNTRY

The cross country team had a very successful season beginning the first week of school. The 22 Tartan athletes practiced hard running everyday after school. The team competed at The Thrill on the Hill meet held at Malden Park with midget girls running 3 km, junior girls 4 km, senior girls 5 km, midget boys 5 km, junior boys 6 km and senior boys running 7 km. The WECSSAA cross country championships were on Oct 21, 2010 at Malden Park. Walkerville was very well represented by the runners who ran their races well and hard and gave it their all. Walkerville had three teams who qualified from WECSSAA to compete at SWOSSAA, the midget girls, junior boys and the senior boys teams. The Tartan runners represented the school at the SWOSSAA championships also held at Malden Park on October 27, 2010. There were many personal bests made during the season and hard run races, great job this season.

GIRLS | BASKETBALL

BASKETBALL | BOYS

The 2010-2011 boys basketball team had a successful year. After starting the season with 2 losses the Tartans went on a 10 game win streak. The team lost in the first round of the playoffs against a tough Catholic Central Team. The team was led by Seniors Robbie Ibrahim, Mike Graves and Ryan Taylor. The future of Tartan basketball is exciting with lots of young talent returning next year. A special thanks goes out to Coach Brumpton for teaching us the fundamentals of basketball and showing us what it takes to win.

GIRLS | VOLLEYBALL

The Senior Girls Volleyball team had great success this year. We had a strong season categorized by huge Kills and Great defense. We came second place at the Kingsville tournament out of twelve teams, and made it into the second tier of the play-offs. The team would like to thank all of our coaches for their dedication, as well as all of the parents and fans who supported us at home and at away games. We had great spirit, dedication, and motivation. Excellent work this year Tartan's. Way to go ladies.

VOLLEYBALL | BOYS

We started the amazing ride with a win at the Black and Gold tournament in Amberstberg. This led us into a strong regular season, and then the WECSSAA championships with home court advantage and the support of our loyal fans. In 3 straight games, we defeated the reigning champions, the Essex Red Raiders, for the WECSSAA title and trophy. However, our journey did not end there. We earned home court advantage again for the SWOSSA championship where we faced the undefeated St. Clair Colts from Sarnia. Once more, in front of excited family and friends, we swept the opposition 3-0 to become the 2010 Junior Boys' Volleyball SWOSSA champions! A big THANK YOU to Coach Homenuik and Coach Tesolin for their time and inspiration. This team did not just earn medals and trophies. They worked hard, had fun and made friends showing true Tartan spirit!

CURLING

The girls curling team had a slow start, but improved throughout the season. The season ended with a nail-biter of a game, losing by one point to the would be WECCSA Champs. With all our girls returning we look forward to next year which should prove to be a successful season!

BADMINTON

Mr. Cassidy and Mrs. Hahn would like to congratulate all the members of the Jr. and Sr. Badminton teams for their hard work and dedication throughout the 2011 Badminton season. We are particularly proud of having 5 teams advance to compete at the WECSSAA Championships this year. Highlight of the season belongs to Rachel Bondy and Kristyn Thompson for outstanding athletic performances and winning the Sr. Ladies Doubles WSSA Championship.

SWIMMING

TRACK & FIELD

The track season started in March with running in the hallways at school and finished with Lucas Palmer competing in the OFSSAA west regional champions in London Ontario. The track and field team competed in three All-Comers meets throughout the month of April held at Sandwich Secondary School to prepare for the WECSSAA track and field championships. On May 9, 10, 11 Walkerville was represented by 23 athletes competing at the WECSSAA held at the University of Windsor in the 100m, 200m, 400m, 800m, 1500m, 3000m races and shot put, discus, javelin, triple jump, long jump and high jump. Sarah Henshaw, Kendal Torrie and Justin Gore all qualified to compete at SWOSSAA in Sarnia for high jump; Liam and Lucas Palmer qualified for discus; Lucas Palmer qualified for shot put and Lauren Gyemi qualified for javelin. From the SWOSSAA track and field championships Lucas Palmer came 2nd in shot put with a big throw of 14.63m and qualified to compete at the OFSSAA Western Regional track and field meet.

GIRLS | SOCCER

The senior girls soccer team had a great season this year with six wins, one tie and one loss in the regular season. They finished the season in second place overall in tier 2 and with 43 goals, the girls scored 11 more than any other team in their tier. Their team work and dedication ensured them a place in the playoffs where the Lady Tartans advanced to the WECSSAA semifinals. What a season to be proud of ladies!

SOCCER | BOYS

This was a building year for the Senior Boys' Soccer Team. Improvement was made each game and the team's skill and camaraderie grew in leaps and bounds. Team MVP Mitchel Suchiu was also recognized as an All Star Team member. Joey Filipic was named to the 2nd All Star Team as was Robbie Ibrahim as the All Star Team Keeper. A special thank you goes out to Milan Lelas who played a huge role in the training and coaching of the team. Thank you for a great season! And thanks to the Tartan parents and fans who came out and supported us. Mrs. T. Cherry & Ms L. Palmer

PHYSICS CLUB

EARTH LINKS

This year our Earthlink team headed by Martin Coyle and Elizabeth Xu and teacher sponsors Mrs. Broad and Mr. Ferguson made our school and community greener by implementing a number of activities like working with the volunteer group "ONE Change" in promoting awareness to our community of tire pressure and how it can reduce carbon emissions. Creation of Walkerville's first ever outside seating area. This consists of two areas that are shaded and includes seats. Continued partnership with "Erie Wildlife" a rehabilitation centre for injured and orphaned wild animals. Our earthlink members volunteered cleaning cages and feeding animals. Elizabeth and Grace dressed up as "Green" Superheros for a whole week handing out free reusable water bottles to help educate the community of Walkerville about negative effects of using one time use bottles. Partnership developed by United Way to construct an urban garden to help provide food and community spirit to a local neighborhood.

SENIOR RECITAL

PROM

GRADUATION

The class of 2011 - A collection of individuals ready to take on the next step, ready to take on the world. We have been taught and trained to embrace this world since we were born. We have been told that the world is big, that the world is uncaring, that the world is scary, and that we need to be prepared for it now that we have received the pieces of paper we came here for tonight. But it's not us that need to be prepared for the world; it's the world that needs to be prepared for us.

We are here to celebrate what we have worked hard for, what we have accomplished, and what we will do. We are here to celebrate what we felt and what we became over the years we shared. We are here to celebrate our choices and our decisions, for these are what define us. We are our actions, ever moving and thinking and changing ourselves and those around us. We are more than nouns - names and numbers - we are verbs. We are not particles floating in stagnant water, waiting to be moved. We are the tide.

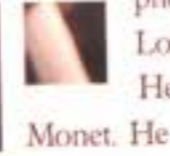

We began small, a ripple in a stream, beginning to walk and talk and count and read. We realized what we could do with these skills and began to create. Our potential grew, and, suddenly, we found ourselves facing the great doors of Walkerville Collegiate Institute. There were so many other people, and so many of them were way bigger than we were. There were three floors of classrooms in no particular numerical order, and the seniors were telling us that the shortcut to the cafeteria was outside. We nervously creates friendships as quickly as we could - some that lasted, others that didn't. We sought a niche, a place where we could feel safe in the seemingly frightening ocean of high school. But growth

does not happen in a comfort zone, so we began to evolve. As the years passed, several individuals propelled us through the trajectory of our lives. Some of us have the great fortune of parents to guide us, offering words of wisdom, warm meals, and a never-ending supply of car rides. For the times, for whatever reason, they weren't by our sides, we always had our teachers. They made us smarter, they cared and still care about us on a level beyond their course curriculum and assignment deadlines, and they are proud to have seen each of us walk across this stage tonight.

Our teachers are more than employees of the educational system, they are people whose anecdotal advice and actions are so valuable at this time in our lives. Teachers change lives. An example of this happened several years ago when I was in art class working on still life. I sat in front of styrofoam eggs and green glass bottles feeling incredibly frustrated. My drawing did not look like what was in front of me. I wanted so badly for it to look like a replica of what I was viewing, like a

photo, but I could not reproduce the image, and I decided to give up. Mr. Lock came by and asked how I was doing. I explained to him my frustration. He responded by showing me paintings by Vincent Van Gogh and Claude Monet. He asked me, "Do these paintings look like photographs?" None of them did.

We are privileged to have had these positive role models in our journey through institutionalized learning, but what happens now that our time in the public school system has passed? Some of us will continue our formal education, some others will enter the workforce, and yet others have absolutely no clue. Whether we are sure of our future plans or not, we are still in a developing stage of our lives where that could change any day, and this is frightening. Do we really know what we want, what to do, and who we are?

Though it seems there are many forces against us, there are forces for us that are just as strong. R. Buckminster Fuller once stated: Do not fight forces, use them. We must use the current of life to our advantage. We must dare to try new things and push our limits. We must learn from our mistakes, not allow ourselves to be defined by them. We must make balance and happiness, not money, our first priority. We must allow creativity into our lives and guide it into the lives of others. We must question perfection, and all definitions and standards that accompany it. We must accept and nurture the unique creatures we are by our infinite capacity to love. And, most importantly, we must shed all the absurd preconceived notions and believe that it is possible to change the world.

LETTER FROM THE EDITOR

Well, the school year is done, and all I have to say is, "Wow, what a year." So much has happened, and in this year's edition, the yearbook team and I have worked hard to do what we can to show what Walkerville really is: a school of pride, spirit, and peace. But before I talk about this year's edition, I want to take the time to reflect on where yearbook has come from.

When I came to Walkerville in grade ten, I received its yearbook the following year, and what a disappointment it was. In the committee, we call it, "The book that must not be named." Then came Sara Howie. With such a skilled and talented woman, we had nothing to expect but perfection, and that it was. The standard was raised so high I can honestly say it will never be exceeded and would have been the best yearbook Windsor-Essex County has ever seen. Sara Howie will forever be a legend within our school. Unfortunately though, her hard drive crashed resulting in a semi-complete yearbook that year. It happens to the best of us though, and from this we made some safety precautions.

This year we had a lot of changes: the biggest and most dedicated yearbook committee yet, we moved our entire interface online, purchased a backup hard drive, bought a new camera, and even made a digital version of the yearbook! The new interface is much easier for everyone to understand, way more efficient, and virtually effortless to organize. Of course, it does have its limitations. Like every year, yearbook strives to show all the events, to cover every sports game, and to document each school club and committee, but there will always be something missing. Whether we needed more photos, we missed an event, or we couldn't attend a game, it's simply the nature of yearbook, and for that I apologize. This year we wanted to focus on raising the bar though. We knew it couldn't be through design, we didn't have the same skills that Sara Howie did, but we could do it through photography. You guys told us you wanted more photos and less text, so this made our work cut out for us too. It was perfect. From all the changes and hard work though, it's safe to say that yearbook still has a reputation to make up for, and so, it will continue to grow and evolve throughout the years.

All in all, I am proud to be able to present you this book. A book here that reflects most of what happened this year. To remember the moments we have shared with our closest friends, our strongest teammates, and the ones we have lost. A book to be cherished for the rest of our lives. All in colour, and complete. But we didn't do it alone though. To everyone who has donated their time to the committee, provided photography and write-ups, all the co-operation of teachers and staff, and most of all to Mrs. Gale for supervising the entire project, thank-you. We could have never done it without you. And to everyone else, thank-you too for such a wonderful year.

To the past, present, and future,
Cheers

Billy Bolton
