854 students, 78 staff

Walkerville Collegiate Institute officially opened its doors to the public on September 2, 1922. Located in the Old Walkerville area, named for Hiram Walker, it is across the street from Willistead Park. The school started with one hundred and sixty five students and a staff of two. Initially there were twenty-two classrooms, an area for manual training for the boys, a cooking and sewing area for the girls, a wood paneled library, a gymnasium, "The Pledge" pool, and auditorium. In 1989, Walkerville was selected as the home for the Walkerville Center for the Creative Arts and facilities expanded again to meet the needs of Vocal and Instrumental Music, Art and Dance as well as painting, printmaking and sculpture programs. Today there are over eight hundred students and a staff of almost eighty. "Nil sine labore" (Nothing Without Work) remains the school motto.

# PRINCIPAL'S ADDRESS

Congratulations to Mrs. van Dijk, Ms. Thibert and the awesome Yearbook Committee for bringing to life their vision of Tartans 2017. Countless hours taking pictures, writing and editing text, cropping photos, and creating visually pleasing page set-ups which requires thoughtful problem-solving, collaboration, tenacity, and resilience has resulted in this wonder-filled book of memories. As our motto says, "nil sine labore" which means "nothing without work". Your labour and hard work is to be commended. Bravo!

We have had an amazing year and have much to celebrate. As you peruse the pages of this yearbook you will smile and reflect on your time with friends and staff at WCI and WCCA. You will recall the clubs, athletics, artistic endeavours, performances, trips, and numerous other events you were instrumental in creating or supporting throughout the year. These memories you will be able to share as you leaf through your yearbook with family and generations yet to come.

I wish to congratulate our Class of 2017 as they begin the next chapter in their book. Your character, commitment to excellence and to our community will not be forgotten. Remember what you have learned during your years at WCI and WCCA and never forget, "once a Tartan, always a Tartan!"

Mrs. Nantais

Hello Tartans new and old!

I was fortunate enough to serve as your Student Council Prime Minister this year. I am very grateful for so much of the student body that contributed to what I believe was another fun and fulfilling year. I am so appreciative to the Agora Team for giving up so many of their hours to put toward keeping Walkerville spirited and making sure something was always happening that our classmates could enjoy. We started the year off strong, earning over 14,000 cans at our yearly Candemonium, beating our goal once again. I wish I could watch Ms. Williams being taped to the wall over and over again. Our spirit weeks were radical this year, seeing all the students and staff get so into the themes made me feel like Walkerville was alive and full of spirit once again. The socks and sandals on vacation day were a big perk too. This year, Andrew Metcalfe and I were faced with a number of challenges that tested our leadership abilities. Neither of us had the opportunity to put our problem-solving and teamwork skills really to the test, but running Agora and especially planning Walkerville Carnival, we came alive and continued our newest Walkerville Tradition once again. Thank you to Andrew for being my partner in crime this crazy, wonderful year, and I also appreciate all the hard work student council put in to making this year amazing for everyone. I hope you, as Walkerville Tartans enjoyed this school year as much as I; thanks to all of you, I was able to lead Walkerville through another year. Lastly, a thank you to a few others who deserve more than just my thanks; Mr. Driedger, Mrs. Greco and Ms. Nantais. Getting through this year would have been unthinkable without the support of these extraordinary people.

## Special Highlights:

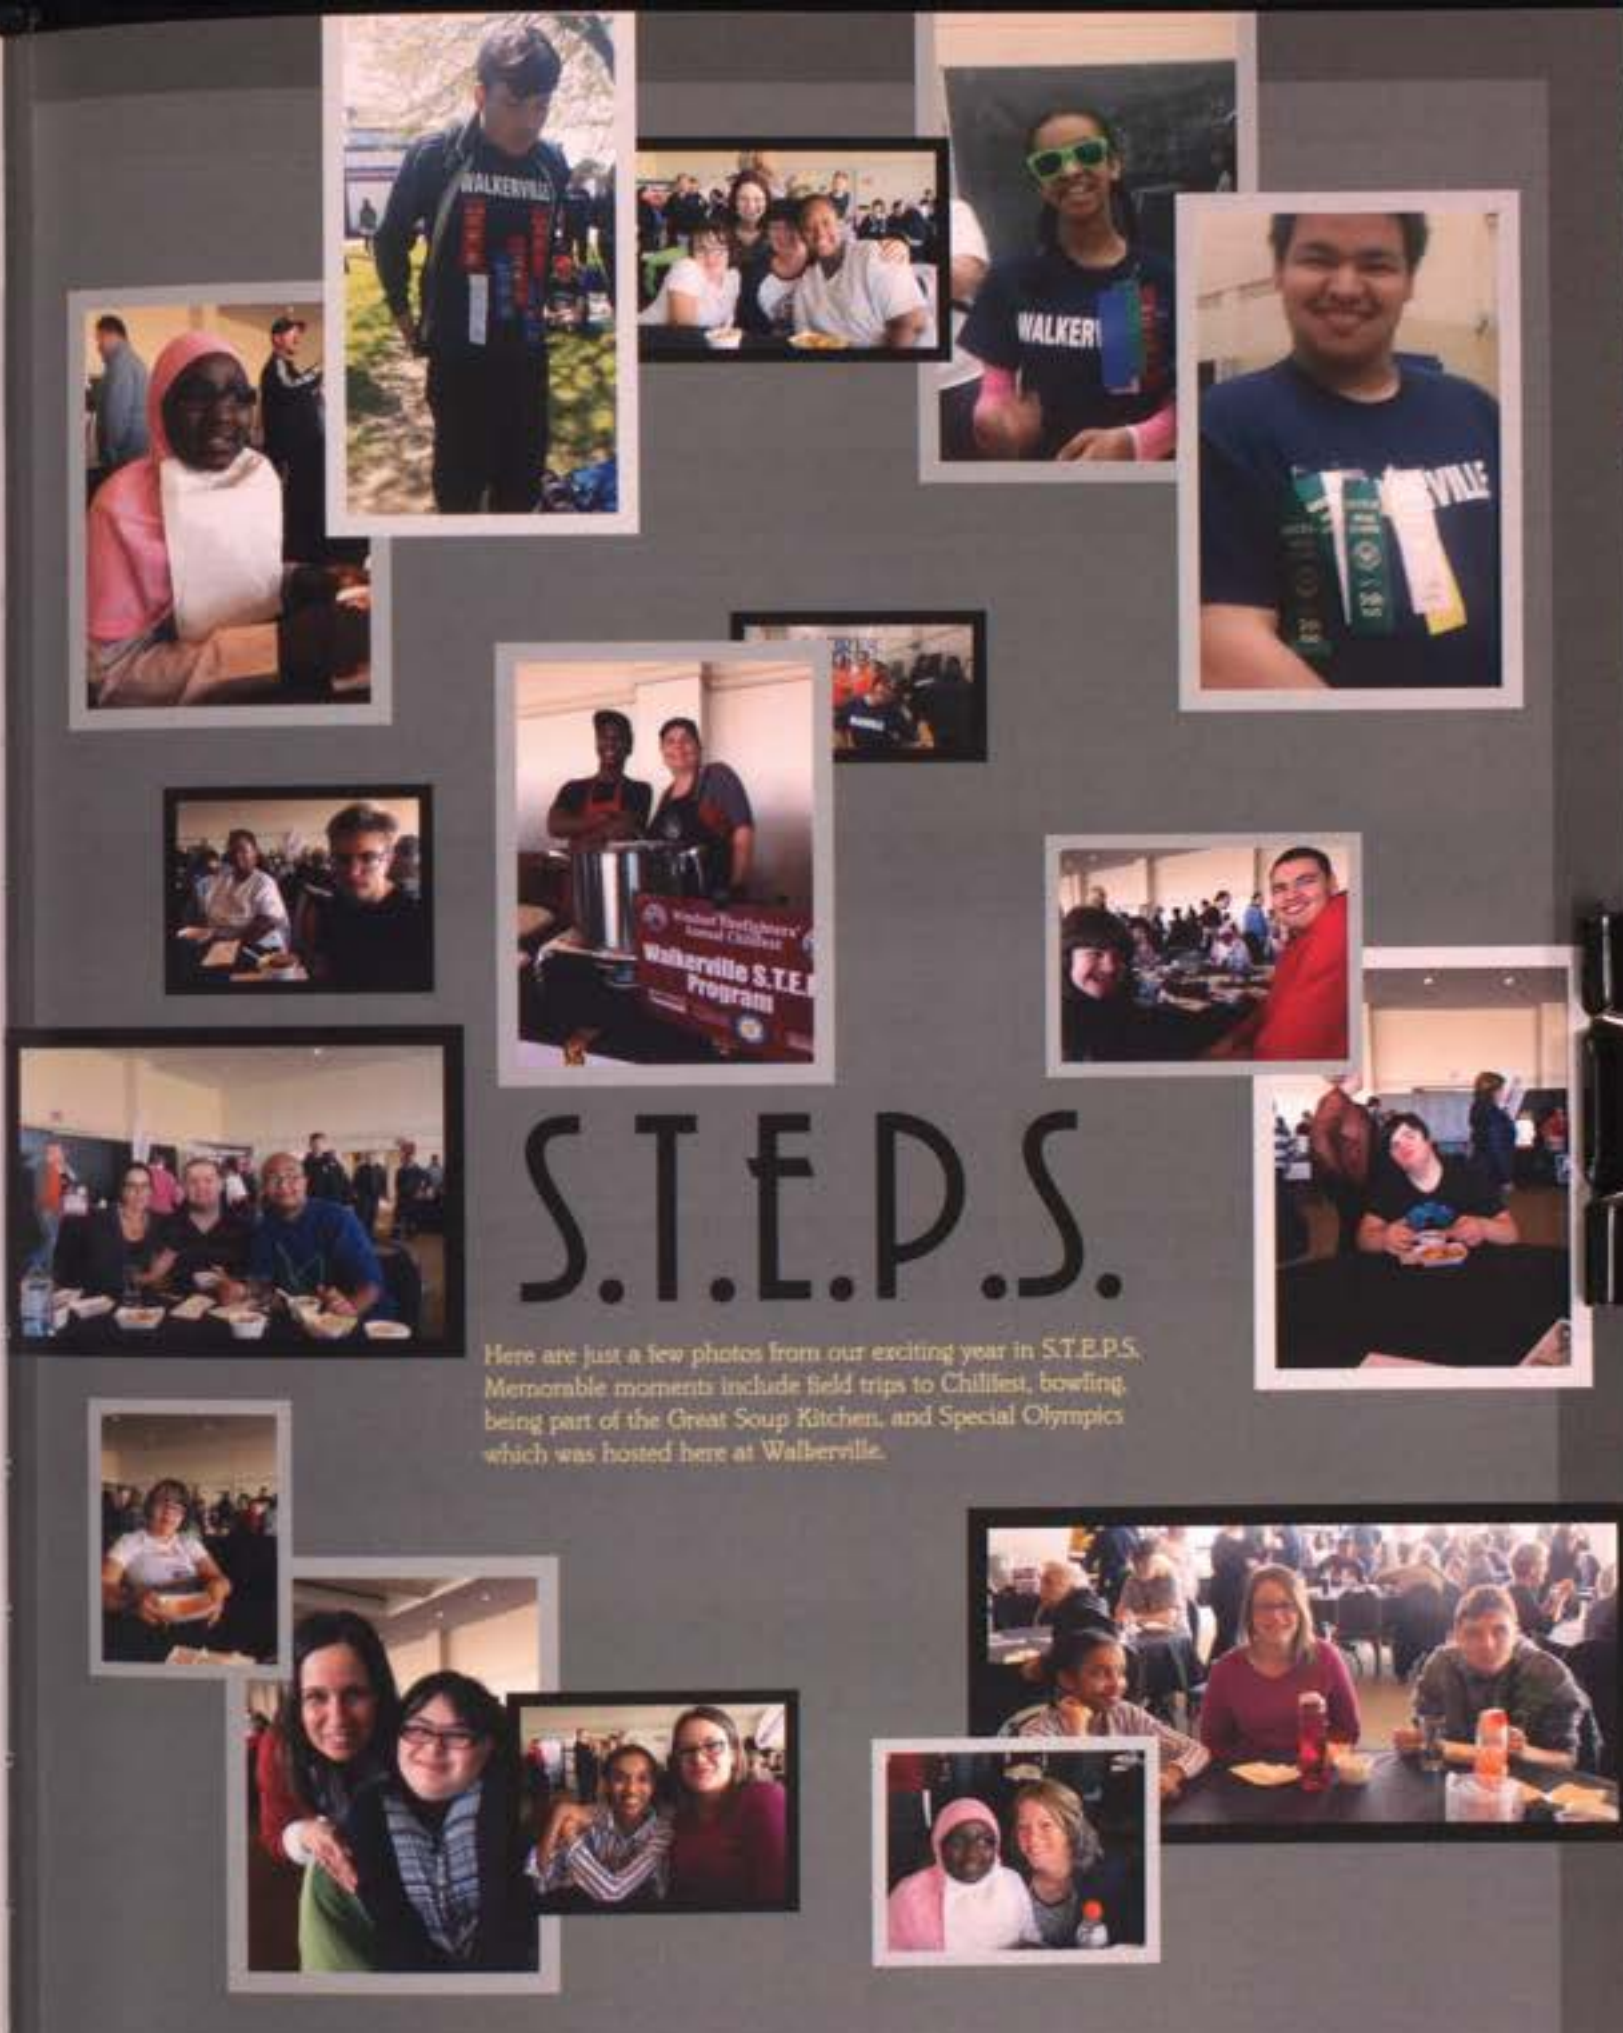

The Council for Exceptional Children Windsor/Essex Chapter 125 celebrates an evening of acknowledgement honouring extraordinary students who have risen above and beyond their challenges, as well as individuals who bring meaning to serving students with Special Needs in Windsor and Essex County. This year we were lucky enough to have two award recipients - Clayton Jacques, a current STEPS student, as well as Mr. Angelini, a DSW in our STEPS program, who is also the longest-standing member of our Walkerville staff, with 28 years of service. Congratulations to you both!

## Best Buddies:

### BEST BUDDIES

This year we had Colin Sutton in grade 10 serving as the Chapter President for Best Buddies at WCI. Some highlights include okelele lessons as well as Special Olympics. Thank you for all your hard work and friendship, Colin!

# S.T.E.P.S.

Here are just a few photos from our exciting year in S.T.E.P.S. Memorable moments include field trips to Chilliest, bowling, being part of the Great Soup Kitchen, and Special Olympics which was hosted here at Walkerville.

# GSA

A GSA club is a student-run club in a high school or middle school that brings together LGBTQ+ and straight students to support each other, provide a safe place to socialize, and create a platform to fight for racial, gender, LGBTQ, and economic justice. "GSA" has historically stood for Gay-Straight Alliance, however WCI has expanded the name of their club beyond the binary Gay-Straight terminology to Genders & Sexualities Alliance.

# WE DAY

# Earthlinks

Back: Ivan Flores, Olivia Akey.  
Front: Erica Seal, Sydney Brouillard-Coyle

The Walkerville Earthlinks takes action on environmental issues through education, research, campaigns and events. Mr. Ferguson and his Earthlinks students also spend time on the community garden in Ford City.

SPECIALIST HIGH SKILLS MAJOR

# SHSM

The Specialist High Skills Major (SHSM) is a program that allows students to focus on a career path that matches their skills and interests. Each major consists of a bundle of 8-10 courses, certifications and training, and co-operative work experiences related to the student's selected field. At Walkerville we have three SHSM programs, Environmental Science, Arts and Culture and Health and Wellness

# Poetry/Book Club

Students visit the Alzheimer's Society and share their poetic talent.

## Chickadee Hustle

by Phillip Ian Franjo

The business sector of downtown Toronto home to bustling crowds of chickadees in navy-blue suits divided into two classes: those who are walking with the wind and those who are walking against it. None of them particularly unique, none of them donning their passions on their chest. They are not going anywhere interesting but they sure are going somewhere in a rush. You cannot distinguish what their passion or drive is by the shade of their briefcases, and that is a shame.

## Beetles and Butterflies

by Olivia Akry

I was sitting under the ring of your chestnut trees when I realized  
This loneliness comes from all of these beetles and I am the only butterfly.  
The breeze of your laugh touched my face and dried my eyes.  
Your voice in my head said,  
"Pet, at least you're not a beetle among butterflies."

# The Loop

The Loop was established by Ms. Aspinall who took it upon herself to teach students how to knit and crochet. As you can see, many students and teachers have joined the club, where they share tips and support each other every Thursday at lunch.

# The Tartan Times

Our newspaper team this year worked hard to write three editions of the Tartan Times.

Left: Olivia Peltier, Jessika Pouget, Jade Nelson, Evan Johnson, Bianca Hutton.

# Yearbook Team

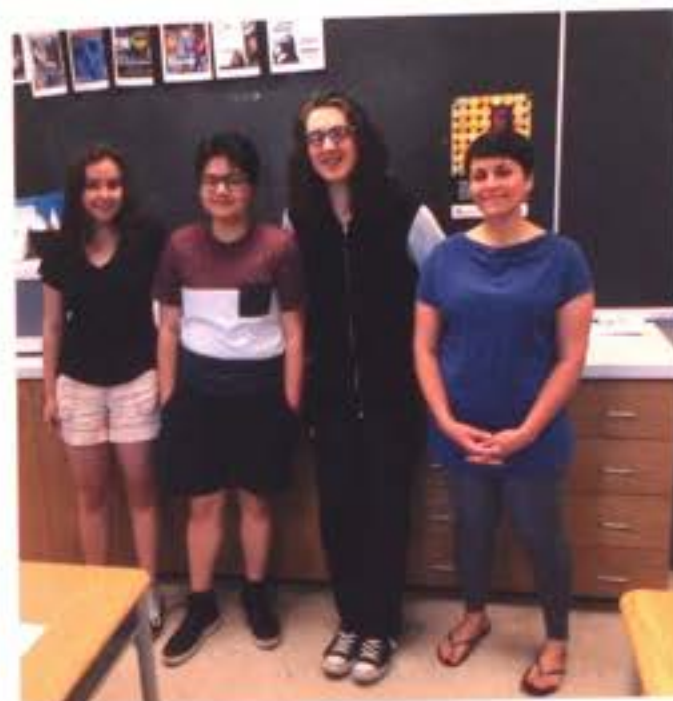

Back Row : Steven Halligan, Maria Jose, Bethany Bowen, Ethan Lovell.  
Front Row: Matthew Vojvodin, Julia Garant, Grace Dycha.  
Missing : Carly Kelly.

The yearbook team put lots of work into making this book great. Thanks to Mrs. van Dijk and Ms. Thibert for all of their support!

# Jack.Org

Kalie Chapman-Smith, Steven Livrinski, Aiden Friend, Ms. Roy  
Missing: Tess Snaden

Jack.org is the only national network of young leaders transforming the way we think about mental health. With initiatives and programs designed with the input of young people at every step, we will end stigma in our generation.

# Announcement Team

Charlie Salter-Rae, Sam Kilbride, Perla Layman, Evan Johnson, Jeff McAuley, Bianca Hutton, Albert Sharp, Yasmine Sole, Violet Spencely-Sales.

Our school's announcement team provides students with gentle reminders as to the start of the day. "You have 5 minutes to get to class". Their cheery broadcasts update students on the schools events and achievements. Their positive energy and enthusiastic voices are a positive start to our day.

# Letter From The Editors

Dear Tartans,

It has been an incredible year! So many awesome events took place, and we had such a fun time! Lots of hours went in to creating this book, and it has really paid off. We hope that years from now you will be able to flip through these pages and remember all of the fun times you had with your classmates!

We want thank every member of the yearbook committee, you guys were amazing! Your hard work is greatly appreciated. Our teacher sponsors and school administration also deserve a big thank you, because without you this book would have never happened. And finally, thank you to every student at Walkerville. You all made this year extremely special, and one that we will remember for a long time!

Sincerely,

Julia Garant and Grace Dycha
