## Principal's Address

Congratulations to Mrs. van Dijk, Grace Dycha, Carly Kelly, Julia Garant and the dedicated Yearbook Committee for their countless hours capturing our year for each of you. They have spent many days and evenings taking pictures, writing and editing text, cropping photos, and creating page set-ups to create this collection of memories you will be able to share with friends and family for years to come. As our motto says, "nil sine labore" which means "nothing without labor". On behalf of all Tartans, your labor and hard work are sincerely appreciated.

We have much to celebrate! Your enthusiasm for learning, artistic and athletic endeavours, equity and inclusion and social justice, have made a difference in our school and in our community. Continue to share your purpose and passion with others.

I wish to congratulate our Class of 2018. Your character, commitment to excellence and to our community will not be forgotten. Remember what you have learned during your years at WCI and WCCA and never forget, "once a Tartan, always a Tartan!"

Mrs. Nantais

Principal

## Prime Minister's Address

As sad as I am to see the road split ahead of us, I am glad to have spent the last 4 years Student Council doing what I love, and what the students love. Giving the student body what they want is why Agora is here. 3 Incredible Coffee Houses, a great Grade 12 BBQ, Spirit weeks, and every event all the way back to grade nine orientation, there is nothing I would rather have been doing, than planning events for my favourite people. I'd like to thank Ms George for her hard work, dedication, and go-get-em attitude all year. Keeping council in check and ready for events. A special thank you to Deputy Prime Minister and a wonderful friend, Tess Snaden, for encouraging me, keeping me motivated and inspired, and for carrying the torch that is teamwork. Student council has taught me much about social interaction, maintaining composure, and working through the tough times. Thank you to absolutely everyone that has been there for me, and supporting me all this time. I love all of you, and I will miss you.

Stay Wild,

~Noah Rylan Christopher Marentette

At the assembly students were privileged to hear about the experience of war from Master Corporal Dave Gionet (ret.) who served in Afghanistan.

# FIELD TRIPS

2018

As a culminating activity, the HRF30 World Religion class visited the Sikh gurdwara as a field trip accompanied by Mrs. Cherry, Mr. Varaich and Ms. Williams. We were welcomed by the Sikh ambassadors, lead by Mr. Gurinder Singh. The class experienced an authentic Sikh ceremony by seeing a mini religious service, including live music, followed by "langar" which is a vegetarian meal (loved it!) and finished up with turban wrapping. Thank you so much to all the ambassadors (especially Mr. Varaich and Mr. Singh) who made this special day possible.

WORLD RELIGIONS  
TRIP

This year students who were studying in Ms. April Roy's Contemporary Aboriginal Voices class and Mrs. van Dijk's Ancient Civilizations course travelled to Toronto's Royal Ontario Museum to experience historical artifacts which were related to their studies.

ROM  
TRIP

Every year students travel to Stratford to collaborate on productions and to attend a live performance. WCCA students participated in the summer workshop Stratford Off the Wall. During the school year Walkerville students also viewed the play To Kill a Mockingbird.

STRATFORD

## Outstanding Service Award

Mrs. Aspinall shares her award with her colleagues.

Each year the Greater Essex County District School Board asks for nominees for an Outstanding Service Award. This year our math teacher Mrs. Alice Aspinall was nominated by her fellow teachers. Mrs. Aspinall shares her passion for math with her students and colleagues alike. In her classroom she engages students with her enthusiasm and her helpful lesson on her Youtube channel Mrs. A Loves Math. This award was to recognize all her hard work and dedication on behalf of her students and our school.

Mrs. Aspinall accepts her award from Director Kelly and Trustee Kim McKinley.

## Science Fair Champions

Mahnoz and Shawn with their awards

Shawn Tanner and Mahnoz Akhtari started out as Environmental Co-op students at the Great Lakes Institute and turned that opportunity into an award-winning project, Using Zebra Mussels as a Water Filtration Substrate which won the duo five awards at the Windsor Regional Science, Technology and Engineering Fair which lead to an invitation to this year's national science fair.

## Dontre Goes To The Ellen Show

Dontre was also honoured at Graduation by receiving the Principal's Award, presented to him by Mrs. Nantais, in recognition of the impact Dontre had on Walkerville during his time at the school. He was always diligent in his duties and he was always ready with a smile or one of his famous movie star impersonations. Dontre, you are a Tartan forever!

One of Walkerville's own got to live a dream come true. Dontre Fortune, an Ellen DeGeneres superfan wanted one thing for graduation, to get tickets to see Ellen on his trip to California. For many it was not a surprise that Dontre was a huge fan of Ellen because he is a kind and caring person just like her. To make Dontre's dream a reality, Cindy Leduc and Walkerville students took to Twitter. They launched a social media campaign hoping Ellen's people would see it. They did. Dontre got a call from the shows producers. "I told her absolutely everything about myself. It was so weird actually talking to a producer all the way from Burbank, California," said Fortune. Dontre was given tickets to the show and got to see his hero in person.

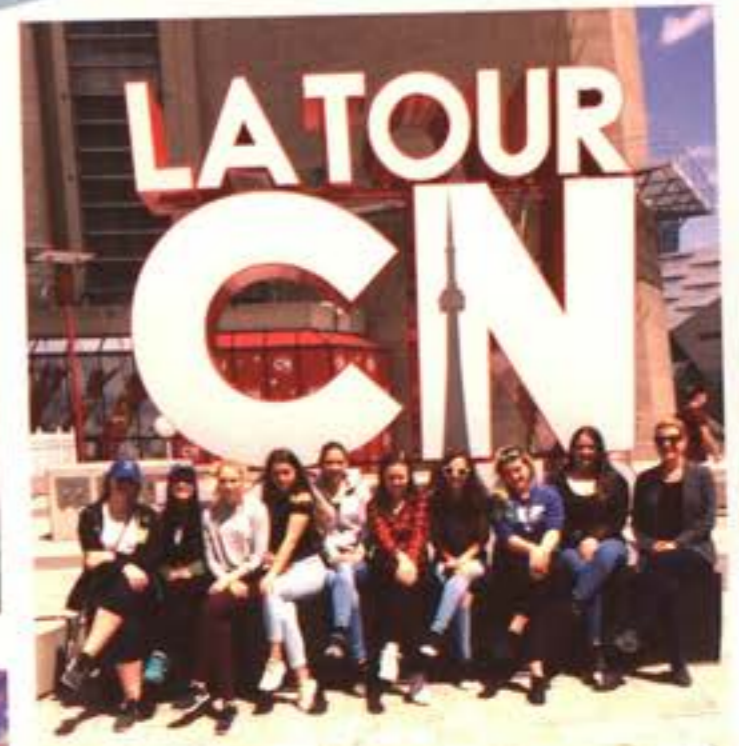

# SPECIALIST HIGH SKILLS MAJOR

In schools across Ontario, students are building brighter futures through SHSM programs in many varied and exciting high-demand professions. SHSM provides all students with learning choices and opportunities that genuinely meet their needs, interests, and aspirations. Here at WCI we have three of these innovative programs; arts and culture, environmental science, and health and wellness.

# Semi-Formal

# Rotary Interact

An Interact Club is run by students but mentored by Rotarians. Our club was sponsored by the Walkerville Rotary Club. Their goal is to provide students an opportunity to undertake activities to aid the community which allow them to develop skill with the aim of becoming leaders in their communities.

## Pi Day

Pi Day is celebrated on March 14 (3.14) by math enthusiasts around the world. This year, our entire school came together to celebrate math as a fun and relevant subject for all! We learned about using Pi in calculations, the use of Pi in other subject areas, and the STEPS department made everyone a mini apple pie!

Tartans.

Working on this yearbook required hours upon hours of editing, and lots of time spent traveling to take photos. Although it was stressful at times, we couldn't be more proud of it!

We would like to thank our incredible yearbook committee, your dedication to this book is greatly appreciated. We also would like to give a huge thank you to Ms. Van Dijk, who kept us on track and gave up so much of her time to help us complete this project! To the class of 2018, we wish you the best of luck in all of your future endeavors.

And finally, we would like to thank every student and staff member at WCI. Hundreds of memories were created this year, and we will cherish them for the rest of our lives. None of that would have been possible without each and every one of you. We hope that years from now, you will be able to open this yearbook and smile, as you recall all of the fun times and friendships made.

Sincerely,

Carly Kelly, Grace Dycha, and Julia Garant
